The Chico Unified School District Board of Education welcomes you to this meeting and invites you to participate in matters before the Board.

INFORMATION, PROCEDURES AND CONDUCT OF CUSD BOARD OF EDUCATION MEETINGS

No disturbance or willful interruption of any Board meeting shall be permitted. Persistence by an individual or group shall be grounds for the Chair to terminate the privilege of addressing the meeting. The Board may remove disruptive individuals and order the room cleared, if necessary. In this case, further Board proceedings shall concern only matters appearing on the agenda.

CONSENT CALENDAR
The items listed on the Consent Calendar may be approved by the Board in one action. However, in accordance with law, the public has a right to comment on any consent item. At the request of a member of the Board, any item on the consent agenda shall be removed and given individual consideration for action as a regular agenda item. Board Bylaw 9322.

STUDENT PARTICIPATION
At the discretion of the Board President, student speakers may be given priority to address items to the Board.

PUBLIC PARTICIPATION FOR ITEMS ON THE AGENDA (Regular and Special Board Meetings)
The Board shall give members of the public an opportunity to address the Board either before or during the Board’s consideration of each item of business to be discussed at regular or special meetings.
- Speakers will identify themselves and will direct their comments to the Board.
- Each speaker will be allowed three (3) minutes to address the Board.
- In case of numerous requests to address the same item, the Board may select representatives to speak on each side of the item.

PUBLIC PARTICIPATION FOR ITEMS NOT ON THE AGENDA (Regular Board Meetings only)
The Board shall not take action or enter into discussion or dialog on any matter that is not on the meeting agenda, except as allowed by law. (Government Code 54954.2) Items brought forth at this part of the meeting may be referred to the Superintendent or designee or the Board may take the item under advisement. The matter may be placed on the agenda of a subsequent meeting for discussion or action by the Board.
- Public comments for items not on the agenda will be limited to one hour in duration (15 minutes at the beginning of the meeting and 45 minutes at the end of the meeting).
- Initially, each general topic will be limited to 3 speakers.
- Speakers will identify themselves and will direct their comments to the Chair.
- Each speaker will be given three (3) minutes to address the Board.
- Once 2 speakers have shared a similar viewpoint, the Chair will ask for a differing viewpoint. If no other viewpoint is represented then a 3rd speaker may present.
- Speakers will not be allowed to yield their time to other speakers.
- After all topics have been heard, the remainder of the hour may be used by additional speakers to address a previously raised issue.

WRITTEN MATERIAL:
The Board is unable to read written materials presented during the meeting. If any person intends to appear before the Board with written materials, they should be delivered to the Superintendent’s Office or delivered via e-mail to the Board and Superintendent 10 days prior to the meeting date.

COPIES OF AGENDAS AND RELATED MATERIALS:
- Available at the meeting
- Available on the website: www.chicousd.org
- Available for inspection in the Superintendent’s Office prior to the meeting
- Copies may be obtained after payment of applicable copy fees

AMERICANS WITH DISABILITIES ACT
Please contact the Superintendent’s Office at 891-3000 ext. 149 should you require a disability-related modification or accommodation in order to participate in the meeting. This request should be received at least 48 hours prior to the meeting in order to accommodate your request.

Pursuant to Government Code 54957.5, If documents are distributed to board members concerning an agenda item within 72 hours of a regular board meeting, at the same time the documents will be made available for public inspection at the Chico Unified School District, Superintendent’s Office located at 1163 East Seventh Street, Chico, CA 95928 or may be viewed on the website: www.chicousd.org.

8.4.1. Consider Approval of Certificated Human Resources Actions

At 6:30 p.m. Board Member Thompson moved to delay action on this item until further information was received regarding Temp to Prob actions; Board Clerk Hovey seconded the motion. Assistant Superintendent Feaster stated a number of people on the list were expecting a letter and a month’s delay could make a difference in whether or not they look for other work. Board Member Thompson
noted she only had concerns about one person and asked if one person could be excluded from the vote. Board Vice President Kaiser noted there had been a motion and a second and suggested a friendly amendment; she moved to modify the original motion to note that where there is a question about a credential that one individuals holds, that the Board delay approval for that one individual only until the next meeting. Board Member Thompson accepted the friendly amendment and Board President Griffin called for a vote.

(Applicable, unless determined to be Contract Employee - See RS 10a)

Consultant Name: Clark Consulting and Training

1. The Consultant will perform all services independently, not as an employee of the District; therefore, the District is not liable for worker's compensation or unemployment benefits. In connection with this Consultant Agreement, Consultant shall assume full responsibility for payment of all Federal, State and Local taxes or contributions, including Unemployment Insurance, Social Security, and Income Taxes with respect to Consultant's employees.

2. Consultant shall furnish, at his/her own expense, all labor, materials, equipment and other items necessary to carry out the terms of this Agreement, unless agreed upon under Additional Expenses on page 1 of this Agreement.

3. In the performance of the work herein contemplated, Consultant is an independent contractor, with the authority to control and direct the performance of the details of the work, to the District being interested in the results obtained.

