The Chico Unified School District Board of Education welcomes you to this meeting and invites you to participate in matters before the Board.

**INFORMATION, PROCEDURES AND CONDUCT OF CUSD BOARD OF EDUCATION MEETINGS**

*No disturbance or willful interruption of any Board meeting shall be permitted. Persistence by an individual or group shall be grounds for the Chair to terminate the privilege of addressing the meeting. The Board may remove disruptive individuals and order the room cleared, if necessary. In this case, further Board proceedings shall concern only matters appearing on the agenda.*

**CONSENT CALENDAR**
The items listed on the Consent Calendar may be approved by the Board in one action. However, in accordance with law, the public has a right to comment on any consent item. At the request of a member of the Board, any item on the consent agenda shall be removed and given individual consideration for action as a regular agenda item. Board Bylaw 9322.

**STUDENT PARTICIPATION**
At the discretion of the Board President, student speakers may be given priority to address items to the Board.

**PUBLIC PARTICIPATION FOR ITEMS ON THE AGENDA (Regular and Special Board Meetings)**
The Board shall give members of the public an opportunity to address the Board either before or during the Board’s consideration of each item of business to be discussed at regular or special meetings.

- Speakers will identify themselves and will direct their comments to the Board.
- Each speaker will be allowed five (5) minutes to address the Board.
- In case of numerous requests to address the same item, the Board may select representatives to speak on each side of the item.

**PUBLIC PARTICIPATION FOR ITEMS NOT ON THE AGENDA (Regular Board Meetings only)**
The Board shall not take action or enter into discussion or dialog on any matter that is not on the meeting agenda, except as allowed by law. (Government Code 54954.2) Items brought forth at this part of the meeting may be referred to the Superintendent or designee or the Board may take the item under advisement. The matter may be placed on the agenda of a subsequent meeting for discussion or action by the Board.

- Public comments for items not on the agenda will be limited to one hour in duration.
- Initially, each general topic will be limited to 3 speakers.
- Speakers will identify themselves and will direct their comments to the Chair.
- Each speaker will be given five (5) minutes to address the Board.
- Once 2 speakers have shared a similar viewpoint, the Chair will ask for a differing viewpoint. If no other viewpoint is represented then a 3rd speaker may present.
- Speakers will not be allowed to yield their time to other speakers.
- After all topics have been heard, the remainder of the hour may be used by additional speakers to address a previously raised issue.

**WRITTEN MATERIAL:**
The Board is unable to read written materials presented during the meeting. If any person intends to appear before the Board with written materials, they should be delivered to the Superintendent’s Office or delivered via e-mail to the Board and Superintendent 10 days prior to the meeting date.

**COPIES OF AGENDAS AND RELATED MATERIALS:**
- Available at the meeting
- Available on the website: [www.chicousd.org](http://www.chicousd.org)
- Available for inspection in the Superintendent’s Office prior to the meeting
- Copies may be obtained after payment of applicable copy fees

**AMERICANS WITH DISABILITIES ACT**
Please contact the Superintendent’s Office at 891-3000 ex. 149 should you require a disability-related modification or accommodation in order to participate in the meeting. This request should be received at least 48 hours prior to the meeting in order to accommodate your request.

Pursuant to Government Code 54957.5, If documents are distributed to board members concerning an agenda item within 72 hours of a regular board meeting, at the same time the documents will be made available for public inspection at the Chico Unified School District, Superintendent’s Office located at 1163 East Seventh Street, Chico, CA 95928 or may be viewed on the website: [www.chicousd.org](http://www.chicousd.org).

2. **Information: Update on Pivot Online Charter School**
   At 7:22 p.m. Director Sara Simmons introduced Executive Director, Brook Sell, and Jayna Gaskell, who provided an update on Pivot Online Charter School. The Board shared concerns about offering high school courses not meeting A-G requirements and requested that a link to the Pivot Online Charter course catalog be sent to members and further information/documentation be brought to a future meeting regarding: 1) clarification about opening with grades 6-8 as opposed to grades 6-12; 2) clarification about where Pivot Online is with regard to the WASC process; 3) clarification of where Pivot Online is with regard to gaining approval of A-G certification from the UC/CSU system; 4) representation that the 2-yr AA application to be recognized by US as an authorized online provider was submitted; and 5) clarification about where Pivot Online is with regard to gaining College Board approval. Director Sara Simmons referenced page 24 of the Charter Petition which states “Upon charter approval, the Charter School plans to request affiliation with the Western Association of Schools and Colleges (WASC). Once such a request is made, a review visit can be scheduled after the Charter School has been in operation for at least three months. Pending notification on our accreditation status, courses will be submitted to the UC/CSU systems for A-G course approval. Until A-G approval has been received for a course, the Charter School agrees not to offer it for high school credit.” The Board also requested that Charter Board meeting dates, agendas and minutes be sent to CUSD Board members.

1. **Discussion/Action: Acceptance and Approval of Documents Related to Chico Country Day School Proposition 1D Modernization of Campus at 102 W. 11th Street, Chico, CA**  
   At 6:02 p.m. CUSD Director Sara Simmons presented an overview of the timeline and steps taken regarding Chico Country Day School and Proposition 1D. CUSD Director Mary Leary was present to address questions. CCDS Board Chair Chuck Tatreau, Vice Chair Karen Rose, Executive Director Margaret Reecie, and Principal Paul Weber were also present to address questions and share concerns. After discussion, Board Member Kaiser moved to accept the Use Agreement by and between CUSD and CCDS and the Addendum to the Charter Facility Agreement by and between CUSD and CCDS, allowing CCDS to move forward with the funding agreement between the State of California and CCDS, and the Tri-Party MOU. Board President Reed clarified that these documents were the Use Agreement approved by the CCDS Board and signed by their Board Chair on May 2009 and the Addendum approved and signed at the same time. Board Vice President Rees seconded the motion with the friendly amendment that the 1D documents with regard to deferred maintenance would become operative only when Proposition 1D funds were “unfrozen” by the state of California. Principal Paul Weber asked for clarification that this motion was full approval for CCDS to access Proposition 1D funds. Board Member Kaiser stated that was the agreement. Director Mary Leary clarified this was deferred maintenance, not operational maintenance.

☐ Information Only 
☐ Discussion/Action

Board Date June 16, 2010

Background Information
In the continuing tradition of great leadership at Pleasant Valley High School, we are planning our 20th annual Student Government retreat to team build and lesson plan for the 2010-2011 school year. This will be the third year in a row at the Marin Headlands Institute, and we will be working with Vacaville High School for two hours on Wednesday to share ideas and school traditions in hopes of expanding what we offer.

We are already collecting release forms from parents, we have reserved Vans, and we are working on our Agenda. Any question please e-mail Lance Brogden

Education Implications
Schools with comprehensive student Activities programs that create positive energy and opportunities for students outside the Academic classroom are proven to be more successful academically. By planning to run a tremendous Activities program at Pleasant Valley High School, we intend to give the student body the opportunity for social growth AND academic success.

Fiscal Implications
All expenses are covered by Pleasant Valley High School ASB. Requisition requests are already approved for the facility and the speaker.

PROPOSED AGENDA ITEM:  Field Trip Request to Yearbook Camp

Prepared by:  Cindy Hopkins

[ ] Consent  Board Date  June 16, 2010
[ ] Information Only
[ ] Discussion/Action

**Background Information**

Attending yearbook camp has been an integral part of the journalism program at PVHS since 1999. Yearbook has not missed a camp since 1999. Attending yearbook camp is important for many reasons. 1) It is where my staff is trained for creating the next year’s book. 2) The best teachers in journalism are at this camp. 3) This is where we create the “blue print” for the next year’s book; we call it a concept package. 4) It is where we bond as a staff for the first time. 5) When you play sports, the way to improve is to play teams that are better than you, this is where we meet those “teams” and begin to amp up our program. 6) This is where we learn the latest in trends in journalism both with regard to writing and design. 7) It has become tradition.

**Educational Implications**

Students will attend classes designed to teach them at their level. Some will be in yearbook 101 while others attend advanced design courses, computer training courses and leadership courses. Additionally we meet in “home groups” where we work as a staff on our concept package, while learning from and networking with other schools. Finally we compete in a camp wide concept package competition.

**Fiscal Implications**

This field trip will be funded in part by the yearbook class and in part by students. Our fundraising is done through ad sales and yearbook sales. Therefore, all students will be provided the same opportunities to be a part of this trip.

**Additional Information**

The adviser, Mr. Manuel will supervise the trip. We will be departing the morning of July 25 and returning the evening of July 29. Both the adviser and parents will transport students in private vehicles. Approximately 10 students will be attending. Therefore, the supervision ratio is 10 to 1. At the camp, there are directors, counselors and other advisers who II will take part in supervising all camp attendees.

Discussion/Action

Background Information
Every summer the three FFA advisors take the seven FFA officers up to Graeagle, CA for a two night, three day team building weekend and planning session for the next school year. The seven officers get to know each other better and understand the expectations for the specific office that they now hold. They also plan each of the monthly FFA meetings and activities and go over calendar dates for the school year.

Education Implications
The students learn about leadership, organization, teambuilding, communication and whatever else we can squeeze in for the three days.

Fiscal Implications
FFA ASB account will cover the costs of the trip.

PROPOSED AGENDA ITEM: John Siebal, Contracted Employee

☐ Consent

☐ Information Only

☐ Discussion/Action

Board Date: June 16, 2010

Background Information

John Siebal is a Prevention/Intervention Specialist who works with students at risk with issues of substance abuse, violence prevention, anger-management, in support of the educational mission of Chico Unified School District. Mr. Siebal is a licensed counselor and meets with students and families to work out difficult and complex family, psychological, emotional, and motivational issues. During the school year, he facilitates educational support groups and smoking prevention student/peer education trainings. In addition, he assists with classroom presentations in areas such as depression, anti-suicide education, stress management, positive problem solving techniques/self care.

