☐ Discussion/Action

Background Information

The Rosedale 6th graders would like to visit Mt. Lassen National Park for a hike and a camping trip. We would depart Rosedale at 8:30 am, set up camp and hike a trail. We will have a study session, prepare dinner and camp overnight. The next day we eat breakfast, take down camp and hike again. We will be back on campus at about 5:30 pm.

Educational Implications

6th Grade study: Earth Science

The most exciting parts of the trip are the volcanoes, but there are many other aspects of Earth science clearly evident in the park such as rocks, minerals, other land forms and erosion. Grade 6 Earth Science Standards Set 1, 2, 3, 4, 5, and 6 all apply to this field trip. Ref: Science Framework for California Public Schools K through 12, 2004 California Department of Education.

Fiscal Implications

We are asking for volunteer drivers and donations for food costs.

Board Date: September 19, 2012

Background Information

Each year, the Butte County Department of Behavioral Health hosts their Youth Development Summit. It is a leadership conference that provides young people with the opportunity to build their leadership capacity so they can implement community change projects that will positively impact their school and community.

Education Implications

Youth who attend will miss two school days. They must be in good academic standing to attend (they can't have an F in any class). Youth will learn life skills that are not always taught during the school day.

Fiscal Implications

Youth who attend the conference will pay a $50 registration fee. The school is not responsible financially at all. Hopefully, there will be some fund raising that will provide some scholarships for students.

AGENDA ITEM: Nord MOU/FUA/Portable Purchase and Sale Contract

Prepared by: John Bohannon

☐ Consent  
☐ Information Only  
☐ Discussion/Action

Board Date: September 19, 2012

Background Information

Memorandum of Understanding – This document outlines the agreement between CUSD and Nord with respect to their respective fiscal and administrative responsibilities, their legal relationships and the operation of the charter school. This expired with Nord’s previous charter on June 30, 2012, and needs to be renewed with the new charter that has a term of July 1, 2012, to June 30, 2017. The MOU will cover the same time period.

Facilities Use Agreement – Since it opened, CUSD has provided the Nord Campus to the charter school following Proposition 39. Each year, CUSD has offered the facility, Nord has accepted and an FUA has been completed. This year, CUSD proposed a five-year agreement in lieu of Prop. 39, which provides the same facilities as CUSD would under Proposition 39 for a five-year period. This longer term, in lieu of agreement relieves both CUSD and Nord Country School of having to go through the costly process of Proposition 39 on an annual basis, while still protecting CUSD’s control of the property.

Agreement for Purchase and Sale – On May 16, 2012, the Board of Education unanimously approved the sale of a portable classroom to Nord Country School. This classroom was being removed from the Pleasant Valley High School campus. As a condition of approval for this sale, the Board required that Nord agree to allow the portable to be offered as a part of any future Proposition 39 offers on the Nord campus. Nord agreed to that condition. A copy of the sales contract is attached for review and approval by the Board at this time.
AGENDA ITEM: Material Revision to CCDS Charter – Board Configuration

Prepared by: John Bohannon, Director

☐ Consent
☐ Information Only
☐ Discussion/Action

Board Date: September 19, 2012

Background Information
Chico Country Day School (CCDS), the longest standing CUSD authorized charter school, has rarely made any significant changes to its governance structure as outlined in its CUSD-approved charter petition.

At its September 12, 2012, meeting, the CCDS Board of Directors voted to make changes that amount to Material Revisions to its Charter. Education Code 47607 states, “A material revision of the provisions of a charter petition may be made only with the approval of the authority that granted the charter.” Based on this Education Code, CCDS is now requesting approval from the CUSD Board of Education.

The changes approved by the CCDS impact the configuration of its governing board. The new language reduces the minimum number of board members to five (previously this number was 10 as set in the CCDS By-Laws, which were also changed to match the requested material change). In addition, the Principal and Chief Business officer were removed as members of the board.

As stated in the letter from CCDS requesting approval of these changes, the rationale for the removal of the Principal and Chief Business Officer from the board was to eliminate potential conflicts of interest.
September 13, 2012

Dear Chico Unified School District,

Please accept the attached document for your consideration. The document consists of a revision to the Chico Country Day School Charter Element 4: Legal Issues, Governance, and Parental Involvement.

