8.4.1 At 6:44 p.m. Board Member Reed asked that additional information be provided in the Human Resources & Actions such as savings on retiring staff, taking into consideration at what salary step new employees are hired and the overall costs/savings to the District. Superintendent Staley indicated that because retiring staff leaving positions and new hires into those positions very rarely appear on the same Agenda this might not be as clean as hoped in presenting cost information. Assistant Superintendent Feaster offered to draft options on showing costs that might meet the needs of the Board. Board President Thompson asked that Board Member Reed work with Assistant Superintendent Feaster on a framework to bring to the Board. Additionally on 8.4.2, Board Member Kaiser voiced her strong support of the Feed the Kids program during summer which created 18 paid positions. A motion to approve 8.4.1 and 8.4.2 was entered by Board Member Kaiser and seconded by Board Member Reed.

9.1. EDUCATIONAL SERVICES

9.1.1. Information: Athlete Committed Program
At 6:58 p.m. Director Dave Scott, Teacher Bill Flory, Butte County Behavioral Health staff Amanda Montgomery and Brian Gulbranson and students from PVHS and CHS presented information on the program which fosters positive prevention programs for athletes, encourages responsible adults and helps make positive changes to reach student potential. John Underwood will be here on August 16, to present a program to PE teachers/coaches, secondary students, and the Board. Held at the Center for Arts, it starts at 8:00 am to 11:00 am. Board President Thompson asked if there were any questions or comments from the audience. There were none.

9.2. BUSINESS SERVICES

9.2.1. Discussion/Action: Preauthorization for Site Work and Construction for Inspire Facilities at Chico High School Campus
At 7:25 p.m. Facilities Director Mike Weissenborn provided an update on the status of housing for the Inspire campus on the Chico High campus. Designed Mobile Systems Industries (DMSI) previously presented a proposal to refurbish four buildings, reconfiguring into two 48x40 classrooms. These portable classrooms and a refurbished restroom will be added to the Chico High campus through a plan by the District and Stafford, King & Weise Architects. The work will be accomplished utilizing a piggyback contract bid out by the Santa Ynez Valley Union High School District and awarded to DMSI, covering the factory refurbishing. The District will do the inside work utilizing local contractors. The cost for site work would be in a range of $140,000 - $175,000, including a permanent fire hydrant. Board Clerk Robinson and Board Member Reed asked if these changes would free up space for Chico High School. Director Weissenborn indicated that would be part of future conversations with the Board. Superintendent Staley indicated that it would come back either in July or August. At 7:40 p.m. Board President Thompson asked if there were any comments from the audience. Bruce Langston suggested that the Board set a maximum limit on the site work. Board Member Reed moved to authorize the Superintendent or her designee to enter into a contract with the lowest responsive bidder for the site work and DMSI modification for refurbishing of the two portable classrooms and the portable restroom, to be placed on the Chico High School Campus for Inspire School of Arts & Sciences with the site work, including a fire hydrant, not to exceed $175,000; seconded by Board Vice President Griffin. Board Member Kaiser raised the concern that since the work had not even started, if through unforeseen circumstances the cost exceeded $175,000 and needed Board approval, there may not be enough time to get it and complete the project by the start of fall semester. Board Vice President Griffin offered a friendly amendment to Board Member Reed to change the maximum amount of her motion to $200,000; the friendly amendment was accepted.

9.2.2. **Discussion/Action:** Approve Resolution #1186-12, November 2012 School Improvement Measure Bond Tax Rate Extension

At 7:45 p.m. Assistant Superintendent Fitzgerald reported that the polling was complete regarding this measure and resulted in the tax rate extension proposal for the November ballot. The language on the ballot will be "Without increasing current tax rates and to improve the quality of education at local Chico Schools, improve student access to computers and modern technology, repair leaky roofs, replace plumbing systems, and upgrade heating, ventilation and cooling systems, shall Chico Unified School District acquire construct, repair, modernize restrooms, classrooms, school facilities, sites, fields, equipment by issuing $78,000,000 of bonds at legal interest rates, with independent citizens’ oversight and NO money taken by the State or used for administrator’s salaries?" Assistant Superintendent Fitzgerald responding to Board Member Kaiser indicated that there was no prioritization in the scope of work, that a committee would be appointed from community and business, not district people, to monitor the spending and the Board would review projects pre-, during, and post, as well as the closeout of those projects through full life-cycle. The specific project scope was derived from the answers to the polling. Board President Thompson asked if sites were consulted. Assistant Superintendent Fitzgerald indicated that the District was not there yet and would be waiting for the vote in November to start that process. To Board President Thompson’s question whether the priority would remain in Secondary, Assistant Superintendent Fitzgerald said that would be the Board’s call and that the scope covers not just school sites, but all of the District. Board President Thompson asked why the word “athletics” was not included in the ballot language. The response was that no one specific group was listed, only the project scope and in this instance the ballot language included facilities, fields and equipment. To Board Clerk Robinson’s comment on “demolition” Assistant Superintendent Fitzgerald indicated that the all-inclusive language covers anything that might need to happen. Board President Thompson asked for comment from the audience. CUTA representative Moretti asked how this could go forward without raising taxes. Assistant Superintendent indicated that this was not a new school bond, but an extending out of the tax rate on an existing bond. Lyla Gregg asked Greg Isom of Isom Advisors, who was advising the District, about the poll taken. Mr. Isom indicated it was a phone call poll conducted by a polling company in Utah with standard bond questions to 400 people over a 5-day period; with a margin of error at 4.86%. Board Vice President Griffin moved to approve Resolution 1186-12; Board Member Kaiser seconded.

