AGENDA ITEM: Consultant Agreement with Loy Mattison (Mattison Enterprises)

Prepared by: John Vincent, Director – Information Technology

[ ] Consent Board Date July 8, 2015

[ ] Information Only

[ ] Discussion/Action

Background Information

ERATE program provides discounts to assist most schools and libraries. The Schools and Libraries program supports connectivity for communications using telecommunications services and/or the Internet. Due to the complexity of the program and the rules which must be followed, Chico USD has used a consultant for many years to help with this process.

With the need to maximize any and all funding sources, we find the need to have a consultant who can provide us with more than just filling in the forms and answering questions when they arise. Mattison Enterprises helps meet all the requirements and shows us all our telecommunications billing/credits as part of the ERATE program. This helps to assure we are getting the full refunds we qualify for and are completing all parts of the process correctly.

Fiscal Implications

There is no impact to the general fund. Mattison Enterprises bills at an hourly rate of $110 per hour. The estimate for our district is between 60-80 hours or $6,600-$8,800. We are billed only for the hours used.

AGENDA ITEM: Consultant Agreement with Junior Leadership Development Program

Prepared by: David McKay, Director

Board Date July 8, 2015

Information Only

Discussion/Action

Background Information
Since 2011, Jacob Peterson and his Junior Leadership Development Program (JLDP) have provided outstanding youth development training to Fair View students. Approximately 15 students go through an intensive four week program developed by Jacob and his team. Students are identified by FV staff and recommended for the program on a “good to great” basis: students who are beginning to experience sustained success at FV AND who would benefit from going deeper introspectively, interpersonally, and academically with the guidance of a mentor. The JLDP partners students up with mentors from the local Chico business community who walk alongside these students through the four-week program—and continue to support these students through high school graduation. There are a total of four male and female cohorts during the school year.

Education Implications
This program has been nothing less than a life-changer for many students. Besides examining student report cards, as well as attendance and discipline records, the best evidence for the positive educational benefits of this program come from the students themselves and from the testimonials delivered at the annual JLDP fundraiser at the CARD Center. There is a huge positive correlation with students completing this program and their academic progress. Many students also find employment as a result of the community connections gained through JLDP.

Fiscal Implications
There is no impact to the general fund.

AGENDA ITEM:  Consolidated Application for Funding Categorical Programs

Prepared by:  John Bohannon, Director

☑ Consent  Board Date  July 8, 2015

☐ Information Only

☐ Discussion/Action

Background Information
The Consolidated Application for Funding Categorical Programs (Con App) for 2015-16 primarily contains information related to entitlements, allocations, and numbers of participants in specified programs. Program entitlements are determined by formulas contained in the laws that created the programs. Districts allocate funds for indirect costs of administration, for programs operated by the district office, and for programs operated at schools.

Educational Implications
The entitlements and allocations funded through the Con App are used to supplement core curricular activities that support student learning in such areas as reading, math, school safety and violence prevention, and support for English Learners.

Fiscal Implications
No impact on the general fund. All expenditures of categorical program funds must be described and budgeted in each school's Single Plan for Student Achievement. These plans must be presented to and be approved by the School Site Council.

AGENDA ITEM:   Declaration of Surplus Property

Prepared by:  Jaclyn Kruger - Director, Fiscal Services

X   Consent  Board Date  July 8, 2015

☐ Information Only

☐ Discussion/Action

Background Information:

In accordance with the California Ed Code, Chico Unified School District’s property may be disposed of by any of the following methods:

1. The Superintendent may advertise for bids and either sell the property to the highest responsible bidder or reject all bids. Timely notice for bids shall be posted or published. The Superintendent or designee may sell property for which no qualified bid has been received, without further advertising.

2. The Superintendent may authorize the sale of the property by public auction.

3. Without advertisement for bids, the County Superintendent may sell or lease the property to government agencies, other school districts, or to any agency eligible under the federal surplus property law. In such cases, the sale price shall be equal to the value of the property plus estimated cost of purchasing, storing, and handling. Excess equipment with a value of less than one hundred dollars may be sold directly to an agency without advertising with the approval of the Assistant Superintendent of Business Services or designee.