Education Implications

Addresses issues that may interfere with the educational goals of students at Pleasant Valley and Fair View. By using this resource we find that we have increased safety at the school sites through these prevention/intervention services.

Fiscal Implications

There is no impact to the general fund.

PROPOSED AGENDA ITEM:  Julie Sawley, Consultant for Notre Dame School

☐  Consent

☐  Information Only  Board Date: June 16, 2010

☐  Discussion/Action

Background Information

No Child Left Behind regulation provisions include educational services and programs to private school children, teachers, and other educational personnel should they elect to participate. Services funded under NCLB are designed to be of direct assistance to students and teachers—not the private school. Private schools may choose to participate in the following:

Title I:  Improving Academic Achievement of the Disadvantaged
Title II: Highly Qualified Teachers
Title III: Language Instruction for English Learners
Title IV: Safe and Drug Free Schools
Title V: Innovative Programs

The district must consult with representatives from those schools that choose to participate. This consultation consists of designing and implementing programs to support student learning. Notre Dame has requested reading support for those students who qualify for Title I services. This consultant will allow for a mutually agreed upon provider to deliver these services.

Education Implications

The consultant, a trained reading specialist, will provide individual and small group instruction to qualified students. Pre- and post-assessments and ongoing student progress will be documented to monitor student achievement.

Fiscal Implications

There is no cost to the general fund.

CONSULTANT TERMS AND CONDITIONS
(Applicable, unless determined to be Contract Employee – See BS10a)

Consultant Name: Gutierrez Law Group

1. The Consultant will perform said services independently, not as an employee of the District; therefore, the District is not liable for worker’s compensation or unemployment benefits in connection with this Consultant Agreement. Consultant shall assume full responsibility for payment of all Federal, State and Local taxes or contributions, including Unemployment Insurance, Social Security, and Income Taxes with respect to Consultant’s employees.
2. Consultant shall furnish, at his/her own expense, all labor, materials, equipment and other items necessary to carry out the terms of this Agreement, unless agreed upon under Additional Expenses on page 1 of this Agreement.
3. In the performance of the work herein contemplated, Consultant is an independent contractor, with the authority to control and direct the performance of the details of the work, the District being interested in the results obtained.
4. If applicable, the Consultant will certify in writing, using Administration Form #3515.6, that criminal background checks have been completed as per Board Policy #3515.6 prior to commencement of services. This requirement also applies to any subcontractors or employees utilized by the Consultant.
5. Consultant agrees to defend, indemnify and hold harmless the District, its Board of Trustees, employees and agents from any and all liability or loss arising in any way out of Consultant’s negligence in the performance of this Agreement, including, but not limited to, any claim due to injury and/or damage sustained by Consultant, and/or the Consultant’s employee or agents.
6. Consultant will provide to Assistant Superintendent, Business Services, upon request, a Certificate of Insurance showing a minimum $1,000,000 combined single limits of general liability and automobile coverage as required by the District.
7. Neither party shall assign nor delegate any part of this Agreement without the written consent of the other party.
8. The work completed herein must meet the approval of the District and shall be subject to the District’s general right of inspection to secure the satisfactory completion thereof. Consultant agrees to comply with all Federal, State, Municipal and District laws, rules and regulations that are now, or may in the future become, applicable to Consultant, Consultant’s business, equipment and personnel engaged in operations covered by this Agreement or occurring out of the performance of such operations.
9. The District will determine whether the Consultant will be paid by vendor check as a Consultant or payroll check as a Contract Employee (with taxes withheld) by reviewing the completed Certificate of Independent Consultant Agreement (a blank sample may be viewed at http://www.chicoisd.org/dept/business/documents/Consultant_Agreement.pdf). IRS publication SWR 40 and IRS Ruling 87-41 will assist the District in determining the payment method applied to this Consultant Agreement.

11. AGREED TO AND ACCEPTED: (If determined to be a Contract Employee, a payroll check will be issued with applicable taxes withheld.)

PROPOSED AGENDA ITEM: Charter School Annual Site Visit Reports

Prepared by: Sara Simmons

☐ Consent
☐ Information Only
☐ Discussion/Action

Board Date: June 16, 2010

Background Information

As the chartering agency, Chico Unified School District is responsible for Oversight of the charter schools we authorize. Per Education Code 47604.32, an annual visit to each charter school is specified. Site Visit Team Members conducted visits and the compiled reports are presented tonight for board approval.

Education Implications

As one part of Oversight responsibility, CUSD is responsible for monitoring the educational quality of the schools we charter.

Fiscal Implications

As one part of Oversight responsibility, CUSD is responsible for monitoring the fiscal health of the schools we charter.

Additional Information

Per previous board direction, drafts of the Site Visit reports were shared with the respective administrators for each of the charter schools. Those administrators had the opportunity to review the reports and suggest edits, if necessary. Those edits have been incorporated into the reports presented tonight.
**Sara Simmons, Charter School Liaison:**

The following are my observations from the visit to Nord Country School on March 9, 2010.

**Recruitment/Enrollment:**

Nord Country School was founded as a charter school in 2004, when the former CUSD school was closed due to low enrollment. Since reopening as a charter, the Nord community has embraced the school and has continued to practice an ongoing and successful recruitment campaign. There are 127 students enrolled for the 2009-10 school year.

Approximately 30% of the students who attend Nord Country School are English Learners. Approximately 12% of the students who attend schools within the Chico Unified School District are English Learners.

**Governance Structure:**

Nord Country School is governed by a Board of Directors whose members include representatives from parents, community and staff. The strength of the Nord community is reflected in the board composition, as many members are extremely active in Nord school functions. The board is extremely supportive of the Annual Pie Auction, which provides the school with additional funds.

Board composition seems likely to change in the coming year as some of the founding members retire and are replaced by others. Overall, the board seems to be strong, capable and willing to lead the school into the next phase of development. It is critically important that new board members receive training in board governance, Brown Act, Conflict of Interest and other laws pertaining to public entities with responsibility for public funds.

Day to day responsibility for both academic and business issues is assumed by the Principal/Executive Director, Kathy Dahlgren.

**Joanne Parsley, Director, Curriculum & Instruction:**

**Educational Program**

Nord Country School is located in a rural area and is strongly supported by parents, community members and farmers in the surrounding area. This support is offered in different forms: volunteers in classrooms, drivers on field trips, workers improving the physical site, committee members, garden helpers and financial supporters (as evidenced by their very successful Annual Pie Auction).
Early in the school year, the Nord teachers and staff have a minimum day for the students so the teachers can meet to study the STAR data. This information provides a quick, first indication of which students are proficient regarding the California State Standards and which students are not yet proficient and need extra support. The staff also uses other types of assessments (curriculum-based, teacher created, etc.) when determining intervention/support for students who are struggling. In addition, the students are assessed using Dibbles three times per year. Progress monitoring checks for students in intervention groups are conducted every other week which allows the staff to push students back into the mainstream classroom and pull other struggling students out for extra support.

Curriculum

- **English Language Arts**
  - K-3 = Houghton Mifflin
  - 4th – 6th grade teachers merge English Language Arts and Social Science into thematic units and incorporate literature books in conjunction with the core curriculum to support the theme. Examples of literature books used are:
    - 4th = By the Great Horned Spoon – Gold Rush
    - Island of the Blue Dolphin – Native Americans
    - The Iron Dragon Never Sleeps – Transcontinental Railroad
    - 5th & 6th = Pedro’s Journal – Explorers
    - Hope’s Revolutionary War Diary
    - Boy of the Painted Cave – Prehistoric Man
    - Greek Myths

- **ELD**
  - Avenues

- **Math**
  - K-3 = Houghton Mifflin
  - 4-6 = Saxon

- **Social Science**
  - K-6 = McMillan/McGraw-Hill

- **Science**
  - K-6 = McMillan/McGraw-Hill

- **Technology**
  - Nord has 1 computer for every 2 student

- **Music/Art**
  - Music is offered bi-weekly K-6 by a music teacher.
Annual performances given during Open House.
Weekly violin lessons during school for 4th - 6th grade.

- P.E.
  Retired professor from CSUC leads P.E. activities twice a week for 1st - 6th grades.

Supplemental Curriculum/Support

- Nord has seven intervention groups using a variety of curriculum and strategies to support struggling students.
- ELD groups meet daily and use Avenues among other support curriculum.

Before-/After-School Program

- Before-school program opens at 7:00 a.m., all students are invited with no fee.
- Nord partners with BCOE to offer after-school activities until 6:00 p.m.
- This extended day provides homework time, extra academic support, recreation and enrichment activities.
- The cost is $20.00 per year.

Garden/Farm

- Show piece of the school.
- Fruit trees, berries, grapes, pumpkins, vegetables.
- Produce is often served to students.
- Wheat field farmed with draft horses and mules.
- Students work in the garden before/after school, during recess and during the school day.
- Strong volunteer support.
- Annual Harvest Festival.

Janet Brinson, Director, Categorical Programs:
Categorical Programs/Services and Student Interventions

Members of the CUSD Charter Review Committee met with staff and board members at Nord Country School on March 9, 2010. Principal, Kathy Dahlgren, provided the review team with an overview of current NCS programs, school data and schedules. Classroom observations and interviews with staff members were conducted.

Nord Country School receives Title I funding and continues to utilize those funds to augment a well-designed support program to meet student needs. The school continues to have an outpouring of community support and volunteerism which
assist to enhance student learning. There are currently six volunteers who support NCS on a regular basis. Additional volunteers provide support as their schedules allow. All classrooms have a classroom aide and the 4th and 5th/6th grade classrooms each have a student teacher.