On September 12, 2012, the CCDS Board of Directors approved this charter revision and a revision to the school’s bylaws. These revisions restructured the Board of Directors and removed the Principal and the Chief Business Officer from the Board. The rationale behind this decision was to eliminate potential conflicts of interests by having direct employees of the Board, who were also voting members of that same Board.

While there is no specific language in state law that prohibits the Principal or other Administrative personnel to sit on the Board of Directors of a charter school currently, the Board made the decision to move forward with removing interested parties.

Thank you very much for considering this revision.

Sincerely,

The CCDS Board of Directors
IX. Element 4: Legal Issues, Governance and Parental Involvement

Governing Law: CA Education Code Section 47605(b)(5)(D)

The governance structure of the school, including, but not limited to, the process to be followed by the school to ensure parental involvement.

Legal

While the School intends to collaborate with CUSD, the School shall operate as a separate legal entity, independent of CUSD. The School will be operated as a duly constituted California nonprofit public benefit corporation and will be governed in accordance with applicable California Corporations Code Sections and its adopted bylaws which shall be consistent with the terms of this charter. As provided for in the California Corporations Code, the school will be governed by the Board of Directors of Chico Country Day School, whose members have a legal fiduciary responsibility for the well-being of the School. CCDS agrees to voluntarily comply with the applicable sections of the Ralph M. Brown Act and California Public Records Act.

The School will retain its own legal counsel when necessary. It will purchase and maintain as necessary general liability and other insurance.

Pursuant to Education Code Section 47604(c), CUSD in performing its oversight of the School as required by Education Code Section 47604.32, shall not be liable for the debts and obligations of the School or for claims arising from the performance of acts, errors, or omissions by the School.

Governance

The school will be governed by the Board of Chico Country Day School (the CCDS Board). The District Board of Education may also appoint a representative to serve on the CCDS Board of Directors.

The number of people serving on the Board of Directors of CCDS and the length of terms is specified in the CCDS Board of Director Bylaws. The Board will always consist of at least the following members: five (5) or more members; three (3) parents nominated by the Board Development Committee and elected by the Board of Directors. These members will consist of at least three (3) parents and at least one (1), four (4)
community members, nominated and elected by the board, and two (2) staff members. Classroom teachers nominated by the teaching staff at a regularly scheduled faculty meeting and elected by the board, and the Chico Country Day School Principal and Executive Director. The Administrative personnel, inclusive of but not limited to the Principal and/or Executive Director and/or the Chief Business Officer will not be voting members of the Board of Directors. Consistent with state law, one (1) Chico Unified School District administrator, acting in an advisory capacity, may serve on the Board of Directors. The Board of Directors reserves the right to amend the by-laws to increase the number of directors at any regularly scheduled board meeting. A quorum by the board shall be a majority of the voting members.

The Board of Directors is responsible for making collaborative decisions about the school’s governance, through the establishment of operating policies and procedures and CCDS Board of Director By-laws. Major roles and responsibilities will include establishing and approving all major educational and operational policies, approving all major contracts, approving the school’s annual budget and overseeing the school’s fiscal affairs, selecting and evaluating the top administrative staff, and overseeing fundraising activities.

The CCDS Board of Directors has a responsibility to solicit input from, and opinions of, the parents of School students regarding issues of significance and to weigh the input and opinions, carefully before taking action. The primary method for executing their responsibilities is the adoption of policies that offer guidance and interpretation of the charter and procedures to assist the staff in facilitating the implementation of such policies.

The CCDS Board will meet regularly and as needed, and will be responsible for carrying out Board responsibilities, including, but not limited to, the following:

- Hiring and evaluating the Executive Director and Principal Administrative personnel, inclusive of but not limited to the Principal and/or Executive Director and/or the Chief Business Officer of the School.
- Approving and monitoring the implementation of general policies of the School, including personnel policies for career growth and compensation of staff.
- Developing and monitoring an operational business plan that focuses on student achievement.
- Approving and monitoring the School’s annual budget.
• Acting as fiscal agent.
• Contracting an external auditor for an annual financial audit according to generally accepted accounting practices.
• The establishment of an operational steering committee of parents, educators, and community business leaders.

