AGENDA ITEM: Field Trip Requests (4) for BJHS, CJHS, PVHS, and FVHS Club Live/Friday Night Live Students to Attend the Reach for the Future Leadership Conference in Richardson Springs from either 03/05/15 to 03/07/15 or 03/26/15 to 03/28/15

Background Information
The Reach for the Future conference is a BCDBH sponsored leadership conference that has been a part of the Chico Community for almost 20 years. It is a club sponsored activity as a part of Friday Night Live and Club Live. Young people are challenged to increase their awareness of what is happening on their school campus and in their communities. They are also challenged to step up, get involved, and become advocates for positive change and to follow through in helping to make that positive change happen. Young people get the opportunity to choose and attend leadership workshops as well as participate.

Educational Implications
Students learn decision making and problem solving skills that they will take back into their classrooms. Conference attendees do miss 2 days of school. Both young people and adults who have attended can attest to the value of this conference experience.

Fiscal Implications
1. The conference costs $150 for each young person to attend. Those conference fees are paid by the student and many have raised funds to cover that cost. The $150 covers all lodging and food so additional expenses to the students are not incurred. 2. Students are also responsible for providing their own transportation to and from the event so there are not transportation costs to the district. 3. Each school site requires a chaperone (10:1 ratio) and each school site coordinator works closely with administration to determine who the chaperone is and how that person is paid for. Ex. Some principals cover the sub fee for a teacher, others send a counselor or student teacher, and other time the club raises funds to cover the cost of the sub.

AGENDA ITEM: 2015-16 E-Rate Internal Connections Recommendations

Prepared by: John Vincent, Interim Supervising Manager

Consent		Board Date February 18, 2015

Information Only

Discussion/Action

Background Information
E-Rate is the commonly used name for the Schools and Libraries Program of the Universal Service Fund, which is administered by the Universal Service Administrative Company (USAC) under the direction of the Federal Communications Commission (FCC). E-Rate provides discounts to eligible schools and libraries for Telecommunications Services, Internet Access, and Internal Connections. We participate in the E-Rate program every year for telecommunications and Internet access and in the internal connections for schools with a high percentage of students qualifying for free and reduced meals. The discounts and rebates are based on a calculation from the free and reduced meals. We posted two Requests for Proposals (RFP) for the 2015-16 E-Rate year. The RFPs included, Wireless networking (WLAN) and networking electronics. The calculated discounts are the percentage that USAC will cover for eligible services and CTF is the California Teleconnect Fund (CTF) from the Public Utilities Commission (PUC). Below is a summary of the projects and projected funding totals.

</tbody>

We selected the above Recommended Vendor for internal connection in the 2015-16 E-Rate year. The vendor had the lowest responsible bid as specified in the RFP.

Educational Implications
Many of our campuses are in great need of replacing the network equipment. The projects for internal connections at all included sites would give the campuses a better, more reliable network and expand wireless (WiFi) access to all included campuses. This would improve accessibility for student and teachers.

Fiscal Implications
The projects will bring nearly $700,000 of new infrastructure to CUSD at an approximate cost to the district of $239,000. The CUSD portion for Internal Connection Projects could be paid for by measure E (bond) money or from the general fund. The chances for the Internal Connection Projects to be funded are very good.

Recommendation:
Approval to sign PO/contract with recommended vendors for the 2015-16 E-rate funding year if USAC approves funding.

AGENDA ITEM: Chico Country Day School Charter Renewal Petition Public Hearing

Prepared by: John Bohannon, Director

☐ Consent

☐ Information Only / Public Hearing

☐ Discussion/Action

Board Date February 18, 2015

Background Information
When a group files a petition to renew its charter school, a school district must hold a public hearing about the renewal petition within 30 days. Chico Country Day School submitted its charter petition for renewal at the January 21, 2015, CUSD Board meeting. This hearing gives the public and Board of Education the opportunity to ask questions about the proposed charter.

The charter petition will come back before the Board as an action item for approval or denial on March 25.

Educational Implications
Chico Country Day School offers students in grades K-8 another educational option.

Fiscal Implications
Chico Country Day School is a direct funded charter, which means any ADA generated flows to the school and will not come to CUSD.

Additional Information
When a charter petition is renewed, Education Code mandates the term of the renewal is for five years.
AGENDA ITEM: Student Calendar

Prepared by: Bob Feaster, Assistant Superintendent, Human Resources

☐ Consent

☐ Information Only

☒ Discussion/Action

Board Date February 18, 2015

Background Information
Options were brought forward at the January 21 Board meeting for the student calendar for the 2015/16, 2016/17 and 2017/18 school years. At the Board’s direction we moved forward with refining options that have “spring break” tied to California State University, Chico’s break.

The calendar for the 2016/17 school year required adding one student day to the proposed calendar. We have explored options to add the day and have two options to do this:

- Add Friday, April 14, 2017, as a student day, this was part of a 4 day weekend
- Begin the school year two (2) days later and end the school year three (3) days later

The calendars coming forward to this meeting also have the three-day weekends in February combined such that we have one, four-day weekend.

These calendars also have corrected dates for elementary trimesters.

Educational Implications
We are required to provide a minimum of 180 student days. There are several mandated holidays to consider in building calendar options. Some are mandated to a specific date while we have some discretion on others. The placement of holidays and breaks may have an impact on student attendance and learning. Historically it has been important to secondary schools including staff and students to have the first semester end at the Winter break.