An ELD/Intervention teacher works with the English Language Learners (EL). The instructor is bilingual in Spanish and English. NCS currently has 37 EL students out of a total school population of 126. The primary language for the majority of the EL student population is Spanish. An ELD/Intervention teacher works with the English Language Learners to provide supplemental learning support for students in either a “push-in” or “pull-out” model of instruction that provides individual and/or small group instruction based on language level an identified student need. She uses English Language Development (ELD) and Specially Designed Academic Instruction in English (SDAIE) strategies to support student learning. She conducts primary language and CELDT assessments on the students and completes pertinent parent notifications as needed and required by law.

Language Census (R30) data indicates that the 37 EL students are at various learning levels based on their English Language proficiency. The EL teacher utilizes CELDT, STAR, classroom data and teacher input to inform her as she develops lessons for her students.

**Dave Scott, Director, Student Services:**

The Chico Unified School District Charter Review Committee met at Nord Country School (NCS) on March 9, 2010. Kathleen Dahlgren, Principal, Nord Country School, Bob Hennigan, Board Member, Ernie Dalton, Board Member, as well as several parents and interested community members met with the Committee. During the brief visit, I observed instruction in several classrooms.

**Special Education Services:**

Nord Country School is presently a school of the District with respect to special education services. The District provides the following services to NCS:

- 0.18 FTE Resource Specialist Teacher (approximately 5 hours per week)
- 0.015 FTE Inclusion Specialist Teacher (approximately 2 hours per month)
- 0.10 FTE Speech Therapist (3.25 hours per week)
- 0.03 FTE School Nurse (approximately 4 hours per month)
- 0.11 FTE Instructional Aide – Special Education (approximately 3.75 hours per week)
- 0.75 FTE Instructional Paraprofessional Specialized – Classroom (6 hours per day)
0.63 FTE Instructional Aide – Special Education (5 hours per day)
0.05 FTE School Psychologist (approximately 2.0 hours per week)

NCS students needing more intensive special education services (e.g., a Special Day Class placement) are offered a placement in other programs in the District or SELPA.

In March of 2009, there were ten students at NCS with Individualized Education Programs (IEPs). As of March 26, 2009 there are eleven students at NCS with IEPs. The primary disabilities for these students are in three of the thirteen Federal disability categories as follows:

- Specific Learning Disability – 5 students
- Speech or Language Impairment – 5 students
- Autism – 1 student
- Total – 11 students

The percentage of students with Individual Education Plans (IEPs) enrolled at NCS is 8.54. As reported in the December 1, 2009 SELPA Student Report, the percentage of students with IEPs for the District is approximately 12.40, for the SELPA 12.10, and approximately 10.90 percent for the state of California (2008-09).

Nord Country School has been approved by the Butte County SELPA to become its own Local Education Agency (LEA) for the purposes of special education. NCS begin providing its own special education services is July 2010.

Bernard Vigillon, Director, Alternative Programs:
**Suspension/Expulsion Process**

Nord Country School continues to follow the process for suspension and expulsion.

Bob Feaster, Assistant Superintendent, Human Resources:
**Personnel, Staff Performance**

I met with the Principal to review personnel issues. There is a great deal of continuity in the staff at Nord Country School. It appears to provide a welcoming and highly regarded work environment. The staff appears to be committed to creating an environment that is conducive to student achievement and their emotional well being as well.

They have worked hard to recruit from within and to retain their current staff members. In fact their newest teacher has moved up through the ranks at NCS.
Scott Jones, Director, Fiscal Services:
Nord Country School – 2009/2010 review/site visitation with Principal Kathy Dahlgren

Financial Viability

2008/2009 Financial Statement Actuals: NCS ended the 08/09 fiscal year with a very healthy $597,756 in ending fund balance representing about 60.5% of budget expenditures for the 09/10 year. Revenues exceeded expenditures by $252,015 all but $75,599 were in the unrestricted side of the budget. P-2 ADA continues to increase from 91.49 in 07/08 to 110.75 in 08/09 which accounts for the healthy increase in revenues. NCS continues to do a good job of containing expenses during the rapid expansion of the school.

1st Interim: 7/01/09 – 10/31/09: The NCS first interim report reflects adding an additional $1,647 to fund balance for a year end estimate of $599,403. Significant changes to budget since it was adopted include a recalculation of state aid resulting in a negative adjustment of ($108,571) partially offset by additional local revenue of $31,000. Expenditures changed very little with the exception of employee benefits which were reduced by about $20,000 from an adopted budget of $152,000.

2nd Interim: 11/01/09 – 1/31/10: The second interim budget contains a positive adjustment to state aid of $50,043. Categorical block grant revenue was reduced by $17,963. NCS is adding about $39,000 in total revenue since the 1st interim report. Total expenditures since the first interim are projected to increase by a modest $11,000. The primary expenditure increases are in the capital outlay category of about $10,000 while a similar reduction of about $9,000 is reflected in the services category. Although NCS is projected to spend slightly more than it takes in this year by about $15,000, they are estimating to end the year with undesignated reserves of $583,000 representing 58.3% of their budget. NCS continues to maintain a healthy budget with strong reserves.

Due to the uncertain state of the economy and the reductions in revenue to education, Butte County Office of Education is now requiring school districts to submit monthly cash flows to make sure districts can meet operational expenses. Each of the charter schools under CUSD have been asked to submit monthly cash flows beginning 7/01/09 for CUSD review. The most recent NCS cash flow shows a strong monthly cash position due to large reserves even with fluctuating and deferral of state revenues. Cash was at a high point of $438,577 on July 1st and a projected low point of $240,663 due to anticipated state deferrals and accruals of $203,099.

Other information provided by principal Dahlgren included:
- Lisa Speegle, Forest Ranch Charter School CFO is under contract to provide some financial reporting assistance to NCS
- NCS continue to maintain a $100,000 line of credit, however it is not being used and not maintained on the books
- There are no loans at present with NCS
- NCS will provide monthly electronic Board Reports and Cash Flow statements
- Beg. 10/11 NCS will freeze the salary schedule to accommodate lack of state funding and create another salary schedule step below that of step 1 of the current schedule
- NCS contracts with CCDS for psychology and speech services and with BCOE for OT services
- The 08/09 NCS audit produced no audit issues to address
Sara Simmons, Charter School Liaison:

The following are my observations from the visit to Forest Ranch Charter School on March 12, 2010. I focused my attention on enrollment and the governance structure.

Recruitment/Enrollment:

Forest Ranch Charter School was formed in 2008, when the former school was closed due to low enrollment. The school, in its second year, continues to recruit new students and has a reported enrollment of 81 for the 2009-10 school year. This increase reflects both the work of school personnel as well as the parent and community support. Staff has given considerable thought as to how the school should develop, particularly with regard to grade configurations.

A recommendation from the 2009 site visit regarding proper training for staff in attendance accounting techniques has been accomplished.

Governance Structure:

The Board of Directors for Forest Ranch Charter School will be gaining some new members this spring. The Board continues to review and adopt new policies as needed for the school. As the school has grown, Board Members have been able to transition from assisting with day-to-day operations to more appropriate roles. It is critically important that new Board Members receive training in board governance, Brown Act, Conflict of Interest and other laws pertaining to public entities with responsibility for public funds.

Day to day responsibility for academic issues is assumed by part-time Principal Kristia Marasco. Business issues are the purview of Lisa Speegle. The school has contracted with outside services providing professional development to strengthen and encourage better professional practices throughout the staff.

Joanne Parsley, Director, Curriculum and Instruction:

Educational Program

The Forest Ranch Charter School has chosen to use methods from the HET (Highly Effective Teaching) model designed by Susan Kovalik and Associates. This model is utilized with an emphasis on differentiated learning, recognizing that children learn through multiple modalities. They have adopted a multi-age model rather than a combination class approach. This allows children to move through the standards in a way that challenges each student at the optimal level for their own growth.

During the 2009-2010 school year the grade level configurations are:
Kindergarten,
First and Second grades,
Third and Fourth grades,
Fifth and Sixth grades.

Curriculum:

**English Language Arts**
Lesson plans begin with the state standards and then incorporate a variety of enriching materials which could include, but are not limited to, traditional texts. A wide range of rich fiction and nonfiction literature as well as hands-on activities, field trips, technology, video and supplementary materials are encouraged.

**Math**
Sadlier Math is the curriculum used by Forest Ranch Charter School as a guide for math instruction. In addition, they supplement the program with numerous other math materials.

**Social Studies**
Social Studies content is integrated throughout the curriculum with students acquiring skills in reading, writing, math, visual, and fine arts. An emphasis is placed on living history experiences, hands-on activities, and historical re-enactments.

**Science Lab and Outdoor Classroom**
Forest Ranch Charter School offers a weekly science laboratory and an outdoor classroom with lessons on environmental studies. The science lab is facilitated by the teachers in conjunction with the California State University, Chico Institute for Sustainable Development and Big Chico Creek Ecological Reserve and Kids on Creeks. Volunteer scientists from the community, including CSU, Chico professors and staff, teach thematic units in science designed to meet grade level standards.

**Technology**
There is one computer for every two students at Forest Ranch.

**Interventions**
The staff utilizes a variety of interventions/support curriculum for struggling students. SIPPS, Reading A to Z (guided reading) are used to support ELA and Accelerated Math and Mentor Math are examples of math intervention programs. A credentialed aide pulls students out on a one to one basis or works with small groups. The school also has a method of grouping students for activities that will leave a classroom teacher with a smaller group to work with also.
On Going Activities
Monday: Elective Rotation (2nd and 4th weeks; 1:00pm-2:30pm)
Tuesday: Band, Library, Classroom Music
Wednesday: Science Lab (1st and 3rd; 1:15-2:30pm)
Thursday: Mentor Math (8:30-10:00am)
GATE (weekly; 11:00am-2:35pm)
Friday: Assembly/Mentor Time (1st and 3rd weeks 8:15-9:30am)

The Forest Ranch teachers strive for academic excellence by using a range of state-adopted, supplementary and teacher-created curriculum to meet or exceed state standards in all of the core subjects. Multiple measures are used to assess all students' progress throughout the year. Students are assessed through teacher created formative assessment and observation surrounding mastery of state standards and a minimum of the following: text based chapter tests, running records, the Basic Phonics Skills Test, baseline, midyear and end of year computer adaptive assessment of the standards (Scantron's Ed Performance Series). The assessment plan is individualized to meet the unique needs of each student. Results are analyzed and used to drive both individual and group instruction.