• Monitoring of student achievement.
• Development of Board policy and procedures.
• Review of requests for out of state or overnight field trips.
• Participation in the dispute resolution procedure and complaint procedures when necessary.
• Approval of charter amendments.
• Approval of annual audits.
• Approval of personnel discipline
• Creation of committees as needed, including a personnel committee and an audit committee.
• Expulsions.

The Board may initiate and carry on any program or activity or may otherwise act in any manner which is not in conflict with or inconsistent with or preempted by any law and which are not in conflict with the purpose for which the School is established.

Any Board member who has a conflict of interest or whose child is before the Board for disciplinary reasons, must abstain from voting.

Modifications to CCDS policies previously adopted by the CCDS Board must be approved by the Board. Specific procedures will be addressed in the operating policies and procedures and the Board of Director Bylaws. The CCDS Board of Directors and the CUSD Board of Trustees must approve all material changes to the CCDS Charter.

The CCDS Board of Directors addresses personnel issues. The Administrative personnel, inclusive of but not limited to the Principal and/or Executive Director and/or the Chief Business Officer The Principal and Executive Director are accountable to the CCDS Board of Directors.
CCDS and Chico Unified School District pledge to work in cooperation with all local education agencies (LEAs) and special education local plan areas (SELPAs) to ensure that a free and appropriate education is provided to all students with exceptional needs.

As it currently operates, the school intends to function as its own LEA for purposes of providing special education and related services pursuant to Education Code Section 47(b). During each school year which the school operates, CCDS is responsible for the delivery of all required Special Education services to eligible CCDS students.

CCDS will be non-sectarian in its programs, admissions policies, employment practices, and all other operations, shall not charge tuition, and shall not discriminate on the basis of race, ethnicity, national origin, gender, or disability.

Parents are a vital and important resource to the school. Their participation as instructional partners in the program and their support of the program’s philosophy are critical. A separate parent organization, Parent-Teacher Partnership (PTP), will provide support for academic programs by organizing volunteer and service activities. These activities should focus on fostering community spirit, facilitating the transition of new families into the school, promoting the school in the larger community, and fundraising.

Parents will be given a Parent & Student Handbook every year, which outlines the role CCDS encourages our families to take in the educational process as it relates to assisting the school, helping their student(s) with homework, attending parent meetings, and assisting in the fundraising activities of the school. Sensitive to the busy schedules of parents, staff members and the PTP will explore ways that all parents can contribute to the program.

**Parent Involvement**

The School shall promote a parent participation program. Parents shall be strongly encouraged to dedicate at least 50 hours per year per family of participation to benefit the School. This volunteer service will be tracked by School administration and reported annually to the PTP Board and the CCDS Board of Directors. The School shall develop an on-going list of extensive participation opportunities for parents, conduct annual parent orientation meetings, and offer extra-curricular activities for both student and parent/family participation.

AGREEMENT FOR INVESTMENT BANKING SERVICES

September 12, 2012

Maureen Fitzgerald
Assistant Superintendent
Chico Unified School District
1163 East Seventh Street
Chico, CA 95928

Dear Ms. Fitzgerald:

E. J. De La Rosa & Co., Inc. ("De La Rosa & Co.") is pleased to confirm our appointment by the Chico Unified School District (the “District”) to serve as underwriter on the proposed issuance of general obligation bonds (the “Bonds”) pursuant to the District’s prospective November 2012 bond measure on the terms and conditions set forth herein. Upon the success of the bond measure, each series of bonds issued will have a public offering subject to SEC Rule 15c2-12 (the “Offering”).

The District has sought the services of a qualified underwriter to issue the authorization via a negotiated sale and has appointed De La Rosa & Co. as sole managing underwriter. De La Rosa & Co. welcomes the opportunity to work with the District to execute a plan which will best meet the needs of the District.

Term of Contract
This Contract is intended to apply to all transactions which occur and are related to the Chico Unified School District, November 2012, general obligation bond measure. To the extent the election is delayed to a later date or is unsuccessful, this contract will continue to be in effect as described herein when a successful election is achieved unless terminated in the manner provided for below under the heading “Termination.”

