Little Chico Creek PTA Meeting October 21, 2008

Came to order at 6:38

We had Mrs. Edwards and Mrs. Weaver show us a presentation of "Elmo", in hopes that if we have extra money available in our budget that we might help out the teachers in getting Elmo's for the teachers who want them. Price wise the cost of the projectors needed to help run Elmo's would be around \$550 + Tax and the price of the Elmo's themselves are around \$635 + Tax.

September's minutes were looked over Stephanie Johnson motioned to approve the minutes. **MOTION PASSED**

We had an error on last month's approved budget report, it was reported that our total receipts were \$83,393.00 and it should have been \$90,811.19, which is a difference of \$7,413.19 more than we thought we had. The extra money was put in the playground equipment fund which was \$23,533.16 and is now \$31,246.00. Stephanie Johnson made a motion to approve the budget report with the new changes. **MOTION PASSED**

Principal's report by Suzanne Micheloney

Love Chico helped with weeding around the school grounds.

Math study group devising math lessons, they meet with professors from CSU they work on making math better for the students. The teachers are going to start a new thing videotaping some of the teachers and learning new techniques from each other on teaching subjects, for example math that might not be one teacher's strong suite, but math might be a co-workers strong suite so by watching a teacher teach a math concept in a different way might help students understand the work better as well as give the teacher another way of presenting the assignment.

President's report by Casey Wolk

The Kindergarten picnic tables are in

Cookie dough delivery will be around noon on Wednesday November 12th we will start handing out the orders after school that day through Friday from 2:30 to 4:30. We will need lots of help putting orders together.