Before/After School Program
Forest Ranch Charter School offers a Before-School program at no charge and an After-School program that is fee-based.

Dave Scott, Director, Student Support Services

Christia Marasco, Director of Forest Ranch Charter School (FRCS), met with Sara Simmons and I on Friday, March 12, 2010 to review the program currently provided at the Forest Ranch Charter School. We visited several classrooms and staff work areas during the two hour visitation.

Special Education Services:

Forest Ranch Charter School is in its second year of operation and is presently a school of the District with respect to special education services. The District provides the following services to FRCS:

0.10  FTE Resource Specialist Teacher (approximately 3.5 hours per week)
0.025 FTE Speech Therapist (approximately 4.0 hours per month)
A/N  FTE School Nurse (as needed or called)
A/N  FTE Occupational Therapist (as needed per IEPs)
0.11  FTE Instructional Aide – Special Education (approximately 4.0 hours per week)
0.025 FTE School Psychologist (approximately 4.0 hours per month)
FRCS students needing more intensive special education services (e.g. a Special Day Class placement) are offered a placement in other programs in the District or the Butte County SELPA.

As of March 26, 2010 there are five students (and three pending) at FRCS with Individualized Education Programs (IEPs). The primary disabilities for these students are in three of the thirteen Federal disability categories as follows:

The current student enrollment at FRCS is eighty students. The percentage of students with Individual Education Plans (IEPs) at FRCS is 6.25. As reported in the December 1, 2009 SELPA Student Report, the percentage of students with IEPs for the District is approximately 12.40, for the SELPA 12.10, and approximately 10.90 percent for the state of California (2008-09).

Ms. Marasco reported that all of the District support staff members currently assigned to the school have been very helpful and professional.

Ms. Marasco and the FRCS staff are commended for their on-going efforts to build a school program responsive to the needs of all FRCS students during the school’s second year of operation.

**Bernard Vigallon, Director, Alternative Programs: Suspension/Expulsion Process**

Forest Ranch Charter School continues to follow the process for suspension and expulsion.

**Bob Feaster, Assistant Superintendent, Human Resources: Personnel, Staff Performance**

A site visit was conducted at Forest Ranch Charter School on April 28, 2010. I met with the Director of the school. The school currently employs four (4) full-time, regular classroom teachers and a part-time GATE teacher. They hope to add one (1) full-time, regular classroom for the 2010/11 school year. The success of the school is predicated on the many volunteers who support the school in a variety of capacities. This includes the leadership of the school. While such volunteerism is laudable, consideration needs to be given to the sustainability of reliance on volunteers who have other commitments and may be stretched thin to meet the needs of the school, the students and the staff. More specifically the school is concerned about volunteer burnout and is actively
working on this by increasing support staff hours and assigning some administrative tasks to teachers.

Significant work has been done over the course of the past year to create and update personnel forms and procedures relating to staff evaluations, goal setting and procedures.

All of the personnel aspects of the review appear to be in order and progressing in a reasonable manner especially given the recent start up of the school.

Scott Jones, Director, Fiscal Services:
Financial Viability

The Forest Ranch Charter School ended its first year of operation on a high note by realizing an ending fund balance of $370,295 representing a remarkable 78.5% of actual expenditures. All but about $19,000 is contained in the unrestricted side of the budget. Although originally projected to have about 45-55 students, FRCS ended the year at P-2 with closer to 60 students generating 55.56 ADA.

1st Interim: 7/01/09-10/31/09: Enrollment is projected to increase to 85 for 09/10 which has significantly increased budget. The FRCS adopted budget projected an ending fund balance of $425,800. The first interim reflects an EFB increase of $32,132 for a total of $463,932 representing 74.2% of budgeted expenditures. Reductions to state aid and other local income of about $70,000 was offset by expenditure reductions of $20,630 and an increase of $83,536 to the beginning balance realized when the books from last year were closed.

2nd Interim: 11/01/09 – 1/31/10: The second interim budget contains a slight increase of $8,169 in total revenue over the first interim report. Expenditures are projected to increase only $4,976 which results in a net overall increase to the ending fund balance of $3,193 at second interim. Projected fund balance is now $467,125 which is 74.1% of budgeted expenditures.

FRCS uses Matson and Isom for its annual external audit. There were no audit exceptions for the fiscal year ending 6/30/09.

The FRCS multi year projection received on 6/17/09 continues to show steady enrollment increases of 85 in 09/10 to 118 in 13/14. Assuming this growth transpires, FRCS should have less difficulty absorbing the negative and low cost of living adjustments schools will be receiving from the state for several years to come. This is reflected in their MYP which shows continued growth up to $701,900 fund balance in fiscal year ending 6/30/14.
Due to the uncertain state of the economy and the reductions in revenue to education, Butte County Office of Education is now requiring school districts to submit monthly cash flows to make sure districts can meet operational expenses. Each of the charter schools under CUSD have been asked to submit monthly cash flows beginning 7/01/09 for CUSD review. FRCS has submitted monthly detailed cash flows since the beginning of the year. The school is fortunate to have such significant reserves combined with ARRA funding has allowed them to project a cash high point in June, 2010 of $457,068 and a low point of $250,618 back in September, 2009.
Sara Simmons, Charter School Liaison:

The following are my observations from the visit to Chico Country Day School on March 3, 2010.

Recruitment/Enrollment
Chico Country Day has been in existence since 1996, providing an educational program for students in grades K-8. The school has grown to be a popular choice for parents and students, with a reported 2009-10 school year enrollment of 542 students. The school submits copies of state attendance reports to the district.

While it should be noted that there is no Education Code that specifically mandates a charter school to enroll students that reflect the demographics of the chartering district, the following is one of the elements which must be met by charter school organizers prior to a petition being approved:

"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted."

The school has translated promotional materials into both Spanish and Hmong. However, as in past years, district staff remains concerned that, as of the 2009-10 R-30 (a Language Census Report), there were 4 English Language Learners enrolled, or less than 1% of the student population. Chico Unified School District reports a total of 1412 English Learners; or approximately 12% of the student population.

CCDS was given a renewal of their charter in January of 2010. At that time, the district asked for inclusion of language in the charter that would demonstrate a stronger commitment on the part of CCDS to increase the diversity of their student population. Additional language was inserted into the document which identifies four areas to assist with the above-stated goal. They are as follows:

1. Hire a part-time bilingual Outreach Coordinator with ties to ethnically diverse neighborhoods within Chico to help recruit students of diverse backgrounds to enter the lottery system, especially the Kindergarten lottery. This position will assist our current staff in organizing open houses at various community events and by providing direct outreach to a wide variety of community organizations. Specific job-related goals will be assigned to this position and in relation to an increase in the number of ethnically diverse students applying to be admitted to the CCDS lottery. (Timeline: within 2 years, upon lifting of hiring freeze and availability of funds.)

2. Require 100% of the teaching staff to be trained by the Butte County Office of Education in teaching techniques for English Language Learners, Migrant Education, and teaching students with diverse backgrounds.
(Timeline: First staff training workshop will be scheduled for CCDS during Staff Development Week in the Summer of 2010, with needed follow-up on subsequent staff development days scheduled in Fall 2010. Subsequent trainings will take place annually. Newly hired staff, if any, will be required to be trained within one year of hire.)

3. Appoint a liaison to the Parent Migrant Education Council coordinated by BCOE. (Timeline: Within six months.)

4. Continue direct outreach to the Barber Yard Neighborhood through open houses and by continuing to build relationships through the neighborhood action group, current staff and the Outreach Coordinator. (Timeline: Current and continuing.)

**Governance Structure**

Chico Country Day School is governed by a Board of Directors whose members include representatives from parents, community and staff. Due to the large number of board members who are ‘termed out’, CCDS finds itself in the position of recruiting several new members for the board this year, but is investigating the possibility of amending the bylaws to better ‘stagger’ the terms of board members. It is critically important that new board members receive training in board governance, Brown Act, Conflict of Interest and other laws pertaining to public entities with responsibility for public funds.

Day to day responsibility for academic issues is assumed by the Principal, Paul Weber while responsibility for business services is that of the Executive Director, Margaret Reece.

**Joanne Parsley, Director, Curriculum and Instruction: Educational Program**

Integrated Thematic Instruction is the instructional model used to deliver standards based curriculum at all grade levels and for all content areas at Chico Country Day School. The majority of the teachers at CCDS have attended staff development focusing on Integrated Thematic Instruction strategies. Field trips are routinely scheduled to coincide with the units which connect real world experiences with the classroom curriculum.

**Curriculum Adoptions**

- English Language Arts
  - Integrated Thematic Units based on ELA content standards. Supplementary materials include: Scholastic; Reading Counts; SRI; Step Up To Writing; Strategies for Expository Reading; Reading A-Z; Handwriting without Tears.
  - Houghton-Mifflin program used in 1st and 2nd grades.

- Math
  K-6 = Harcourt Brace
7-8 = CPM  
Fast Math Computer Program  
- Social Science and Science  
  - Integrated Thematic Units based on content standards. Supplementary materials include: Primary sources, sample textbooks, online resources (United Streaming).

