   3.1.1. **Information:** Measure E – Progress Report on Preliminary Findings, and Alternatives Discussion for the District Facilities Master Plan
   At 5:06 p.m. Director Michael Weissenborn presented an overview and turned the meeting over to Marty Dietz with Darden Architects. Mr. Dietz introduced members of the review team: Tim Haley, Haley Gipe, Mike Cannon, Ken Reynolds, Jody Rentzel, and Ellen Hooper. Mr. Dietz explained that for months they have been visiting all CUSD campuses, examining every classroom and campus space in the district. They also monitored public discussions, as well as met with staff and faculty at individual school sites. They presented a PowerPoint of their findings and stated the data suggests the elementary student segment of the district’s population will grow beyond the holding capacity of the existing campuses. Seven potential options were presented for the Board’s review. Board members shared their concerns regarding the need for flexibility, looking beyond brick and mortar, increased technological needs, and the importance of setting aside funds to use for maintenance. The Board removed four options (B, C, E, and F). The remaining three options included: 1) the construction of a 23-classroom elementary school, plus building 20 new classrooms among five existing elementary school sites; 2) the conversion of one junior high to a K-6, plus build 20 new classrooms at existing schools; and 3) the conversion of all junior highs to 6-8 middle schools, plus build 12 classrooms among 3 existing elementary schools. Discussions will continue and additional meetings for community input are planned.

At 7:02 p.m. Board President Griffin announced there would be a five minute break before the Board moved into Closed Session.

AGENDA ITEM: Rosedale Elementary School – 6th Grade Environmental Hike to Mt. Lassen National Park

Prepared by: Tim Cariss, Principal, Jiorgina Romo and Adan Mota – 6th Grade Teachers

Consent [x]  Board Date September 18, 2013

Information Only

Discussion/Action

Background Information

The Rosedale 6th graders would like to visit Mt. Lassen National Park for a hike and a camping trip. We would depart Rosedale at 8:30 am, set up camp and hike a trail. We will have a study session, prepare dinner and camp overnight. The next day we eat breakfast, take down camp and hike again. We will be back on campus at about 5:30 pm.

Educational Implications

6th Grade study: Earth Science

The most exciting parts of the trip are the volcanoes, but there are many other aspects of Earth science clearly evident in the park such as rocks, minerals, other land forms and erosion. Grade 6 Earth Science Standards Set 1, 2, 3, 4, 5, and 6 all apply to this field trip. Ref: Science Framework for California Public Schools K through 12, 2004 California Department of Education.

Fiscal Implications

PROPOSED AGENDA ITEM: Reach for the Future Overnight Request

Prepared by: Jen Skinner

☐ Consent
☐ Information Only
☐ Discussion/Action

Board Date September 18th 2013

Background Information

The Youth Development Summit is a leadership conference that students from Chico Unified School District have been attending for almost 20 years. The conference is hosted by BCDBH and will include opportunities for students to write a grant, implement community change projects that aim to reduce youth access to alcohol, engage with community leaders to address local youth issues and act as change agents on their school campuses.

Students from the following CUSD schools are registering to attend: Bidwell Junior High School, Chico Jr High School, Chico High School, Fairview High School and Pleasant Valley High School. The conference dates are October 3rd-4th, 2013.

Education Implications

The conference starts on a Thursday morning and ends on a Friday afternoon. As a result, students will be missing two full days of school. Students, parents and staff have all verbalized the positive change and growth they have seen in the youth who participate. The time that students spend out of class is time spent investing in themselves and in their community. The benefits of attending the conference are well worth the school absence.

Additionally, student grades are checked prior to attending the conference. Students in poor academic standing are not allowed to attend the conference.

Fiscal Implications

The conference costs $50 per student to attend and students fundraise to pay their conference fees. All student expenses are included in that $50.

The only potential cost to the district is sub fees for the club advisors to attend the conference with their students.

Additional Information

In addition to BCDBH staff (who host and facilitate the conference), BCDBH requires a 10:1 student to adult ratio. This mean that all schools who attend are required to provide one adult for every ten students who attend. Overall, all students who attend are well supervised and have a great time!

PROPOSED AGENDA ITEM:  Resolution #1227-13 - Public Hearing

Prepared by:  Joanne Parsley

_____ Consent

_____ Information Only  Board Date:  September 18, 2013

X  Discussion/Action/Public Hearing

Background Information

*Education Code* Section 60119 requires that each pupil within the Chico Unified School District be provided sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks in the areas of history/social science, mathematics, reading/language arts and science. The attached Certification of Provision of Standards-Aligned Instructional Materials states that we are currently sufficient for the 2012-13 school year. As such, the Educational Services Department requests approval of Resolution No. 1227.13.

Education Implications

All students will be provided with sufficient textbooks and instructional materials in the core instructional areas for in-class work as well as homework.

Fiscal Implications

Standards-aligned instructional materials are purchased out of the state provided funds.

