If visitors wish to address issues listed on the agenda, they may do so at the time the item is addressed by the Board. Conduct of the Hearing Session/Public Forum will be as follows per Board Policy #9370:
   > Speakers will identify themselves and will direct their comments to the Chair.
   > Speakers will be given 5 minutes to present their topic. Time will be monitored using the "stoplight" timer provided by the Chico City Council.
   > Each general topic will be limited to 15 minutes or 3 speakers.
   > The Hearing Session/Public Forum will be limited to up to one hour in duration.
   > Priority will be given to student speakers.
   > Once 2 speakers have shared a similar viewpoint, the Chair will ask for a differing viewpoint. If no other viewpoint is represented then a 3rd speaker may present.

   > Speakers will respect the time limit granted for their presentation. Those speakers unwilling to respect the time limit will be asked to discontinue their presentation by the Chair. An unwillingness to halt a presentation after being directed will, at the discretion of the Chair, result in the meeting being called into "recess" until such time that the meeting can resume in an orderly fashion.
   > No disturbance or willful interruption of any Board meeting shall be permitted. Persistence by an individual or group shall be grounds for the Chair to terminate the privilege of addressing the meeting.    As presented in the 2nd Interim, the Multi-year projections included the 2002/03 Unaudited Actuals, the 2003/04 2nd Interim Budget and the preliminary estimates for the 2004/05 and 2005/06 fiscal years.
   
   Assumptions used in developing the multi-year projections included the following:
   
   1) Use the Strategic Planning and Special Education designated reserves of $678,208 in 2004/05.
   2) Use the categorical balance flexibility transfers from 2003/04 of $1,069,645 in 2004/05.
   3) Recognize EIA salary adjustments to unrestricted in 2003/04 of $202,956. In addition, recognize $168,575 in both 2004/05 and 2005/06 for adjustments to unrestricted expenditures.
   4) Do not recognize a COLA, Equalization or Deficit reduction in 2004/05.
   5) Do not recognize a COLA in 2005/06.
   6) Adjust recommended reductions in 2004/05 to ($1,500,000) down from ($1,850,000).
   7) Adjust recommended reductions in 2005/06 to ($1,700,000) down from ($2,100,000).
   8) Do not recognize projected Health and Welfare premium increases in 2004/05 or 2005/06. The increases to the H&W cap are negotiable.
   9) Recognize declining enrollment of (154) ABA in 2003/04 and (54) ABA in 2005/06.
   10) Recognize unfunded expenditure increases in both 2004/05 and 2005/06 in the amount of ($1,110,000) and ($1,100,000) respectively.

   Based on the Governor's proposal, Chico Unified revenue limit is projected to increase for the 2004/05 fiscal years. At this point, these estimated revenue increases are only "proposals". We did not base our 04/05 budget assumptions on receiving these revenues.
1) Revenue Limit COLA 1.84% or $87.13/ADA $1,098,796
2) Equalization of $15.73/ADA 198,371
3) Deficit Reduction, from (3.002%) to (2.10%) 547,191
   Total new estimated unrestricted revenue $1,844,358

4) Estimated loss in ADA of (154) ($741,094)

Net estimated increase in unrestricted revenue $1,103,264

A multi-year projection provides an optimistic revenue projection based on the Governor's January 9, 2004 proposal. Revenue increases are shown for both the 2004/05 and 2005/06 fiscal years. Estimates, which are not Board approved or authorized for employee insurance cost increases are also included at this time.

