PROPOSED AGENDA ITEM: Consultant Agreement with Loy Mattison (Mattison Enterprises)

Prepared by: Jason Gregg, Director – Information Technology

Board Date: October 6, 2010

XXX Consent

_____ Information Only

_____ Discussion/Action

Background

ERATE program provides discounts to assist most schools and libraries. The Schools and Libraries Program supports connectivity for communications using telecommunications services and/or the Internet. Due to the complexity of the program and the rules which must be followed Chico USD has used a consultant for a many years to help with this process. With the need to maximize any and all funding sources we find the need to have a consultant who can provide us with more than just filling and the forms and answering questions when they arise. We met with Mattison Enterprise and they were able in one meeting show us all our telecommunications billing/credits as part of the ERATE program. This is the extra help we need to be sure we are getting the full refunds and to do all the other parts of process. Mattison Enterprises has a long working relationship with district such as Sacramento COE and Sacramento City Schools and handling large accounts similar to Chico USD. She would be willing to train accounts payable staff on tracking refunds/rebates and save the district approximately 12 billable hours a year.

Financial Implications

There is no impact to general fund. The current consultant bills at a flat rate of $8000 per year in two cycles. The first half is when we apply and the second half is when we are funded. Mattison’s Enterprise bills at an hour rate of $100 per hour. The estimate for our district is between 40-60 hours or $4000-$6000. This would be an overall savings to the district.

PROPOSED AGENDA ITEM: Resolution #1125-10

Prepared by: Joanne Parsley

____ Consent

____ Information Only

X Discussion/Action/Public Hearing

Board Date: October 6, 2010

Background Information

Education Code Section 60119 requires that each pupil within the Chico Unified School District be provided sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks in the areas of history/social science, mathematics, reading/language arts and science. The attached Certification of Provision of Standards-Aligned Instructional Materials states that we are currently sufficient for the 2010-11 school year. As such, the Educational Services Department requests approval of Resolution No. 1125-10.

Education Implications

All students will be provided with sufficient textbooks and instructional materials in the core instructional areas for in-class work as well as homework.

Fiscal Implications

Standards-aligned instructional materials are purchased out of the state provided funds.

Additional Information

As required by CCR, Title 5, Section 9531, instructional materials for students in grades K-8 were purchased from an approved standards-aligned state adoption list and instructional materials purchased for students in grades 9-12 are aligned with the state content standards and are approved by the CUSD Board of Education following district review of the materials.
RESOLUTION NO. 1125-10

Whereas, the governing board of Chico Unified School District, in order to comply with the requirements of Education Code section 60119 held a public hearing on October 6, 2010, at 6:00pm, which is on or before the eighth week of school and which did not take place during or immediately following school hours, and;

Whereas, the governing board provided at least ten days notice of public hearing posted in at least three public places within the district that stated the time, place and purpose of the hearing, and;

Whereas, the governing board encouraged participation by parents, teachers, members of the community and bargaining unit leaders in the public hearing, and;

Whereas information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district, and;

Whereas, the definition of “sufficient textbooks or instructional materials” means that each pupil has a textbook or instructional materials, or both, to use in class and to take home;

Whereas sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks;

Whereas, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

Whereas, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

Therefore it is resolved that for the 2010-11 school year, the Chico Unified School District has provided each pupil with sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks.

PROPOSED AGENDA ITEM: PACE Academy Charter Petition Public Hearing

Prepared by: John Bohannon

☐ Consent

☐ Discussion/Action

Board Date October 6, 2010

Information/PUBLIC HEARING/Discussion

Background Information
When a group files a petition to start a new charter school, a school district must hold a public hearing about the prospective charter within 30 days.

CUSD received a charter petition for PACE Academy on September 17, 2010.

This hearing gives the public and board of education the opportunity to ask questions about the proposed charter.

The charter petition will come back before the board as an action item for approval or denial in 30 to 60 days.

Educational Implications
PACE is petitioning to offer Chico students another educational option.

Fiscal Implications
PACE is petitioning as an independent charter, meaning the funds for Chico Unified students choosing this charter will leave CUSD and flow to PACE.