4. If applicable, the Consultant will certify in writing, using Administration Form RS 105-S, that criminal background checks have been completed as per Board Policy RS 105-S prior to commencement of services. This requirement also applies to any subcontractors or employees utilized by the Consultant.

5. Consultant agrees to defend, indemnify and hold harmless the District, its Board of Trustees, employees and agents from any and all liability or loss arising in any way out of Consultant's negligence in the performance of this Agreement, including, but not limited to, any claim due to injury and/or damage sustained by Consultant, and/or the Consultant's employees or agents.

6. Consultant will provide to Assistant Superintendent, Business Services, upon request, a Certificate of Insurance showing a minimum $1,000,000 combined single limits of general liability and automobile coverage as required by the District.

PROPOSED AGENDA ITEM: Consultant Agreement: YouthBuild Grant Personnel

Prepared by: Janet Brinson

Consent Information Only Discussion/Action

Board Date: August 21, 2013

Background Information

The Chico Unified School District has recently been awarded a two-year, $1.1 million YouthBuild grant from the U.S. Department of Labor. YouthBuild is a well-established model that has proven highly successful in communities across the country. YouthBuild programs share the following features:

- Provides a community-based alternative education program for youth between the ages of 16 and 24 who are high school dropouts, adjudicated youth, youth aging out of foster care, youth with disabilities, and other at-risk youth populations.
- Simultaneously addresses several core issues facing low-income communities: affordable housing, education, employment, crime prevention, and leadership development.
- Balances in-school learning and occupational skills training to prepare at-risk youth for career placement.
- The in-school component is an alternative education program that assists youth who are often significantly behind in basic skills to obtain the goal of a high school diploma or GED credential.
- The occupational skills training component prepares at-risk youth to achieve the goal of career placement, and also supports the goal of increasing affordable housing by teaching youth construction skills learned by building or significantly renovating homes for low-income or homeless families or individuals.
- Occupational skills training also may include other demand industries in addition to construction for grantees that have been previously funded by the Department of Labor.

YouthBuild Chico will serve up to 30 youth (ages 16-24) per year. We are operating in partnership with Butte College (offering academic instruction for students 18 and older), Butte County ROP, the Alliance for Workforce Development, Valley Contractors' Exchange, Habitat for Humanity, and the City of Chico (which owns the land on which the Habitat house is being built).

The population being recruited and enrolled in this program is highly at-risk, and will require support and supervision by personnel that individually and collectively possess experience in meeting their specialized needs. In addition to current staff who will be working with the program, we are contracting with three individuals who have this necessary experience: Bernie Vigallon, who will serve as transition coordinator, and Jerry Joiner, who will serve as project coordinator with a focus on construction. In addition we will contract with Sandra Waterhouse, who was director of a YouthBuild Program in Yuba City for a year and a half, and has also served as a federal project officer for YouthBuild as well as conducting technical assistance for YouthBuild USA. She will provide technical assistance to us this first year, ensuring an even stronger beginning to this program.

Educational Implications

75% of the students recruited for this program must have dropped out of school or be a dropout who has re-enrolled in an alternative program. Those who are not dropouts or at-risk (as measured by the criteria listed above) must be basic skills deficient and referred by their local secondary school. These are students who might not otherwise attain a GED or a diploma. As a result of this program, our goal is that 60 students will be re-enrolled and provided the assistance to complete their secondary education. This clearly has positive educational implications for these students and their families and will ripple out to benefit the community as a whole.

Fiscal Implications

These consultants will be funded through the YouthBuild grant and, thus, will not be paid through the general fund. There will be a potential positive impact to the general fund by re-enrolling students who have dropped out, and thus recouping ADA.

PROPOSED AGENDA ITEM: Declaration of Surplus Property

Prepared by: Jaclyn Kruger - Director, Fiscal Services

☐ Consent  
☐ Information Only  
☐ Discussion/Action

Board Date 8/21/13

Background Information:

In accordance with the California Ed Code, Chico Unified School District's property may be disposed of by any of the following methods:

1. The Superintendent may advertise for bids and either sell the property to the highest responsible bidder or reject all bids. Timely notice for bids shall be posted or published. The Superintendent or designee may sell property for which no qualified bid has been received, without further advertising.

2. The Superintendent may authorize the sale of the property by public auction.

3. Without advertisement for bids, the County Superintendent may sell or lease the property to government agencies, other school districts, or to any agency eligible under the federal surplus property law. In such cases, the sale price shall be equal to the value of the property plus estimated cost of purchasing, storing, and handling. Excess equipment with a value of less than one hundred dollars may be sold directly to an agency without advertising with the approval of the Assistant Superintendent of Business Services or designee.

4. If the Superintendent or Designee agrees that the property is worth no more than $2,500, the Superintendent may designate any employee to sell the property without advertising.

5. If the Superintendent or Designee finds that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Superintendent or may be disposed of by dumping. If any equipment contains universal waste, it will be disposed of in a legal manner.