9.2.3. **Public Hearing/Discussion/Action:** Public Hearing and Adoption of 2012-13 Budget

At 8:07 p.m. Director Fitzgerald reviewed the budget, stating the major change was the implementation of a new Business Management System on January 1, where human resources database feeds into payroll and position control, which feeds the Budget. This is a better organizational budget for reporting and accountability. It’s an on-line system for the district and the sites and in place now. The 2012-13 CUSD budget is based on the state budget which is based on non-realized revenues – a positive outcome of the November tax initiative. The District budget remains basically the same as the prior year. At 8:30 p.m., Board President Thompson opened the Public Hearing. Parent representative Todd Sturgis and CUTA representative Moretti asked clarifying questions. At 8:35 p.m., the Public Hearing was closed. Board Member Reed indicated that the District budget was the same as the State Budget, neither one real because they were based on the future outcome of the State tax initiative. Board Member Kaiser moved to approve the District budget as presented, seconded by Board Clerk Robinson.

9.3.2. **Discussion/Action:** Resolution No. 1180-12, Elimination of Classified Services and Ordering Layoffs in the Classified Service for the 2012-2013 School Year

At 8:56 p.m. Assistant Superintendent Feaster and Personnel Director Koll presented information on Resolution No. 1180-12, eliminating five, part time positions at Citrus due to lack of funds and Citrus’s desire to no longer utilize the program which supported these positions. At 8:58 p.m. Board President Thompson asked for public comment. Parent Representative Sturgis asked if this would impact the volunteer reading program at Citrus. Director Janet Brinson indicated the school determined it no longer wanted to use this particular program and it would not negatively impact the volunteer reading program.

As Citrus is a program improvement school, the District is applying other programs which can be tracked. Director Koll indicated that CSEA would monitor to ensure it was not supplanting with volunteers and so agreed to the personnel action. Board Vice President Griffin moved to approve Resolution 1180-12; seconded by Board Member Kaiser.

9.3.3. **Discussion/Action:** Resolution No. 1181-12, Personnel Commission Stipend

At 9:10 p.m. Personnel Director, David Koll, presented information on Resolution No. 1181-12, which would increase the stipend CUSD paid to the Personnel Commission to $20.00 to be donated to the Chico Community Scholarship Association. (Ed Code 45250 (correction)). A motion to approve 1181-12 was made by Board Clerk Robinson, seconded by Board Vice President Griffin. Board Member Reed objected to the language as presented, as CUSD Board should not be involved in the how the stipend is spent. Board Member Kaiser made a friendly amendment to increase the stipend to $30.00. The friendly amendment died for lack of second. Board Vice President Griffin made a friendly amendment to Board Clerk Robinson to strike out the third paragraph and part of the fourth paragraph, leaving in the sentence “Whereas it is the desire of the Commission to increase the amount of their stipend.” Board Member Reed did not agree with the language as amended. Board President Thompson suggested that the first paragraph remain as is, adding at the end that “It is noted that no increase has been made since that time.” Paragraphs three and four are out and paragraphs five and six remain. Board Member Reed accepted that language; Board Clerk Robinson accepted the friendly amendment and Board Member Kaiser seconded.

At 9:30 p.m. Assistant Superintendent Feaster presented information on the declaration of need for fully qualified educators. This is a safeguard measure in case it is needed in the coming year. Board Member Kaiser asked why it wasn’t higher; Assistant Superintendent Feaster indicated he wanted to be realistic. Board President Thompson voiced support for the staff in their actions.