Technology  
- 90 laptop computers on carts used by 4th through 8th grade students  
- Individual classrooms have computer stations with 4 to 6 computers  
- Smart boards in 4th through 8th grade classrooms  
- Elmos in 8th grade classrooms

Music/Art  
- Music - once per week for K-5, plus music elective available to 6 – 8 students one time per week plus fee-based music classes after school with scholarships available  
- Art – once per week for grades 1-7

Electives for Middle School students  
- Instruction delivered by parents, staff, community volunteers on “Elective Friday”  
- Examples – psychology, art, cooking, sports, music appreciation, guitar, leadership, yearbook, etc.

All curriculum is delivered by a variety of methods including whole class instruction, small group instruction, field trips, group work, partner work, cross age tutoring, as well as games, songs, projects, etc. Essential standards were identified at each grade level in English Language Arts and Math. The staff worked to vertically align the standards across grade levels.

STAR data is reviewed early in the fall and two specific areas for improvement are targeted at each grade level. Then teachers write measurable student achievement goals for each area.

In addition to ongoing assessments which include curriculum based tests, trimester benchmark assessments are administered to assess the student’s proficiency of the standards in English Language Arts and Math.

Expected School Wide Learning Results (ESLRS) also provide further evidence of student learning. In addition, other assessments are used to identify at-risk students, including Dibels (K-6) which is administered three times per year and BPST.

School-wide collaboration time for the staff is provided by an early-out day every Friday. The teachers review student work, plan curriculum, etc. In addition, six
of these Fridays are minimum days which are used for staff development trainings.

CCDS staff uses the Rti model as their system to offer interventions.

Supplemental Curriculum/Support
- Tier I
  - Reading Counts (independent reading program)
  - Fast Math (basic math skills practice)
  - Dibels, all students assessed three times per year

- Tier II
  - SIPPS
  - Read Naturally
  - Earobics
  - Touch Math
  - REWARDS
  - Reading Recovery – Arkansas model

Janet Brinson, Director, Categorical Programs:
Categorical Program/Services and Student Interventions

Members of the CUSD Charter Review Committee met with staff at Chico County Day School on March 3, 2010. Paul Weber, CCDS principal and Executive Director, Margaret Reece provided the review team with an overview of current CCDS programs and school data.

Chico Country Day receives categorical program funding through a State Block Grant. As in years past, they combine these funds with general funds. CCDS continues to operate student intervention, enrichment and support services for students. The Rti model is used to meet student need. Student progress is measured periodically. Students whose scores indicate a need for intervention are placed in the appropriate support program and progress is monitored regularly.

CCDS currently has four English Learners enrolled. CCDS works in tandem with Nord Country School support staff to ensure that all required assessments are completed for their English Learner students.
Dave Scott, Director, Student Services

The members of the District’s Charter Review Committee met with Chico Country Day School (CCDS) staff on Wednesday, March 3, 2010. Paul Weber, Superintendent of Chico Country Day School, and Margaret Reece, Executive Director, provided the Committee with a copy of the school’s WASC report and reviewed the significant changes at the school since the Committee’s previous visit in March, 2009. The meeting was conducted in an informative and cordial manner.

Special Education Services:

By action of the Butte County SELPA Governing Board, the Chico Country Day School became its own Local Education Agency (LEA) for the purposes of special education services on July 1, 2008. As a result of this decision, the Chico Country Day School is responsible for providing or obtaining special education services for all students with disabilities enrolled at the school.

In February of 2009, there were seventeen students at CCDS with Individualized Education Program (IEPs). As of March 29, 2010, there are twenty-six students at CCDS with Individualized Education Programs. The primary disabilities for these students are in six of the thirteen Federal disability categories as follows:

Additionally, Mr. Weber reports that 12 students are provided speech services through the school-based speech program and that other students receive services provided by special education personnel through the Response to Intervention Program at CCDS. The student enrollment at CCDS is approximately 537 students. The percentage of students with Individual Education Plans (IEPs) at CCDS is 4.84. As reported in the December 1, 2009 SELPA Student Report, the percentage of students with IEPs for the District is approximately 12.40, for the SELPA 12.10, and approximately 10.90 percent for the state of California (2008-09).

Bernard Vigallon, Director, Alternative Programs:
Suspension/Expulsion Process
Chico Country Day School continues to follow the process for suspension and expulsion.

**Bob Feaster, Assistant Superintendent, Human Resources:**
**Personnel, Staff Performance**

Based on a meeting with the Executive Director and the Principal, it appears that Chico Country Day School has no issues of concern relative to personnel or staff performance at this time. A Labor Relations Advisory Team has been initiated to deal with a variety of issues including but not limited to fiscal difficulties, performance measures, etc. They have developed Health Savings Accounts (H.S.A.) to mitigate the increasing costs of benefits. CCDS has provided the review team with a variety of documents relating to personnel issues.

**Scott Jones, Director, Fiscal Services:**
**Financial Viability**

**2008/2009 Financial Statement Actuals:** Since 05/06 CCDS continues to improve its financial health. CCDS ended the 07/08 year with a fund balance of $373,725 and has subsequently improved at year end 6/30/09 by adding $469,592 for a total undesignated audited fund balance of $911,560. P-2 ADA increased from 411.05 in 07/08 to 461.82 in 08/09 which accounts for the healthy increase in revenues. CCDS continues to manage its expenditures well during this period of rapid enrollment growth.

**1st Interim: 7/01/09 - 10/31/09:** The CCDS first interim report, as in the July 1 adopted budget reflects adding an additional $210,640 to fund balance for a year end estimate of $1,122,200. Revenue and expenditure estimates remain unchanged since the adopted budget.

**2nd Interim: 11/01/09 – 1/31/10:** The second Interim budget contains a modest overall net drop of $46,514 in revenues. Other federal revenue has been reduced by $136,501 while minor increases to state aid, categorical block grant, and local revenues offset much of the federal revenue reduction. The CCDS community continues to support the school by way of significant fund raising dollars. Total expenditures of $3.498 million have increased since the adopted budget by a modest $31,000. Areas of change in expenditures have occurred in classified salaries $8,000, books and supplies $12,939, and Services of $11,632. Although CCDS projected fund balance at second interim reduced by $77,786 their overall fund balance increased by $122,364 due booking an 08/09 audit adjustment of $200,150. The CCDS healthy reserve of $1,244,564 equates to about 35.6% of budget expenditures a truly commendable figure in these times of low state funding. CCDS, like all public agencies, will need to be cognizant of the one time federal ARRA dollars that will require budget adjustments once they are spent in the out years.
Due to the uncertain state of the economy and the reductions in revenue to education, Butte County Office of Education is now requiring school districts to submit monthly cash flows to make sure districts can meet operational expenses. Each of the charter schools under CUSD have been asked to submit monthly cash flows beginning 7/01/09 for CUSD review. The CCDS finance committee is provided much useful information on a regular basis. Pertaining to cash flow it would be useful to maintain a single spreadsheet updated monthly so at a glance interested parties can see each month’s fluctuations in cash both actual for past months and projected for the remaining year’s months. A single spreadsheet will tell the story of where the peaks and valleys are in cash flow each month as well as provide useful information as to the deferral and/or accrual of state and federal funding due to the current California fiscal crisis. CCDS has been maintaining such a spreadsheet and will forward to CUSD on a monthly basis.

CUSD will request a current Multi Year Projection in order to review the impact of low and negative state cost of living adjustments in the upcoming years and the impact on budget as expenditures continue to increase for inflation, salary step movement, and health and welfare increases which oftentimes can hit double digits.
PROPOSED AGENDA ITEM: 10th Grade Academic Intervention

Prepared by: John Shepherd

Board Date 6/16/2010

☐ Consent  
☐ Information Only  
☐ Discussion/Action

Background Information
In the fall of 2009 PVHS implemented a strategy to support the freshman transition to high school and also provide intervention opportunities for struggling students by closing campus during lunch for 9th grade students. Through the establishment of a Learning Center, directed by two staff members, and the use of peer mentors and volunteers from the community, students targeted for intervention support in core academic areas were provided additional time and support to increase their levels of achievement. PVHS would like to expand the scope of that strategy by including sophomores with one or more failing grades in the previous semester. Sophomores with one or more failing grades will be directed into the Learning Center for academic support. At the end of each semester the progress of the student will be evaluated. If the student passes all of his/her classes he/she will earn the privilege of off-campus lunch. This program will mirror the strategy at Chico Senior High School.

Educational Implications
By expanding the scope of the on-campus lunch policy PVHS plans to raise the achievement levels of struggling students. While on campus the students will have access to targeted core academic curriculum, tutorial sessions provided by certificated staff, and peer group study sessions to prepare for pending assignments and/or assessments.

Fiscal Implications
None
Title: Agricultural Vocational Education Incentive Grant

Action: Consent x Information

Agenda Item: Date: June 16, 2010

Prepared by: Quinn Mendez, Chico High

Background Information

The Agricultural Vocational Education Incentive Grant provides local educational agencies (LEAs) with funds to be used to improve the quality of their agricultural vocational education programs. The goal is to maintain a high-quality, comprehensive agricultural vocational program in California's public school system to ensure a constant source of employable, trained, and skilled individuals.

Education Implications

Benefits of agricultural education programs are:

- Collaboration, articulation, and networking with all levels of delivery systems (elementary through postsecondary) for instructors
- Supervised entrepreneurial and workplace learning experiences for students
- Linkages and partnerships with business and industry for instructors and students
- Professional development opportunities for teachers, administrators, and counselors
- Curriculum development based on performance and content standards for instructors
- On-site technical assistance in programs for instructors and students
- A foundation for students in the academic and technical skills necessary for career and personal success
- Student leadership and interpersonal skills
- An authentic assessment of knowledge, skills, and abilities through on-demand demonstrations and portfolios

Fiscal Implications

None to the general fund. Expenses will be covered by Agricultural Vocational Education Incentive Grant.

