### **INTERDISTRICT ATTENDANCE**

The Board of Education recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

*(cf. 5111.1 - District Residency)*

*(cf. 5116.1 - Intradistrict Open Enrollment)*

Upon request by students' parents/guardians, the Superintendent or designee may approve interdistrict attendance permits with other districts on a case-by-case basis to meet individual student needs.

The Superintendent or designee shall ensure that interdistrict permits stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. (Education Code 46600)

The Superintendent or designee may deny interdistrict attendance permits because of overcrowding within district schools or limited district resources.

A child of an active military duty parent/guardian shall not be prohibited from transferring out of the district to a school district of choice, if the other school district approves the application for transfer. (Education Code 48301)

*(cf. 6173.2 - Education of Children of Military Families)*

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)
