The Chico Unified School District Board of Education welcomes you to this meeting and invites you to participate in matters before the Board.

INFORMATION, PROCEDURES AND CONDUCT
OF CUSD BOARD OF EDUCATION MEETINGS

No disturbance or willful interruption of any Board meeting shall be permitted. Persistence by an individual or group shall be grounds for the Chair to terminate the privilege of addressing the meeting. The Board may remove disruptive individuals and order the room cleared, if necessary. In this case, further Board proceedings shall concern only matters appearing on the agenda.

CONSENT CALENDAR
The items listed on the Consent Calendar may be approved by the Board in one action. However, in accordance with law, the public has a right to comment on any consent item. At the request of a member of the Board, any item on the consent agenda shall be removed and given individual consideration for action as a regular agenda item. Board Bylaw 9322.

STUDENT PARTICIPATION
At the discretion of the Board President, student speakers may be given priority to address items to the Board.

PUBLIC PARTICIPATION FOR ITEMS ON THE AGENDA (Regular and Special Board Meetings)
The Board shall give members of the public an opportunity to address the Board either before or during the Board’s consideration of each item of business to be discussed at regular or special meetings.

- Speakers will identify themselves and will direct their comments to the Board.
- Each speaker will be allowed three (3) minutes to address the Board.
- In case of numerous requests to address the same item, the Board may select representatives to speak on each side of the item.

PUBLIC PARTICIPATION FOR ITEMS NOT ON THE AGENDA (Regular Board Meetings only)
The Board shall not take action or enter into discussion or dialog on any matter that is not on the meeting agenda, except as allowed by law. (Government Code 54954.2) Items brought forth at this part of the meeting may be referred to the Superintendent or designee or the Board may take the item under advisement. The matter may be placed on the agenda of a subsequent meeting for discussion or action by the Board.

- Public comments for items not on the agenda will be limited to one hour in duration (15 minutes at the beginning of the meeting and 45 minutes at the end of the meeting).
- Initially, each general topic will be limited to 3 speakers.
- Speakers will identify themselves and will direct their comments to the Chair.
- Each speaker will be given three (3) minutes to address the Board.
- Once 2 speakers have shared a similar viewpoint, the Chair will ask for a differing viewpoint. If no other viewpoint is represented then a 3rd speaker may present.
- Speakers will not be allowed to yield their time to other speakers.
- After all topics have been heard, the remainder of the hour may be used by additional speakers to address a previously raised issue.

WRITTEN MATERIAL:
The Board is unable to read written materials presented during the meeting. If any person intends to appear before the Board with written materials, they should be delivered to the Superintendent’s Office or delivered via e-mail to the Board and Superintendent 10 days prior to the meeting date.

COPIES OF AGENDAS AND RELATED MATERIALS:
- Available at the meeting
- Available on the website: www.chicousd.org
- Available for inspection in the Superintendent’s Office prior to the meeting
- Copies may be obtained after payment of applicable copy fees

AMERICANS WITH DISABILITIES ACT
Please contact the Superintendent’s Office at 891-3000 ext. 149 should you require a disability-related modification or accommodation in order to participate in the meeting. This request should be received at least 48 hours prior to the meeting in order to accommodate your request.

Pursuant to Government Code 54957.5, If documents are distributed to board members concerning an agenda item within 72 hours of a regular board meeting, at the same time the documents will be made available for public inspection at the Chico Unified School District, Superintendent’s Office located at 1163 East Seventh Street, Chico, CA 95928 or may be viewed on the website: www.chicousd.org.

3.3 Flag Salute
At 6:06 p.m. Board Vice President Thompson led the salute to the Flag.

4. STUDENT REPORTS
At 6:07 p.m. Superintendent Staley noted that the California School Boards Association (CSBA) showcases outstanding educational programs at its annual conference and presents the Golden Bell
Award to sustainable, innovative and exemplary programs that have made a difference in the lives of students. This year, 220 entries in 22 categories were reviewed, resulting in 59 winners in 18 categories. One of the winners was the Engineering & Architecture program at Chico High School. Principal Jim Hanlon and Teacher Mike Bruggeman provided information on the program noting that it was a collaborative effort with the BCOE ROP program and partnerships with multiple businesses, and included students from both high schools.

5. SUPERINTENDENT’S REPORT
At 6:10 p.m. The Superintendent’s Award was presented to Tom McClain (Mr. Tom) by Little Chico Creek Principal David Murgia. The Board received an update on the Transitional Kindergarten programs from Leader Brian Holdeman, and Teachers Laura Manning, Jan Knecht, Jennie Marsh, and Virgie McGrath. The Board viewed a presentation from Brittany Kissinger and Jessica Taylor, first year kindergarten teachers at Emma Wilson, regarding activities taking place in their classrooms. Brittany also distributed information regarding the Bullying Prevention Program/Zumba Fundraiser for Emma Wilson on January 25, 2014, from 5:00-7:00 p.m. at In Motion Fitness. Director Joanne Parsley stated Chico Unified has magnificent teachers at all school sites and it is always exciting to visit classrooms.

ABSTAIN: Hovey
ABSENT: Kaiser
9.1.2. **Consider Approval of Items Donated to the Chico Unified School District**

Board Clerk Robinson stated she had pulled this item to recognize the significant number of donations made to our district and our schools from individuals, businesses, and teachers, and to recognize the significance of the monetary and in-kind service our community makes to our schools. Board Member Griffin motioned to approve the items donated; seconded by Board Member Hovey.

AYES: Thompson, Robinson, Griffin, Hovey
NOES: None
ABSENT: Kaiser

9.3.3. **Consider Approval of Computers For Classrooms Interim Agreement**

Board Member Hovey stated she pulled this item due to a lack of clarity as to what is to be received by the contract. The MOU states what we pay, but does not state what is to be received. Director Jason Gregg presented information as to types of items (e.g., 1800 computers last year, printers, computer parts) and services (taking care of e-waste) CUSD has received in the past. Superintendent Staley noted there was a reason for not being specific as needs and inventory varied from year to year, but that CUSD has always received more than asked for. Director Gregg noted a report could be produced showing what is received. Board Member Hovey moved to approve Item 9.3.3. with the stipulation that the Board receive a quarterly report of items/services received; seconded by Board Clerk Robinson.

10.1. **EDUCATIONAL SERVICES**

10.1.1. **Discussion/Action: Proclamation Declaring February 2014 as National Teen Dating Violence Prevention and Awareness Month**

At 7:17 p.m. Assistant Superintendent Dave Scott presented information on the Proclamation Declaring February 2014 as National Teen Dating Violence Prevention and Awareness Month. He introduced Alyssa Cozine from the Catalyst who presented additional information. Board Member Griffin made a motion to approve the Proclamation; seconded by Board Member Hovey.