PROPOSED AGENDA ITEM:  Monthly Enrollment and ADA Reports (Month 11 - Annual)

Prepared by:  Jan Combes, Assistant Superintendent, Business Services

☐ Consent  Board Date  June 16, 2010
☐ Information
☐ Discussion/Action

Background Information:

On February 20, 2008 the Board received the Fiscal Recovery Plan as prepared by Sheila Vickers, fiscal advisor to the district. The plan recommended that the Board receive monthly updates of enrollment and average daily attendance (ADA).

Education Implications:

Monitoring of enrollment is critical to ensuring that classes are of the appropriate size and configuration, ensuring that instructional opportunities are provided for all students.

Fiscal Implications/Analysis of Attached Reports:

As of the end of the eleventh school month (May 27) we had 12,108 students enrolled, 446 fewer students than we did at the end of the seventh school month a year ago. We have averaged 12,196 students over the course of 2009-10, which is on average 469 fewer students per month than in 2008-09.

Average daily attendance as of May, 2010 is 11,638 --- 443 ADA less than the same period in 2008-09.

Across the district the ratio of ADA to enrollment is 95.42% as of year-end.

In April we reduced our budget for the fact that Community Day School was falling below budget projections of 90 ADA, down to 74 ADA. As of the end of the year, ADA for the Community Day School totals 77 which is 3 ADA more than our budget. This will provide about $15,000 more in funding for the 2009-10 school year. The increase in ADA is the result of student enrollment in the program which increased from 90 in March to 144 in May.

PROPOSED AGENDA ITEM: Butte County Office of Education Annual Budget Review

Prepared by: Jan Combes, Assistant Superintendent, Business Services

☐ Discussion/Action

Board Date June 16, 2010

Background Information:

Pursuant to the provisions of Education Code (EC) 1240 (e) which became effective January 1, 2002, the Butte County Office of Education (BCOE) is required to present an annual report to the Superintendent of Public Instruction regarding the fiscal solvency of any school district with a disapproved budget, a qualified or negative interim certification, or that has been determined at any time during the year to be in a position of fiscal uncertainty as identified in EC 42127.6.

As of the Third Interim Report presented in April, the Chico USD had a qualified certification. The district could meet its obligations in the current and subsequent school year (2010-11), but not the second subsequent year (2011-12).

When the Board adopts the budget for 2010-11 later this same evening, the 2011-12 school year becomes the first subsequent year, and the district will return to an unapproved or negative budget status.

BCOE will discuss the following report with the Board.

No action is required.
Pursuant to the provisions of Education Code (EC) 1240 (e) which became effective January 1, 2002, the Butte County Superintendent of Schools is required to present an annual report to a school district’s governing board and the Superintendent of Public Instruction regarding the fiscal solvency of any school district with a disapproved budget, a qualified or negative interim certification, or that has been determined at any time during the year to be in a position of fiscal uncertainty as identified in EC 42127.6. As a result of the district’s negative certification on the First and Second Interim Reports, the following annual report on the fiscal solvency of Chico Unified School District for fiscal year 2009-10 has been prepared for your information and understanding.

The Original Budget was submitted to the Butte County Office of Education for review. The budget was accepted, but the County Superintendent invoked Ed Code Section 42127.6 (c) based on the district’s inability to meet the 3.00% minimum reserve requirement in the subsequent fiscal year. The General Fund ending fund balance was positive and sufficient to meet the minimum reserve requirement in the current year, but fiscal stress was evident in the two subsequent years. Five areas of concern were identified, as listed on the “FCMAT” Predictors of School Agencies Needing Intervention:

- Failure to maintain reserves in the 2010-11 and 2011-12 school years
- Deficit spending in all three years on the multi year projection
- Declining enrollment in all three years on the multi year projection
- General fund encroachment, especially in the Special Education programs
- Cash flow needs due to shrinking revenues and deferrals of state dollars

Subsequent Events:

1. The First Interim Budget Report presented in December 2009 incorporated carryover from 2008-09 and revised budget information as a result of the state-adopted budget. Base funding for the district revenue limit included a cut of 18.355% from the state-imposed deficit, as well as an additional one-time $253/ADA cut. This represents an additional loss of $3 million for CUSD. Overall district funding was reduced by over $14 million as a result of the state’s economic situation. The district self-certified as “negative”, based on the multi-year projection which indicated a lack of economic reserves for 2010-11 and 2011-12 and negative fund balance for 2011-12.

2. Discussions with the district centered on cash, as cash flows indicated the district would not be able to make payroll by the Fall of 2010.
BCOE began having conversations with FCMAT in October 2009 due to the concern CUSD would run out of cash and not be able to meet payroll sometime in fiscal year 2010-11. Preliminary cash flow projections were developed, and based on this information, indicated CUSD would run out of cash November 2010 and become "cash insolvent." There were dollars that could be borrowed internally from Fund 25 (Developer fees), but they could not be shown as paid back by June 2010. The FCMAT board declared CUSD to be a "fiscal emergency;" thus an in depth review and independent analysis was prepared and provided for with state funds. The report was released in early February, 2010. Their analysis concurred that the district would not be able to meet its obligations in 2010-11 unless $2.5 million in cuts could be made.

3. In March, 2010, the Board enacted cuts and changes to its 2009-10 budget. These cuts impacted dollars available for programs and students. For example, for 2010-11, the Board approved staffing alternative education programs at 30:1, eliminated the purchase of textbooks and consolidated alternative options onto other campus' to eliminate lease payments for facilities.

4. The reductions enabled the district to self-certify as "qualified" at Second Interim because reserves were sufficient for 2010-11. These cuts bought some time for the district. The Governor's Proposed Budget for 2010-11 made the "one-time" per ADA cut permanent, at least until the state recovers from the fiscal crisis. Concerns of the County Office focused in the same areas as previously mentioned. In June, the district returns to a negative budget status due to the projected lack of reserves and cash in 2011-12 and 2012-13.

5. The Third Interim Budget was prepared in May, which reflected expenditures through April 30th with no significant changes.

6. On June 16 the Board will adopt budget for the upcoming 2010-11 school year. The state budget is not expected to be in place by July 1, however the "May Revise" includes a -.39% COLA and a 3.85% ongoing cut to the base revenue limit, reducing the district's revenue limit funding an additional $529,859 per year. This makes the financial situation even more precarious.

In summary, the general fund cash flow benefitted from the previous year's spending freeze, expenditure reductions and the receipt of Federal Stimulus dollars, allowing the district to meet its payroll obligations for the year. This masks the size of the on-going deficit with the use of one time money.
New cash deferrals are proposed for 2010-11. Cash flow and management continues to be of utmost importance to the future of CUSD. Cash balances will fluctuate from month-to-month, but the overall trend is downward because of deficit spending. If the deficit spending continues, temporary interfund borrowing will no longer be an option as the district will not be able to prove the funds can be paid back. A state loan would then be needed, resulting in the loss of local control.

All stakeholders have worked very hard to get the district back on track for fiscal solvency. There is no doubt the cuts imposed on the district are severe.

Administration needs to continue moving forward with reductions for the following reasons:

- 2011-12 falls short of the minimum reserve requirement and has a negative unrestricted fund balance.
- 2012-13 falls short of the minimum reserve requirement and has a negative unrestricted fund balance.
- Systemic unrestricted deficit spending.
- Local cash borrowing options will be limited.
- Projected COLAs in future years is completely spent.
- Projected COLA for 2011-12 may not be funded.
- ARRA funds will be fully spent by September 2011.
- ADA is expected to continue to decline.
- New charter schools are having a negative impact on district funding, especially at the secondary level.
- Negotiations have not been settled with the Chico Unified Teacher's Association (CUTA) for 2009-10 and or CSEA for 2010-11.

BCOE and Ms. Vickers, Fiscal Expert, will continue to meet with the district to resolve financial difficulties. Cash flow will continue to be monitored monthly by the district and weekly by the County Office. The books should be closed by September 15 in order to assist both CUSD and BCOE in evaluating the district's financial position as it proceeds with fiscal recovery. In summary, Chico Unified's financial situation is precarious due to the cuts in school funding that may not be restored for several more years. Expenses will have to be brought in line with shrinking state revenues if CUSD is going to continue to be managed under local control.
PROPOSED AGENDA ITEM: 2010-11 Flexibility Transfer Public Hearing

Prepared by: Jan Combes, Assistant Superintendent, Business Services

☐ Consent

Board Date June 16, 2010

☐ Information/Discussion

☐ Discussion/Action

Background Information:

In 2008-09 the state Legislature acted to make many state grant funds flexible as a way for school districts to deal with other cuts to state funding.

These monies now flow to the district and are required to be accounted for as unrestricted, general fund dollars.

There were three kinds of state funds identified: Tier I are programs that received no flexibility and were protected from cuts (i.e. Economic Impact Aid). Tier II are programs that received no flexibility but funding was reduce by 20% for 2009-10. Tier III are programs that were deemed fully flexible and unrestricted for the 2008-09 through 2012-13 school years. Tier III programs were also reduced by 20% and have subsequently been cut, again, by the negative cost of living (COLA) adjustment of -.39% for 2010-11.

Education Code 42605(c)(2) says that annually as condition of receiving Tier III funds, school districts must hold a public hearing to explicitly identify by resource the intended use of the formerly restricted program dollars.

Fiscal Implications:

It is estimated that for 2010-11 other state income of $5,642,496 will be received for Tier III programs, as outlined on the listing attached. This amounts to about $500 per student.

In the budget being presented in a subsequent agenda item, these dollars are being used to pay for unrestricted, general fund employee salaries and benefits that are not defined separately from other similar type expenses.

About 5% of our total expenses are attributable to these dollars.

Recommendation:

Hold public hearing on use of funds as required.

