PRIVATE VEHICLE REQUIREMENTS

The Chico Unified School District acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not exist without private support.

To ensure that private transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

1. The driver will be 21 years of age or over and possess a valid California Driver's License.
2. The driver will be in good physical condition, free of any medications that may affect operation of the vehicle.
3. The vehicle will be in excellent condition and repair.
4. The vehicle will have a seat belt for each student being transported.
5. The vehicle will carry only the number of passengers for which it is designed. In no case will more than nine students and a driver be transported in a van or station wagon.
6. The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his host owner/driver.
7. The driver will have an insurance policy that will act as the prime carrier for any liability incurred with the following results and amounts of coverage:

Bodily Injury Liability of not less than \$100,000 each person with \$300,000 each accident.

Property Damage Liability of not less than \$50,000 each accident.

OR

Combined single limit for Property Damage and Bodily Injury of \$300,000 for each accident.