Fiscal Implications
Student attendance in the form of average daily attendance or ADA has an impact on the District’s revenue. The student calendar may have some impact on student attendance.

☒ Discussion/Action

Background Information
Each year the District employs “temporary” certificated staff. Certificated staff members can be employed under this “temporary” status for various reasons per Education Code including short term positions, long term positions based on the need for additional employees because of leave or illness of another employee and for categorically funded programs. Per Education Code 44954, the District is required to notify such “temporary” certificated staff members on or before March 15 if they are to be released or non-reelected at the end of the current school year. Approving this resolution will initiate the process of notifying all such “temporary” certificated staff members that their services will not be needed after the end of the current school year.

Educational Implications
This will provide the District with needed flexibility to staff appropriately for the 2015/16 school year given variables such as staff returning from a leaves of absence and adjustments needed for changes in enrollment and funding.

Fiscal Implications
Unknown at this point as many of these positions may be filled next school year but this provides needed flexibility for current certificated staff returning from leave and any enrollment and funding changes.

Resolution 1271-15

Release/Non-Reelection of Temporary (including “Probationary 0”) Certificated Employees

WHEREAS, Education Code section 44954(b) requires that the governing board shall notify a temporary employee, in a position requiring certification qualifications, of the decision to release/non-reelect the employee from such a position for the next succeeding school year; and

NOW, THEREFORE, BE IT RESOLVED by the Board that:

1. The employees listed by employee number in Exhibit “A” are temporary employees of the District employed in a position requiring certificated qualifications (including “Probationary 0” employees who are providing a service which have been eliminated or reduced for the 2015/16 school year) and each such employee shall be released/non-reelcted at the end of the 2014/15 school year for the 2015/16 school year.

2. The Superintendent, or designee, is authorized and directed to give notice to each affected employee of this decision. Notice shall be given:

☒ Discussion/Action

Background Information
Per Education Code 44929, school districts are able to non-reelect probationary certificated staff without cause during their probationary period. The District is choosing to non-reelect some probationary certificated employees at this time. They will be provided with appropriate notification prior to March 15th. These employees will serve in their current capacities for the remainder of the 2014/15 school year.

NOW, THEREFORE, BE IT RESOLVED by the Board that:

1. The employees listed by employee number on Exhibit “A” were employed by the District as probationary certificated employees for the 2014/15 school year and shall not be reelected as certificated employees of the District for the coming 2015/16 school year.

AGENDA ITEM: Resolution # 1274-15: Reduction in Certificated Staff Due To Reduction or Elimination of Particular Kinds of Service

Prepared by: Bob Feaster, Assistant Superintendent, Human Resources

☐ Consent

☐ Information Only

☒ Discussion/Action

Board Date February 18, 2015

Background Information
Due to declining enrollment and the loss of some State and Federal Categorical funds and grants, the District is forced to identify those positions and/or services that may not be needed next school year. This process requires that the Board pass a resolution identifying which particular kinds of services or programs may be reduced or eliminated for the 2015/16 school year.

The process is bound by timelines that require formal written notification to affected staff no later than March 15. An analysis of credentialing, the seniority list and other factors will determine those individuals who will receive a possible layoff notice. The determination of the particular kinds of services that may not be necessary is a necessary first step in this process.

Educational Implications
There will likely be fewer certificated staff members in the District next year based primarily to staffing as closely as possible to contract requirements, the ongoing decline in enrollment and the loss of some grant funds. The possible elimination of the services in this resolution will not change the staffing levels required per the Collective Bargaining Agreement (CBA) between the District and the Chico Unified Teachers Association (CUTA). The implementation of these reductions will result in fewer sections of courses being offered to students and may restrict students’ choices for classes. The loss or reduction of grant funding will likely result in fewer opportunities for intervention support for students.

Fiscal Implications
The precise amount of savings cannot be determined until school starts. It is fair to plan for a savings of approximately $62,000 per FTE that is eliminated. The District’s fiscal health is dependent on staffing as close to the CBA as possible.
CHICO UNIFIED SCHOOL DISTRICT
Resolution 1274-15

Reduction in Certificated Staff Due
To Reduction or Elimination of Particular
Kinds of Service

WHEREAS, Sections 44949 and 44955 of the California Education Code require action by the
governing board if the services of certificated staff are to be reduced or eliminated in order to permit the
layoff of certificated employees.

NOW, THEREFORE, BE IT RESOLVED by the Board that:

1. The services set forth in Exhibit "A" shall be reduced or eliminated at the close of the
2014/15 school year for the 2015/16 school year.

2. The Board has considered anticipated certificated employee attrition (resignation,
retirements, non-reelections, temporary teacher releases, etc.). Nevertheless, it is still
necessary to terminate certificated full-time equivalent positions as referenced in Exhibit
"A."

3. It will be necessary to retain the services of certificated employees, regardless of
seniority, who possess qualifications and competencies needed in the projected
educational program for the 2015/16 school year which are not possessed by more senior
employees thereby subject to layoff.

4. The Superintendent, or designee, is authorized and directed to send notice(s) of
recommendation of non-reemployment pursuant to Sections 44949 and 44955 of the
California Education Code to any employee whose services shall be terminated by virtue
of this Resolution.