Take action to assign these dollars for general fund purposes in accord with recommendation, for the 2010-11 school year.
Public Hearing Requirements on Tier III Flexibility: Education Code Section 42605(c)(2) as follows:

"As a condition of receipt of funds, the governing board of the school district or board of the county office of education, as appropriate, at a regularly scheduled open public hearing shall take testimony from the public, discuss, approve or disapprove the proposed use of funding, and make explicit for each of the budget items in paragraph (2) of subdivision (a) the purposes for which the funds will be used."

In accordance with Ed Code Section 42605 (c) (2), the formerly restricted state funds identified in BOLD will be used for general fund purposes in 2010-11, including certificated staff, classified staff, and related benefits. These costs will not be identified separately from other, general purpose obligations:

PROPOSED AGENDA ITEM:  Public Hearing and Adoption of 2010-11 Budget

Prepared by:  Jan Combes, Assistant Superintendent, Business Services

☐ Consent  Board Date  June 16, 2010
☐ Information
☐ Discussion/Action

Background Information:

The district is required to adopt a budget for 2010-11 before July 1, 2010 and submit that budget to the Butte County Office of Education for their review and approval.

The budget document is a separate part of the agenda packet. It is also for inspection at the District Office during normal business hours and also available online at the following location: http://www.chicousd.org/_documents/10-11AnnBudget.pdf

The budget document begins with a written recommendation or narrative that outlines the assumptions on which the budget is based. Budgets are simply estimates of revenue and expense, and as such they will change frequently.

The state Legislature is currently grappling with a $20 billion state shortfall and additional cuts or changes to state funded programs may occur. We will have 45 days after the Legislature adopts the 2010-11 State Budget to incorporate those changes into our budget.

Other information provided in the document are sections for:

- Enrollment and Staffing Projections by School Site
- School Site Descriptions, including the Inspire School of Arts and Sciences, a separate budget accounted for within our General Fund (new)
- Financial and Narrative Detail on Categorical Funds
- District Office, Maintenance and Operations and Transportation Budgets

The budget document then presents the General Fund budget in two separate formats. The first is a presentation by type of expense (salaries, supplies, services). The second presentation is by activity, where costs are separated by instruction, our primary function, from costs for administrative and support services for students.

Also included are budgets for other funds of the district, including the Cafeteria and Facilities Funds. All funds are presented in the state format required of districts, termed the SACS Forms (Standardized Account Code Structure).

The budget is a very comprehensive look at how we plan to spend $99.2 million in 2010-11.
**Fiscal Implications**

The Chico USD budget is seriously out of balance, about $600,000 worse than predicated by the Third Interim Report as a result of the state's "May Revise" which further reduced anticipate school funding. The state has reduced funding for schools from a high of $5,800 per student in 2007-08 to $4,950 per student in 2010-11.

The loss of revenue is the direct result of a state economy that has deteriorated. Schools receive about 41% of state income. When state income is down, school funding is down. Despite categorical flexibility and collapsing the K-3 CSR program, we still face a very real shortfall projected to average $9.4 million over the next two years, or about 9%.

The district anticipates using $3.2 million of Federal Stimulus Funds in 2009-10 and 2010-11 to help cover the shortfall. These one time dollars have been now been allocated to pay for on-going costs such as certificated and classified salaries and benefits of general fund employees.

The federal funds are accounted for as a part of the restricted side of the budget and as such are making the unrestricted side of the budget look like it is only out of balance by $4.0 million when it is in fact out of balance by $8.8. When restricted balances are depleted, the district faces an on-going annual shortfall of $9.9 million in 2011-12, which grows to $13.8 million by 2012-13.

93.4% of the general purpose revenue of the district is committed to compensation for employees. In order to trim 9% from expenses, salaries and benefits will have to be impacted -- either through compensation reductions or elimination/reduction of positions or both.

The district continues to meet with employee groups to negotiate changes.

**Recommended Action**

Adopt the 2010-11 Proposed Budget as presented, following the required Public Hearing.
PROP 39

Prepared by: Mary Leary, Director, Maintenance and Operations

Information

Proposition 39 obligates CUSD “To make available to each charter school operating in the school district facilities to accommodate for the charter school to accommodate all of the charter school’s in-district students in conditions reasonably equivalent to those of regular schools in the district”.

John Bohannon will present the legislative procedures and timelines required by Proposition 39 and Julie Kistle will discuss the obligations of CUSD regarding facilities.

PROPOSED AGENDA ITEM: Chico Country Day Prop. 1D—Modernization of Campus/Additional Requested Document

Prepared by: Mary Leary, Director and Sara Simmons, Director

☐ Consent

☐ Information Only

X Discussion/Action

Board Date June 16, 2010

Background Information

Chico Country Day School has received approval for a Preliminary Apportionment from the State of California to modernize the campus at 102 West 11th Street. At the CUSD Board Meeting on May 25, 2010, approval was provided for the following documents:

1. Addendum to Charter Facilities Agreement by and between Chico Unified School District and Chico Country Day School

2. Use Agreement by and between Chico Unified School District and Chico Country Day School

Additionally, the Board approved CCDS to move forward with the following documents, which must be initiated by Chico Country Day School:

3. Memorandum of Understanding to be entered into by the State of California State Allocation Board, State of California School Finance Authority, the District and CCDS

4. Funding Agreement to be entered into by the State of California School Finance Authority and CCDS

Prior to CUSD Board action to approve the Proposition 1D documents, CCDS asked for clarification regarding assumption of deferred maintenance responsibilities for the campus. The CUSD Board agreed to delay CCDS’s deferred maintenance responsibilities referred in both Proposition 1D documents until the Proposition 1D money was unfrozen.

Minutes of the May 25, 2010 meeting outlining the CUSD Board’s motion, friendly amendment and approval were sent to CCDS along with the signed documents referenced above. CCDS then responded that they wished to be provided with written documentation clarifying both the assumption of the deferred maintenance responsibilities as well as the issue of the term of the agreements. The Addendum on the agenda tonight clarifies those two requests.

Information: 

June 16, 2010

Prepared by: Mary K. Leary, Director, Maintenance/Operations/Transportation

Background Information

As a part of the District’s participation in the School Facilities Program, we are required to certify that it has publicly approved an ongoing and major maintenance plan that outlines the use of the funds deposited. The District’s Deferred Maintenance Plan identifies the major maintenance needed at our school sites.

Educational Implications

Provide a healthy learning environment for students.

Fiscal Implications

The District’s Deferred Maintenance account has an approximate balance of $1.3 million. The Board has already approved the following critical projects:

- Chico High School: Replace 50+ year old HVAC units
- Forest Ranch Charter School: Replace water storage tank and boiler
- Pleasant Valley High School: Replace deteriorated overhangs

Upon completion of these projects, approximately $375,000 will be left in the account. Due to the State budget crisis, both the State and District contributions to deferred maintenance have been suspended; therefore, any future projects beyond the fund balance will need to be supported by the District’s General Fund.
The districts:
☐ has not previously submitted a Five Year Plan.
☒ is submitting this updated/revised Five Year Plan which supersedes the plan currently on file with SAB.

Fiscal Implications

Operational dollars have a direct impact to the General Fund.
TITLE: Measure A Phase III – Committee Recommendations on Architectural Pool & Project Assignments

Prepared by: Michael Weissenborn, Facilities Planner/Construction Manager

Board Date: June 16, 2010

XXX Information

Background Information
On March 3, 2010 the Board of Education directed staff to issue a Request for Qualifications (RFQ) in order to develop a pool of qualified architectural firms to design board identified projects per the approved working list of Measure A, Phase III projects. Facilities issued the RFQ on March 18, 2010.

A selection committee was established to evaluate the Statements of Qualifications (SOQ’s) in response to the RFQ. This committee is comprised of the following individuals: Jim Hanlon-Principal CHS, Kathleen Kaiser-BOE Member, Eric Nilsson-Principal Inspire, Rick Rees-BOE Member, John Shepherd-Principal PVHS, and Mike Weissenborn-Facilities Planner/Construction Manager.

Twenty-six impressive SOQ’s were received on April 8, 2010. On May 6, 2010 the committee met to discuss and evaluate each firm in order to develop a “short list” of firms to move on to the interview stage of the selection process. Seven firms were selected to be interviewed, they are: Darden Architects, DLR Group, Rainforth Grau Architects, Stafford King Wiese Architects, Thomson & Hendricks Architects, NTD and Nichols, Melburg & Rosetto Architects and Engineers.

The selection interviews will be held on June 14, 2010. The committee’s recommendations will be presented at the June 16, 2010 Board meeting.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
Projects identified by the Board of Education will be funded with Measure A Bond funds. The use of these funds may facilitate leverage to gain additional funding from the State of California.

Recommendation
It is recommended that the Board of Education accept the architectural pool participants selected by the committee and grant staff the authority to enter into the conceptual design phase for identified projects.
PROPOSED AGENDA ITEM: Bidwell Presbyterian and Volunteerism at Citrus

Prepared by: Michelle Sanchez, Principal Citrus Elementary

☐ Consent
☐ Information Only
☐ Discussion/Action

Board Date June 16, 2010

Background Information
Three years ago, Bidwell Presbyterian Church adopted Citrus School. Their volunteers, known as the Bidwell Angels, support the Citrus staff and students in a variety of ways with time and resources. This agenda item is intended to provide the board with information about and acknowledge the important role of the Bidwell Angels as a key partner in the education and support of the Citrus school community.

Educational Implications
The Bidwell Presbyterian volunteers support students both academically by working with small groups and individually, as well as socially/emotionally by providing students with the ability to connect with positive adult role models.