4. If the Superintendent or Designee agrees that the property is worth no more than $2,500, the Superintendent may designate any employee to sell the property without advertising.

5. If the Superintendent or Designee finds that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Superintendent or may be disposed of by dumping. If any equipment contains universal waste, it will be disposed of in a legal manner.

Re: Kingsley Bogard LLP
Billing Rates for Fiscal Year 2015/2016

Dear Superintendent Staley:

Set forth below are Kingsley Bogard’s hourly billing rates that will be effective July 1, 2015 for the fiscal year 2015/2016.

Chico Unified School District has been a long-time and valued client of the Firm. As such, the Firm will offer two forms of discounts to the District. One is based on Breadth of Business, and the other is based on Volume of Work. Each is described below:

1. **Discounts**

   a. **Breadth of Business Discount**

   The District’s practice areas can generally be broken down into five categories.

   - Human Resources
   - Student Services
   - General Governance / Board
   - Special Education
   - Business

(00032053 1)
If the Firm is retained to *exclusively* represent the District in at least three (3) of the areas of practice identified above, the Firm’s monthly bills for all work performed will be discounted by three percent (3%).

b. **Volume of Work Discount**

The Firm recognizes that a client’s legal services (costs) are typically consistent and reasonably predictable over time. The normal variables are the number of students and the number of staff. All clients, however, can experience a “spike” in fees due to an unforeseen event or case. The Firm wishes to acknowledge volume of work and help the client mitigate the impact when a “spike” occurs.

For these reasons, in addition to the Breadth of Business Discount described above, the Firm also offers Chico Unified a Volume of Work Discount.

c. **Discount Chart**

*If the District also chooses the Breadth of Business Discount*, the combined Breadth and Volume Discounts are set forth in the chart below.

2. **On-Site General Counsel Hours**

Some clients have an interest in pre-scheduled on-site General Counsel hours. If desired by the District, the Firm can provide this service.

Please contact me if the District is interested in discussing this option. Typically, this option is based on:

- A pre-determined day or number of days each month.
- Counsel is present on-site from 9:00 a.m. to 5:00 p.m.
- A reduced flat fee will be charged.
- Additional hours worked on the day are billed at the regular hourly rate.

We value Chico Unified School District’s business. If you require further information, please contact me.

Very truly yours,

KINGSLEY BOGARD LLP

Educational Implications

The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

There is no impact on the General Fund.

PROPOSED AGENDA ITEM: Nutrition Services Bids for 2015-2016 School Year

Prepared by: Vince Enserro

Consent [X]  Board Date  July 8, 2015

Information Only

Discussion/Action

Background Information

Annually, the Nutrition Services Department goes out for formal bid pricing on grocery items, produce and milk/dairy products in an effort to obtain the best possible pricing for the current school year.

Educational Implications

For children of CUSD, Nutrition Services provides a nutritious meal that contains one-third of the recommended dietary allowance of necessary nutrients. For parents, the program offers a convenient method of providing nutritionally balanced meals at the lowest possible price. For schools, the program enhances children's learning abilities by contributing to their physical and mental well being. Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class.

Fiscal Implications

This will be paid for out of the Nutrition Services Budget. No general fund dollars will be used.

Recommendation

Consider approval of granting authorization to the Superintendent/Designee to award bids to the following responsive bidders, as follows:

**Recommend approval of the 2015-2016 Grocery Bid. The Grocery Bid involves grocery/dairy/produce/dry good items that are awarded individually by item to the following companies based on price, delivery, in stock items, and like brand items.**

- The Danielsen Co. Chico
- Bunzl

AGENDA ITEM: Preauthorization for Bid Approval for Phase I ADA Barrier Removal Projects at Citrus and Emma Wilson Elementary Schools

Prepared by: Julia Kistle, Director Facilities & Construction

☐ Consent  Board Date  July 8, 2015
☐ Information Only
☐ Discussion/Action

Background Information
On April 14, 2014, the Board of Education authorized Rainforth Grau Architects to prepare construction documents for the Facilities Master Plan (FMP) Phase I ADA (Americans with Disabilities Act) Barrier Removal Projects. These ADA projects consist of site work that will improve access to the school sites and bring the District into compliance in the areas being addressed. The identified Phase I ADA Barrier Removal Projects are: Chapman Elementary, Citrus Elementary, Emma Wilson Elementary, Hooker Oak Elementary School, McManus Elementary, Neal Dow Elementary, Parkview Elementary, Rosedale Elementary, Sierra View Elementary, Chico Senior High School, Pleasant Valley High School, Fair View, District Office and Corporation Yard.