AGENDA ITEM: Educational Services Review of Summer Programs and Opening of School Update

Prepared by: Education Services Staff

☐ Consent
☐ Information Only
☐ Discussion/Action

Board Date August 21, 2013

Background Information:

District staff will provide the Board with information regarding the various programs provided during the summer months as well as information about the first three days of the 2013-14 school year.

Educational Implications:

This item addresses the following goals adopted by the Board for the 2013-14 school year:

- To provide every student with the opportunity to attain increasing levels of individual achievement that prepare them for success in the 21st Century
- To provide a safe, healthy, and engaging environment for learning to take place
- To build effective partnerships with our constituents

Fiscal Implications:

None
AGENDA ITEM: Educational Services Proposals for Local Control Budget

Prepared by: Educational Services

☒ Discussion/Action

Board Date August 21, 2013

Background Information
The shift to the Local Control Funding Formula enacts the move of once restricted Categorical funds into the unrestricted General Fund budget. The trend started when Tier III flexibility became a reality in the 2007-2008 school year. At that time, Chico, like most districts, had to move the flexible Tier III funds into the General Fund to offset the state’s budget cuts. The CUD Board has voted to keep those funds in the General Fund every year since 2007-2008. Several of the Categorical programs supported by those funds continue to be supported by the General Fund.

The new Local Control Funding Formula will move most of the remaining Categorical Funds into the General Fund. These funds provide valuable support to students at every school site.

Educational Implications
Educational Services staff met with all principals to develop a plan to maintain the valuable programs that had previously been supported by Categorical Funds. The result of these meetings is the list of recommended educational programs which would be funded from the General Fund per approval by the Board of Education.

Fiscal Implications
Programs and staff once funded by Categorical Funds would impact the General Funds if the recommendations are approved.

AGENDA ITEM: Business Services Review of Summer Programs and Opening of School Update

Prepared by: Kevin Bul tema, Assistant Superintendent

□ Consent  
√ Information Only

□ Discussion/Action

Board Date August 21, 2013

Background Information
Summer is a very busy time for the educational support staff at CUSD. This time when classes are not in session allows for more extensive maintenance and cleaning projects. The pace of construction and modernization projects picks up. More extensive maintenance and cleaning of our buses and transportation vehicles occur. We also continue to run nutrition services for our summer school programs and make preparations for the start of a new school year. Our fiscal year ends June 30 so the summer is also a time when we begin closing our books from the prior year and begin adjusting budgets for the current year. A brief report on Business Services summer activities will be presented to the board.

Educational Implications
Business Services supports the success of every student and staff member at CUSD with clean, safe facilities, transportation services, and financial support services.

AGENDA ITEM: Resolution No. 1228-13, Canyon View High School Final Environmental Impact Report Draft Addendum

Prepared by: Michael Weissenborn, Director Facilities & Construction

☐ Consent  Board Date August 21, 2013

☐ Information Only

☒ Discussion/Action

Background Information
The Canyon View High School Project Final Environmental Impact Report (FEIR) (SCH#2001102057) was certified on August 7, 2002. This Addendum to the Canyon View School Project was prepared in accordance with California Environmental Quality Act (CEQA) guidelines section 15164. The draft Addendum updates the 2002 FEIR. The purpose of this draft addendum is to provide environmental review of the updated regulatory permitting and compliance documents from the U.S. Army Corps of Engineers (USACE) and U.S. Fish and Wildlife Service (USFWS) and mitigation approach in order to achieve consistency with overall environmental impact analysis. As a result of options available for mitigation measures and regulatory requirements, minor changes to the mitigation measures have been made. This Addendum addresses the environmental impact of the changes in mitigation options and regulatory permitting requirements.

CUSD staff found that the significant effects of the project have been analyzed adequately in the FEIR and have been avoided, minimized, or mitigated pursuant to the FEIR and through clarifications identified in this Addendum. No new information of substantial importance has become available since the FEIR was prepared. Therefore, the proposed project is adequately addressed in the FEIR and the Addendum to the FEIR.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

RESOLUTION NO. 1228-13

RESOLUTION OF THE BOARD OF EDUCATION OF THE CHICO UNIFIED SCHOOL DISTRICT ADOPTING AN ADDENDUM TO THE FINAL ENVIRONMENTAL IMPACT REPORT (FEIR) FOR THE CANYON VIEW HIGH SCHOOL PROJECT (SCH#2001102057)

WHEREAS, on August 7, 2002, the Chico Unified School District (the “District”) certified the FEIR for the Canyon View High School Project and approved the project;

WHEREAS, since the certification of the FEIR, there have been modifications made to the regulatory permitting and compliance documents from the U.S. Army Corps of Engineers (USACE) and the U.S. Fish and Wildlife (USFWS) including new mitigation options for the project;

WHEREAS, these mitigation options would result in no new physical impacts and is consistent with the intent of the original mitigation for the Canyon View High School Project FEIR.;

WHEREAS, the FEIR’s Biological Resources Mitigation Measures for impacts to Swainson’s hawk foraging habitat assumed presence of active Swainson’s hawk nests within 10 miles of the Canyon View High School Project;