An alternative list of budget reductions for the 2004/05 fiscal years includes:

CHICO UNIFIED SCHOOL DISTRICT SECTION 125 CAFETERIA PLAN
HIPAA PRIVACY AMENDMENT

1. SCOPE AND PURPOSE

The Sec 125 Cafeteria Plan (Cafeteria Plan) will use protected health information ("PHI") to the extent of and in accordance with the uses and disclosures permitted by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). Specifically, the Plan will use and disclose PHI for purposes related to health care treatment, payment for health care and health care operations as set forth below. The Cafeteria Plan is comprised of a medical expense reimbursement plan and other non-medical benefits. The medical expense reimbursement plan constitutes a group health plan as defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The only benefit in the Cafeteria Plan subject to the HIPAA privacy rules is the medical expense reimbursement plan; therefore, the Cafeteria Plan is a hybrid entity as defined in the HIPAA privacy rules. In view of the fact that the Cafeteria Plan is a hybrid entity as defined in the HIPAA Privacy Rules: The Employer designates that the health care components of the Cafeteria Plan are (i) the medical expense reimbursement benefit provided under the Cafeteria Plan, which shall be referred to in the balance of this Amendment as the "Plan," and (ii) the administration functions of the Cafeteria Plan that relate to the Plan. In order for a group health plan's sponsor to have access to PHI from the group health plan, HIPAA and the HIPAA Privacy Rules require that the group health plan be amended to incorporate the provisions required by the HIPAA Privacy Rules and that the group health plan sponsor has agreed to such provisions. The Employer desires to amend the Cafeteria Plan in accordance with such requirements.

2. USE AND DISCLOSURE OF PHI

(a) General. The Plan will use PHI to the extent of and in accordance with the uses and disclosures permitted by HIPAA, including but not limited to health care treatment, payment for health care, health care operations and as required by law.

(b) Disclosure to the Employer. The Plan will disclose PHI to the Employer, or where applicable, an Affiliate only upon receipt of written certification from the Employer that:

(i) The Plan document has been amended to incorporate the provisions in this Amendment and

(ii) The Employer agrees to implement the provisions in Section 3 herein.

3. CONDITIONS IMPOSED ON EMPLOYER

Notwithstanding any provision of the Plan to the contrary, the Employer agrees:

(a) Not to use or disclose PHI other than as permitted or required by this Amendment or as required by law;

(b) To ensure that any agents, including a subcontractor, to whom the Employer provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Employer with respect to PHI received or created on behalf of the Plan;

(c) Not use or disclose an individual's PHI for employment-related purposes (including hiring, firing, promotion, assignment, or scheduling) unless authorized by the Individual;

(d) Not to use or disclose an Individual's PHI in connection with any other non-health benefit program or employee benefit plan of the Employer unless authorized by the Individual;

(e) To report to the Plan any use or disclosure of PHI that is inconsistent with this Section 3, if it becomes aware of an inconsistent use or disclosure;

(f) To provide Individuals with access to PHI in accordance with 45 C.F.R. § 164.524;

(g) To make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 C.F.R. § 164.526;

(h) To make available the information required to provide an accounting of disclosures in accordance with 45 C.F.R. § 164.528;

(i) To make internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of Health and Human Services for purposes of determining the Plan's compliance with HIPAA;

(j) If feasible, to return or destroy all PHI received from the Plan that the Employer maintains in any form, and retain no copies of such PHI when no longer needed for the purpose for which disclosure was made. If return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction infeasible; and
(k) To ensure adequate separation between the Plan and Employer as required by 45 C.F.R. § 164.504(f)(2)(iii) and described in this Amendment.

4. DESIGNATED EMPLOYEES WHO MAY RECEIVE PHI

In accordance with the Privacy Rules, the Employer shall allow only those Employees who perform Plan administrative functions be given access to PHI. No other employees of the Employer shall have access to PHI.

5. RESTRICTIONS ON EMPLOYEES WITH ACCESS TO PHI

The Employees who have access to PHI may only use and disclose PHI for Plan Administration functions that the Employer performs for the Plan including but not limited to, quality assurance, claims processing, auditing, and monitoring.

6. POLICIES AND PROCEDURES

The Employer will implement Policies and Procedures setting forth operating rules to implement the provisions hereof.

7. ORGANIZED HEALTH CARE ARRANGEMENT

The Plan Administrator intends the Plan to form part of an Organized Health Care Arrangement along with any other Benefit under a covered health plan (under 45 C.F.R. § 160.103) provided by the Employer.