Fiscal Implications
No impact on the general fund.
PROPOSED AGENDA ITEM: College Connection School Year Calendar

Prepared by: Mike Morris

☐ Consent  Board Date June 16, 2010  
☐ Information Only
☐ Discussion/Action

Background Information

College Connection is a self-contained, alternative CUSD/Butte College partnership program located on the Butte campus. The goals of the program are to provide 12th grade students the opportunity to take challenging courses in an enriched learning environment and to assist students in developing the necessary study survival skills to successfully transition to a college environment.

College Connection students take a combination of high school and college courses. Since Butte College follows a different academic calendar than Chico Unified, board approval is necessary for this alternative 180 day student calendar.

Education Implications

College Connection provides an additional option for students in their senior year of high school.

PROPOSED AGENDA ITEM: Before and After School Programs

Prepared by: Janet Brinson, Director

☐ Consent

☐ Information

☒ Discussion/Action

Board Date: June 16, 2010

Background Information

The After School Education and Safety (ASES) Program is the result of the 2002 voter-approved initiative, Proposition 49. The ASES Program funds the establishment of local after school education and enrichment programs in grades K-9. The 21st Century Community Learning Centers (CCLC) Program is a state administered, federally funded program that provides five year grant funding to establish or expand before-and after-school programs for grades K-12. Chico Unified currently has ASES programs at Chapman, Citrus, Parkview, McManus, Neal Dow, Rosedale and Academy for Change. Chico High, Fair View, Bidwell Junior, Chico Junior, Chapman, Citrus, Parkview McManus and Rosedale currently operate 21st CCLC grants.

Educational Implications

Program elements for ASES and 21st CCLC must focus on;
1. Educational and literacy elements to improve academic achievement
2. Enrichment services that reinforce and complement the academic program, and
3. Family literacy and related educational development services (21st CCLC)

Fiscal Implications

ASES funds are renewed through the state on a three year cycle. 21st CCLC grants are competitive and run in a five year cycle. Both grants are funded "after the fact", based on attendance requirements.
PROPOSED AGENDA ITEM:  Adopt AP European History as new course

Prepared by: Jim Hanlon, Principal, Chico High School

☐ Consent  Board Date June 16, 2010
☐ Information Only
☑ Discussion/Action

Background Information
Chico High School currently offers nine (9) different Advanced Placement courses. Two courses (AP US History and AP Government) are offered in the Social Sciences Department to juniors and seniors respectively. Advanced Placement European History closely mirrors the state standards and meets the graduation requirement for the sophomore level course World History. While other AP courses will occasionally have sophomores enrolled this course will be unique in that its target population will be sophomores level students.

Education Implications
Advanced Placement European History will meet graduation requirements for World History for sophomores and provide the opportunity for students to earn college credit should they pass the AP examination. When we went into Honors 9 English classes to determine the interest level among advanced freshmen we had 68 freshmen sign up (for the following year) immediately for this challenging course.

Fiscal Implications
It will cost approximately $1000 to train a teacher over the summer (2010) to become qualified to teach AP European History.

Additional Information
Chico High School continues to look for ways to offer highly rigorous academic opportunities for our advanced students. Offering our tenth Advanced Placement course means that we will have over 600 Advanced Placement courses being taken by students at CHS in 2010-11.
PROPOSED AGENDA ITEM: Center for Alternative Learning

☐ Consent  Board Date: June 16, 2010
☐ Information Only
☒ Discussion/Action

Background Information

For the past several years, CUSD has been able to fund opportunity classes at the three junior high schools. Due to severe budget cuts, those programs no longer exist. The loss of the opportunity classes at the school sites leaves CUSD without a safety net for struggling students in 6th-9th grades. The intent is to reopen Center for Alternative Learning (CAL) as a 6th-9th grade Opportunity school to be housed on the Fair View campus along with the Academy for Change.

Educational Implications

Center for Alternative Learning was previously housed on the old Fair View campus along with ACT and Alternative Ed. Independent Study. When Fair View moved to its current facility and Academy for Change was established, CAL was closed. Pupil Retention and Promotion funds previously supported a 9th grade opportunity class at Fair View and opportunity classes at the three junior high schools. Those funds are now being used for other educational purposes, as allowed, by the state. Thus, the loss of these programs has established a gap in services for 6th-9th grade struggling students. Secondary administration has met and determined that reopening CAL as an Opportunity school would assist in filling that gap.

Fiscal Implications

During the 2010-11 school year, the Center for Alternative Learning populated with 8th grade students referred from the three junior high schools. The intent is to staff the school at 30:1 and will be housed in a self-contained classroom for the first year of implementation.

Prepared by: Bob Feaster, Assistant Superintendent-Human Resources

June 16, 2010

Background Information
There is an insufficient number of certificated persons who meet the district’s specified employment criteria for the position(s) listed on the attached form. This declaration would support any Emergency Credential and/or Limited Assignment Permit applications that might need to be submitted to the California Commission on Teacher Credentialing during the 2010/11 school year in hard to fill subject areas.

Educational Implications
None

Fiscal Implications
None

Additional Information
None

Recommendation
Consider adoption of a “Declaration of Need for Fully Qualified Educators” through June 30, 2011 for Emergency Credentials and/or Limited Assignment Permits based on previous year’s needs.

- This declaration must be on file with the Commission on Teacher Credentialing before any emergency permits will be issued for service with the employing agency.

AREAS OF ANTICIPATED NEED FOR FULLY QUALIFIED EDUCATORS

Based on the previous year’s actual needs and projections of enrollment, please indicate the number of emergency permits the employing agency estimates it will need in each of the identified areas during the valid period of this Declaration of Need for Fully Qualified Educators. This declaration shall be valid only for the type(s) and subject(s) identified below.

This declaration must be revised by the employing agency when the total number of emergency permits applied for exceeds the estimate by ten percent. Board approval is required for a revision.

Type of Emergency Permit

- CLAD/English Learner Authorization (applicant already holds teaching credential) - 10
- Bilingual Authorization (applicant already holds teaching credential)

  List target language(s) for bilingual authorization:

- Resource Specialist - 2
- Teacher Librarian Services
- Visiting Faculty Permit

LIMITED ASSIGNMENT PERMITS

Limited Assignment Permits may only be issued to applicants holding a valid California teaching credential based on a baccalaureate degree and a professional preparation program including student teaching.

Based on the previous year’s actual needs and projections of enrollment, please indicate the number of Limited Assignment Permits the employing agency estimates it will need in the following areas:

EFFORTS TO RECRUIT CERTIFIED PERSONNEL
The employing agency declares that it has implemented in policy and practices a process for conducting a diligent search that includes, but is not limited to, distributing job announcements, contacting college and university placement centers, advertising in local newspapers, exploring incentives included in the Teaching as a Priority Block Grant (refer to www.cde.ca.gov for details), participating in state and regional recruitment centers and participating in job fairs in California.

If a suitable fully prepared teacher is not available to the school district, the district made reasonable efforts to recruit an individual for the assignment, in the following order:

- A candidate who qualifies and agrees to participate in an approved internship program in the region of the school district
- An individual who is scheduled to complete initial preparation requirements within six months

The District will save the cost of these positions.

Recommendation:

Approval of resolution #1116-10
RESOLUTION 1116-10
RESOLUTION OF THE GOVERNING BOARD
OF THE CHICO UNIFIED SCHOOL DISTRICT

ELIMINATION OF CLASSIFIED SERVICES AND
ORDERING LAYOFFS IN THE CLASSIFIED SERVICE
FOR THE 2010-2011 SCHOOL YEAR

WHEREAS Education Code section 45308 provides for the layoff and reemployment of
classified employees due to a lack of work and/or lack of funds, and,

WHEREAS the Superintendent of the Chico Unified School District (District) has
advised the District's Governing Board (Board) that there is a lack of work and/or
funds to maintain the following position(s) and that the Board should consider the
elimination of the following position(s):

WHEREAS the District and the California School Employees Association, Chico Chapter
110 (CSEA) executed a Collective Bargaining Agreement (Agreement) effective July 1,
2007 through November 15, 2010. The CSEA's covered unit members, as defined in
the Agreement, include those holding the positions described herein.

WHEREAS Article 1, Section 1.5.1 of the Agreement recognizes the authority of the
District to make decisions to eliminate services and layoff therefrom.

WHEREAS Article 4 of the aforesaid Agreement covers layoff and reemployment and
specifically provides that said Article includes all of the impact and effects of any
layoff, demotion and/or reemployment for unit members and is thus a waiver to
further bargain the effects of any specific decision to eliminate services and layoff
therefrom, except as provided therein.

WHEREAS CSEA has been apprised of the contemplated elimination of services
described herein in order to afford it the opportunity to exercise its rights under the
Agreement.

NOW, therefore, be it resolved the Board has this date adopted the Superintendent’s
recommendations and ordered a reduction of classified services, and it appears to the
Board that due to a lack of funds it is necessary to eliminate certain classified
position(s) and to layoff affected employee(s) hereinabove set forth.
BE IT FURTHER RESOLVED that the Board authorizes the District Superintendent to give notice to the affected classified employee(s) of the layoff in accordance with Education Code Sections 45117 and 45308 and pursuant to Article 4 of the current collective bargaining agreement and pursuant to Merit System rules, such notice to be given at least forty-five (45) working days prior to the effective date of each layoff as set forth above.

The Board authorizes and directs the Superintendent to carry forth all layoff proceedings resulting from the elimination of position(s) ordered herein above, including proceedings for layoff provided by the exercise of displacement rights and to service layoff notices to employees affected thereby. Where an employee displaces an employee holding a position in another class, the Superintendent is hereby authorized and directed to carry forth layoff proceedings resulting therefrom and to serve layoff notices to employees affected thereby. All such layoffs shall be as of the designated effective date, forty-five (45) working days from notices of layoff.

In the event that an employee affected by the layoff proceedings authorized by this resolution chooses to retire or resign from District service, or other appropriate resolution is made, the Superintendent is authorized to rescind the layoff.