Scope of Services
As sole senior managing underwriter of the Bonds, De La Rosa & Co. would provide the following services:

Pre-Sale Services
- Work with the District to determine the sizing and timing of each series of bonds, taking into account the capital needs of the District and the tax impact on the entire bond program
- Work with the District and Financing Team to develop and maintain an appropriate financing timetable
- Work with the District and Financing Team in the review of all bond documents, including the preliminary statement and other legal documents
- Assist the District with presentations to the rating agencies and bond insurance companies, if necessary
- Develop and present a marketing plan, taking into account general economic data and forecasts, municipal market trends, competing issues in the market, and investor purchasing patterns
- Participate in meetings of the District and other public entities involved in the financing(s)

Sale of Securities
- Develop a comprehensive pre-sale marketing and distribution program
- Hold conference calls with investors (if necessary) to provide an overview of the financing and credit
- Develop and present to the District for its approval a preliminary pricing scale for the bonds
- Price and underwrite the District’s bonds
Post-Sale Services
- Coordinate the final distribution and allocation of securities
- Prepare a final bond pricing report and a summary of financing results
- Obtain CUSIP numbers for the bonds and arrange for DTC registration
- Assist Financial Team with the preparation and review of all closing documentation, including the Final Official Statement
- Assist with the bond closing, including preparation of closing instructions and flow of funds, if necessary

Fees
Our underwriting discount will be $4.40 per $1,000 of par amount, inclusive of underwriter’s expenses paid for from the proceeds of bonds issued by the District.

Expenses
Except as may otherwise be agreed in the bond purchase contract for any particular series of Bonds, the District will pay all of its direct expenses relating to the Offering, including, without limitation, fees and expenses of the District’s counsel and auditors; fees and expenses (including those for counsel) relating to blue sky or NASD matters; preparation of the Preliminary and Final Official Statements; printing costs; financial advisor, bond counsel; rating agency fees; bond insurance; and fees and expenses of any trustees (and their counsel) or other agents. De La Rosa & Co. will pay expenses (included in the expense component of the spread) incurred on behalf of the District’s employees which are incidental to implementing this Agreement, including, but not limited to, meals, transportation, lodging and entertainment of such employees. Reasonable underwriter’s reimbursable expenses include, but are not limited to, underwriter’s counsel, day loan interest, travel, CUSIPs, and registration with California Debt & Investment Advisory Commission and Depository Trust Company.

Conditions
This letter agreement is not a commitment, express or implied, on the part of De La Rosa & Co. to underwrite or purchase the Bonds or to commit any capital, nor does it obligate us to enter into a Bond Purchase Agreement. De La Rosa & Co.’s participation in any Offering will be subject to, among other things, (i) satisfactory completion of all documents for the Offering (including a disclosure document and a Bond Purchase Agreement); (ii) satisfactory completion of a customary due diligence review; (iii) in our determination, the absence of any material adverse change in the financial markets, in the United States or in the financial condition, operations or prospects of the District; (iv) receipt of all required governmental and other approvals and appropriate legal opinions, including a 10b-5 disclosure opinion from counsel acceptable to De La Rosa & Co.; and (v) approval of our internal commitment committee.

Governing Law
This letter agreement is governed by the laws of the State of California, without regard to conflicts of law principles. The District and De La Rosa & Co. agree to waive trial by jury in any action, proceeding or counterclaim brought by or on behalf of either party with respect to any matter whatsoever relating to or arising out of any actual or proposed transaction or the engagement of or performance by De La Rosa & Co. hereunder.
Termination
Upon written notice, this agreement may be terminated by De La Rosa & Co. or the District at any time, with or without cause, without penalty. In the “Expenses,” “Indemnification,” and “Governing Law” provisions contained herein shall survive any termination of this letter agreement. If this Contract is canceled prior to the issuance of first Offering of securities, De La Rosa & Co. shall be entitled to compensation equal to the underwriting discount on the first Offering of bonds. De La Rosa & Co. shall be additionally compensated for all out-of-pocket expenses incurred between the date of this Contract and the date of cancellation.