10.2. **BUSINESS SERVICES**

10.2.1. **Discussion/Action: 2013-14 1st Interim Budget**

At 7:21 p.m. In the absence of Assistant Superintendent Bulteria, Directors Connie Cavanaugh and Jaclyn Kruger presented a PowerPoint and provided information regarding the 2013-14 1st Interim Budget and noted that due to the Governor's newly released proposal for the 2014-15 budget, the information they were presenting tonight varied from what was included in the agenda packet. Most notably the district's budget was being submitted with a "positive certification," rather than a "qualified certification". Both Directors Cavanaugh and Kruger explained that what the district will actually get in its budget will not be known until the package has gone through the Legislature and been signed by the governor. They also stressed the importance of enrollment and noted the district's projected enrollment shows a decline in the 2014-15 and 2015-16 academic years. Board Member Griffin moved to approve the 1st Interim Budget; seconded by Board Member Hovey.

10.2.2. **Discussion/Action:** Student Housing Committee Recommendations for School Year 2014-2015

At 7:48 p.m. Director Michael Weissenborn presented the student housing committee recommendations for school year 2014-15 of placing one (1) relocatable classroom building at Loma Vista School to accommodate growth in the preschool programs and addressed questions. Board Clerk Robinson moved to authorize the Superintendent or designee to enter into appropriate design and construction agreements to plan and execute the work recommended by the Student Housing Committee; seconded by Board Member Griffin.

AGENDA ITEM:  Field Trip Request for Emma Wilson Sixth Graders to Attend Shady Creek Environmental Camp

Prepared by: Kimberly Rodgers, Principal

☐ Consent  Board Date February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
Sixth Grade Shady Creek Environmental Camp from April 28 to May 1, 2014.

Educational Implications
We want our sixth graders to experience science in a hands-on environment. Not only will students learn about our environment and the earth, they will also learn about themselves. They will grow and mature with this camp experience.

Fiscal Implications
The money used to finance this trip was generated by fund raising and donations.

PROPOSED AGENDA ITEM: Reach for the Future Overnight Request

Prepared by: Jen Skinner

☐ Consent  Board Date February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information

Reach for the Future is a leadership conference that students from Chico Unified School District have been attending for more than ten years. The conference is hosted by BCDBH and will include a Challenge Day, which is a facilitated experience designed to challenge students to break barriers and appreciate others for their differences. The conference will also include workshops (on topics such as healthy relationships, how to combat bullying and preventing ATOD use) and a high ropes course. It is the highlight of the year for our students!

Students from the following schools are registered to attend: Bidwell Junior High School, Chico High School, Chico Junior High School, Fairview High School, Inspire High School and Pleasant Valley Hinh School. The conference dates for our junior high students are Thursday, March 6th-Saturday, March 8th. The conference dates for our high school students are Thursday, March 27th-Saturday, March 29th.

Education Implications

Both junior high and high school conferences start on Thursday afternoon and run through the following Saturday. Students leave campus at lunch time that Thursday, meaning they miss the last two school periods of the day and an entire day on Friday. However, students, parents and campus staff have all verbalized the positive changes they see in their students. The time that students spend out of their classrooms is well worth the absence.

Fiscal Implications

The conference costs $100 per student to attend and they pay or fundraise that amount on their own. If students fundraise, that money is put into their campus club account (Friday Night Live or Club Live) and a PO is used to cover registration fees. All other conference expenses (lodging, food, speakers, etc) are paid for by BCDBH so there are no outstanding costs to the district. Some schools will require sub fees, as a district staff member is required to attend on the overnight. Some schools will be paying for sub fees out of their ASB accounts and some principals have agreed to cover sub fees for their group. For example, PV FNL is paying for the sub fee out of their ASB account while Bidwell admin has generously agreed to help cover sub fees for t

Additional Information

BCDBH requires a 10:1 student to adult ratio. In addition to BCDBH staff, all schools who bring students are required to bring one adult for every ten students registered. Students learn to be more open minded, more connected to others, learn about health relationships and behavior, be leaders among their peers and in their community, in addition to learning about improving mental health. It is challenging and fun. Students report it as a highlight for their school year. Overall, students are well supervised, learn a lot and everyone has a great time!

AGENDA ITEM:  Field Trip Request for PVHS Mock Trial Team to attend the State Mock Trial Finals

Prepared by:  Charles Copeland

☐ Consent  Board Date  February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
On Tuesday, February 25, the Pleasant Valley Mock Trial team won its Butte County competition to represent Butte County in the State Competition in San Jose on March 21 to March 23.

Educational Implications
The Mock Trial activity provides 20 students with speech and debate skills plus an introduction to criminal law procedure. Each school fields two 9-student teams: prosecution and defense. Each team contains attorneys, witnesses, and support personnel. Teams play against a fixed-set, imaginary scenario; a new case is written each year. In competition, students present before Superior Court judges or Law School professors.

Fiscal Implications
At Pleasant Valley High School, the team has been funded by coaches and parents. Students may participate with no financial obligation. Parent generosity carried us to Riverside last year. The team seeks no financial support from district or student body.

Additional Information
Mock Trial is a service of the Constitutional Rights Foundation. Approximately 30 California schools compete in the State finals. The Butte County competition is coordinated by the Butte County Superintendent of Schools.

The Pleasant Valley students have practiced every Tuesday night since September. They have competed against several high schools in Mendocino, Shasta High in Redding, and Las Plumas High in Butte County. They are supported by several deputy District Attorneys and several local private attorneys.
FIELD TRIP REQUEST

TO: CUSD Board of Education
FROM: Charles Copeland
SUBJECT: Field Trip Request

Date: Feb. 26, 2014
School/Dept.: Pleasant Valley HS

Request is for Mock Trial team to travel to Riverside for State competition.

Destination: San Jose
Activity: State Finals, Mock Trial
Constitutional Rights Foundation.

From: Friday, March 20 – leave Chico 8 a.m.
to: Sunday, March 23 – afternoon

Rationale for Trip: Students earned right to compete at state level.
Number of Students Attending: 20 Teachers Attending: 2 Parents Attending: 5
Student/Adult Ratio: about 4 to 1
Transportation: Private Cars ✓

All requests for bus or charter transportation must go through the transportation department - NO EXCEPTIONS.

ESTIMATED EXPENSES:

Many parents will support the trip. Others funded through private generosity. No district funds requested or expected.

Fees estimate $1,500
Substitute Costs None
Meals $ - estimate $1,800

Lodging estimate $3,500

AGENDA ITEM: Approval of CAHSEE Waivers for Students with Disabilities

Prepared by: Michael Morris, Director

[ ] Consent          Board Date February 19, 2014

[ ] Information Only

[ ] Discussion/Action

Background Information
Students with disabilities who take the California High School Exit Exam (CAHSEE) with modification (for example, using a calculator on the math test or having the English Language Arts test read aloud) receive an invalid score on the test. The school board may grant a waiver of the requirement to pass the CAHSEE under certain conditions.

A waiver is only required for students who:
1) Took one or both portions of the CAHSEE with a modifications AND
2) Attained the equivalent of a passing score (350 or more points) on the CAHSEE.

At the parent or guardian’s request, a school principal shall submit a request for a waiver of the requirement to successfully pass the high school exit examination to the governing board of the school district.

