

# New Student Introduction Letter From Parents/Guardians

Please take a moment in the next few days to write a note to me introducing your child. In the past, information that parents have provided me in these letters has been very helpful. No two students are the same and any information that you can provide will help me to optimize the learning experience this year for your child. Below are a few ideas you might consider as you write.

- What are the goals that you have for your child this year?
- What are your child's strengths and areas for improvement?
- How does your child spend her/his free time?
- What has your child's school experience been in prior years?
- Do you have any concerns about your child?
- What do you see as the role of the classroom teacher?
- Are there any family situations the teacher should be aware of in terms of home/school communication?

If you have any questions, please drop by the classroom or call before/after school (891-3285, ext. 112) or send me an email at the following address: [bpanek@ChicoUSD.org](mailto:bpanek@ChicoUSD.org).

Thank you, very much, for helping me to make this the best possible year for your child.

**Have a SUPER week!**