8. PERMITTED DISCLOSURE OF ENROLLMENT/DISENROLLMENT INFORMATION

The Plan may disclose to the Employer information on whether the individual is participating in the Plan.

9. PERMITTED USES AND DISCLOSURE OF SUMMARY HEALTH INFORMATION

The Plan may disclose summary health information, as defined in the HIPAA Privacy Rules, to the Employer, provided the Employer requests the summary health information for the purpose of obtaining premium bids from health plans for providing health insurance coverage under the Plan or modifying, amending, or terminating the Plan.

10. NONCOMPLIANCE

The Employer shall provide a mechanism for resolving issues of noncompliance, including disciplinary sanctions for personnel who do not comply with the provisions of this Amendment.

"Protected Health Information or PHI" means individually identifiable health information as defined in 45 C.F.R. § 160.103.

12. INTERPRETATION AND LIMITED APPLICABILITY

This Amendment serves the sole purpose of complying with the requirements of HIPAA and shall be interpreted and construed in a manner to effectuate this purpose. Neither this Amendment nor the duties, powers, responsibilities, and obligations listed herein shall be taken into account in determining the amount or nature of the Benefits provided to any person covered under this Plan, nor shall they inure to the benefit of any third parties. To the extent that any of the provisions of this Amendment are no longer required by HIPAA, they shall be deemed deleted and shall have no further force or effect.

13. SERVICES PERFORMED FOR THE EMPLOYER

Notwithstanding any other provision of this Plan to the contrary, all services performed by a business associate for the Plan in accordance with the applicable service agreement shall be deemed to be performed on behalf of the Plan and subject to the administrative simplification provisions of HIPAA contained in 45 C.F.R. parts 160 through 164, except services that relate to eligibility and enrollment in the Plan. If a business associate of the Plan performs any services that relate to eligibility and enrollment to the Plan, these services shall be deemed to be performed on behalf of the Employer in its capacity as Plan Sponsor and not on behalf of the Plan.

TO:       Dr. Scott Brown, Superintendent
FROM:    Randy Meeker, Assistant Superintendent, Business Services
SUBJECT: School Impact Fees on New Residential Development
         Resolution No. 902-04

Attached is Resolution 902-04 which is being presented to the Board of Education for consideration at the April 21, 2004 Board meeting. If approved, this resolution will increase the residential school impact fee from $2.14 per square foot to $2.24 per square foot. This increase would be consistent with recent action by the State Allocation Board, which allows districts to increase school impact fees to the amount of $2.24 per square foot effective 60 days after Board approval.

Government Financial Strategies, the consulting firm hired by the District, has prepared a Developer Fee Justification Study (referred as Exhibit A in the resolution) that has been provided to the Board for their information. This plan contains the justification for the increase in the fee to $2.24 per square foot. The District has also complied with the legal requirement of providing a public notice in the local newspaper indicating that a public hearing will be held on the matter at the April 21, 2004 Board of Education meeting. If approved by the Board of Education at the April 21, 2004 meeting, the increased fee will become effective June 20, 2004.

Recommendation: That the Board of Education approves Resolution 902-04 increasing the school impact fees on residential development to $2.24 per square foot effective June 20, 2004.

RESOLUTION NO. 902-04

A RESOLUTION OF THE GOVERNING BOARD
OF THE CHICO UNIFIED SCHOOL DISTRICT
ESTABLISHING AN IMPACT FEE ON RESIDENTIAL DEVELOPMENT

WHEREAS, the Chico Unified School District (hereinafter "District") has adopted and implemented Resolution No. 854-02, establishing development fees to partially mitigate the impacts of new development on school facilities; and

WHEREAS, the Developer Fee Justification Study, dated March 2004, and attached hereto as Exhibit A, quantifies the impacts of residential development on school facilities at $2.74 per square foot of new residential development; and

WHEREAS, the residential impact fees established by Resolution No. 854-02 do not fully mitigate the impacts of residential development on school facilities; and