Educational Implications
If a student takes one or both portions of the CAHSEE with modifications and receives a passing score (350 or higher), s/he is eligible for a waiver of the requirement to pass the California High School Exit Exam. All other graduation requirements must be met.

Fiscal Implications
None
AGENDA ITEM: New Course Adoption: Agriculture Leadership

Prepared by: Sheena Sloan, Ag. Department Chair

X Consent

Board Date February 19, 2014

Information Only

Discussion/Action

Background Information

The Agriculture Department at CHS has continually looked at strategies to improve the Ag Program and connect students to the many activities, awards and opportunities available to FFA students at the regional, state and national level. In looking at model programs around the region many schools have an Agriculture Leadership course that grooms leaders in the skills necessary to become effective leaders. It is the goal of the entire Agriculture Department to build and grow an exemplary program.

Education Implications

The focus of this class would be in the areas of agriculture issues, agriculture careers, agriculture technologies, oral and written communication and public speaking. Additionally, students would spend a significant time planning, organizing and implementing the many FFA activities/events that happen throughout the school year. A secondary aspect of the program would be to teach and guide leadership students through the complex application process of the state and national FFA degrees and awards in a more structured way.

A review of the course outline also demonstrates that the curriculum will support the implementation of the Common Core in the areas of written and oral communication.

Fiscal Implications

None. No additional books or materials are required.
I. **Course Rationale and Description:**

The Agriculture Leadership class is an elective course that helps students acquire a broad understanding of a variety of leadership aspects, develop an awareness of the many career opportunities in agriculture, participate in agriculturally relevant experiences, and work cooperatively with a group to develop and expand leadership abilities. Students study agriculture issues, agricultural careers, agricultural technologies, oral and written communication and public speaking. Because of the nature of this class, student time is not limited to only classroom experiences. Students should plan to be involved in a majority of FFA activities. This class is mandatory for any student who is elected to be on the Chapter FFA officer team.

Specific goals include:

1. Develop the values of leadership and identify the benefits.
2. Experience and practice roles of responsibility, initiative, creativity, leadership, and program pride.
3. Formulate and work effectively on projects within committee groups.
4. Engage in activities involving the campus and community at large.
5. Master skills in manner and etiquette.
6. Experience prepared, impromptu and/or extemporaneous speaking at local competitive level.
7. Demonstrate parliamentary procedures for running efficient meetings.
8. Demonstrate strategies for obtaining employment and participate in mock job interview.
9. Participate in FFA activities.
10. Facilitate FFA meetings.
11. Participate in SAE projects employing skills learned in the classroom.
13. Students seek to risk boldly, support positively, and crave feedback!!

II. **Instructional and Supplemental Materials:**

III. **Course Outline/Standards/ Instructional Methods/Assessments:**
Prepare a course outline that indicates the following: 1) name of unit; 2) time allocated for the unit; 3) standards addressed in each unit (please use Content Standards Framework numbering system and write out each standard); 4) Instructional strategies used in each unit; 5) Assessments utilized. (Use additional pages as needed.)

IV. **Instructional Methods:** Please indicate instructional methods to be used for special needs students, including Special Education, English Language Learners, and Honors.

**Class Format:**
- 2 days per week: Committee Workdays (usually Monday and Tuesday)
- 1 day per week: Work Days (usually Wednesday)
- 2 days per week: Agriculture Topic Days (usually Thursday and Friday)

**Cooperative/ Small group learning:**
All students can benefit from the chance to interact with their classmates in group work situations which allow students to take ownership in their education. Students of varying abilities are challenged as well as supported by interacting with other students.

**Learning centers/ activity packets**
Giving students packets with each skill to be learned allows them to learn at their own pace and gives them time to practice with those that they are least comfortable. At learning centers students can work with their peers to challenge and test each other.
V. Grading Policy:

Grading:

- Weekly Participation: 50%
- Assignments/Projects: 40%
- FFA Activities (3 per semester): 10%

Attendance:
It is critical that students attend class regularly to successfully complete it. This course is taught by means of in-class instruction/lecture and group projects/discussion which will be nearly impossible to repeat for students who have not been in attendance during regular class session. Unexcused absences will result in a loss of daily participation points. Students must consult with the instructor immediately upon return to class to make up work.

Class Assignments:
This class will be driven mostly by the students that are in it. I understand that it seems like there are a lot of large projects to do in this class. However, if you use your time in class wisely every day, completing these projects should be a breeze. Days that I lecture will be few and far between; most class time will be given to you to be working on these projects. PLEASE DO NOT PROCRASTINATE. Use your time wisely. LATE ASSIGNMENTS WILL RECEIVE HALF CREDIT.

PROPOSED AGENDA ITEM: Adoption of new course: C++ Prog & Robotics/Math

Prepared by: Beth Johnson and Gary Loustale

☑ Consent  Board Date February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
Recently the CUSD Board adopted a 3-year graduation requirement for math. One of the concerns expressed in this adoption was ensuring that rigorous and relevant courses in mathematics were available for all students not necessarily on the traditional Algebra-Geometry-Algebra 2-Trig-Calculus college track. This course is partly an answer to that concern. This course integrates computer programming and robotics in a algebraic-based curriculum that is intended as a math course. Developed out of the UC Davis as a STEM course it is intended to make real world connections of math to the world of technology.

Education Implications
Provides a viable and rigorous mathematics option for students not on the typical mathematical college track. An excellent option for a students third year of math. Chico High School administration has had preliminary discussions with ROP to implement an advance ROP option for Robotics for the 2014-15 school year. This two-year sequence in computer programing and robotics is an excellent base for continued education in this area at the college level.

Fiscal Implications
This course will require one robot for every two students. Each robot is approximately $150 with a total estimated cost of $2650 per section. The robots are reusable from year to year. The textbooks are paperback and cost approximately $1500 per section of students. We estimate that the sign up for this class will range from 1-2 sections per year. School site funds are available for the purchase of the robots.
NEW COURSE PROPOSAL OUTLINE

Course Title: C/C++ Programming and Robotics in Integrated Math
Grade Level: 09-12
Required/Elective: Mathematics credit
Length/Credits: One year
Prerequisites: Prior or concurrent enrollment in Integrated Math 1
Course Number: (To be completed by District)

I. Course Rationale and Description:

This course applies Common Core math and practice standards to computer programming (coding) both as a vehicle to explore and master math concepts and to program robots for a variety of tasks, many of which model the math standards being targeted.

The district has approved a 3 year math requirement. This would satisfy one of those years. It could be taken concurrently with or anytime after successfully completing Math 1.

For our students to be competitive in the job market and post secondary education, there is the need for more STEMS courses. Some students are interested in computer programming (coding) by itself and others are so uninterested in math that having an intriguing application and the opportunity to see and use the math outside of a more theoretical realm could provide the motivation they need to apply themselves to their math class. This is a strong, common core (math) based STEMS course.

Further, UCDavis, the developer of this curriculum provides motivational support in the form of school year programming and robotics competitions, competitions that apply the programming and robotics to fine arts and multi-media, and summer workshop/camps for students (and teachers).