WHEREAS, in the time since the mitigation measures were written and the FEIR certified, the status of active Swainson’s hawk nests within 10 miles of the proposed project has changed;

WHEREAS, the California Environmental Quality Act (CEQA) Guidelines, Section 15164 provides for the preparation of an Addendum to a previously certified FEIR if some changes or additions are necessary but none of the conditions described in Section 15162 calling for the preparation of a subsequent EIR have occurred;

WHEREAS, in light of these minor regulatory and new mitigation options, the District has prepared an Addendum to the FEIR (“Addendum”) pursuant to CEQA Guidelines section 15164 to evaluate whether these changes result in new significant impacts beyond those already identified and mitigated in the FEIR or result in substantially more severe impacts than disclosed in the FEIR; and

WHEREAS, the Addendum prepared by District environmental consultants and staff concludes that, “the significant effects of the project have been analyzed adequately in the FEIR and have been avoided, minimized, or mitigated pursuant to the FEIR and through clarifications identified in this Addendum, and that none of the conditions described in Section 15162 calling for the preparation of a subsequent EIR have occurred. Therefore, District staff has determined that the potential impacts to all environmental issue areas as evaluated under the FEIR analysis would be reduced or remain the same from those previously anticipated in the FEIR”.

NOW, THEREFORE, the Board of Education of the Chico Unified School District does hereby resolve, determine and order as follows:

1. The Board approves the Addendum in the form presented at the meeting.

2. The Board has reviewed and considered the Addendum in light of the 2002 FEIR.
3. In accordance with Public Resources Code section 21166 and CEQA Guidelines section 15162, and based on the FEIR and Addendum, the Board finds and determines as follows:

a. The potential environmental effects of the Project have been analyzed, considered and mitigated through the FEIR.

b. In the Addendum, the District has evaluated and considered the changes in the regulatory documents and mitigation opportunities as compared with the Project approved in 2002. The regulatory setting changes, mitigation options, and Project changes analyzed in the Addendum do not involve new significant environmental effects or a substantial increase in the severity of previously identified significant effects, and the changes with respect to the Project environment do not involve new significant environmental effects or a substantial increase in the severity of previously identified significant effects.

c. The District is not aware of any other new information of substantial importance that discloses that the Project will have other or more severe significant environmental effects no previously discussed or that previously rejected or other mitigation measures or alternatives are now feasible and effective.

d. Therefore, the FEIR remains adequate and no subsequent EIR or further CEQA environmental analysis is required for the project.

4. The Board authorizes and directs District Staff to prepare and file a CEQA Notice of Determination reflecting this determination.

APPROVED, PASSED AND ADOPTED by the Board of Education of the Chico Unified School District on this 21st day of August 2013 by the following vote:

Addendum to the
Canyon View High School Project
Environmental Impact Report
(SCH#2001102057)
INTRODUCTION

The Canyon View High School Project Final Environmental Impact Report (SCH# 2001102057) was certified on August 7th, 2002. This Addendum to the Canyon View High School Project has been prepared in accordance with the California Environmental Quality Act (CEQA) guidelines section 15164. The draft Addendum updates the 2002 FEIR. The purpose of this draft addendum is to provide environmental review of the updated regulatory permitting and compliance documents from the U.S. Army Corps of Engineers (USACE) and U.S. Fish and Wildlife Service (USFWS) and mitigation approach in order to achieve consistency with the overall environmental impact analysis. As a result of options available for mitigation measures and regulatory requirements minor changes to the mitigation measures have been made. This Addendum addresses the environmental impact of the project changes.

This draft Addendum is the result of an evaluation of the proposed project in relation to the previously prepared and certified FEIR. The evaluation, contained in the addendum, determined that the proposed project does not contain changes and/or additional details that warrant a Subsequent or Supplemental EIR as described in Section 15162 and 15163 of the CEQA Guidelines. Upon completion of the Addendum, the Chico Unified School District has determined on the basis of substantial evidence in the light of the whole record that the proposed project does not trigger additional CEQA review.

REQUIREMENTS FOR PREPARATION OF AN ADDENDUM

The California Environmental Quality Act (CEQA, Section 15164 provides for the preparation of an Addendum to a previously certified EIR. Section 15164(a) states: “The lead agency...shall prepare an addendum to a previously certified EIR if some changes or additions are necessary but none of the conditions described in Section 15162 calling for the preparation of a subsequent EIR have occurred.”

Section 15162(a) of the CEQA Guidelines requires preparation of a subsequent EIR under the following circumstances:

“(1) Substantial changes are proposed in the project which will require major revisions of the previous EIR or negative declaration due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects.

(2) Substantial changes occur with respect to the circumstances under which the project is undertaken which will require major revisions of the previous EIR or Negative Declaration due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; or

(3) New information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the previous EIR was certified as complete or the Negative Declaration was adopted, shows any of the following:

(A) The project will have one or more significant effects not discussed in the previous EIR or negative declaration;
(B) Significant effects previously examined will be substantially more severe than shown in the previous EIR;

(C) Mitigation measures or alternatives previously found not to be feasible would in fact be feasible, and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative; or

(D) Mitigation measures or alternatives which are considerably different from those analyzed in the previous EIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative."