WHEREAS, the District, through adoption of Resolution No. 486-92, has adopted a policy calling for full mitigation of the impacts of growth on school facilities; and

WHEREAS, the State Allocation Board, in accordance with Government Code §65995(b)(3), has increased the amount of the fee that the District may directly impose on new residential development to $2.24 per square foot of new residential development;

NOW, THEREFORE, be it resolved that the Board of Education of the District (hereinafter "Board") finds and directs as follows:

1. Procedure and Public Hearing. The Board has conducted a duly noticed public hearing at which it has received and examined the written evidence attached hereto as Exhibit A and incorporated herein by reference. At the hearing, additional oral and written evidence and testimony have been considered. The evidence and testimony support the findings herein.

2. Overcrowding of School Facilities. Conditions of overcrowding exist in one or more attendance areas within the District, which will impair the normal functioning of educational programs. These conditions are due to new residential development that has increased, and is anticipated to continue to increase enrollment beyond the capacity of the District’s facilities.

3. Establishment of Fee. Based upon the findings contained herein, the Board hereby establishes a fee, charge, dedication or other requirement in the amount of Two Dollars and Twenty-Four Cents ($2.24) per square foot of assessable space of residential construction, as described in Education Code 17620, to partially mitigate the impact of new residential development on the District’s school facilities. This fee shall replace the residential development fee established by Resolution No. 854-02. Resolution No. 854-02 is rescinded on the effective date of this Resolution.

4. Purpose and Use of Fee. The purpose of the fees, charges, dedications or other requirements established herein, and the use to which the proceeds thereof will be put, are to finance the construction and/or reconstruction of school facilities. The proceeds shall also be used for reimbursement of the administrative costs incurred in collecting and repaying fees, charges,
dedications, and other requirements and for the costs of performing any study and otherwise making the findings and determinations required by law related to the adoption of this Resolution, as well as any other use permitted by law. The public facilities to be financed hereby are identified in Exhibit A, and in the documents listed in and/or referred to in Exhibit A.

5. **Nexus Findings.** Based upon the written and oral evidence and testimony, including but not limited to, the documents contained, listed and/or referred to in Exhibit A hereof, the Board finds as follows:

A. there is a reasonable relationship between the use of the fees, charges, dedications, and other requirements established herein and the type of development project on which they are imposed;

B. there is a reasonable relationship between the need for the above described public facilities and the type of development project on which the fees, charges, dedications, and other requirements established herein are imposed;

C. there is a reasonable relationship between the amount of the fees, charges, dedications, and other requirements established herein and the cost of the public facilities or portion of the public facilities attributable to the development on which they are imposed; and

D. the fees, charges, dedications, and other requirements established herein do not exceed the estimated reasonable cost of providing the service or facility for which they are imposed.

6. **Notification of Local Agencies.** A copy of this Resolution shall be transmitted, after its effective date, to the County of Butte and the City of Chico, accompanied by all relevant supporting documentation and a map clearly indicating the boundaries of the area subject to the fees, charges, dedications and other requirements established herein. The fees, charges, dedications, or other requirements levied hereunder are not subject to the restrictions set forth in Government Code Section 66007(a), and the transmittal shall include notice to that effect.

7. **Condition to Issuance of Building Permit.** No city or county may issue a building permit for any residential development project, as defined by law, absent certification by the Assistant Superintendent, Business Services or his/her designee of (1) compliance by that project with any fee, charge, dedication, or other requirement under this Resolution or (2) his/her determination that the fee, charge, dedication, or other requirement does not apply to the development project.

8. **Payment of Fee.** In order to obtain the Certificate of Compliance for a building permit, the residential development project shall pay to the District the applicable fee, charge, dedication, or other requirement equal to Two Dollars and Twenty-Four Cents ($2.24) per square foot of assessable space, as defined by law and in the regulations adopted pursuant to this Resolution. Pending further review, no fee will be levied on senior citizen housing as defined in Government Code Section 65995.1 and subject to the conditions set forth therein.