III. Course Outline/Standards/ Instructional Methods/Assessments:

Depending on the composition of the class, the following units will be taught in an order that parallels the order of the standards covered in the Math 1 course. It is assumed that the teacher of this course will coordinate directly with the Math 1 collaborative group to coordinate math coverage.

IV. Instructional Methods:

This course is a hands-on application course that is open to all students. Because of the actual applications involved, it will utilize content from the first year of college prep math. However, the computing and robotic tasks are easily modified for the level of the individual students and the motivation of the students to go beyond the rest of the class.
V. Grading Policy:

The grading will be based on:

- successful completing of programming tasks and projects
- testing of basic programming language and protocols in specific applications in which students demonstrate both an understanding of the math concepts and the programming necessary to apply them.

The grading scale will be the standard 0-100% with usual letter grade breakdowns.

PROPOSED AGENDA ITEM: Adoption of New Course-Hollywood vs. History: Historical Analysis of Film

Prepared by: Ken Frisbee (Social Science Teacher)

☑ Consent  Board Date January 22, 2014
☐ Information Only  
☐ Discussion/Action

Background Information
Hollywood vs. History requires students to take a less passive approach to viewing films with historical themes as they analyze the accuracy and effectiveness of those films. The audience's overall perception of facts will be rigorously challenges and examined. Students will be expected to develop and practice writing, research and presentation techniques to help them accomplish their analysis.

Education Implications
Hollywood vs. History will provide an elective that challenges students to learn history from a different and unusual perspective. Themes will crossover historical areas including World History, US History, Government and Economics. While this class is an elective it will challenge students in the area of Social Science while promoting growth and learning as related to the Common Core Standards.

Fiscal Implications
This course will utilize existing textbooks, computer and internet access and various primary and secondary source documents. While Chico High School already has access to these materials we may need to purchase additional textbooks as needed depending on enrollment. Film rentals costs would be minimal as only 8 films (see attached) would be needed for analysis.
NEW COURSE PROPOSAL OUTLINE

Course Title: Hollywood vs. History: Historical Analysis of Film
Grade Level: 11th - 12th grade
Required/Elective: Elective
Length/Credits: Year / 10 credits
Prerequisites: N/A
Course Number: (To be completed by District)

I. Course Rationale and Description:

*Hollywood vs. History* requires students to take a less passive approach to viewing films with historical themes as they analyze the accuracy and effectiveness of those films. The audience’s overall perception of facts will be examined, using films with World History, US History, Government, and Economic themes. Students will develop and practice writing, research, and presentation techniques to help them accomplish this analysis, while a rigorous writing component will provide the main method for demonstrating their conclusions. The overall goal of the class is to provide students an opportunity to enhance their learning in the area of Social Sciences, while promoting growth and learning as related to the Common Core Standards.

Each unit, except the course introduction unit, will last approximately 2 weeks. Within each unit students will be required to demonstrate college readiness via their classroom participation, discussions, research papers, class essays, presentations and critical thinking, as related to critical film analysis and primary and secondary source analysis.

B. Assessment in the above areas will take place in the following manners:

1. Students will keep a notebook / binder with sections created for specific movies and studied themes. Notebooks will include such assessments as:
   - Research Notes
   - Personal movie reviews
   - Hand-outs
   - Student reflections
   - Viewing worksheets
   - Lecture notes

2. Students will also be assessed on their completion of formal research papers, using MLA format, essays, classroom discussions (i.e. philosophical chairs), as well as oral presentations.

C. Instructional Methods
1. In-class viewing of selected films
2. Lecture
3. Note taking
4. Reflection, Response and Evaluation of films (notebook)
5. Guided internet research
6. Group research projects
7. Individual research projects
8. Essays and research papers
9.Peer discussion and evaluation

D. Throughout the year, in multiple units, the following Common Core Standards will be addressed:

Grade 11-12 Reading Standards for Literacy in History/Social Studies
1. Cite specific textual evidence to support analysis of primary and secondary sources, connecting insights gained from specific details to an understanding of the text as a whole.
2. Determine the central ideas or information of a primary or secondary source; provide an accurate summary that makes clear the relationships among the key details and ideas.
3. Evaluate various explanations for actions or events and determine which explanation best accords with textual evidence, acknowledging where the text leaves matters uncertain.
4. Evaluate authors’ differing points of view on the same historical event or issue by assessing the authors’ claims, reasoning, and evidence.
5. Integrate and evaluate multiple sources of information presented in diverse formats and media (e.g., visually, quantitatively, as well as in words) in order to address a question or solve a problem.
6. Evaluate an author’s premises, claims, and evidence by corroborating or challenging them with other information.
7. Integrate information from diverse sources, both primary and secondary, into a coherent understanding of an idea or event, noting discrepancies among sources.

**Grade 11-12 Writing Standards for Literacy in History/Social Studies**

1. Write arguments focused on discipline-specific content.
   
   a. Introduce precise, knowledgeable claim(s), establish the significance of the claim(s), distinguish the claim(s) from alternate or opposing claims, and create an organization that logically sequences the claim(s), counterclaims, reasons, and evidence.
   
   b. Develop claim(s) and counterclaims fairly and thoroughly, supplying the most relevant data and evidence for each while pointing out the strengths and limitations of both claim(s) and counterclaims in a discipline-appropriate form that anticipates the audience’s knowledge level, concerns, values, and possible biases.
   
   c. Use words, phrases, and clauses as well as varied syntax to link the major sections of the text, create cohesion, and clarify the relationships between claim(s) and reasons, between reasons and evidence, and between claim(s) and counterclaims.
   
   d. Establish and maintain a formal style and objective tone while attending to the norms and conventions of the discipline in which they are writing.

2. Write informative/explanatory texts, including the narration of historical events, scientific procedures/experiments, or technical processes.

   a. Introduce a topic and organize complex ideas, concepts, and information so that each new element builds on that which precedes it to create a unified whole; include formatting (e.g., headings), graphics (e.g., figures, tables), and multimedia when useful to aiding comprehension.

   b. Develop the topic thoroughly by selecting the most significant and relevant facts, extended definitions, concrete details, quotations, or other information and examples appropriate to the audience’s knowledge of the topic.
c. Use varied transitions and sentence structures to link the major sections of the text, create cohesion, and clarify the relationships among complex ideas and concepts.

d. Provide a concluding statement or section that follows from and supports the information or explanation provided (e.g., articulating implications or the significance of the topic)

3. Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.

4. Use technology, including the Internet, to produce, publish, and update individual or shared writing products in response to ongoing feedback, including new arguments or information.

5. Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation.

6. Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the strengths and limitations of each source in terms of the specific task, purpose, and audience; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism and overreliance on any one source and following a standard format for citation.

7. Draw evidence from informational texts to support analysis, reflection, and research.

AGENDA ITEM: 2012-13 Independent Financial Audit
Prepared by: Kevin Bultema, Assistant Superintendent

☑ Consent  Board Date February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
An annual independent financial audit is required of all K-12 local educational agencies in California. Audits of the prior fiscal year are usually due to county offices of education by December 15 each year. Chico Unified School District’s (CUSD) audit deadline was extended until January 31, 2014. Therefore, the 2012-13 independent audit is being brought to the CUSD February board meeting for approval. CUSD received an “unqualified” opinion which means the financial statements present fairly in all material respects the financial position of the district as of June 30, 2013.