☐ Discussion/Action

Board Date: 07/18/12

Background Information
As required by the Individuals with Disabilities Education Act of 2004, the district is required to provide a free and appropriate public education to all eligible students with disabilities. The assessed needs of some eligible students necessitate a placement out of the district in a non-public school or a residential program (out of home). The residential placements are made in collaboration with the Butte County Department of Behavioral Health per IEP team decision.

Education Implications
Students usually increase their academic, behavioral and social achievement when they are instructed in the most appropriate and least restrictive school environment.

Fiscal Implications
The current projected tuition cost for six students for fiscal year 2012-2013 is $209,956.

Additional Information
The number of students requiring non-public school/residential placement varies each school year.

PROPOSED AGENDA ITEM: Nutrition Services Bids for 2012-2013 School Year

Prepared by: Vince Enserro

Consent

Information Only

Discussion/Action

Background Information

Annually, the Nutrition Services Department goes out for formal bid pricing on grocery items and milk/dairy products in an effort to obtain the nest possible pricing for the current school year.

Educational Implications

For children of CUSD, Nutrition Services provides a nutritious meal that contains one-third of the recommended dietary allowance of necessary nutrients. For parents, the program offers a convenient method of providing nutritionally balanced meals at the lowest possible price. For schools, the program enhances children’s learning abilities by contributing to their physical and mental well being. Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class.

Fiscal Implications

This will be paid for out of the Nutrition Services Budget. No general fund dollars will be used.

Recommendation

Consider approval of granting authorization to the Superintendent/Designee to award bids to the following responsive bidders, as follows:

1. **Recommend the rollover of the 2012-13 Milk/Dairy Foster Farms Dairy, Chico Distributor, 529 Kansas Avenue, Modesto, CA 95351.**
   - Non-Fat Chocolate Milk ½ pint $0.1690 ($0.1714 2009-10 SY)
   - 1% White Milk ½ pint $.1790 ($0.1662 2009-10 SY)

2. **Recommend approval of the 2012-2013 Grocery Bid. The Grocery Bid involves 104 items that are awarded individually by item to the lowest responsive bidders.**

AGENDA ITEM: Elementary Student Support Program Update

Prepared by: Scott Lindstrom and Student Support Team

☐ Consent
☐ Information Only
☒ Discussion/Action

Board Date July 18, 2012

Background Information
A majority of the funding for the Elementary Student Support programs has been provided through grants from the Early Mental Health Initiative (EMHI). All funding for EMHI grants was eliminated from the 2012-13 Budget by a line-item veto from Governor Brown. This eliminates approximately $541,000 from the Chico USD budget, which includes costs for Guidance Aides, coordinator time, EMHI consultant time, and some school psychologist time for program support. In addition to grant funds, a combination of District and school site funds have provided partial funding for Guidance Aides. Per Board request, four funding options are presented to the Board for consideration for various potential levels of program continuation.

Educational Implications
Our Elementary Student Support programs have provided a multi-tier approach to prevention and early intervention by addressing social/emotional/mental health barriers to learning, developing common, district-wide language and skills for enhancing empathy, communication, problem solving skills, and bullying prevention strategies. Options provided each include individual, small group, and classroom services. Current plans include parent outreach, with a focus on education and interventions related to bullying.

Fiscal Implications
The 2012-13 Governor’s Budget Proposal eliminated all funding for EMHI grants and consultation, meaning a loss of over $541,000 per year, ongoing, for Chico USD. In order to continue the services at a scaled back level, a range of funding and service levels can be considered. All would include expansion of current level of District funding.

☐ Information Only

☒ Discussion/Action

Board Date July 18, 2012

Background Information
In order to govern effectively, Districts are required to have accurate and up-to-date Board Policies. By law, Districts are mandated to adopt many policies to ensure legal compliance. Working in conjunction with the California School Boards Association (CSBA) Policy Services, CUSD continues to update and revise Board Policies to ensure CUSD is legally compliant.

Education Implications
Up-to-date policies provide clarity to the expectations for students, parents, and staff.

Fiscal Implications
CUSD is required to have up-to-date and legally compliant policies. Failure to have such policies in place jeopardizes funding opportunities, especially in regards to Categorical dollars.