9. **Validity of Certificate of Compliance.** Any Certificate of Compliance with the requirements of this Resolution, issued based upon a representation to the District of the square footage of the development project in question, shall be automatically canceled in the event that the representation is not accurate for any reason. Also, in the event the fee, charge, dedication, or other
requirement paid pursuant to Paragraph No. 8 of this Resolution fails to compensate the District for the amount required therein, e.g., a check presented for payment is not honored or is returned by the payer's bank for any reason, the related Certificate of Compliance shall be automatically canceled.

10. Form of Payment. Nothing herein shall preclude satisfaction of the requirement of payment of the amounts set forth herein by dedication of land on terms acceptable to the Board; or preclude acceptance by the Board of fees, charges, or land whose value exceeds that required by this Resolution. In the absence of any such agreement to accept a dedication of land, the above amounts shall be collected in the form of fees, charges, or other requirements.

11. Negotiation with Development Projects. The Assistant Superintendent, Business Services or his/her designee is authorized to enter into negotiations with representatives of residential development projects, subject to Board acceptance, regarding the substitution of charges, dedications, or other requirements in lieu of the payment of fees as described herein; provided, however, that the value of such charges, dedications, or other requirements shall be at least comparable to the amounts specified herein.

12. Time for Payment of Fee. The fees, charges, dedications, or other requirements shall be paid or granted directly to the District prior to issuance of the Certificate of Compliance, unless the District and the developer mutually agree otherwise in writing, or unless the District enters into a contract with the appropriate city or county to collect and otherwise administer the fees, charges, dedications and other requirements established herein in which case the developer shall adhere to the terms of the contract.

13. Collection by Other Government Agencies. The Assistant Superintendent, Business Services or his/her designee is authorized to promptly enter into negotiations, subject to Board acceptance, for such agreements as may be necessary and appropriate with any other government agency to implement the collection and acceptance of fees, charges, dedications and other requirements established herein; the issuance and revocation of Certificate of Compliance; the deposit of fees and charges; and any matter related thereto. Nothing herein shall be construed to authorize any delay beyond the date specified here-in below in levying the fees, charges, dedications or other requirements provided for herein.

14. Payment Contract. The Assistant Superintendent, Business Services or his/her designee is directed to request that each city and county require the contract, recordation, and notification provided for in Government Code Section 66007(c).

15. Maintenance of Separate Account. All fees and charges, along with any interest income earned thereon, shall be deposited in a separate capital facilities account or fund in a manner to avoid any co-mingling of the fees and charges with other revenues and funds of the District, except for temporary investments, and shall be expended solely for the purposes for which the fees and charges are collected. For each separate account or fund, the Assistant Superintendent, Business Services or his/her designee shall, within sixty (60) days of the close of each fiscal year, make available to the public the beginning and ending balance for the fiscal year; the fee, interest, and other income to the account or fund; the amount of expenditure listed by public facility; and the amount of any refunds made under Paragraphs 17 and 18 of this Resolution. The Board shall review this information at the next regularly scheduled public meeting, held not less than fifteen (15) days after the availability of this information. Notice of the time and place of the meeting, including the address where this information may be reviewed, shall be mailed, at least fifteen (15) days prior to the meeting, to any interested party who files a written request with the District for
mailed notice of the meeting. Any written request for mailed notices shall be valid for one year from
the date on which it is filed unless a renewal request is filed. Renewal requests shall be filed on or
before April 1 of each year.

16. School Facilities Account Established. The fees, charges, dedications, or other
requirements established herein will be collected for public improvements or facilities for which an
account has been established. Funds have been appropriated from this account as described in the
documents listed in and/or referred to in Exhibit A. The District has adopted a proposed
construction schedule or plan as of the date of this Resolution, as is described in the documents
listed in and/or referred to in Exhibit A. Therefore the District shall require the payment of fees,
charges, dedications, and other requirements at or before the time of issuance of building permits,
as set forth above.

