SCHOOL-BASED PROGRAM COORDINATION

In order to best serve students with special needs and students participating in designated educational programs, the Governing Board encourages school-based program coordination as a means for achieving flexibility in the use of the categorical funds received by each school. The Board believes that resources acquired to assist students in one program often can benefit other students without in any way depriving the originally targeted group.

A school-site council shall be established at each school to consider whether or not it wishes the school to participate in school-based program coordination. All interested persons shall have an opportunity to meet in public to establish the site council. (Education Code 52852.5)

(cf. 0420—School Plans/Site Councils)
(cf. 1220—Citizen Advisory Committees)

The school-site council of any participating school shall develop, for approval by the Board, a school plan that addresses the components specified in Education Code 52853. This plan shall be incorporated into the school's single plan for student achievement required for the state's consolidated application process. (Education Code 52853, 64001)

Quality Education Investment Schools

The Governing Board believes that schools demonstrating the lowest performance on state indicators of student achievement should be assisted with additional resources and support focused on instructional improvement and student services.

Whenever the Superintendent of Public Instruction identifies a district school as ranking in decile 1 or 2 on the Academic Performance Index (API) and notifies the district that the school is eligible to participate in the state's Quality Education Investment program. The Superintendent or designee shall review the program requirements and recommend to the Board if it would be in the district's best interest to apply. Based on this determination, the Board may submit an application, including an application for an alternative program, on behalf of the school in order to obtain additional state funding for school improvement.

The Superintendent or designee shall ensure that each participating school uses program funds for the purposes expressed in law and administrative regulation. Activities carried out under this program shall be aligned with other school improvement efforts.

UNIFORM COMPLAINT PROCEDURES

The Governing Board recognizes the district’s responsibility to comply with applicable state and federal laws and regulations governing educational programs. The district shall investigate complaints alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying and shall seek to resolve those complaints in accordance with the district’s uniform complaint procedures. (See AR #1312.3)

The district shall use the uniform complaint procedures in AR 1312.3 to resolve any complaint alleging unlawful discrimination in district programs and activities based on actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information, the perception of one or more of such characteristics, or association with a person or group with one or more of these actual or perceived characteristics.

(cf. 0410—Nondiscrimination in District Programs and Activities)
(cf. 4031—Complaints Concerning Discrimination in Employment)

Uniform complaint procedures shall also be used to address any complaint alleging the district’s failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, special education programs, and the development and adoption of the school safety plan.

The Board prohibits any form of retaliation against any complainant in the complaint process. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate the process. The Compliance Officer shall ensure that the results are consistent with state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.

Policy Adopted: 11/07/07; 07/17/13
The district's Administrative Regulation 1312.4, Williams Uniform Complaint Procedure, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff
3. Teacher vacancies and misassignments
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early, informal resolution of complaints whenever possible and appropriate. To resolve complaints which cannot be resolved through such informal process, the Board shall adopt a uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs (5 CCR 4610)

2. Any complaint alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, in district programs and activities against any person based on his/her actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)
(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 4030 - Nondiscrimination in Employment)
(cf. 4031 - Complaints Concerning Discrimination in Employment)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)

3. Any complaint alleging bullying in district programs and activities, regardless of whether the bullying is based on a person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics

(cf. 5131.2 - Bullying)

4. Any complaint alleging district violation of the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)

(cf. 3260 - Fees and Charges)
(cf. 3320 - Claims and Actions Against the District)

5. Any complaint alleging that the district has not complied with legal requirements related to the implementation of the local control and accountability plan (Education Code 52075)

(cf. 0460 - Local Control and Accountability Plan)

6. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy

7. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is agreeable to all parties. One type of ADR is mediation, which may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

In filing and investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation, unlawful discrimination, or bullying, the Superintendent or designee shall strive to keep confidential the identity of the complainant as long as the integrity of the complaint process is maintained.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall resolve the UCP-related allegation(s) through the district's UCP.

Policy Adopted: 11/07/07; 07/17/13
The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints. All such records shall be destroyed in accordance with applicable state law and district policy.

(cf. 3580 - District Records)

Non-UCP Complaints
The following complaints shall not be subject to the district’s UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.