Educational Implications
N/A

Fiscal Implications
The independent auditor recorded two audit adjustments to the unaudited financial reports previously approved by the board. As a result of the audit adjustments, the general fund’s ending fund balance increased by $918,706. This makes the new general fund ending fund balance to be $17,496,938 as of June 30, 2013.

Additional Information
CUSD did have five findings of weaknesses in internal controls. The district has already addressed the findings noted in the report and made changes in processes to ensure proper internal control procedures are maintained. The District is in its second year of a three year contract with the Certified Public Accountant firm, Matson & Isom Accountancy Corporation, located in Chico, California.
AGENDA ITEM: Status of Termination of Mitigation Bank Credit Agreement with IG Properties, LLC (Bert Garland/Shanu Downs Mitigation Bank) and Purchase from Alternative Source

Prepared by: Julie Kistie, Director of Facilities & Construction

☐ Consent  Board Date  February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
On April 19, 2013, the District entered into a Mitigation Bank Credit Agreement ("Agreement") with IG Properties, LLC for the purchase and sale of mitigation credits from the Shauna Downs Mitigation Bank to offset the environmental impact of the District's Canyon View High School Project.

On or about May 23, 2013, the District's environmental consultant, Jody Gallaway, became aware that IG Properties LLC did not in fact receive the appropriate approvals from the state and federal agencies, despite what was indicated on the U.S. Fish and Wildlife Service's RIBITS website. On September 27, 2013, the District sent IG Properties and owner Bert Garland a letter informing him that the District believed he did not possess the requisite approvals that were previously represented to the District as having been issued and necessary for the operation of the Shauna Downs Mitigation Bank. In that initial letter, the District requested that he provide, no later than October 15, 2013, a written outline demonstrating the steps he would take in order to fully comply with the terms of the Agreement, including providing certain necessary financial assurances to certain federal agencies involved in the mitigation credit program. In response, he assured the District that financial assurances requested by the Army Corps of Engineers ("COE") would be in place by December 1, 2013.

On November 5, 2013, the District sent Mr. Garland another letter requesting that he provide the outlined financial assurances to the COE by December 1, 2013, as requested by the COE in its May 8, 2013 letter. The District informed him that failure to provide the COE financial assurances by December 1, 2013, would constitute material breach of the Agreement since he would be clearly unable to perform under the terms of the Agreement within a reasonable period of time. As of today, the District has not received any correspondence from Mr. Garland regarding the November 5, 2013, correspondence, and, as far as the District is aware, he has not provided the COE with the requested financial assurances.

On January 14, 2014, staff sent Mr. Garland a third letter recounting the previous two letters and informing him that (1) due to his failure to respond to the District's last letter, (2) due to his failure to provide the COE with necessary financial assurances, and (3) due to his failure to secure appropriate agency approvals or take reasonable steps seeking to secure the approvals, the District considers him to be in breach of the Agreement and the District's Board may determine to terminate the Agreement. The District staff requested further information from Mr. Garland on the status of the three issues described above. On January 15, 2014, Mr. Garland emailed the District noting that "should we have any evidence, that the situation will be resolved, before you board meeting, we will certainly share that information with you." (sic) No additional correspondence has been received from Mr. Garland since.

On January 22, 2014, the Board approved staff's recommendation to terminate the Agreement with IG Properties and to move forward with securing alternative mitigation for the Canyon View High School site. On February 11, 2014, staff delivered to Denise Hallgren at Mid
Valley Title a written demand that the remaining funds in escrow be returned to the District due to failure of IG Properties to perform under its Agreement. Subsequently, by way of letter dated February 13, 2014, addressed to IG Properties, Mr. Garland was informed that the District's Board has directed that the Agreement be terminated due to the inability to deliver the mitigation credits.

Staff recommends that the Board now ratify its earlier action taken in closed session during the January 22, 2014, meeting, directing that the Agreement between IG Properties and the District be terminated for IG Properties' failure to deliver mitigation credits at Shauna Downs Mitigation Bank. At its January 22 meeting, the Board also directed staff to pursue purchase of the environmental mitigation credits through an alternative source in order to satisfy the mitigation requirements of the Canyon View High School project.

**Recommendation**
Ratify Board's action taken in closed session on January 22, 2014, to terminate Mitigation Bank Credit Agreement with IG Properties, LLC for failure to perform and to pursue the purchase of mitigation credits from an alternative source.

Board Date February 19, 2014

Background Information
On December 11, 2013, the Board was presented with the Draft Facilities Master Plan (FMP). The FMP is a large comprehensive plan which will continue to be reviewed and discussed by CUSD Board members, staff, administrators, teachers, students, parents and the community before final adoption.

Phase I of the proposed FMP addresses the need of safety and security measures at all school sites. In order to define the safety and security throughout the District, Tim Haley, RA has provided a proposal of services to assist the District with this project.

The proposal includes the following tasks:

1. Work with a District Steering Committee comprised of Facilities Staff, Administration, Information Technology Staff and Community Members establish a definition for safety that can be used for a baseline when assessing school site.
2. Conduct site meetings
3. Document recommendation for sites
4. Provide final document outlining work scope, costs, timing and priorities.
5. Provide summary presentation for Board recommendation.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
The proposal is based on fixed cost of $34,640. This has no impact on the General Fund and will be funded out of Measure E Bond Proceeds.

Recommendation
It is requested that the Board of Education authorize the Superintendent or designee, to enter into a consultant agreement with Tim Haley, RA Programming and Planning.
CONSULTANT AGREEMENT
Chico Unified School District
Safety and Security Quick Start Project Definition and Application to Schools

This Consultant Agreement made this 20th day of January, 2014 between Chico Unified School District, hereinafter called the “Client”, and Tim Haley, hereinafter call the “Consultant.”

1. **TERM.** The Client shall engage the Consultant on a task by task basis from the date hereof as a Consultant to perform Services related to the Safety and Security Definition and Applications as hereinafter set forth, subject to termination as provided in Paragraph 11 below.

2. **SERVICES.** The Consultant agrees to perform the Services for the Client as outlined in the attached detailed scope of work and Fee Proposal. Time is of the essence. Task completion is based on the scope of work and schedule. It is noted that major deviations to this schedule including the addition of tasks not identified and or changes in the scope as outlined will be immediately identified and a request for a scope adjustment will submitted for approval prior to proceeding with added scope or schedule change.

3. **COMPENSATION.**

   A. The Consultant will be compensated for services on a lump sum basis, based on percentage of progress on each task.

   B. The total fees reflected in the attached Fee and Task proposal includes all reasonable expenses incurred in connection with the services hereunder unless otherwise approved by the Client’s authorized representative.

   C. The Consultant shall submit an invoice to the Client for payment of its fees on a monthly basis, with 10% of the total fee being reserved for a final payment. Payments shall be made to the Consultant within thirty (30) days of invoice submittal.

