STUDENT DRESS AND GROOMING

The dress and grooming of students should reflect upon the "society" in which they are located. Our "society," Marsh Junior, should house students who use good taste in attire/grooming—simplicity, neatness, and appropriateness. Students should wear appropriate attire during the regular school day and at school-sponsored activities.

1. Students should not wear clothing or hairstyles that can be hazardous to them in their school activities, such as shop, lab work, physical education, and art. Grooming and dress which prevent the student from doing the best work because of blocked vision or restricted movement are discouraged, as are dress styles that create a disruption of classroom order. Footwear (shoes or sandals) must be worn at all times.
2. There should be adequate coverage of the body, which means that short-shorts, bathing suits, spaghetti straps, single-strap tops, halter tops, tube tops, undershirts, bare midriffs, sheer garments, pajamas, sagging pants, etc., are not considered adequate coverage. Undergarments of any kind should not be visible.

3. Hats and headwear must be worn appropriately. Hats and headwear should not be worn inside buildings and classrooms (except for specified dress-up days).
4. Crude or vulgar lettering or printing, pictures depicting or encouraging drugs, tobacco, alcoholic beverages, racial/ethnic slurs, gang affiliation, or that are sexually suggestive on shirts, sweatshirts, jackets, jewelry, or other wearing apparel are not acceptable.
5. Attire associated with "gangs," such as the wearing of colors, gang insignias, folded bandannas, belts, buckles, etc., is not acceptable.
6. Sunglasses (except prescription) are not to be worn in classrooms.
7. P.E. clothes are not to be worn in other classes.

Students and parents are expected to comply with dress standards as they have been established to promote safety and a positive educational environment. Noncompliance by students will result in a conference/disciplinary action.

C.U.S.D. Tobacco Policy

Chico Unified School District prohibits the use of tobacco products at all times on district property (Board Policy #4379). This prohibition applies to all employees, students and visitors on any property owned, leased, or rented by or from the District.

PROMOTIONAL STANDARDS

Promotion for 6th, 7th, and 8th grade students enrolled at the junior highs will be based upon:

- a) **Credits:** A student will earn 50 out of 60 credits each year for promotion to the next grade, including credits earned in the remediation/intervention program. The same class may not be failed twice.
- b) **Semester Grades:** Credits will be calculated by semester, but reviewed quarterly to identify students in need of participation in the remediation/intervention program.
- c) **Attendance:** A student must attend a minimum of 85% of total school days each year.
- d) **Multiple Measures:** A student must demonstrate proficiency at the "Meets Standard" level on CUSD multiple measures for his/her grade level in reading, writing, and mathematics. Students who score above the 39th percentile on the Stanford Achievement Test (SAT9) in reading and mathematics may be exempt from other multiple measures in these subject areas. Students who score at or below the 40th percentile in reading and mathematics on the SAT9 shall meet the other multiple measures at the "Meets Standard" level for those subjects.
- e) **Review Committee:** A review committee comprised of the principal/designee, counselor, parent, student and any other person deemed relevant by the parent or school will be established at each site to consider special circumstances of students not meeting the promotional requirements.

HONOR ROLL

A student may be eligible for the Honor Roll by being enrolled in six classes and achieving a grade point average of 3.50 at the semester. The point values for

grades earned are:

A=4 B=3 C=2 D=1 F=0 Inc=0 NG=0. The point values of the six marks listed above are used in the computations of grade point averages. `

ABSENCES - 896-9981, 2-#

If a student is absent from school for any reason, a note from the parent or guardian is required. If a student is going to be absent, parents should phone 896-9981, ext. 2-#. "Unverified" students will receive phone calls from our auto-dialer. Parents can leave an explanation on this machine. When a student returns to school without a note, the absence will be considered unexcused. After two school days, unexcused absences are considered truant (i.e., "cuts"). State law stipulates that absences due to illness, quarantine, for purposes of medical, dental, or optometrical services, or to attend the funeral of an immediate family member are the only valid reasons for school absences. All other absences will be unexcused. Such unexcused absences can have a detrimental effect on a student's grade. Please see the section "Promotional Standards" for more information on attendance requirements.