G-17
Pursuant to this contract, the District will utilize De La Rosa & Co. as an underwriter on future bond transactions, if any, as set forth this in this agreement. When serving as underwriter, these are some important disclosures that clarify our role and responsibilities:
1. Municipal Securities Rulemaking Board Rule G-17 requires us to deal fairly at all times with both municipal issuers and investors;
2. Our primary role will be to purchase the Bonds with a view to distribution in an arm’s-length commercial transaction with you and we have financial and other interests that differ from your interests;
3. Unlike a municipal advisor, we do not have a fiduciary duty to you under the federal securities laws and we are, therefore, not required by federal law to act in your best interests without regard to our own financial or other interests;
4. We have a duty to purchase securities from you at a fair and reasonable price, but must balance that duty with our duty to sell the Bonds to investors at prices that are fair and reasonable; and
5. We will review the official statement for the Bonds in accordance with, and as part of, our responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of the transaction.

Prior to the issuance of any bonds for which De La Rosa & Co. serves as underwriter, we will send the District a letter reiterating these disclosures and adding others, as necessary, pursuant to Rule G-17. That Rule will further require that we seek acknowledgement from the District of receipt of those disclosures.

Other
This letter agreement contains the entire agreement between us and supersedes all prior understandings, whether written or oral. This letter agreement may be executed in counterparts. This letter agreement may not be amended except in writing signed by all parties hereto. The District may not assign or delegate any of its rights or obligations hereunder without our prior written consent.

We look forward to working with the District. Please confirm that the foregoing is in accordance with your understanding of our agreement by signing and returning to us a copy of this letter.
Sincerely,
E. J. De La Rosa & Co., Inc.

AGENDA ITEM: Consultant Agreement with Reading Partners

Prepared by: Janet Brinson, Director

Consent  Board Date  September 19, 2012

Discussion/Action

Background Information

The Reading Partners program is designed to provide individualized instruction for students. At each of its partner school sites, Reading Partners is given a dedicated space within the school. The organization recruits, trains and deploys community volunteers who work on-on-one with students. Volunteers tutor students through a “pull-out” model that operates in cooperation with the school. Reading Partners volunteers who commit to a minimum of one hour per week, receive ongoing training to support their work with students.

Educational Implications

CUSD is extremely fortunate to have an outpouring of volunteers who are dedicated to supporting our students and staff. Often times it is difficult to define roles for volunteers on a day-to-day basis. Reading Partners is a program specifically designed to assist with the coordination of volunteers. Reading Partners affords CUSD a streamlined approach to volunteerism in our schools.

Fiscal Implications

None to the General Fund.

Prepared by: Joanne Parsley, Director

Consent

Information Only

Board Date: September 19, 2012

Discussion/Action/Public Hearing

Background Information

Education Code Section 60119 requires that each pupil within the Chico Unified School District be provided sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks in the areas of history/social science, mathematics, reading/language arts and science. The attached Certification of Provision of Standards-Aligned Instructional Materials states that we are currently sufficient for the 2012-13 school year. As such, the Educational Services Department requests approval of Resolution No. 1195-12.

Education Implications

All students will be provided with sufficient textbooks and instructional materials in the core instructional areas for in-class work as well as homework.

Fiscal Implications

Standards-aligned instructional materials are purchased out of the state provided funds.

Additional Information

As required by CCR, Title 5, Section 9531, instructional materials for students in grades K-8 were purchased from an approved standards-aligned state adoption list and instructional materials purchased for students in grades 9-12 are aligned with the state content standards and are approved by the CUSD Board of Education following district review of the materials.
RESOLUTION NO. 1195-12

Whereas, the governing board of Chico Unified School District, in order to comply with the requirements of Education Code section 60119, held a public hearing on September 19, 2012, at 6:00 pm, which is on or before the eighth week of school and which did not take place during or immediately following school hours, and;

Whereas, the governing board provided at least ten days notice of public hearing posted in at least three public places within the district that stated the time, place and purpose of the hearing, and;

Whereas, the governing board encouraged participation by parents, teachers, members of the community and bargaining unit leaders in the public hearing, and;

Whereas information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district, and;

Whereas, the definition of “sufficient textbooks or instructional materials” means that each pupil has a textbook or instructional materials, or both, to use in class and to take home;

Whereas sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks;

Whereas, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

Whereas, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

Therefore it is resolved that for the 2012-13 school year, the Chico Unified School District has provided each pupil with sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks.