4. **AUTHORITY.** It is specifically understood and agreed that Consultant is to report to and obtain direction from the Client’s Director of Facilities assigned to a Program/Project. Consultant shall not take direction from any other individuals unless approved by the Client.

5. **CONFLICT OF INTEREST.** Consultant hereby represents and warrants to Client that the services to be provided hereunder do not in any way conflict with the interests of any group, business, or governmental organization with which consultant is employed or with which Consultant has an agreement, and in the event such a conflict arises during the Term hereof, Consultant will immediately notify the Client in writing of its election to exercise its termination option as set forth in Paragraph 11 below.
6. **INDEPENDENT CONTRACTOR.** It is acknowledged that Consultant's status under the terms of this Agreement is one of an independent contractor, and nothing herein contained shall be construed so as to imply an employment or agency relationship, partnership, or any other form of business association.

7. **INSURANCE AND INDEMNITY.** The Consultant shall be responsible to provide its own liability, workers’ compensation and automobile insurance and agrees to defend, indemnify and hold the Client harmless from any loss, costs, suits, claims and demands arising out of or relating to the Consultant’s negligent acts or omissions under this Agreement. Client agrees to indemnify Consultant from any loss, costs, suit, claims and demands arising out of Client’s negligent acts or omissions.

8. **TERMINATION.** Each party hereto may terminate this agreement at any time upon twenty-one (21) days written notice. In such event, the Consultant will be paid any outstanding fee and any approved expenses incurred to the date of termination in accordance with Paragraph 3.

9. **NONASSIGNABILITY.** This Agreement shall be personal and shall not be transferable or assignable, by operation of law or otherwise, without prior written consent of the Client. Provided, however, Consultant may assign this Agreement to a corporation or limited liability company in which Consultant is the majority owner.

10. **COMPLIANCE WITH LAWS AND LOBBYING DISCLOSURE.** The Consultant hereby represents and warrants that it will comply, at all times, with all applicable laws in connection with activities related to this Agreement and the Project, including, but not limited to, (i) rules and regulations with respect to lobbying, entertainment and gifts, and (ii) all applicable lobbyist registration and reporting requirements. The Consultant further represents and warrants that it has not and will not assert any improper influence to solicit or obtain contracts on behalf of the Client.

11. **GOVERNING LAW.** This Agreement shall be construed in accordance with the laws of the State of California.

12. **ENTIRE AGREEMENT.** This Agreement supersedes any and all other agreements, either oral or in writing, between the parties with respect to the rendering of services between Consultant and Client, and contains all the covenants and agreement between the parties with respect to such services. Each party to this Agreement acknowledges that no representations, inducements, promises, or other agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which is not embodied herein, and that no other agreement, statement, or promises not contained in this Agreement shall be valid or binding. Any modification of this Agreement will be effective only if it is in writing and signed by all parties.

IN WITNESS THEREOF, the parties hereto have executed this Agreement the day and year first above written.

Attachments: Fee and Task Proposal
Task 1: District Steering Committee

Objective: Create a District Steering Committee of facilities, staff, administration, technology and community. Include a member of the law enforcement community. Meet to discuss information gathered during the master plan process and other applicable data to establish a common understanding of what safety and security means to Chico Unified School District. Define how this will apply to a school site.

Activities: Meet with facilities to define membership. Conduct two workshops with the committee to present input and to establish a definition for safety and security that can be used for a base line when assessing school sites. Meet with the committee to present site meeting input and determine final recommendations.

Deliverables:

- District Steering Committee defined
- Documentation of meeting and outcomes
- Document recommendations for sites and present to Board for approval

Task 2 Site Meetings

Objective: Use the definition of safety and security as a base to define needed changes on each school site within the District. Establish costs, implementation schedule and priorities.

Activities: Meet with each principal, or designee, from each school to discuss how to apply the definition of safety and security to each school site and record the site perspective on priorities.

Deliverables:

- Provide final document outlining work scope, costs, timing and priorities
- Provide summary presentation for Board recommendation

Task 3 Board Recommendation

The recommendation of the steering committee for each site will be summarized and presented to the Board for approval

AGENDA ITEM: Secondary Math Common Core Update

Prepared by: John Bohannon, Director

☐ Consent  Board Date February 19, 2014
☐ Information Only
☐ Discussion/Action

Background Information
In the 2013-14 school year, the CUSD junior high math teachers began utilizing the College Prep Mathematics (CPM), CPM is the same curriculum that has been used at the high schools for over 15 years. The junior high schools are using the Core Connections, Course 2 textbook for instruction in the course designed to cover the standards for Common Core Math 7 (the course is titled Math B) this school year. As part of the switch to the Common Core standards for this primarily 7th grade course, students were not accelerated to Algebra in seventh grade (though Algebra concepts are presented in Math B).

With this significant change to the secondary math system, an exploration process started with all secondary math teachers for the purpose of developing a 7th through 12th grade math continuum for CUSD students following the Common Core standards.

For this report, junior high and high school teachers will report progress on the following items:

1. Acceleration – For the first few years of the transition it will take place at the high schools, but an opportunity to add an appropriate acceleration spot at the junior high level will continue to be explored.
2. Curriculum – The math team will discuss the process for reviewing curriculum – including the possibility of continuing to add to the CPM process started this year in seventh grade – and necessary timelines
3. Three-year math requirement – An update will be provided on the discussions to support students to meet this new requirement
4. Board requests – In addition to curriculum adoption, the math team will need to bring board policy regarding high school graduation requirements to the board for action as it relates to the Algebra I requirement.

Educational Implications
California’s adoption of the Common Core standards requires school districts to evaluate the delivery of instruction and the fundamental shifts of when standards are taught in mathematics. These are critical processes as math teachers work to ensure student achievement and success with the Common Core.
AGENDA ITEM: closure of building fund for 1998 series B general obligations bond

Prepared by: Kevin Buitema, Assistant Superintendent

☐ Consent  Board Date February 19, 2014

☒ Discussion/Action

Background Information
CUSD’s Fund 27 (Butte County Treasury fund 3406) existed to account for the proceeds from the sale of the 1998 Series B General Obligation Bond. All bond approved expenditures were recorded in this fund. By the end of February, this fund will have a zero balance indicating that all of the proceeds from the sale of the bond have been spent.

Educational Implications
N/A

Fiscal Implications
By closing this fund, CUSD is acknowledging that all proceeds from the 1998 Series B General Obligation Bond have been expended.

Additional Information
While the 1998 Series B General Obligation Bond has been fully expended, the bond debt service will continue through 2033. Total outstanding bond debt on the 1998 Series B bond is $30,605,000 as of June 30, 2013.
AGENDA ITEM: Circulation of Request for Qualifications for Lease-Leaseback Contractor Pool

Prepared by: Julie Kistle, Director Facilities & Construction

☐ Consent

☐ Information Only

☒ Discussion/Action

Board Date February 19, 2014

Background Information
The District would like to circulate a Request for Qualifications (RFQ) in order to create a Lease-Leaseback Contractor Pool for Facilities Master Plan projects. With the Lease-Leaseback delivery system we will have the ability to select Lease-Leaseback Contractors who can work with the Architect and the District during design development and assist with critical schedule planning. Using a preconstruction services agreement gives the District the ability to resolve logistical issues, which will be critical to the project’s success, while project planning and environmental review are being completed.