On June 18, 2014, the Board of Education authorized the Superintendent or designee to enter into a Lease-Leaseback Agreement with BCM Construction for the for Phase I ADA Barrier Removal work. However, due to recent litigation in the state of California regarding the Lease-Leaseback Construction Delivery Method, it is our recommendation that the District utilize the Uniform Public Construction Cost Accounting Act (Public Contract Code Section 22000 et seq.) to informally bid the remaining two sites, Citrus and Emma Wilson Elementary Schools.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications
The projects identified will be funded with Measure E. All available State reimbursement will be pursued. The proposed projects qualify as projects defined in the voter approved Measure E ballot language.

Recommendation
It is recommended that the Board of Education preauthorize the Superintendent or designee to enter into an agreement with the lowest responsive bidder for the ADA Barrier Removal projects at Citrus and Emma Wilson Elementary Schools not to exceed the bid limits allowed under the Uniform Public Construction Cost Accounting Act.
AGENDA ITEM: Chico High School Structural Roof Overhang Project – Phase 1 and Phase 2

Prepared by: Julia Kistle, Director of Facilities & Construction

☐ Consent Board Date July 8, 2015
☐ Information Only
☒ Discussion/Action

Background Information
The District has entered into a contract with Gino Construction using the California Uniform Public Construction Cost Accounting Act to complete Structural Repairs to the south end overhang of the Administration Building of the Chico High School campus. The first part of this scope of work involved demolition of existing roofing materials and three structural beams. The three beams were scheduled to be replaced with new larger beams that meet engineering requirements. Upon opening up the roof it was apparent that there was a need for major dry rot repairs, additional beam replacement and supports. The existing conditions were evaluated by Division of State Architect, Project Engineer and Architect. It was discovered that the existing beams are not properly sized and the 2x10 joist framing is spaced too far apart. To meet structural load requirements, upon direction from Division of State Architect, an expanded investigation resulted in the discovery that the high overhangs on the adjacent classroom units 100 and 300 (as per diagram attached) to the north and south are in the same situation. According to our records, these units were designed in 1965 and constructed shortly after.

Due to the discovered conditions the Design Team is developing a Construction Change Directive to instruct the Contractor on how to address issues that will be reviewed by DSA. The issues discovered in areas of phase 1 work should be address via a change order to the contract. The current estimates for these change orders for the work to be performed according will keep this contract under the $175,000.00 California Uniform Public Construction Cost Accounting threshold. In addition, there is a need to open a new project for the needed additional structural support of the overhangs on the north end of the administration unit and the high overhangs on both adjacent units with the same/similar conditions.

It is necessary to move forward with planning and executing of work. Nicholas Melburg and Rossetto is currently the acting Architect on this project. They are vested and very knowledgeable of our existing conditions. It is our recommendation that it would be most efficient and effective to continue to work with them on the next phase of this project.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”
**Fiscal Implications**
Initial approved bid amount for this phase 1 was $66,827.00. Known change order costs equal $42,101.69 as itemized below, estimated additional change orders to complete the project is $20,000.

Total Change Order Cost $42,101.69
Total Project Additional Costs $20,000.00
Total Original Approved Contract Amount $66,827.00
Total Project Cost of Phase 1 $128,928.69

This project will be funded with Deferred Maintenance dollars. No impact on the General Fund.

**Recommendation**
In order to ensure that phase 1 of this project can continue and reach completion prior to the start of the fall semester, it is our recommendation that the following items be approved:

1. Approval of additional costs related to the added unanticipated work to repair the south overhang.
2. Authorize staff to enter into Architect Services Agreement with Nichols Melburg and Rossetto to design structural overhang improvements, modify drawings for the north end of the administration unit 200 and high overhang of unit 100 and 300.

