Dear Parents,

This week students have been working on improving addition with regrouping skills. Common errors have been forgetting to regroup or simply rushing through work and making careless addition errors. As a class, we have been working on slowing down for accuracy. Students will be tested on this concept next week. The most recent chapter test is in your child’s homework folder.

In the area of social studies, we are moving into geography. Students are learning about their place in the world as well as compass directions. As we begin next week, students will begin learning about different landforms and identifying geographic features in the Butte County area.

The LCC Fall Carnival is scheduled for Thursday, October 2<sup>nd</sup>. Our class will be hosting the “Ring Toss “ booth along with Mrs. Ross’ class. We will need parents to help with various shifts for the carnival. Please indicate below if you are able to help with any of the shifts in the “Ring Toss” booth or if you would like to donate cupcakes for the cakewalk. This is always a fun event for families and staff. I hope you are able to attend.

It seems that there are book events all over the place this week. The LCC Book Fair is open through this Friday before and after school. The student book project is due September 18<sup>th</sup>. If you have lost the assignment sheet there is a link on our class webpage. Also, don’t forget that the books from the Butte County Library are due Wednesday, September 17<sup>th</sup>.

Thank you to the parents who have volunteered to help/drive on our field trip on September 26<sup>th</sup>. If you indicated that you were checking your schedule, please let me know ASAP if you are available. We currently have seats confirmed for 15 students and still need transportation for five additional students.

Have a great week and THANK YOU for your support!