If none of the aforementioned conditions have been met and staff finds that none has been met, preparation of a Subsequent or Supplemental EIR is not required. Rather, the Lead Agency may:

- Decide that no further environmental documentation is necessary; or,
- Require that an Addendum be prepared.

As discussed in the analysis, none of the provisions of Section 15162 apply to the proposed change; therefore, an Addendum (rather than a Subsequent EIR) has been prepared. Specifically, there are no new significant effects or substantial increases in the severity of previously identified effects; no changes to the circumstances under which the project is undertaken; and no new information of substantial importance. Based on the scope of the proposed project biological resource mitigation changes, CUSD decided to prepare this Addendum to properly address potential impacts associated with the Canyon View High School Project EIR. All publically circulated documents are available for review at CUSD’s District Office at 1163 East Seventh Street, Chico, CA 95928-5999. Pursuant to CEQA (Section 15164(c)), “an addendum need not be circulated for public review but can be included in, or attached to the final EIR or adopted negative declaration.”

**PRIOR ENVIRONMENTAL REVIEW**

The Notice of Preparation was released on October 10, 2001 for public review of the project involves constructing and operating a high school serving 1,600-2,000 students in grades 9-12 and employing 100-120 staff members. The high school is proposed for development on one of four potential sites in the southeastern portion of Chico. The proposed project would include classrooms, administrative buildings, ball fields, basketball courts, a football stadium, and on-site parking, to be constructed on a 50-acre or larger high school site. A Draft EIR was released on June 13th, 2002 for a 45-day agency and public comment period. The Chico Unified School District Board of Education adopted Statements of Overriding Considerations in regard to those impacts. The FEIR also identified significant impacts that could be mitigated. The Overriding Considerations and Mitigation Measure adopted for the previously approved project on August 8, 2002, will apply to this project with the exception of changes detailed in the following paragraphs. CUSD placed public notices in the local newspaper (ChicoER) and sent notices to landowners within 500 feet of the project for the previously approved project.
CHANGES TO THE PROJECT

The current proposal involves minor changes to the project that were not previously evaluated in the certified EIR, but are not anticipated to generate new environmental impacts because:

- No new or increased effects to significant impacts would be triggered by project changes or project circumstances;
- No new information of substantial importance has changed the effects determination or the feasibility of mitigation measures; and, No new feasible mitigation has been rejected by CUSD.

A list of the applicable changes consistent with CEQA Guidelines Section 15164 can be found below:

Revision 1:

Change Biological Resources Mitigation Measure for wetland impacts to allow for a fourth option; the purchase of preservation credits from the Service-approved Meriam Park Preserve or the purchase of mitigation bank credits from the Service-approved Sycamore Creek Conservation Bank, in addition to the existing options of payment into an in-lieu fee program, purchasing off-site mitigation property or a combination of the two.

The final EIR required CUSD to implement the following mitigation measures to address impacts to wetlands:

Mitigation Measure 5-3 Compensate for the Impacts on Waters of the United States and Habitat for Special Status Species

The purchase of credits at a mitigation bank is not an option for this project because there are no vernal pool mitigation banks approved for use in the Chico area. The following three options have been identified by CUSD’s permitting consultant (Ginger Fodge, Gibson & Skordal) as the most feasible alternatives for mitigation for impacts on waters of the United States and associated habitat for special-status species.

Option 1: Payment into in-lieu fee program

Under this option, payment would be made to a mitigation fund administered by the USFWS, with the funds earmarked for the acquisition and preservation of vernal pool and Butte County meadowfoam habitat in the Chico area. The payment amount would be determined by designating specific ratios required to mitigate for impacts to wetlands, federally listed invertebrates and Butte county meadowfoam, and then multiplying the acreage of mitigation required by a price-per-acre cost.

While specific mitigation ratios have not been negotiated with the USFWS for the Canyon View High School Project, typical mitigation ratios for vernal pool habitat impacts (when credits are purchased at a mitigation bank) are 3 acres preserved and/or restored for every acre of habitat indirectly impacted. It is assumed that this same mitigation ration
would be required under an in-lieu fee agreement for the Canyon View High School Project.

The fee required to mitigate for impacts on Butte County meadowfoam would have to be negotiated with USFWS, since there is no precedent for the purchase of credits to mitigate for Butte County meadowfoam impacts. The specific mitigation ratios and cost per acre of credit likely will be dependent on the specific property or properties identified as the candidate purchase site(s).

Option 2: Purchase of Off-Site Mitigation Property

A second option for mitigation is the purchase of another property containing vernal pools, federally listed invertebrates, and Butte County meadowfoam at a quantity sufficient to meet the mitigation ratios established by the USFWS. The mitigation site must be of a sufficient size that the wetland, listed invertebrate, and Butte County meadowfoam habitat can be sustained over time. Based on the Requirements typically places on mitigation sites, the property would have to be preserved in perpetuity through establishment of a conservation easement or other similar restrictions. Funding would have to be established to provide for long-term maintenance and management of the site, and an entity responsible for management of the site must be designated. A management plan for the site would also be required.

