PROPOSED AGENDA ITEM: Chico Area Recreation and Park District (CARD)

PREPARED BY: Janet Brinson, Director Categorical Programs

☑ Consent
☐ Information Only Board Date: September 1, 2010
☐ Discussion/Action

Background Information

The Chico Area Recreation and Park District (CARD) has been a long-standing collaborative partner for our elementary ASES/21st Century After School Programs. These programs are housed at Chapman, Citrus, McManus, Neal Dow and Parkview Elementary Schools. In previous years, CARD has primarily supported the ASES/21st Century programs by providing recreational opportunities to the participants. The 2010-11 agreement expands CARD’s involvement in the program by providing enrichment activities for the students, which is one of the components of the grant. Additionally, CARD staff supports the academic portion of the grant by supporting students as they complete their homework.

Education Implications

The goal of the attached consultant agreement is to provide a well-rounded academic, recreation and enrichment program for the students enrolled in the ASES/21st Century program. The addition of the enrichment component will allow each school to benefit from various enrichment components throughout the year and provide more continuity for the program.

Fiscal Implications

There will no be cost to the General Fund. The increase in support from CARD staff for enrichment will decrease the overall management of the program by consolidating enrichment opportunities at a more affordable rate. In years past, each program coordinator negotiated costs for enrichment providers at higher rates than what CARD staff is able to provide.

Prepared by: John Bohannon

☐ Consent

☐ Information/Public Hearing/Discussion

☐ Discussion/Action

Board Date September 1, 2010

Background Information
When a group files a petition to start a new charter school, a school district must hold a public hearing about the prospective charter within 30 days.

CUSD received a charter petition for Wildflower Open Classroom on August 18, 2010.

This hearing gives the public and board of education the opportunity to ask questions about the proposed charter.

The charter petition will come back before the board as an action item for approval or denial in 30 to 60 days.

Educational Implications
Wildflower Open Classroom is petitioning to offer Chico students another educational option.

Fiscal Implications
Wildflower is petitioning as an independent charter, meaning the funds for Chico Unified students choosing this charter will leave CUSD and flow to Wildflower.

PROPOSED AGENDA ITEM:  Board Policy Adoptions

Prepared by:  Administration

☐ Consent  Board Date  September 1, 2010

☐ Information Only

☒ Discussion/Action

Background Information
In order to govern effectively, Districts are required to have accurate and up-to-date Board Policies. By law, Districts are mandated to adopt many policies to ensure legal compliance. Working in conjunction with the California School Boards Association (CSBA) Policy Services, CUSD continues to update and revise Board Policies to ensure CUSD is legally compliant.

Education Implications
Up-to-date policies provide clarity to the expectations for students, parents, and staff.

Fiscal Implications
CUSD is required to have up-to-date and legally compliant policies. Failure to have such policies in place jeopardizes funding opportunities, especially in regards to Categorical dollars.