AGENDA ITEM: Review and Revise CUSD Athletic Accountability Plan

Prepared by: Randy Gilzean and Kelly Staley

☐ Consent  Board Date  September 19, 2012

☐ Information Only

☒ Discussion/Action

Background Information
In the spring of 2001, the CUSD Board adopted the CUSD Athletic Accountability Plan. The goal of this plan was to create an Athletic program that met the needs of our students and our community while being sustainable through the joint efforts of students, staff, parents, community and the District.

Educational Implications
The District and school community believe in the importance of a strong co-curricular program, including athletics, as part of a comprehensive education. Strong athletic programs provide opportunities for students to develop the skills necessary to work in teams and provide incentives for improved attendance and academic performance. Further, studies have shown that students actively involved in their school are more likely to stay in school and graduate.

Fiscal Implications
Athletic programs are not inexpensive. The cost of athletics is one of the reasons the District adopted the Athletic Accountability Plan. The plan outlines how different partners work together to support athletics. Per the plan, the District commitment is to fund the stipends of coaches for non-self-funded teams. That cost was $316,823 in the 2011-2012 school year. Staff is recommending that CUSD cover the cost of the stipends for all CUSD Coaches that coach teams that compete in CIF sanctioned contests. This will increase the cost to the district by approximately $12,153.
Athletic Accountability Plan
(Revised and Adopted September 19, 2012)

Outlined below is the set of responsibilities which each group would assume under the proposed Athletics Accountability Plan:

The District will
-- Commit to fully funding coaches’ stipends for all CUSD approved CIF sports.
-- Revise yearly contracts for each coach to include language from the Team Coaches section of this plan detailing their new responsibilities.
-- No longer provide funding for District transportation for athletic events.
-- Terminate the rental of the CSUC stadium for CHS football.
-- Instruct their negotiating team to enter into discussion of coaching stipends at its next bargaining opportunity.
-- Work with ADs to reduce/reorganize the different Athletic budgets.
-- Reduce AD compensation by five (of the ten) 'extra work days' as allowed in the Collective Bargaining agreement.

Team Coaches will
-- Adhere to their budget allocation established in consultation with campus AD and
-- Agree that failure to do so will result in a non-renewal of coaching services for the following season.
-- Look for ways to keep costs low which may result in reducing the number of games played and consideration of travel time and expense.
-- Recognize that the costs of all league and play-off contests including transportation will be financed through a combination of gate receipts, concessions, donations, general fundraising and booster support.
-- Acknowledge that any non-league contests will be financed entirely by team fundraising. ALL expenses for non-league contests MUST be covered by the teams' fundraising with final financial responsibility falling on the coach.
-- Self-funded sports (ski/snowboard and boys’ volleyball) will need to fundraise for all costs, excluding the stipend for the coach.

Athletic Directors will
-- Hold a mandatory pre-season meeting with each head coach to discuss team budgets and scheduling.
-- Work with the comptroller to be sure each coach is updated as to his/her team budget on a regular basis.
-- Reorganize school athletic accounts, so the current “team accounts” include non-league contests' income and expenses.
-- Reorganize school athletic accounts, so the current “school accounts” for each team include only league and playoff income and expenses (non-league contests to team accounts).
-- Set up a system where all finances are clearly and accurately reported to all stakeholders.
--Prepare an annual report for the CUSD Board of Education (tentatively scheduled for May) documenting allocations, income, expenditures and other budgetary matters.
--Understand there will be a reduction in compensation of five (of the ten) “extra work days” allowed in the Collective Bargaining Agreement.
--Work with CUSD to reduce/reorganize the different Athletic budgets.

Site Administration will
--Evaluate athletic staff on the basis of this proposal to assure effective compliance.
--Be sure school staff is trained in financial procedures needed.

Sports Boosters will
--Refocus on their primary mission of fundraising for sports.
--Meet annually with the ADs to review fundraising plans and goals, and to establish specific contribution target (originally agreed to as $50,000) to help cover the cost of league and playoff contests, including transportation or other agreed upon needs of the athletic programs.
--Continue to maintain a financial system where all financial activity is transparent to stakeholders.
--Prepare an annual report for the Board of Education (tentatively scheduled for May) documenting allocations, income, expenditures and other budgetary matters.