2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.

3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.

4. Any complaint alleging fraud shall be referred to the California Department of Education.

In addition, the district’s Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. (Education Code 35186)

USE OF SCHOOL FACILITIES

The Governing Board believes that school facilities and grounds are a community resource which should be used to foster community involvement. Therefore, the Board authorizes the use of school facilities by district residents and community groups for purposes specified in the Civic Center Act, to the extent that such use does not interfere with school activities or other school-related uses.

(cf. 6145.5 - Student Organizations and Equal Access)

School-related activities shall have priority in the use of school facilities and grounds. Other uses authorized under the Civic Center Act shall be on a first-come, first-served basis.

For the effective management and control of school facilities and grounds, the Superintendent or designee shall maintain procedures and regulations that: (Education Code 38133)

1. assist groups desiring to use school facilities for approved activities;

2. preserve order in school buildings and on school grounds and protect school facilities, designating a person to supervise this task, if necessary;

(cf. 0450 - Comprehensive School Safety Plan)
(cf. 3516 - Emergencies and Disaster Preparedness Plan)

3. ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of school work.

There shall be no advertising on school facilities and grounds except as allowed by district policy specified in BP 1325 - Advertising and Promotion.

(cf. 1325 - Advertising and Promotion)

Fees

The Board believes that the use of school facilities or grounds should not result in costs to the district. The Superintendent or designee shall charge all groups granted the use of school facilities or grounds under the Civic Center Act an amount not exceeding direct costs determined in accordance with Education Code 38134. However, if the use of school facilities or grounds is for religious services, the group shall be charged an amount that equals or exceeds the direct costs. Additionally, when any use of school facilities or grounds is for religious services, the district shall charge an amount at least equal to the district's direct costs. (Education Code 38134)

In determining direct costs to be charged for community use of school facilities or grounds, including, but not limited to, playing or athletic fields, track and field venues, tennis courts, and outdoor basketball courts, the Superintendent or designee shall include a proportionate share of the costs of the following: (Education Code 38134)

1. Supplies, utilities, custodial services, other services of district employees, and salaries of district employees directly associated with operation and maintenance of the school facilities or grounds involved

2. Maintenance, repair, restoration, and refurbishment of the school facilities or grounds

However, for classroom-based programs that operate after school hours, including, but not limited to, after-school tutoring, and child care programs, direct costs to be charged shall not include the cost of maintenance, repair, restoration, or refurbishment of the school facilities or grounds. (Education Code 38134)

The Governing Board recognizes its critical responsibility for adopting a sound budget for each fiscal year which is aligned with the district’s vision, goals, priorities, local control and accountability plan (LCAP), and comprehensive plans. The district budget shall guide administrative decisions and actions throughout the year and shall serve as a tool for monitoring the fiscal health of the district.

(cf. 0000 - Vision)
(cf. 0200 – Goals for the School District)
(cf. 0400 – Comprehensive Plans)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 3000 - Concepts and Roles)

The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

The Board shall adopt the budget only after a local control and accountability plan (LCAP) developed pursuant to Education Code 52060-52077 or an annual update to the LCAP is in place for the budget year. Expenditures necessary to implement the LCAP or the annual update during the subsequent fiscal year shall be included in the budget. (Education Code 42127)

(cf. 0460 – Local Control and Accountability Plan)

Budget Development and Adoption Process

The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the single budget adoption process described in Education Code 42127(i). He/she shall annually notify the County Superintendent of Schools of the district’s decision to use the single budget adoption process in the subsequent year. (Education Code 42127)

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

The Board encourages public input in the budget development process and shall hold a public hearing on the proposed budget in accordance with Education Code 42103 and 42127.