☒ Discussion/Action

Board Date: July 8, 2015

Background Information
In order to govern effectively, Districts are required to have accurate and up-to-date Board Policies. By law, Districts are mandated to adopt many policies to ensure legal compliance. Working in conjunction with the California School Boards Association (CSBA) Policy Services, CUSD continues to update and revise Board Policies to ensure CUSD is legally compliant.

Education Implications
Up-to-date policies provide clarity to the expectations for students, parents, and staff.

Fiscal Implications
CUSD is required to have up-to-date and legally compliant policies. Failure to have such policies in place jeopardizes funding opportunities, especially in regards to Categorical dollars.

Allowance for Service

Each Board member may select any of the two elections set forth below as recognition for their service. The choice shall be made in accordance with #3 below. After choosing, the Board member shall be entitled to receive only that allowance until a new allowance is chosen in the manner prescribed in #3 below:

1. Compensation

Each member of the Governing Board may elect to receive the maximum monthly compensation as provided for in Education Code section 35120.

On an annual basis, the Board may increase the compensation of Board members beyond the limit delineated in Education Code section 35120 in an amount not to exceed five percent based on the present monthly rate of compensation. (Education Code, § 35120.)

Any member who does not attend all Board meetings during the month is eligible to receive only a percentage of the monthly compensation equal to the percentage of meetings he/she attended, unless otherwise authorized by the Board in accordance with law. (Education Code, § 35120.)

A member may be compensated for meetings he/she missed when the Board, by resolution, finds that he/she was performing designated services for the District at the time of the meeting or that he/she was absent because of illness, jury duty, or a hardship deemed acceptable by the Board. (Education Code, § 35120.)

2. Health and Welfare Benefits

Board members may elect to participate in the health and welfare benefits program provided for District employees.

(cf. 4154/4254/4354 - Health and Welfare Benefits)

Health and welfare benefits for Board members shall be no greater than those received by the District’s nonsafety employees with the most generous schedule of benefits. (Government Code, § 53208.5.)

The District shall pay the premiums required for Board members that elect to participate in the District health and welfare benefits program to the same extent that it pays for such premiums for District employees.

Health and welfare benefits provided to Board members shall be extended at the same level to their spouse/registered domestic partner and to their eligible dependent children as specified in law and the health plan. (Government Code, § 53205.1.)

4.3. Procedure for Making A Board Member Election.

a. A board member shall make his/her initial decision during the month in which he/she assumed office.

b. Thereafter the choice shall be made annually in the month of December unless the insurance provider requires that an election be made during an open enrollment period (in which case, the Board member shall make the choice at that time).

Bylaw adopted: 11/16/05; 02/05/140032214.7
Reimbursement of Expenses

Board members shall be reimbursed for actual and necessary expenses incurred when performing authorized services for the district. Expenses for travel, business meals, or other authorized purposes shall be in accordance with policies established for district personnel and at the same rate of reimbursement.

(cf. 1160 - Political Processes)
(cf. 3100 - Budget)
(cf. 3350 - Travel Expenses)
(cf. 3513.1 - Cellular Phone Reimbursement)

Board members shall be reimbursed for travel expenses incurred when performing services directed by the Board. (Education Code, § 35044)

(cf. 9240 - Board Development)

Authorized purposes may include, but are not limited to, attendance at educational seminars or conferences designed to improve Board members' skills and knowledge; participation in regional, state, or national organizations whose activities affect the district's interests; attendance at district or community events; and meetings with state or federal officials on issues of community concern.

Personal expenses shall be the responsibility of individual Board members. Personal expenses include, but are not limited to, the personal portion of any trip, tips or gratuities, alcohol, entertainment, laundry, expenses of any family member who is accompanying the Board member on district-related business, personal use of an automobile, and personal losses and traffic violation fees incurred while on district business.

Any questions regarding the propriety of a particular type of expense should be resolved by the Superintendent or designee before the expense is incurred.