Option 3: Combination of Mitigation Property Purchase and Payment of In-Lieu Fee.

A third option would be a combination of the two options described above. This may need to occur if an off-site mitigation area is established that cannot meet the mitigation ratios required by the USFWS. For example, the District could purchase additional lands containing Butte County meadowfoam in sufficient quantity to mitigate for Butte County meadowfoam at the ratios established by the USFWS. If that property did not contain enough wetland acreage to fully mitigate vernal pool impacts, a fee in-lieu payment could be made to the USFWS to make up the difference.

The reverse could be done if a mitigation property was purchased that contained sufficient wetland acreage but lacked Butte County meadowfoam at a quality to satisfy the mitigation ratio established by the USFWS.

In the time since the mitigation measures were written and the FEIR certified, preserves and mitigation banks have been established in the service area of the proposed project. As a result the revised Mitigation Measure 5-3 would be addressed as follows:

Mitigation Measure 5-3 Compensate for the Impacts on Waters of the United States and Habitat for Special –Status Species

The purchase of credits at a mitigation bank is not an option for this project because there are no vernal pool mitigation banks approved for use in the Chico area. The
following three options have been identified by CUSD's permitting consultant (Ginger Fodge, Gibson & Skarda) as the most feasible alternatives for mitigation for impacts on waters of the United States and associated habitat for special-status species.

The fee required to mitigate for impacts on Butte County meadowfoam would have to be negotiated with USFWS, since there is no precedent for the purchase of credits to mitigate for Butte County meadowfoam impacts. The specific mitigation ratios and cost per acre of credit likely will be dependent on the specific property or properties identified as the candidate purchase site(s).

A management plan for the site would also be required.

Option 3: Combination of Mitigation Property Purchase and Payment of In-Lieu Fee.

A third option would be a combination of the two options described above. This may need to occur if an off-site mitigation area is established that cannot meet the mitigation ratios required by the USFWS. For example, the District could purchase additional lands
containing Butte County meadowfoam in sufficient quantity to mitigate for Butte County meadowfoam at the ratios established by the USFWS. If that property did not contain enough wetland acreage to fully mitigate vernal pool impacts, a fee in-lieu payment could be made to the USFWS to make up the difference.

The reverse could be done if a mitigation property was purchased that contained sufficient wetland acreage but lacked Butte County meadowfoam at a quality to satisfy the mitigation ration established by the USFWS.

Option 4: Purchase of Mitigation and/or Preservation Credits from a Mitigation Bank and/or Preserve.

To mitigate for the loss of 1.35 acres of waters of the United States, including wetlands, the project proponent shall purchase 0.33 credits of created intermittent drainage/riverine habitat, 0.37 credits of created vernal pool, and 0.65 credits of created seasonal wetland at a USACE approved mitigation bank. The selected mitigation bank shall include the area of the permitted project within its service area. Evidence of this purchase shall be provided to the USACE Sacramento Office prior to initiation of construction activities within waters of the U.S.

To mitigate for the loss of 0.05 acres Butte County meadowfoam (BCM), the project proponent shall compensate for the loss of habitat through one of two proposed methods:

- Purchasing the remainder of the surplus meadowfoam preservation credits available from the Service-approved Meriam Park Preserve. Currently, the remaining balance of surplus meadowfoam credits available as noted in the Meriam Park biological opinion (81420-2008-F-1070-R002) is 1.23 acres, or;
- Purchasing 1 acre of meadowfoam preservation credits from the Service Approved Sycamore Creek Conservation Bank.

The revised mitigation measure would result in no new physical impacts and is consistent with both the intent of the original mitigation for the Canyon View High School Project FEIR. In order to allow for future adaptability to the ever changing options for mitigation, the existing mitigation options will be retained. Therefore the inclusion of the new mitigation option #4 results in an improved range of options and mitigation approach from a regional biological resource integrity perspective and would not result in any new or increase significant impacts.
Revision 2:

Change Biological Resources Mitigation Measure for impacts to Swainson’s hawk foraging habitat to reflect the current status of active Swainson’s hawk nests within 10 miles of the Canyon View High School Project.

The final EIR required CUSD to implement the following mitigation measures to address impacts to Swainson’s hawk foraging habitat:

Mitigation Measure 5-4: Implement the DFG Guidelines for Swainson’s Hawk Mitigation

The “Staff Report Regarding Mitigation for Impacts to Swainson’s hawks in the Central Valley of California,” published by DFG, recommends purchase of Habitat Management (HM) lands for each acre of urban development authorized, at a ratio determined by the distance to the nearest active nest. Because the nearest active nest is less than 5 miles but more than 1 mile from the four alternative sites, CUSD will purchase HM lands at a ratio of 0.75:1.