Developing a pool of highly qualified Lease-Leaseback Contractors in lieu of circulating individual RFQ’s for each project, will provide the District flexibility to match contractors with upcoming Facilities Master Plan projects.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
The projects identified will be funded with Measure E. All available State reimbursement will be pursued.

The proposed projects qualify as projects defined in the voter approved Measure E ballot language

Recommendation
It is requested that the Board of Education grant authorization to the Facilities Department to circulate a Request for Qualifications (RFQ) for Lease-Leaseback Contractors Pool for Facilities Master Plan Projects.
AGENDA ITEM: Approval of Architectural Firm--High School Athletic Master Planning

Prepared by: Julie Kistle, Director, Facilities & Construction

[ ] Consent  Board Date February 19, 2014

[ ] Information Only

[ X] Discussion/Action

Background Information
On October 23, 2013, the Board of Education authorized Chico High School and Pleasant Valley High School to pursue Athletic Master Planning services for the first phase of addressing the needs of the high school athletic facilities.

The Board of Education also required both schools to work directly with the Facilities and Construction Department and necessary oversight agencies (California Department of Education, Division of the State Architect, and Federal Americans with Disabilities Act etc.) on all projects related to the development of athletic facilities on their respective campuses.

On December 10, 2013, a Request for Qualifications (RFQ) was issued to qualified Architectural Firms. Five firms responded to the RFQ: LPA, Rainforth Grau, Lionakis, DLR Group and Nichols, Melburg & Rossetto (NMR). A selection committee (John Shepherd, Principal, Pam Jackson, Athletic Director, Joe Kurung, Community Member, Jim Hanlon, Principal, Chip Carton, Athletic Director, Jane Dolan, Community Member, Julia Kistle, Director Facilities & Construction and Michael Weissenborn, Director Facilities & Construction) met on January 24, 2014 to select the architectural firms that would advance to the interview phase of the process.

Three firms were selected to move to the interview phase of process. These firms were NMR, Lionakis and DLR group. The Selection Committee held the interview at Pleasant Valley High School on February 12, 2014. Their selection for Athletic Master Planning firm(s) will be announced at tonight's meeting.

Educational Implications
The District's Strategic Plan states: "A safe, nurturing and inspiring environment is essential for individuals to thrive."

Fiscal Implications
The Athletic Master Planning will be funded with Measure E. All available State reimbursement will be pursued. Expenditures are not to exceed $100,000 at each campus as approved by the Board of Education on October 23, 2013.

The proposed projects qualify as projects defined in the voter approved Measure E ballot language.

Recommendation
It is recommended that the Board of Education authorize Staff to enter into Architectural Agreement(s) with the firm(s) selected by the Athletic Master Planning Selection Committee.
AGENDA ITEM: Resolution No. 1241-14 Change Authorized Signatories for the School Facilities Program

Prepared by: Julie Kistle, Director Facilities and Construction

☒ Discussion/Action

Background information
When applying to the State Allocation Board (SAB) for school facility projects pursuant to Chapter 12.5, Part 10 of the Education Code, for needed school facilities, the SAB has required school districts ensure the authenticity of an authorized applicant. Resolution No. 1241-14 will designate the District's authorized signatories for applications. These signatories are: Kelly Staley, Superintendent; Kevin Bultema, Assistant Superintendent; Jaclyn Kruger, Director Fiscal Services; Connie Cavanaugh, Director Fiscal Services; and Julia Kistle, Director Facilities and Construction.

Educational Implications
The District's Strategic Plan states, "A safe, nurturing and inspiring environment is essential for individuals to thrive."

Fiscal Implications
None

Recommendation
It is recommended that the Board of Education approve Resolution No. 1241-14 authorizing Kelly Staley, Kevin Bultema, Jaclyn Kruger, Connie Cavanaugh and Julia Kistle as signatories for SAB applications.
RESOLUTION NO. 1241-14

RESOLUTION OF THE CHICO UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION TO CHANGE AUTHORIZED SIGNATORIES FOR THE SCHOOL FACILITIES PROGRAM

WHEREAS, the Chico Unified School District hereinafter referred to as the "District," is applying to the State Allocation Board for school facility projects pursuant to Chapter 12.5, Part 10 of the Education Code, for needed school facilities, and for such purpose, is authorizing certain required actions in connection with said application(s);

NOW, THEREFORE, BE IT RESOLVED BY the Chico Unified School District Board of Education, the Governing Body of said District, as follows:

1. That Kelly Staley, Superintendent, Kevin Bultema, Assistant Superintendent Business Services, Connie Cavanaugh, Director Fiscal Services, Jaclyn Kruger, Director Fiscal Services and Julia Kistle, Director Facilities & Construction are hereby designated as District Representatives of the District and are hereby authorized and directed to file, on behalf of the District, such applications with the State Allocation Board under Chapter 12.5, Part 10 of the Education Code, as the President/Chairperson and Secretary/Clerk of the Governing Body may certify as provided herein;

2. That to insure the authenticity of said application(s), the President/Chairperson and Secretary/Clerk of this Governing Body are hereby requested to review said application(s) to determine that (they) (it) properly set(s) forth the request of the Governing Body of the District;

3. That said District Representatives are authorized to furnish and certify to the State Allocation Board such information as may be required and are further authorized to act as liaisons between the State Allocation Board and the school district in its capacity as agent of the State Allocation Board for the purposes of the project(s).

4. That Julia Kistle, Director Facilities & Construction, is hereby designated as CEQA Officer of the District for the purpose of meeting the requirements of the California Environmental Quality Act as it may apply to any school facility project of the District.

5. That Kelly Staley, Superintendent, Kevin Bultema, Assistant Superintendent Business Services, Connie Cavanaugh, Director Fiscal Services, Jaclyn Kruger, Director Fiscal Services and Julia Kistle, Director Facilities & Construction, are hereby designated authorized signatories for contracts, agreements and change orders that have been approved by the Governing Body of the District.

RESOLUTION OF THE GOVERNING BOARD
OF THE CHICO UNIFIED SCHOOL DISTRICT
ELIMINATION OF CLASSIFIED SERVICES AND
ORDERING LAYOFFS IN THE CLASSIFIED SERVICE
FOR THE 2013-2014 SCHOOL YEAR

WHEREAS, due to lack of work, this Board hereby finds that it is in the best interest of the Chico Unified School District that, as of the 19th day of February 2014, certain services now being provided by said School District be reduced or discontinued by the following extent:

NOW, THEREFORE, BE IT RESOLVED that as of the 19th day of February 2014, two classified position(s) of the CHICO UNIFIED SCHOOL DISTRICT be reduced or discontinued to the extent hereinabove set forth.

BE IT FURTHER RESOLVED that the Superintendent of this School District be and hereby is authorized and directed to give notice of termination of employment to affected classified employee(s) of this School District pursuant to Merit System rules and regulations and applicable provisions of the Education Code of the State of California not less than 60 days prior to the effective date of layoff as set forth above.