Additional Information

As required by CCR, Title 5, Section 9531, instructional materials for students in grades K-8 were purchased from an approved standards-aligned state adoption list and instructional materials purchased for students in grades 9-12 are aligned with the state content standards and are approved by the CUSD Board of Education following district review of the materials.
RESOLUTION NO. 1227-13

Whereas, the governing board of Chico Unified School District, in order to comply with the requirements of Education Code section 60119 held a public hearing on September 19, 2012, at 6:00pm, which is on or before the eighth week of school and which did not take place during or immediately following school hours, and;

Whereas, the governing board provided at least ten days notice of public hearing posted in at least three public places within the district that stated the time, place and purpose of the hearing, and;

Whereas, the governing board encouraged participation by parents, teachers, members of the community and bargaining unit leaders in the public hearing, and;

Whereas information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district, and;

Whereas, the definition of “sufficient textbooks or instructional materials” means that each pupil has a textbook or instructional materials, or both, to use in class and to take home;

Whereas sufficient textbooks and instructional materials were provided to each student, including English learners, in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks;

Whereas, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

Whereas, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

Therefore it is resolved that for the 2013-14 school year, the Chico Unified School District has provided each pupil with sufficient textbooks and instructional materials aligned to the content standards and consistent with the cycles and content of the curriculum frameworks.

AGENDA ITEM: 2013-14 Revised Budget

Prepared by: Kevin Bultema

Consent  Board Date  9-18-13

Discussion/Action

Background Information
Education Code 42127(i)(4) states, "Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act." This Revised Budget report represents changes made to the budget since the board adopted the 2013-14 Original Budget in June.

Educational Implications
The budget is the district’s plan for use of financial resources to provide educational services and opportunities to the students of Chico Unified School District.

Fiscal Implications
The revised budget projects revenue based on the new Local Control Funding Formula (LCFF) which is a change from revenue limits included in the Original Budget. The revised budget also uses prior year Average Daily Attendance (ADA) whereas the Original Budget estimated an increase in ADA of 60.98. Salary and benefit costs have been updated as of August 15th. The revised budget does not include carryover amounts from 2012-13 as the books are not yet closed. A summary financial statement is attached for the general fund.

A detailed report of the Revised Budget will be presented at the board meeting.

AGENDA ITEM: Resolution 1230-13, Designating Persons Performing Volunteer Services Without Pay as Employees for the Limited Purpose of Qualifying for Workers Compensation Insurance Coverage

Prepared by: Kevin Bultema

☐ Consent

☐ Information Only

☒ Discussion/Action

Background Information

Chico Unified School District (CUSD) recognizes and acknowledges the services volunteers and mentors contribute to our schools providing an array of services promoting the health and well-being of children. The presence of volunteers and mentors in the classroom, on school grounds, and as part of the student activity program, enhances supervision of students and contributes to a positive school environment. Volunteer work is generally limited to those projects that do not replace the normal duties of staff. The District nevertheless encourages volunteers to work on short-term projects to the extent they enhance the classroom or school, and do not significantly increase maintenance workloads, and comply with employee commitments and contracts.

This resolution would designate volunteers as “employees” of the school district for the limited purpose of qualifying for worker’s compensation insurance as allowed under California Labor Code sections 3200. This resolution is presented for the following reasons:

- As workers’s compensation is the sole remedy in an event of injury it prevents costly tort litigation which could include awards such as punitive damages and pain and suffering, etc.
- Ease of access for volunteers to seek necessary medical treatment resulting in faster recover time and reduced claim costs
- District can control claim costs thought use of Medical Provider Networks and ability to direct care

This is the current practice of CUSD. This resolution would update previous resolution language adopted in 1985.

Educational Implications

Allows continued use of volunteers with appropriate insurance coverage benefitting both the volunteer, the district, and students.

Fiscal Implications

This resolution mitigates some risk associated with possible tort claims thus saving the district in future liability insurance premiums.
RESOLUTION OF THE GOVERNING BOARD
OF THE CHICO UNIFIED SCHOOL DISTRICT

RESOLUTION 1230-13
DESIGNATING PERSONS PERFORMING VOLUNTEER SERVICES WITHOUT PAY FOR THE CHICO UNIFIED SCHOOL DISTRICT AS EMPLOYEES FOR THE LIMITED PURPOSE OF QUALIFYING FOR WORKERS’ COMPENSATION INSURANCE COVERAGE UNDER CALIFORNIA LABOR CODE SECTIONS 3200, et seq.

WHEREAS, persons who perform volunteer services without pay for the Chico Unified School District are not currently covered by Workers’ Compensation Insurance since they do not fall within the definition of “employee” as defined by California Labor Code, section 3351 and 3351.5, which governs eligibility for Workers’ Compensation Insurance coverage, and are in fact, specifically excluded from such designation by Labor Code section 3352, subdivision (i); and

WHEREAS, the state legislature has seen fit, by passing Labor Code section 3364.5, to provide that in certain circumstances where persons perform volunteer services for a school district or county superintendent, such person may be deemed employees of the school district or county superintendent while performing such services in order to qualify for Workers’ Compensation Insurance coverage, provided the governing body of the school district or county superintendent has adopted a resolution so declaring; and

WHEREAS, the Chico Unified School District desires to provide, as authorized by the Labor Code, Workers’ Compensation Insurance coverage to persons who perform volunteer services without pay on its behalf;

NOW THEREFORE BE IT RESOLVED that the governing board of the Chico Unified School District, under the authority of California Labor Code 3364.5, adopts and declares the following:

All persons who perform volunteer services without pay for the Chico Unified School District are, while performing such volunteer services, hereby designated “employees” of the Chico Unified School District for the limited purpose of qualifying for Workers’ Compensation Insurance coverage under California Labor Codes sections 3200, et seq.