In the time since the mitigation measures were written and the FEIR certified, the status of active nests within 10 miles of the proposed project has changed. The “Staff Report Regarding Mitigation for Impacts to Swainson’s hawks in the Central Valley of California,” published by DFG (CDFW) recommends purchase of Habitat Management (HM) lands for each acre of urban development authorized, at a ratio determined by the distance to the nearest active nest. Active nests are defined as those that are verified by the CDFW as active within the last 5 years using sources such as the California Natural Diversity Database (CNDDDB) and through consultation with CDFW biologists. The review of active nests indicated that proposed sites #10, #15, and #15A are not within 10 miles of an active nest and site #9 is within 10 miles of an active nest. As a result the revised Mitigation Measure 5-3 would be addressed as follows:

Mitigation Measure 5-4: Implement the DFG Guidelines for Swainson’s Hawk Mitigation

The “Staff Report Regarding Mitigation for Impacts to Swainson’s hawks in the Central Valley of California,” published by DFG, recommends purchase of Habitat Management (HM) lands for each acre of urban development authorized, at a ratio determined by the distance to the nearest active nest. **Because the nearest active nest is less than 5 miles but more than 1 mile from the four alternative sites, CUSD will purchase HM lands at a ratio of 0.75:1. Proposed sites #10, #15, and #15A are not within 10 miles of an active nest therefore no mitigation is required for impacts to Swainson’s hawk foraging habitat. Site #9 is within 10 miles of an active nest, therefore if site #9 is developed as part of this project, CUSD will purchase HM lands at a ratio of 0.5:1.**
ANALYSIS

CUSD staff found that the significant effects of the project have been analyzed adequately in the Final EIR and have been avoided, minimized, or mitigated pursuant to the Final EIR and through clarifications identified in this Addendum. Therefore, CUSD staff has determined that the potential impacts to all environmental issue areas as evaluated under the Final EIR analysis would be reduced or remain the same from this previously anticipated in the Final EIR.

Based on the environmental analysis contained in the Addendum to the Final EIR, none of the situations described in CEQA Sections 15162-15163 applies. Neither the proposed revisions nor the circumstances under which they are being undertaken would result in any new significant impacts not discusses in the Final EIR, or any substantial increase in the severity of impacts identified by the Final EIR. In addition, no new information of substantial importance has become available since the Final EIR was prepared regarding new significant impacts, or feasibility of mitigation measures or alternatives. Therefore, the proposed project is adequately addressed in the Final EIR and the Addendum to the Final EIR.

c. IF THIS IS AN INITIAL WAIVER REQUEST, EXPLAIN WHAT MAKES THE APPLICANT THE BEST CANDIDATE

Include detailed information about the individual's professional preparation and expertise in the subject/area requested and attach appropriate documentation including transcripts, examination score reports, and verification of experience.

Ms. Bilinsky has completed requirements leading to a Special Education Mild/Moderate Education Specialist Credential for student's ages 3 to 22 years of age. In addition she also has a clear Resource Specialist and Cross-cultural Language Acquisition and Development Certificates, Master's degree in Special Education, and Deaf/Hard of Hearing Rehabilitation Credential. The credential programs included coursework in early childhood development (California State University, Chico and Cal State Las Angeles), curriculum and instruction, behavioral management, and early childhood development. Her undergraduate and graduate training provided her coursework in early childhood development, childhood psychology, and curriculum and instruction. Her background has provided her experiences with a wide range of preschool students with disabilities. She has over 15 years of teaching in Special Education settings. Specific areas of training/professional development specific to working with preschool students includes: picture exchange communication systems, behavior training (BSP), Evidence Based Practice training for students on the autism spectrum, sign language skills, curriculum and instruction. Her professional preparation including her undergraduate/graduate work, public school teaching experiences in Special Education and professional development are outstanding and meet the requirements to be an effective preschool teacher.
6. NON STATEWIDE LOW INCIDENCE AREA WAIVER REQUESTS:

   a. INDICATE THE LOW INCIDENCE AREA FOR THE ASSIGNMENT

   □ Administrative Services  □ Multiple Subject Teaching
   □ Single Subject Teaching (all subject areas)  □ Pupil Personnel Services: Counseling, Psychology, Social Work
   □ Designated Subjects – except driver education and training  □ Reading Specialist/Certificate
   □ Teacher Librarian Services  □ Teacher of English Learner Students

   b. INDICATE WHAT WAS DONE THIS YEAR TO LOCATE AND RECRUIT INDIVIDUALS TO FILL THIS POSITION

   Copies of announcements, advertisements, web site registration, etc. must be attached.

   The employer must verify all of the following:
   □ Distributed job announcements  □ Optional recruitment methods:
   □ Contacted IHE placement centers  □ Advertised in local/national newspaper
   □ Internet (i.e. www.edjoin.org)  □ Attended job fairs in California

   c. PROVIDE DETAILED INFORMATION ABOUT THE RESULTS OF RECRUITMENT EFFORTS. BE SURE TO ANSWER EACH OF THE FOLLOWING QUESTIONS:

   How many individuals credentialed in the authorization of the waiver request applied for the position?

   ________

   How many individuals credentialed in the authorization of the waiver request were interviewed?