Parents of Student-Athletes will
--Encourage student-athletes to be more involved in fundraising for their sport.
--Aspire to continue to provide some financial help in the form of donations to sports in CUSD.
--Donate time and services as applicable.

Student-Athletes will
--Be involved in fundraising for their sport. Teams will be responsible for the cost of their non-league contests.
--Help the coach determine the appropriate non-league schedule based on the amount of fundraising to which they want to commit.

X Discussion/Action

Background Information

The Safe Route to School project will install curb, gutter and sidewalk along the portion of Manzanita Avenue that fronts Pleasant Valley High School. Some of the improvements will be built on property owned by Chico Unified School District (CUSD). To facilitate the acquisition of this property the City of Chico and CUSD wish to exchange land to ensure improvements are appropriately placed. As depicted in the resolution, the exchange will take approximately 4,538 square feet from CUSD, while the City of Chico will give back approximately 3,249 square feet and install 820 linear feet of a new chain link fence along the frontage. Pursuant to Section 17536 of the California Education Code, in order to exchange real property the Board of Education needs to adopt a resolution by the affirmative vote of two-thirds of its members.

Additional Information

The project has been found exempt from the California Environmental Quality Act in accordance with section 15303(d) which exempts new construction of street improvements of a reasonable length. The project does not involve the expansion of the schools, student population or impact traffic. There is no critical habitat in the area. There are no unusual circumstances leading to a reasonable possibility that significant environmental impacts will result from the project.

Educational Implications

The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

The City of Chico will take title free and clear of all taxes and encumbrances affecting the City’s use of the property for right of way purposes. The City of Chico will pay all title and escrow costs, including any reconveyance or other fees required as a result of the City’s exchange.

Recommendation

The Facilities Department recommends the Board of Education authorize the Superintendent or her Designee, to enter into a real property exchange with the City of Chico and execute all related documents.
Resolution No. 1194-12

RESOLUTION OF THE CHICO UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION GIVING AUTHORIZATION TO THE SUPERINTENDENT OR HIS DESIGNEE, TO ENTER INTO A REAL PROPERTY EXCHANGE WITH THE CITY OF CITY AND EXECUTE ALL RELATED DOCUMENTS.

WHEREAS, right of way improvements in association with the Safe Routes to School project will be constructed by the City of Chico on Manzanita Avenue, along the frontage of Pleasant Valley High School in order to install curb, gutter, and sidewalk; and

WHEREAS, in order for improvements to be located within the public right of way, an exchange of real property between the City of Chico and Chico Unified School District needs to take place as depicted in Exhibits “A1” and “A2”; and

WHEREAS, in order for an exchange of real property to take place, the Board of Education, pursuant to Section 11536 of the California Education Code, shall authorize the exchange by resolution adopted by a two-thirds vote of its members.

NOW, THEREFORE, BE IT RESOLVED by the Chico Unified School District Board of Education as follows:

1. The Board of Education hereby affirms the exchange between Chico Unified School District and the City of Chico in order to provide the desired public improvements associated with the Safe Routes to School project and authorizes the Superintendent or her Designee to enter and execute all documents related to the exchange.

AGENDA ITEM: Letter of Intent to Receive Mandate Block Grant Funding for Fiscal Year 2012-2013

Prepared by: Maureen Fitzgerald, Assistant Superintendent, Business Services

Consent ________________ Board Date September 19, 2012

Background Information
Every year law mandates school districts provide a list of activities and services related to public education. Many of these mandates are unfunded, nonetheless required. Certain mandates offer some fiscal relief through a reimbursement process called Mandated Cost Claims Reimbursements. Each “funded” mandate requires tracking and application to the state for reimbursement. Due to the State’s fiscal situation Mandated Claims Reimbursements have been unfunded for many years. While we are still required to perform the mandated activities, funding has been delayed. To address the growing debt owed to school districts for the unpaid mandated claims reimbursement, Government Code Section 17581.6(d) provides guaranteed Block Grant Funding in lieu of the standard reimbursement process. The Block Grant is a per ADA allocation with the option for year by year election.

