## 2020/2021 NOTIFICATION OF ANTICIPATED PESTICIDE USE

On September 27, 2000, Governor Gray Davis signed AB 2260, the *Healthy Schools Act* (Education Code Sections 17608, et seq.), which encourages school districts to act responsibly in applying pesticides and to consider alternative methods, besides pesticides, in controlling routine pests such as weeds and insects.

One of the requirements of the *Healthy Schools Act* is that all school districts must annually provide to all parents, guardians, and staff members, a list of all anticipated pesticides to be applied for the year. The list is as follows:

\*There will be no pesticide applications during regular school hours, unless the presence of that pest is deemed more dangerous than the treatment.

\*\*This list is in compliance with the Healthy Schools Act, which requires that all parents and staff be informed, on an annual basis, of the pesticides that may be applied on their school campus for the year. Therefore, the reader of this list should not draw any conclusions about actual pesticide application in the District. Because the Chico Unified School District adheres to an IPM policy, or reduced pesticide approach to pest control, actual applications of any of the above pesticides will vary from site to site depending on the situation. The Maintenance and Operations Department has record of any and all pesticide applications. This record is viewable to the public, upon request, at 2455 Carmichael Drive, Chico, CA. You may also visit the Chico Unified website at <a href="http://www.chicousd.org/Departments/Maintenance--Operations/Pest-Management/index.html">http://www.chicousd.org/Departments/Maintenance--Operations/Pest-Management/index.html</a> or the Department of Pesticide Regulation (DPR) website at <a href="http://www.cdpr.ca.gov">http://www.cdpr.ca.gov</a> for more information.

Also, in accordance with AB2260, every recipient of this notification is allowed to register with the Chico Unified School District, in order to receive notification of any pesticide application at a school site 72 hours prior to the application. As a registered individual, you will receive the product's active ingredient and the intended application date.

If you would like to register with the Chico Unified School District, please send a letter requesting notification which includes your name, home address, and school site to Chico Unified School District, Maintenance & Operations Director, 2455 Carmichael Drive, Chico, CA 95928. You may also drop off your letter, in person, at the same address between the hours of 7:00am and 4:00pm Monday through Friday. The Chico Unified School District conforms to the principles of integrated pest management, which includes the suppression and control of pests through cultural, prevention, exclusion and sanitation measures while only utilizing pesticides in an extremely minimal and safe manner. The District's Integrated Pest Management Policy No. 3519 can be viewed at the Superintendent's Office, 1163 East Seventh Street, at the Maintenance & Operations office or on the District website @ http://www.chicousd.org.