   ________

   What were the results of those interviews? (Please indicate answers in numbers)

   ________ Applicant(s) withdrew
   ________ Candidate(s) declined job offer
   ________ Candidate(s) found unsuitable for the assignment

   d. PROVIDE THE SPECIFIC EMPLOYMENT CRITERIA FOR THE POSITION

   What special skills and knowledge are needed to successfully perform in this position? These should also be described in your recruitment advertisements and announcements.
e. IF THIS IS AN INITIAL WAIVER REQUEST, EXPLAIN WHAT MAKES THE APPLICANT THE BEST CANDIDATE

Include detailed information about the individual's professional preparation and expertise in the subject/area requested and attach appropriate documentation including transcripts, examination score reports, and verification of experience.

11. PROFESSIONAL FITNESS QUESTIONS (to be answered by the applicant)
Answers to the following questions are required. If you answer yes to any question, you must complete the corresponding Professional Fitness Explanation Form.

Before granting your application, the Commission will review, at a minimum:

- Federal Bureau of Investigation criminal history (rap sheet)
- California Department of Justice criminal history (rap sheet)
- International database of teacher misconduct maintained by the National Association of State Directors of Teacher Education and Certification (NASDTEC)
- Previous reviews by the Commission
- Complaints from others
- Notifications from school districts
- Teacher preparation test score violations

You must disclose misconduct, even if:

- It happened a long time ago
- It happened in another state, federal court, military or jurisdiction outside the United States
- It was a misdemeanor
- The conviction was for reckless driving or driving under the influence
- You did not go to court and your attorney went for you
- You did not go to jail or the sentence was only a fine or probation
- You received a certificate of rehabilitation
- Your conviction was later dismissed (even if under Penal Code section 1203.4), expunged, set aside or the sentence was suspended

⚠️ Warning: Failure to disclose any information requested is falsification of your application and the Commission may reject or deny your application or take disciplinary action against your document.

Do you understand:

- these instructions and;
- that you will later declare under penalty of perjury that the information you give is true and correct and;

12. **PUBLIC NOTICE -- CHECK THE BOX THAT APPLIES**

**Public School District:** Attached is a copy of the agenda item presented to the governing board of the school district in a public meeting showing the name of the applicant, the specific assignment including subject and grade level, and the fact that employment will be on the basis of a credential waiver. With the signature of the superintendent or his or her designee in item #14 below, the person signing verifies that the board acted upon the item favorably.

By submitting this waiver request the district is certifying that reasonable efforts to recruit a fully prepared teacher for the assignment(s) were made in the following order:

1. A candidate who is qualified to participate in an approved internship program in the region of the school district
2. An individual who is scheduled to complete initial preparation requirements within six months

**County Office of Education, State Agency, or Nonpublic, Nonsectarian School or Agency:** Attached is a dated copy of the notice that was posted at least 72 hours before the position was filled showing the name of the applicant, the specific assignment including subject and grade level, and the fact that employment will be on the basis of a credential waiver. With the signature of the superintendent or administrator or his or her designee in item #14 below, the person signing verifies that there were no objections to this waiver request.
13. APPLICANT'S CERTIFICATION

I understand that in order to receive a subsequent waiver for this assignment I must pursue the completion of requirements to obtain full certification in the subject or area covered by this waiver request as specified in #7 above.

I understand that if my case is heard in a public meeting, all materials submitted to the Commission regarding my suitability, including grades and test scores, may be discussed.

I hereby certify (or declare) under penalty of perjury under the laws of the State of California that all of the foregoing statements in this application are true and correct.

County Office of Education, State Agency, or Nonpublic, Nonsectarian School or Agency: Attached is a dated copy of the notice that was posted at least 72 hours before the position was filled showing the name of the applicant, the specific assignment including subject and grade level, and the fact that employment will be on the basis of a credential waiver. With the signature of the superintendent or administrator or his or her designee in item #14 below, the person signing verifies that there were no objections to this waiver request.
13. APPLICANT'S CERTIFICATION

I understand that in order to receive a subsequent waiver for this assignment I must pursue the completion of requirements to obtain full certification in the subject or area covered by this waiver request as specified in #7 above.

I understand that if my case is heard in a public meeting, all materials submitted to the Commission regarding my suitability, including grades and test scores, may be discussed.

I hereby certify (or declare) under penalty of perjury under the laws of the State of California that all of the foregoing statements in this application are true and correct.

14. EMPLOYING AGENCY CERTIFICATION (To be signed by district or county superintendent, personnel administrator, NPS/NPA administrator, or designee.)

The person for whom this waiver is requested will not be employed until he or she has been cleared by the Department of Justice under the provisions of Education Code Section 44332.6 and Section 44830.1 (AB1612). The employer acknowledges that the Commission's final approval of this individual's waiver will be determined by a fitness review covering, in part, criminal activity, including certain in-state and/or out-of-state convictions. If this waiver request is for service to special education children, the Special Education Local Planning Area (SELPA) has been notified of our intent to request this waiver.

I certify under penalty of perjury that the information provided in this report is accurate and complete.