MAKE-UP WORK

When students receive unexcused absences, they will be expected to make up the work missed within a reasonable period of time, and may be subject to disciplinary consequences. Unexcused absences with parental knowledge and approval shall be accorded make-up privileges. Students should contact their teachers for work missed. Any student who "cuts" class(es) shall not receive credit for the make-up work. During a student's suspension, make-up work is given at the discretion of the classroom teacher(s).

HOMEWORK

Homework is assigned in most academic classes. Teachers will provide students and parents with Course Expectation Sheets at the beginning of each semester. Each teacher's expectations in the area of course requirements—homework, due dates, etc.—will be detailed. If requested (and with 24-hour notice), office staff will secure homework for any student who will be absent three (3) or more days. If a request has not been made for homework, **the student is responsible** for contacting the teacher. Students are also responsible for securing their homework assignments when absent for less than three (3) days.

TARDY PROCEDURES

Please make sure your student attends school regularly and punctually so there is no disruption to the educational process. Any student who is late to first period will receive a tardy. If they are more than 30 minutes tardy they need to report to the attendance office before going on to class. First period tardies will only be excused with a note from the parent with a valid excuse (medical appointment, illness, and the like). Oversleeping, car problems, or missing the bus are considered unexcused.

SEXUAL HARASSMENT

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature that has the purpose or the effect of unreasonable interference with an individual's educational or work

performance or which creates an intimidating, hostile or offending educational environment. Sexual harassment examples include, but are not limited to, the following:

1. Making written, verbal, physical and/or visual contact with sexual overtones.
2. Making reprisals, threats of reprisal, or implied threats of reprisal following a rebuff or harassing behavior.
3. Retaliation for having reported or threatened to report sexual harassment.
4. Continued expressions of sexual interest after being informed that the interest is unwelcome.
5. Engaging in explicit or implicit coercive sexual behavior within the educational environment which is used to control, influence or affect the educational opportunities, grades, and/or learning environment of a student.
6. A pattern of conduct that would cause discomfort and/or humiliation to a reasonable person at whom the conduct was directed.

Sexual harassment is a violation of the law, and students are subject to disciplinary sanctions for this behavior. Complaints are filed with the principal at each school.

PERSONAL PROPERTY

You should assume sole responsibility for loss or damage to any property belonging to you. Large sums of money, jewelry, radios, tape recorders, iPods, cell phones, CD players, cameras, etc., are not to be brought to school. Students should write their names on all books,

and put identification marks on personal belongings. **DO NOT LEAVE YOUR PERSONAL PROPERTY UNATTENDED!**

SKATEBOARDS/SCOOTERS/ROLLER BLADES/HEELIES, ETC.

These items must be carried or walked on campus - not ridden. A student should attempt to store their item with an obliging staff member **first thing** in the morning. There's no assumption of liability.

BICYCLES

The school provides a bicycle rack for student use. However, **the school assumes no responsibility for the bicycles.** Students must provide individual locks for their property. **Students are requested not to lock up their bikes with other students' bikes. Do not leave your bike in the rack overnight.** You are not to ride your bicycle on campus or the adjoining sidewalks at any time. You are to walk your bicycle to the bike racks from the time you reach the school grounds - **walk it, lock it, leave it.**

ELECTRONIC DEVICES

Walkmans, tape recorders, CD players, iPods, electronic games, radios, balloons, cameras, laser pens, etc., are sources of class disturbances and thefts occur frequently. Therefore, these items

are not to be brought to school. These items will be confiscated and given to the assistant principal. A repeat violation will result in the item being confiscated for the remainder of the year. A parent conference may be scheduled. Students are allowed to possess cell phones and/or pagers for emergency purposes. If students have cell phones or pagers at school, they may use them **BEFORE OR AFTER SCHOOL ONLY.** During the **ENTIRE** school day such devices must remain "off" and in the student's backpack.