(cf. 9320 - Meetings and Notices)
(cf. 9322 - Agenda/Meeting Materials)
(cf. 9323 - Meeting Conduct)

The budget that is formally adopted by the Board shall be in the format prescribed by the Superintendent of Public Instruction. The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

The Board shall adopt the district budget on or before July 1 of each year. (Education Code 42127)

Policy Adopted: 10/14/09; 05/04/11; 11/16/11; 02/05/14
At a public meeting held on a date after the public hearing on the budget, the Board shall adopt the budget following its adoption of the LCAP or an annual update to the LCAP at the same meeting. The budget shall include the expenditures necessary to implement the LCAP or the annual update to the LCAP. (Education Code 42127)

The budget that is formally adopted by the Board shall adhere to the state's Standardized Account Code Structure as prescribed by the Superintendent of Public Instruction. (Education Code 42126, 42127)

The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

No later than five days after the Board adopts the district budget or by July 1, whichever occurs first, the Board shall file with the County Superintendent of Schools the adopted district budget and supporting data. The budget and supporting data shall be maintained and made available for public review. (Education Code 42127)

(cf. 1340 - Access to District Records)

If the County Superintendent disapproves or conditionally approves the district's budget, the Board shall review and respond to his/her recommendations at a public meeting on or before September 8. The response shall include any revisions to the adopted budget and any other proposed actions to be taken as a result of those recommendations. (Education Code 42127)

Budget Criteria and Standards

The Superintendent or designee shall develop a district budget in accordance with state criteria and standards adopted by the State Board of Education (SBE). (Education Code 33127, 33128, 33128.3, 33129, 5 CCR 15440-15451) specified in 5 CCR 15440-15450 as they relate to projections of average daily attendance (ADA), enrollment, ratio of ADA to enrollment, local control funding formula revenue, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, unrestricted general fund balance, and reserves. In addition, he/she shall provide the supplemental information specified in 5 CCR 15451 which addresses the methodology and budget assumptions used, contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, status of collective bargaining agreements, the LCAP, and LCAP expenditures. (Education Code 33128, 33128.3, 33129, 42127.01; 5 CCR 15440-15451)

The budget shall provide that funding received through state supplemental and concentration grants pursuant to Education Code 42238.02 and 42238.03 shall be used in accordance with regulations adopted by the SBE for schoolwide or districtwide purposes to increase or improve services for students who are English learners, eligible for free or reduced-price meals, and/or foster youth at least in proportion to the increase to the district's revenue generated from such funds. (Education Code 42238.07)

The district budget shall provide for increasing or improving services for unduplicated students at least in proportion to the increase in funds apportioned on the basis of the number and concentration of unduplicated students. Unduplicated students are students who are eligible for free or reduced-price meals, English learners, and/or foster youth. (Education Code 42238.07; 5 CCR 15496)

(cf. 3553 - Free and Reduced Price Meals)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Language Learners)

The Board may establish other budget assumptions or parameters which may take into consideration the stability Policy Adopted: 10/14/09; 05/04/11; 11/16/11; 02/05/14
of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, categorical program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)
(cf. 3110 - Transfer of Funds)

**Fund Balance**

The district shall classify fund balances in compliance with Governmental Accounting Standards Board (GASB) Statement 54 as follows:

1. Nonspendable fund balance includes amounts that are not expected to be converted to cash, such as resources that are not in a spendable form (e.g., inventories and prepaid) or that are legally or contractually required to be maintained intact.

2. Restricted fund balance includes amounts constrained to specific purposes by their providers or by law.

3. Committed fund balance includes amount constrained to specific purposes by the Board.

   For this purpose, all commitments of funds shall be approved by a majority vote of the Board. The constraints shall be imposed no later than the end of the reporting period of June 30, although the actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements.

4. Assigned fund balance includes amounts which the Board or its designee intends to use for a specific purpose, which are intended for a specific purpose but do not meet the criteria to be classified as restricted or committed.

   The Board delegates authority to assign funds to the assigned fund balance to the Superintendent or designee and authorizes the assignment of such funds to be made any time prior to the issuance of the financial statements.

5. Unassigned fund balance includes amounts that are available for any purpose.

When multiple types of funds are available for an expenditure, the district shall first utilize funds from the restricted fund balance as appropriate, then from the committed fund balance, then from the unassigned fund balance, and lastly from the unassigned fund balance.