The Board authorizes and directs the Superintendent to carry forth all layoff proceedings resulting from the elimination of position(s) ordered herein above, including proceedings for layoff provided by the exercise of displacement rights and to service layoff notices to employees affected thereby. Where an employee displaces an employee holding a position in another class, the Superintendent is hereby authorized and directed to carry forth layoff proceedings resulting therefrom and to serve layoff notices to employees affected thereby.

In the event that an employee affected by the layoff proceedings authorized by this resolution chooses to retire or resign from District service, or other appropriate resolution is made, the Superintendent is authorized to rescind the layoff.

The foregoing RESOLUTION was passed and adopted at a meeting of the Board of Trustees of the CHICO UNIFIED SCHOOL DISTRICT on the 19th day of February, 2014, by the following vote to wit:

AGENDA ITEM: Resolution 1239-14, Reduction in Certificated Staff Due to Reduction or Elimination of Particular Kinds of Service

Prepared by: Bob Feaster, Assistant Superintendent, Human Resources

☐ Consent  

Information Only

X Discussion/Action

Board Date February 19, 2014

Background Information
Due to declining enrollment and the loss of some State and Federal Categorical funds, the District is forced to identify those positions and/or services that may not be needed next school year. This process requires that the Board pass a resolution identifying which particular kinds of services or programs may be reduced or eliminated for the 2014-2015 school year.

The process is bound by timelines that require formal written notification to affected staff no later than March 15. An analysis of credentialing, the seniority list and other factors will determine those individuals who will receive a possible layoff notice. The determination of the particular kinds of services that may not be necessary is a necessary first step in this process.

Educational Implications
There will likely be fewer certificated staff members in the District next year based primarily to staffing as closely as possible to contract requirements and the ongoing decline in enrollment. The possible elimination of the services in this resolution will not change the staffing levels required per the Collective Bargaining Agreement (CBA) between the District and the Chico Unified Teachers Association (CUTA). These possible eliminations are being recommended based on enrollment projections as the District responds to declines in our student population. The implementation of these reductions will result in fewer sections of courses being offered to students and may restrict students' choices for classes. The loss or reduction of categorical funding will likely result in fewer opportunities for intervention support for students and perhaps reduced after school programs.

Fiscal Implications
Given the current structural budget deficit and diminishing funding, it is only prudent to staff with these reductions in place. The precise amount of savings cannot be determined until school starts. It is fair to plan for a savings of approximately $62,000 per FTE that is eliminated. The District's fiscal health is dependent on staffing as close to the CBA as possible.
WHEREAS, Sections 44949 and 44955 of the California Education Code require action by the governing board if the services of certificated staff are to be reduced or eliminated in order to permit the layoff of certificated employees.

NOW, THEREFORE, BE IT RESOLVED by the Board that:

1. The services set forth in Exhibit “A” shall be reduced or eliminated at the close of the 2013/2014 school year for the 2014/2015 school year.

2. The Board has considered anticipated certificated employee attrition (resignation, retirements, non-reelections, temporary teacher releases, etc.). Nevertheless, it is still necessary to terminate certificated full-time equivalent positions as referenced in Exhibit “A.”

3. It will be necessary to retain the services of certificated employees, regardless of seniority, who possess qualifications and competencies needed in the projected educational program for the 2014/15 school year which are not possessed by more senior employees thereby subject to layoff.

4. The Superintendent, or designee, is authorized and directed to send notice(s) of recommendation of non-reemployment pursuant to Sections 44949 and 44955 of the California Education Code to any employee whose services shall be terminated by virtue of this Resolution.

THIS RESOLUTION was passed and adopted by the Board at a regular meeting held on the 19th day of February 2014, by the following roll call vote:

AGENDA ITEM: Resolution 1242-14, Release/Non-Reelection of Temporary Certificated Employees

Prepared by: Bob Feaster, Assistant Superintendent, Human Resources

☐ Consent  Board Date February 19, 2014  

☐ Information Only  

☒ Discussion/Action

Background Information
Each year the District employs “temporary” certificated staff. Certificated staff members can be employed under this “temporary” status for various reasons per Education Code including short term positions, long term positions based on the need for additional employees because of leave or illness of another employee and for categorically funded programs. Per Education Code 44954, the District is required to notify such “temporary” certificated staff members on or before March 15 if they are to be released or non-relected at the end of the current school year. Approving this resolution will initiate the process of notifying all such “temporary” certificated staff members that their services will not be needed after the end of the current school year.

Educational Implications
This will provide the District with needed flexibility to staff appropriately for the 2014-15 school year given variables such as staff returning from leaves of absence and adjustments needed for changes in enrollment and funding.

Fiscal Implications
Unknown at this point as many of these positions may be filled next school year but this provides needed flexibility for current certificated staff returning from leave and any enrollment and funding changes.
WHEREAS, Education Code section 44954(b) requires that the governing board shall notify a temporary employee, in a position requiring certification qualifications, of the decision to release/non-reelect the employee from such a position for the next succeeding school year; and

WHEREAS, certain employees hired in a temporary capacity by the District may retain certain employment protections even though these employees are unable to accrue permanent status in the manner of probationary employees (such employees are otherwise referred to as having “Probationary 0” status).

NOW, THEREFORE, BE IT RESOLVED by the Board that:

1. The employees listed by employee number in Exhibit “A” are temporary employees of the District employed in a position requiring certificated qualifications (including “Probationary 0” employees who are providing a service which have been eliminated or reduced for the 2014/2015 school year) and each such employee shall be released/non-relected at the end of the 2013/2014 school year for the 2014/2015 school year.

2. The Superintendent, or designee, is authorized and directed to give notice to each affected employee of this decision. Notice shall be given:
   a. in the manner required by law; and
   b. in conformity with the mandated timeline.

AGENDA ITEM: Approval of Agreement between Chico Unified School District and the Chico Unified Management Association (CUMA) for 2013-14

Prepared by: Bob Feaster, Assistant Superintendent of Human Resources

☐ Consent  Board Date February 19, 2014

☐ Information Only

☒ Discussion/Action

Background Information
Last fall the Board allocated $2 million dollars from the District’s reserve to fund one time, off schedule payments to each of the District’s labor groups including the Chico Unified Management Association (CUMA). The $2 million was allocated to each group based on their percentage of payroll costs. This resulted in $180,534 being available to CUMA.

Discussion
On December 18, 2013, the Board approved a tentative agreement (TA) with the Chico Unified Teachers Association (CUTA). That TA included allowing CUTA to distribute their allocation of approximately $1.29 million as they determined.

CUMA has determined their desire to distribute their share of these funds to each member on a pro rata basis based on current salary.

Educational Implications
None

Financial Implications
The District is providing $2 million in one-time funds for the 2013/14 school year to labor groups. This is coming from the District’s fund balance (reserves). There is not an ongoing commitment of District funds.

Recommended Action
Approve CUMA’s allocation and distribution of the funds noted above.