TITLE: Grant of non-exclusive Easements at Chico High School and Chico Junior High School to California Water Service Company

Information ___

July 18, 2012

Prepared by: Michael Weissenborn, Director Facilities & Construction

Background information

In November of 2007 the Chico Unified School District was one of the litigants who entered into a Consent Decree settling a lawsuit that had been brought by the California Department of Toxic Substances Control (DTSC) related to the Chico Central Plume mitigation. The Chico Central Plume was created by dry cleaning chemicals which were used by Flair Cleaners and dumped into the City of Chico sewer lines. The chemicals leached out of the lines and through surrounding soil into the top aquifers. The cleaners were located in the Mangrove Center and the chemicals flowed across the cemetery, Chico Junior High and Chico High School grounds. Chico Junior High and Chico High fields utilized deep well systems to irrigate the fields. The wells allowed the chemicals to drop down into the aquifers where California Water Service Company draws Chico’s drinking water. It was determined that Chico Unified School District was one of the “Responsible Parties” generating the Chico Central Plume. We were able to limit our liability for the mitigation of the plume to a payment of $50,000 to DTSC.

The Consent Decree also details rights of access to property to allow DTSC to mitigate the plume. This mitigation involves pumping water out of the impacted aquifer and piping it back to a filtering station before injecting the treated water back into the ground. An extraction well is located at both Chico Junior High School and at Chico High School. This water is pumped back to the filtration plant located behind CJHS on the cemetery property. The Consent Decree states:

6. Access to Property

6.2 Chico Unified School District: Chico Unified School District agrees to allow DTSC, its agents, or contractors reasonable access to and use of property under its control or ownership in Chico, California, for the purposes of performing removal or remedial actions. Specifically, Chico Unified School District agrees that DTSC may access and use its property to implement Proposed remedy, including installing and operating for an unlimited time a ground water extraction well (and associated equipment) and an underground water conveyance pipeline on property owned by Chico Unified School District. Such access to and use of property to be granted to DTSC free of charge. Chico Unified School District agrees that it will work with DTSC in a cooperative manner to ensure that DTSC’s removal and remedial actions can proceed expeditiously with a minimum of procedural delays. DTSC, its agents, or contractors will coordinate with Chico Unified School District in order to minimize to the extent feasible disruptions to the School District operations. Within ten (10) days of the Effective Date, Chico Unified School District will designate an employee to serve as a liaison with DTSC for coordination of access to property as described in this section.
Additional information
The California Water Service Company has installed pipe systems from the extraction wells located at Chico High School and Chico Junior High School to the filtration plant as required in the settlement. The Chico Unified School District must grant the California Water Service Company an easement for the property outlined in the grant deeds (described below and attached) in order to inspect, repair and maintain, replace, relocate or remove these systems.

As shown on Exhibit “A” (Chico High School Easement), sheet 2 of 2 of the attached documents, a small hatched portion of the property owned by the Chico Unified School District along West Lincoln Avenue of approximately 250 square feet.

As shown on Exhibit “A” (Chico Junior Easement One Description), sheet 2 of 2 in the attached documents, a hatched area that runs along Oleander Avenue at the current sports field and then runs towards the east and through the campus to the Chico Cemetery of approximately 20,000 square feet.

As shown on Exhibit “A” (Chico Junior Easement Two Description), sheet 2 of 2 in the attached documents, a hatched area that runs through the north end of the campus south of the Chico Cemetery and over and along Camellia Way of approximately 4,160 square feet.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
The approval of this agreement will have no fiscal impact upon the District.

Recommendation
It is requested that the Board of Education grant authorization to the Superintendent or her designee to execute the deeds as attached.

TITLE: Site Work and Construction for Inspire Facilities at Chico High School Campus

Action [X] Consent [ ] Information [ ] Date: July 18, 2012

Prepared by: Michael Weissenborn, Director of Facilities & Construction

Background Information

On February 28, 2012, the Board of Education directed staff to add appropriate facilities to the Chico High School campus to accommodate Inspire School of Arts and Sciences for the 2012-2013 school year.

On June 20, 2012, the Board of Education pre-authorized staff to enter into a contractual agreement with the lowest responsive bidder for the addition of two 48' x 40' portable classroom buildings and one 12' x 40' portable restroom building. Six bids were received on July 3, 2012. The lowest responsive bidder was BCM Construction Company, Inc., with a bid of $179,000 and an additive alternate bid of $17,000.

Site work began on Thursday, July 12, 2012. The site layout has been designed to facilitate the addition of up to five future 48' x 40' buildings. This should accommodate growth within the terms of Inspire’s charter and allow the return of certain Chico High School facilities to Chico High School’s utilization. This approach will facilitate the housing of Inspire on the Chico High School campus while the program continues to mature.

Educational Implications

The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

The source of funding for this project is Measure A bond funds.

Recommendation

Direct staff to work with Chico High and Inspire staff to house Inspire on the Chico High School campus for 5+ years or until another suitable location becomes available.
