AGENDA/MEETING MATERIALS

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location and shall briefly describe each item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. The agenda for a regular meeting shall also provide members of the public an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

The agenda does not need to provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item, and the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The notice and agenda shall describe the means available for the public to access the meeting and provide public comment in-person and, if a Board member is appearing remotely due to an emergency circumstance or for just cause pursuant to Government Code 54953, through an internet-based service or call-in option. (Government Code 54953)

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the Board meeting. (Government Code 54954.2, 54953)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Agenda Preparation

The Board president and the Superintendent, as Secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information, and if so, respond accordingly.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote or an information item,

and when the item is placed on the agenda.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item unless such item has been previously considered at an open meeting of a committee comprised exclusively of Board members. (Government Code 54954.3)

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting.

When special meetings are called, Board members shall receive, at least 24 hours prior to the meeting, notice of the business to be transacted. (Government Code 54956)

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Agenda Dissemination to Members of the Public

Agenda and related materials distributed to the Board shall be made available to the public upon request without delay. However, only those documents which are disclosable public records under the Public Records Act (PRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting shall be made available to the public. (Government Code 54956.9, 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

In addition, the Superintendent or designee shall post the agenda on the homepage of the district web site. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the website with the district's agendas, and the current agenda shall be the first available.
