### **CITIZEN ADVISORY COMMITTEES**

The Governing Board recognizes that citizen advisory committees enable the Board to better understand interests and concerns of the community. The Board may establish citizen advisory committees as the need arises or as required by law. The purposes of any such committees shall be clearly defined.

The membership of citizen advisory committees should represent the diversity of the community and a diversity of viewpoints. With Board approval, the Superintendent or designee may appoint committee members.

The Superintendent or designee shall provide training and information as necessary to enable committee members to understand the basic administrative structure, program processes, and goals of the committee.

Within budget allocations, the Superintendent or designee may approve requests for committee travel and may reimburse committee members for expenses at the same rates and under the same conditions as those provided for district employees.

*(cf. 3350 - Travel Expenses)*

The Superintendent or designee may establish advisory committees which shall report to him/her in accordance with law, Board policy, and administrative regulation.