17. Refund of Fees. In the event that a project qualifies for refund of the fee,
charge, dedication, or other requirement under Education Code Section 17624 (i.e. refund after
expiration of building permit without construction), repayment shall be made, less the amount of the
administrative costs incurred in collecting and repaying the fee, charge, dedication, or other
requirement. The Assistant Superintendent, Business Services or his/her designee shall determine
said administrative costs. Regulations governing the calculation of said administrative costs shall be
made available by the Assistant Superintendent, Business Services or his/her designee to members
of the public no later than sixty (60) days from the date of this Resolution.

18. Funds Unexpended After Five Years. As required by law, once each fiscal year
the Board shall make findings with respect to any portion of the fee or charge remaining
unexpended or uncommitted in its account five (5) or more years after deposit of the fee or charge to
identify the purpose to which the fee or charge is to be put and to demonstrate a reasonable
relationship between the fee and the purpose for which it was charged. The District shall refund to
the then-current record owner or owners of lots or units of the development project, on a pro-rated
basis, the unexpended or uncommitted portion of the fee and any interest accrued thereon, for
which need cannot be demonstrated by making the findings described above. If the administrative
costs exceed the amount to be refunded, the District may, after holding a public hearing in
accordance with Government Code Section 66001(f), allocate the funds as authorized by law.

A. Developers of residential projects wishing to protest payment of developer
fees on a specific project shall do each of the following:

1. tender the required payment in full or provide evidence satisfactory to the
Assistant Superintendent, Business Services or his/her designee of arrangements to ensure
performance of the conditions necessary to meet the requirements of the imposition; and

2. serve written notice on the Assistant Superintendent, Business Services
or his/her designee stating (a) that the required payment is tendered in full, or that any conditions
which have been imposed are provided for or satisfied, under protest; and (b) informing the District
of the factual elements of the dispute and the legal theory forming the basis of the protest.

B. The burden of establishing the basis for the protest shall be on the party
pursuing it.
C. The written protest must be filed with the Assistant Superintendent, Business Services or his/her designee within ninety (90) days after the imposition of the fee on the particular project.

D. Upon receipt of an acceptable written protest, the Assistant Superintendent, Business Services or his/her designee will, within thirty (30) days, provide a written response to the developer which shall either:

1. grant the protest in whole or in part; and/or
2. deny the protest in whole or in part and provide the basis for denial; or
3. request additional information for further consideration of the protest.

E. If the developer is not satisfied with the response, the developer must request an appeal hearing on the protest before the Board. Said request must be filed with the Assistant Superintendent, Business Services or his/her designee within thirty (30) days of the date of the protest response.

F. Notice of the date and time of the Board hearing shall be sent to the developer within fifteen (15) days of receipt of the request for hearing. The Board shall be provided copies of the written protest and the response of the Assistant Superintendent, Business Services or his/her designee prior to the hearing.

G. The developer and District staff may present additional information and statements at the hearing, and the Board may question the developer and staff.

H. The decision of the Board shall be made at the conclusion of the hearing and shall be final. The decision of the Board is reviewable by a court under Code of Civil Procedure Section 1094.5.

20. **Administrative Regulation.** The Assistant Superintendent, Business Services is authorized to promulgate and publish administrative regulations defining and implementing the provisions of this Resolution. The regulations shall describe all legal exemptions from, and limitations on, the fees, charges, dedications and other requirements established herein. The regulations shall provide a procedure for claiming an exemption. The regulations shall also include relevant legal definitions where appropriate.

21. **Other Requirements Not Precluded.** Except as expressly provided by applicable law, nothing herein shall be interpreted to preclude the District from taking any other action including, but not limited to, levying any other fee, charge or requirement of dedication of land which the Board determines to be necessary in order to obtain and provide school facilities which meet the needs of the District, its students, and the community.

22. **Effective Date.** The effective date of this Resolution is June 20, 2004. The fees and other requirements established herein may not be imposed or levied prior to the effective date of the Resolution.
23. **Severability.** If any provision of the Resolution is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired thereby.

This Resolution is adopted this 21st day of April 2004, by the following vote:
