PROPOSED AGENDA ITEM: Chico High Senior Class Trip to Disneyland

Prepared by: Kiley Hayes, ASB President  Melissa Kovac, ASB Secretary

☐ Consent  Board Date December 5, 2012
☐ Information Only
☐ Discussion/Action

Background Information

Every year Disneyland invites high school seniors to their park in Anaheim to participate in their Senior Grad Night. The event is held after hours and they host many fun activities for the graduating seniors. We've talked to many of our administrators and teachers who, in the past, have participated in Disneyland's Grad Night. It sounds like a lot of fun and through many surveys of our class, we have found the class to be very interested.

Education Implications

We would have the opportunity to meet many other seniors from all over the country. It would be an amazing opportunity in a safe environment.

Fiscal Implications

We have held fun raisers all year long in the hopes of raising enough for a trip such as this. We have surveyed all seniors and the results show that the majority of the seniors are willing and able to contribute to the costs toward the trip. However, no student would be excluded for not being able to contribute. Our Senior ASB account will pick up the costs for them.

Additional Information

There are 200 seats available on the bus. The breakdown of estimated costs are as follows:
Tickets to Disneyland - $70/Student
Transportation - $26,000.00
Total cost per person - $200.00

Revised 8/04
PROPOSED AGENDA ITEM: Azad’s Martial Arts Consultant Agreement

Prepared by: Janet Brinson

☐ Consent  Board Date  December 5, 2012
☐ Information Only
☐ Discussion/Action

Background Information

Chico Unified was recently awarded a Carol M. White Physical Education grant. CUSD also received an additional supplemental PEP grant. The premise for the supplemental grant is to support the initial PEP grant while utilizing additional activities that do not replicate the activities in the primary grant. Fair View students have been afforded the opportunity to participate in the Rock Solid Team program provided by Azad’s Martial Arts. Through the PEP supplemental grant Azad’s will be able to continue and expand the program.

Educational Implications

The activities in the supplemental PEP grant will focus solely on the specific needs of our high risk youth student population. Last year, recognizing the need to support students whose leadership and personal potential may be blocked by academic, social, or other background factors, Fair View staff worked with community leaders to develop a unique leadership program and pilot it with a small group of students. The initial pilot was a true success. The PEP supplemental grant will afford expansion of the program to support additional students.

Fiscal Implications

There is no cost to the general fund. All expenses will be paid out of the PEP grant.

Background Information

Chico Unified was recently awarded a Carol M. White Physical Education grant. CUSD also received an additional supplemental PEP grant. The premise for the supplemental grant is to support the initial PEP grant while utilizing additional activities that do not replicate the activities in the primary grant. Fair View students have been afforded the opportunity to participate in the Rock Solid Team program provided by Azad’s Martial Arts. Ms. Anderson will act as the site coordinator and community liaison to continue and expand the program.

Educational Implications

The activities in the supplemental PEP grant will focus solely on the specific needs of our high risk youth student population. Last year, recognizing the need to support students whose leadership and personal potential may be blocked by academic, social, or other background factors, Fair View staff worked with community leaders to develop a unique leadership program and pilot it with a small group of students. The initial pilot was a true success. The PEP supplemental grant will afford expansion of the program to support additional students.

Fiscal Implications

There is no cost to the general fund. All expenses will be paid out of the PEP grant.

Combined Funds 27 & 35 Ending Balance | $23,670,823.46

*These funds are combined because Fund 35 is mandated as the depository for all facilities grants proceeds.

B. The status of any project required or authorized to be funded as identified in subdivision (a) of section 53410. Section 53410 states, “On or after January 1, 2001, any local bond measure that is subject to voter approval that would provide for the sale of bonds by a local agency shall provide accountability measures that include, but are not limited to, all of the following: (a) A statement indicating the specific purposes of the bond.”

The Measure A Bond ballot asked, “Shall Chico Unified School District construct an additional high school to reduce classroom overcrowding; build and renovate additional classrooms and school facilities; renovate school bathrooms; replace old heating, cooling and ventilation systems; repair worn-out playgrounds and pavement; improve student drop off zones in front of elementary schools; acquire a school site and classrooms; and install wiring to support classroom technology by issuing $48,725,000 of bonds at an interest rate within the legal limit?”
Measure A, Series A was approved by voters on 4/15/98 and $18,000,000 worth of bonds were issued in 1998. A portion of these bonds have been used for various facilities improvement projects throughout the District.

On September 19, 2007 the Board of Education adopted Resolution Number 998-07. This resolution is significant in that it recognizes that the students projected in 1994-95 to be at our high schools had not materialized, and also that changes in educational delivery were dramatically different than when the bond was passed.

Following several meetings with the community regarding potential use of project funds, the Board directed staff to proceed with the development of a Center for the Arts at Pleasant Valley High School and a New Classroom building at Chico High School utilizing Measure A proceeds at their December, 2007 meeting.

In addition to these two major projects, staff developed a list of additional projects to meet the existing high schools facility needs. In order to meet these additional needs, Bond Measure A, Series B in the amount of $30,725,000 was authorized on March 26, 2008, by Board Resolution #1015-08.

The Performing Arts Center at PVHS designed by Nichols, Melburg and Rossetto was completed December 1, 2010. The New Classroom project at Chico High School designed by DLR Group was completed May 18, 2011. Both of these projects used the lease-leaseback delivery system. Both of these projects incurred minor expenses in 2011-2012.

The District has made a commitment to leverage bond funds by applying for State School Facility Program dollars. The passage of Proposition 1D included special funding to support the development of Career Technology facilities. As a result of careful planning and prioritization of bond needs, beginning with June of 2000, local bond dollars have been matched by over $11.4 million in state school building fund dollars. The $7.2 million received from the state in 2010-2011 and deposited to Fund 35 is included in the beginning balance of this report.

The Center for the Arts at Pleasant Valley High School received approval for a Career Technology Facilities Program grant of $3,000,000. The grant dollars were received in August of 2012.

The District is continuing to identify additional projects appropriate for completion with the remaining Measure A funds. Construction began on the Lincoln Hall/Fitness Laboratory project at Chico High in June of 2012 and the New Classrooms project at Pleasant Valley High began in early 2012. The Construction Academy project at Fair View High began in August of 2012. The Relocatable Classroom facilities project at Chico High for Inspire School of Arts and Sciences began in July of 2012.

These projects will deplete the remaining funds available from Measure A Bond dollars.

AGENDA ITEM: The Blue Oak School Charter Renewal Public Hearing

Prepared by: John Bohannon, Director

☐ Consent
☒ Information / Public Hearing
☐ Discussion/Action

Board Date: December 5, 2012

Background Information
When a group files a petition to renew its charter school, a school district must hold a public hearing about the renewal petition within 30 days.

CUSD received a charter renewal petition for The Blue Oak School on November 7, 2012.

This hearing gives the public and board of education the opportunity to ask questions about the proposed charter.

The charter petition will come back before the board as an action item for approval or denial at the regularly scheduled CUSD board meeting in January. Blue Oak has agreed to expand the process beyond 60 days to allow the decision to take place at a regularly scheduled meeting.

Educational Implications
The Blue Oak School offers students in grades K-8 another educational option.

Fiscal Implications
Blue Oak is a direct funded charter, which means any ADA generated flows to the school and will not come to CUSD.

Additional Information
When a charter petition is renewed, Education Code mandates the term of the renewal is for five years.
AGENDA ITEM: Budget Update
2012-13 First Period Interim Report

Assistant Superintendent, Business Services

Discussion/Action

Board Date: 12/5/2012

Background Information:

The district is required to submit the First Interim Report for the 2012-13 Fiscal Year to the Butte County Office of Education by December 15, 2012. This report identifies the budget as revised per the State Budget and any updates to date. Included in the First Interim Report are actual expenditures through October 31, 2012.

At each Interim reporting period, the District revises and updates the current year income and expenses projections as well as the estimates for the subsequent two fiscal years (2013-14 and 2014-15) to determine if the district is able to maintain adequate reserves and meet its obligations and commitments.

Education Implications:
School districts that maintain a balanced budget and have adequate reserves are able to provide a broad range of educational programs for their students.

Fiscal Implications:

The First Interim Report reflects a Qualified Certification. This report reflects a Qualified Certification the district due to inadequate Reserves in the 2014-15 year, however a position Fund Balance is projected. It is also noted that there is a zero COLA built into the 2013-14 projection. The State is projecting a funded COLA, however, both BCOE and School Services of California recommend budgeting a zero COLA due to the funding reform movement with the Weighted Student Formula.

Recommendation: Approve 2012-13 First Interim Period Interim Report with a Qualified Certification

Background Information
On October 3, 2012, the Board of Education directed staff to circulate a Request for Qualifications (RFQ) in order to select a qualified Lease-Leaseback (LLB) Contractor to perform pre-construction services on the Chico High School Portable Classrooms 2013 (Inspire Campus) project.

A selection committee was established to evaluate the Statements of Qualifications (SOQ’s) in response to the RFQ. This committee is comprised of the following individuals: Kathy Kaiser-CUSD Board Member, Eileen Robinson-CUSD Board Member, Kathleen Gentry-Interim Associate Director CSUC Facilities Management and Services, John Bohannon-CUSD Director Alternative Education and Michael Weissenborn-CUSD Director Facilities & Construction. A representative from Stafford King Wiese Architects and Facilities Department staff members also participated in the evaluation process.

Nine impressive SOQ's were received on November 15, 2012. Each firm was evaluated and a “short list” of firms was identified to move on to the interview stage of the selection process. Three firms were selected to be interviewed, they were: Efficient Energy Concepts, Modern Building Inc. and United Building Contractors. The selection interviews were held on November 27, 2012.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
The source of funding for pre-construction services will be Measure A bond funds.

Additional Information
The District intends for the LLB Contractor responsibilities to be conducted in two phases. “Phase 1” will consist of pre-construction services. “Phase 2” will consist of the construction of the project. Pre-construction services include plan review, development of a preliminary master schedule, initial constructability review and preliminary budget development.

Recommendation
It is recommended that the Board of Education accept the Contractor recommended by the committee and authorize the Superintendent or designee the authority to enter into a Pre-Construction Services Agreement with Modern Building Inc.

It is also recommended that the Board authorize the Superintendent or designee to enter into a Lease-Leaseback Agreement with Modern Building Inc., once the Guaranteed Maximum Price (GMP) has been developed.

She was reappointed in December 2003 and again in December 2006 and most recently in December 2009.

Per Education Code 45246(b) the Board must announce its intended appointee to the Personnel Commission at a Board meeting. Then at a Board meeting at least 30 days later the public, employees and employee organizations will have the opportunity to express their views on the qualifications of the person recommended by the Board for appointment. This will occur at the first Board meeting in January 2013. Per Education Code 45248(g), a commissioner whose term has expired may continue to discharge the duties of the office until a successor is appointed for up to 90 calendar days.