Educational Implications

Fiscal Implications
In the 2011-12 Fiscal Year we received a total of $117,625 in reimbursements from the 2009-2010 year. The Mandated Block Grant would provide $318,276 to the general fund for the 2012-13 year.

2012-13 Approved Budget

Prepared by: Maureen Fitzgerald-Assistant Superintendent, Business Services

X Discussion/Action

Board Date: September 19, 2012

Background Information:

The district is required to submit the 2011-12 year-end unaudited financial statements to the Butte County Office of Education by September 15, 2012. The unaudited actuals are all transactions through June 30, 2012 including ending fund balances and fund balance designations.

Education Implications:
School districts that maintain a balanced budget and have adequate reserves are able to provide a broad range of educational programs for their students.

Fiscal Implications:

The year-end unaudited actuals will differ from approved budgets as budgets are a planning tool and are intended to estimate, based on current assumptions, the district spending plan. When the books are closed as of June 30th only actual money spent and received or earned are recorded, reflecting actual affects to the ending fund balance. Budgets and year-end actuals will differ more significantly in years of fiscal uncertainty than in more secure fiscal times due to prudent spending and intentional savings.

☐ Discussion/Action

Background Information
In order to govern effectively, Districts are required to have accurate and up-to-date Board Policies. By law, Districts are mandated to adopt many policies to ensure legal compliance. Working in conjunction with the California School Boards Association (CSBA) Policy Services, CUSD continues to update and revise Board Policies to ensure CUSD is legally compliant.

Education Implications
Up-to-date policies provide clarity to the expectations for students, parents, and staff.

Fiscal Implications
ELECTRONICALLY STORED INFORMATION (ESI) AND ELECTRONIC MAIL POLICY

It shall be the policy of the Chico Unified School District to retain all Electronically Stored Information (ESI), as defined in AR 3585, for a period of four years.

It shall be the policy of the District that the District’s Electronic Mail ("e-mail") system is intended to be a medium of communication, and not to be used for the electronic storage of District records. For the District's e-mail system to function as intended, employees must ensure that any District records created or transmitted by e-mail are developed, maintained, and/or disposed of in accordance with applicable law. It shall be the policy of the District that ESI and Electronic Mail shall only be considered to be retained in the ordinary course of business if retained in accordance with BP 3585 and AR 3585. Electronic Mail, as defined in AR 3585, shall be retained in the ordinary course of business for a period of one year after which time such records may be expunged.

However, ESI and Electronic Mail shall be retained for a period longer than those stated above if required by applicable law, regulation or policy. ESI and Electronic mail shall be retained for a longer duration if so required under 5 C.C.R. Section 16020 et seq. or as potential evidence in litigation.

Education Code §35253
5 C.C.R. §§16020 – 16027
Federal Code of Civil Procedure, Rule 26
Federal Code of Civil Procedure, Rule 37(f)
California Code of Civil Procedure, § 1985.8, §2016 et seq; §2031 et seq.; Cal. Rule of Court 3.724

All District records, including ESI and Electronic Mail, shall be developed, maintained, and disposed of in accordance with law and California Department of Education regulations. [Government Code Sections 6250-6270; EC §§ 35145, 35163, 35250-35255, 44031, 49065; 5 CCR §§16020-16027]

Inspection of District disclosable public records must be available to members of the public upon request during office hours. [GC 6252-6253]. The public agency can adopt reasonable rules of access to protect the safety of the records from theft or damage and to prevent inspection from disrupting the operation of the agency (Bruce v. Gregory (1967) 65Cal.2d 666).

Questions concerning Electronic Records should be directed to the Director of Information Technology. Title 5, CCR provides that record retention procedures are to ensure the efficient, reliable and economical management of information. The management of information should be designed to ensure that information is accessible and available while at the same time minimizing the costs and burdens to taxpayers associated with the expense of retaining records that are no longer necessary to the discharge of official business.

Originators and recipients of records are responsible for identifying and saving documents that must be retained in order to comply with Federal, state, or local laws, CUSD policies or directives, or upon notice of possible litigation or E-Discovery.