It is the goal of the Board to establish and maintain a reserve level of 5%, which is 2% more than the State’s requirement of 3%. (Education Code 33128.3; 5 CCR 15450)

If the unassigned fund balance falls below this level due to an emergency situation, unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

The Board intends to maintain a minimum committed fund balance in the amount of 2% to maintain fiscal solvency and stability and to protect the district against unforeseen circumstances. The Board intends to maintain a minimum unassigned fund balance for reserve for economic uncertainties in the amount of 3% as required by Education Code 33128.3; CCR 15450

If the assigned and unassigned fund balance falls below the level set by the Board due to an emergency situation,

Policy Adopted: 10/14/09; 05/04/11; 11/16/11; 02/05/14
unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

Long-Term Financial Obligations
The district’s current-year budget and multi-year projections shall include adequate provisions for addressing the district’s long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers’ compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)
(cf. 4154/4254/4354 - Health and Welfare Benefits)
(cf. 7210 - Facilities Financing)
(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

Budget Amendments
No later than 45 days after the Governor signs the annual Budget Act, the Superintendent or designee shall make available for public review any revisions in budgeted revenues and expenditures which occur as a result of the funding made available by that Budget Act. (Education Code 42127)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district’s net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget’s beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval as necessary when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

TRAVEL EXPENSES

The Governing Board recognizes that district employees may incur expenses in the course of performing their assigned duties and responsibilities. To ensure the prudent use of public funds, the Superintendent or designee shall establish rules to keep such expenses to a minimum while affording employees a reasonable level of safety and convenience.

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

The Board shall authorize payment for actual and necessary travel expenses incurred by any employee performing authorized services for the district, whether within or outside district boundaries. (Education Code 44032)

The Superintendent or designee shall establish procedures for the approval of travel requests and the submission and verification of expense claims. He/she also shall establish reimbursement rates in accordance with law and Board policy.

An employee shall obtain approval from the Superintendent or designee prior to traveling. The Superintendent or designee may approve travel requests in accordance with the adopted budget and upon determining that the travel is authorized or assigned by the employee’s supervisor, is necessary to attend a conference or other staff development opportunity that will enhance employee performance, and/or is otherwise necessary to the performance of the employee’s duties. Travel expenses not previously budgeted may be approved on a case-by-case basis by the Superintendent or designee if he/she determines that the travel is essential and that resources may be obtained or redirected for this purpose.

(cf. 3100 - Budget)
(cf. 3110 - Transfer of Funds)
(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

All out-of-state travel for which reimbursement will be claimed shall be approved in advance by the Superintendent or designee.

Reimbursable travel expenses may include, but are not limited to, costs of transportation, parking fees, bridge or road tolls, lodging when district business reasonably requires an overnight stay, registration fees for seminars and conferences, telephone and other communication expenses incurred on district business, and other necessary incidental expenses.

The district shall not reimburse personal travel expenses including, but not limited to, alcohol, entertainment, laundry, expenses of any family member who is accompanying the employee on district-related business, personal use of an automobile, and personal losses or traffic violation fees incurred while on district business.

Except as otherwise provided, reimbursement of travel expenses shall be based on actual expenses as documented by receipts.

The mileage allowance provided by the district for employees’ use of their private vehicles shall be equal to the rate established by the Internal Revenue Service.

Policy Adopted: 01/17/07; 02/05/14
Vehicles should be shared whenever possible to minimize travel costs. No employee shall be entitled to reimbursement for automobile travel when he/she is transported free of charge or by another employee who is entitled to the expense reimbursement.

Meal costs shall be reimbursed based on documented actual expenses within the maximum amounts established by the Superintendent or designee and based on the time of day that travel for district business begins and ends.

Any expense that exceeds the maximum rate of reimbursement established by the district shall be reimbursed only with the approval of the Superintendent or designee.

All expense reimbursement claims shall be submitted on a district form, within 10 working days following return from travel when possible. The form shall be accompanied by receipts and any explanation necessary to document that the expenses meet district criteria for reimbursement.

The Superintendent or designee shall approve expense claims only upon verifying that all necessary documentation is provided and that all expenses are appropriate and related to district business. If an expense claim is disallowed due to lack of documentation or inappropriate expenses, the employee may be personally responsible for any improper costs incurred.

When approved by the Superintendent or designee, an employee may be issued a district credit card for use while on authorized district business. Receipts documenting the expenses incurred on a district credit card shall be submitted promptly following return from travel. Under no circumstances shall personal expenses be charged on a district credit card, even if the employee intends to subsequently reimburse the district for the personal charges.

CONSULTANTS/INDEPENDENT CONTRACTOR

The Board of Education authorizes the use of consultants to provide expert professional advice or specialized technical or training services which are not needed on a continuing basis and which cannot be provided by district staff because of limitations of time, experience or knowledge. Individuals, firms or organizations employed as consultants may assist management with decisions and/or project development related to financial, economic, accounting, engineering, legal, administrative, instructional or other matters.

**Note: Internal Revenue Service (IRS) Publication 15-A identifies 20 common-law factors which the IRS uses to determine whether an individual is an employee or an independent contractor.

As part of the contract process, the Superintendent or designee shall determine, in accordance with Internal Revenue Service guidelines, that the consultant is properly classified as an independent contractor. District employees who perform extra-duty consultant services shall not be retained as independent contractors. They shall be considered employees for all purposes, even if the additional services are not related to their regular duties.

(cf. 4117.12/4317.12 - Retirement Consultancy Contracts)

All consultant/independent contractor contracts exceeding $5,000 shall be brought to the Board for approval.

(cf. 3312 - Contracts)

The district shall not contract for consulting services that can be performed without charge by a public agency or official unless these services are unavailable from the public source for reasons beyond the district's control.

All qualified firms or resource persons shall be accorded equal opportunity for consultant contracts regardless of race, creed, color, gender, national or ethnic origin, age or disability.

(cf. 3311 - Bids)
(cf. 3551 - Food Service Operations/Cafeteria Fund)
(cf. 4030 - Nondiscrimination in Employment)

Independent contractors applying for a consultant contract shall submit a written conflict of interest statement disclosing financial interests as determined necessary by the Superintendent or designee, depending on the range of duties to be performed by the consultant. The Superintendent or designee shall consider this statement when deciding whether to recommend the consultant's employment.

(cf. 9270 - Conflict of Interest)

When employees of a public university, county office of education or other public agency serve as consultant or resource persons for the district, they shall certify as part of the consultant agreement that they will not receive salary or remuneration other than vacation pay from any other public agency for the specific days when they work for this district.

INTERNS

The Board of Education supports the use of interns to fulfill the district's need for additional instructional resources and to enable future teachers to fulfill state credentialing requirements and link teaching theory with practice.

The Superintendent or designee may enter into an agreement with an accredited college or university to jointly provide supervised teaching experiences within the district as part of a teacher preparation program. He/she shall collaborate with the college or university in the selection, placement, support, and performance assessment of interns.

Interns shall not be assigned to teach any classes outside the subject area, grade levels or classes authorized by their credential.

(cf. 4112.2 - Certification)
(cf. 4113 - Assignment)

Any intern hired to teach core academic subjects, as defined in law, shall be required to meet the definition of a "highly qualified" teacher adopted by the State Board of Education. (20 USC 6319, 7801; 5 CCR 6100-6112)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

The district may employ interns as necessary to fulfill the need for sufficient instructional staff and to provide future teachers an opportunity to link teaching theory with practice in order to meet state credentialing requirements. In addition, the district may employ teachers who already possess a preliminary or clear credential and are pursuing a credential in a different specialization as interns for positions that require such other credential.

(cf. 4112.2 - Certification)
(cf. 4112.22 - Staff Teaching English Language Learners)
(cf. 4112.23 - Special Education Staff)

The district may enter into partnership agreements with one or more approved teacher preparation programs sponsored by colleges or universities and/or may provide a district intern program with approval of the Commission on Teacher Credentialing (CTC). Any intern program in which the district participates shall be aligned with the preconditions and program standards adopted by the CTC.

The Superintendent or designee shall make reasonable efforts to recruit an intern from an approved program within the region whenever a teacher with a preliminary or clear credential is not available for a position requiring certification. (Education Code 44225.7)

(cf. 4111/4211/4311 - Recruitment and Selection)

The Superintendent or designee shall ensure that any intern employed by the district possesses an appropriate intern credential and is adequately prepared for the responsibilities of the position.

An intern may be assigned to provide the same service as a holder of a regular multiple subject, single subject, or education specialist credential in accordance with the authorizations and grade/age level specified on the intern credential. (Education Code 44454, 44325, 44326, 44830.3)

(cf. 4113 - Assignment)

Policy Adopted: 02/27/08; Revised 10/14/09
An intern may be assigned to teach core academic subjects, as defined in law, if he/she meets the definition of a "highly qualified" teacher adopted by the State Board of Education. (20 USC 6319, 7801; 5 CCR 6100-6112)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

Terms of employment for interns shall be consistent with law and/or the district's collective bargaining agreement, as applicable.

(cf. 4116 - Probationary/Permanent Status)
(cf. 4141/4241 - Collective Bargaining Agreement)

Interns shall receive systematic supervision and guidance by qualified personnel in order to enhance their instructional skills and knowledge. The Superintendent or designee shall ensure that district staff serving as supervisors, mentor teachers, or other support providers receive appropriate training to fulfill their responsibilities and maintain frequent communication with the interns they are assigned to assist.

(cf. 4131 - Staff Development)
(cf. 4136 - Mentor Teachers)

Interns shall be provided with ongoing feedback regarding their performance and shall be formally evaluated at least once every year in accordance with Board policy and the district's collective bargaining agreement.

(cf. 4115 - Evaluation/Supervision)

Upon receiving notification from the Superintendent or designee that an intern has successfully completed the program, the Governing Board may recommend to the CTC that the intern be awarded a preliminary credential. (Education Code 44328, 44468, 44830.3)

PERSONNEL REDUCTION

The Board of Education may reduce the number of certificated personnel, or their hours and wages, due to any of the following conditions: (Education Code 44955)

1. Declining enrollment, provided that the percentage of reduction in probationary and permanent certificated personnel shall not exceed the corresponding percentage of student attendance lost

2. Reduction or discontinuance of programs or services

3. State-mandated modification of the curriculum

4. The fiscal crisis that may occur after enactment of the Budget Act when the total revenue limit per ADA has not increased by at least two percent. (Education Code 44955.5)

The Board recognizes that its authority in the reduction of personnel is subject to legal requirements. Except as otherwise provided by statute, a permanent employee who is certificated and competent to render a service shall not be terminated or given a reduction in hours and wages while a probationary employee or other employee with less seniority is retained to render the service. (Education Code 44955)

To be considered competent, an employee must have academic training in the specialized area to which the district would be able to assign him/her. The district may also consider the recency of the employee’s experience.

COURT DECISIONS

The Governing Board may reduce the number of probationary and permanent certificated employees when, in its opinion, any of the following conditions makes such reduction necessary:

1. Average daily attendance (ADA) in all of the schools in the district during the first six months of the school year has declined below the level for the same period in either of the previous two school years. (Education Code 44955)

2. A particular kind of service is to be reduced or discontinued not later than the beginning of the following school year.

Policy Adopted: February 27, 2008
3. Attendance in the district will decline in the following year as a result of the termination of an interdistrict tuition agreement. (Education Code 44955)

4. An amendment of state law requires modification of the curriculum. (Education Code 44955)

5. During the time period between five days after the enactment of the Budget Act and August 15 of that fiscal year, the Board determines that the district's total revenue limit per ADA for the fiscal year of that Budget Act has not increased by at least two percent. (Education Code 44955.5)

**Determination of the Order of Layoffs**

When it is necessary to reduce the number of certificated employees for any of the reasons listed above, the services of employees shall be terminated in the inverse of the order in which they were employed by the district in probationary status, except as otherwise authorized by law. (Education Code 44844, 44955)

The Superintendent or designee shall maintain the seniority list for this purpose and shall make it available upon request.

Unless otherwise provided by law, a permanent employee shall have the right to be retained over a probationary employee or any employee with less seniority if the position is one for which he/she is certificated and competent to render service. (Education Code 44955)

(cf. 4112.2 - Certification)
(cf. 4112.22 - Staff Teaching English Language Learners)
(cf. 4112.23 - Special Education Staff)
(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)
(cf. 4113 - Assignment)
(cf. 4116 - Probationary/Permanent Status)

To determine the order of termination between employees who first rendered paid service on the same date, the Board shall rank order those employees solely on the basis of the needs of the district and students. Upon the request of an employee whose order of termination is to be determined based on such ranking, the Board shall furnish the employee, no later than five days prior to the commencement of the administrative hearing on the layoff, a written statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking the employee relative to the other employees in the group. (Education Code 44955)

The district may deviate from terminating certificated employees in order of seniority for either of the following reasons: (Education Code 44955, 44956)

1. To fill a demonstrated specific need for personnel to teach a specific course or courses of study, or to provide services authorized by a services credential with a specialization in either student personnel services or health for a school nurse, when the certificated employee has the necessary special training and experience which others with more seniority do not possess

2. To maintain or achieve compliance with constitutional requirements related to equal protection of the law

**Notice and Hearing Rights**

When it becomes necessary to reduce the number of permanent and/or probationary employees pursuant to Education Code 44955 as specified in items #1-4 above, the district shall give notice to the affected employees, no later than March 15, stating the reasons for the action and the employees' right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 44949, 44955, and other applicable regulations.

Policy Adopted: February 27, 2008
provisions of law.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

When an employee has requested a hearing before an administrative law judge regarding the reduction or discontinuation of services, the Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge’s proposed decision. None of the findings, recommendations, or determinations of the administrative law judge shall be binding on the Board. (Education Code 44949)

The Board may conduct its own hearing, adopt the administrative law judge’s proposed decision, refer the case back to the administrative law judge for additional evidence, or reject or modify the proposed decision and make its own determination based upon its review of the record.

Following the Board’s decision, the Superintendent or designee shall give final notice, in the manner specified, to the affected employees before May 15 unless the parties agree otherwise in accordance with procedures required by law. (Education Code 44955)

When layoffs become necessary pursuant to Education Code 44955.5 as specified in item #5 above, layoff proceedings shall be carried out as required by law but in accordance with a schedule of notice and hearing adopted by the Board. (Education Code 44955.5)

Reappointment

If the number of employees is increased or the discontinued service reestablished, permanent certificated employees shall have the right to reappointment, in order of seniority, for 39 months from the date of termination. Probationary certificated employees shall have the same right for 24 months after being terminated, subject to the prior reappointment rights of permanent employees. (Education Code 44846, 44956, 44957)

During the period of the preferred right to reappointment, permanent certificated employees shall, in the order of original employment, be offered first opportunity for substitute service during the absence of any employee who has been granted a leave of absence or who is temporarily absent from duty. Such substitute service may be terminated upon the return to duty of the other employee. Such substitute service shall not affect the retention of the employees’ previous classification and rights. Probationary certificated employees shall have the same right to substitute service during the period of preferred right to reappointment to the extent required by law, subject to the rights of permanent certificated employees. (Education Code 44918, 44956, 44957)

(cf. 4121 - Temporary/Substitute Employees)

Before reappointing any certificated employee to teach a subject which he/she has not previously taught and for which he/she does not have a teaching credential or which is not within the employee’s major area of postsecondary study, the Board shall require the employee to pass a subject matter competency test in the appropriate subject. (Education Code 44956)

Reappointed certificated employees shall not be subject to any requirements that were not imposed on employees who continued in service. Their period of absence shall be treated as a leave of absence and not considered a break in the continuity of their service. (Education Code 44956, 44957)

Suspension/Dismissal Procedures
The Superintendent shall notify the Board whenever he/she believes that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933.

When the Board finds that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933, it may formulate a written statement of charges specifying instances of behavior and the acts or omissions constituting the charge, the statutes and rules that the employee is alleged to have violated when applicable, and the facts relevant to each charge. The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code 44934, 44934.1)

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of its intention to suspend or dismiss him/her at the expiration of 30 days from the date the notice is served. (Education Code 44934, 44934.1)

Prior to serving a suspension or dismissal notice that includes a charge of unsatisfactory performance, the district shall give the employee written notice of the unsatisfactory performance that specifies the nature of the unsatisfactory performance with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unsatisfactory performance charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unsatisfactory performance shall be provided at least 90 days prior to the filing of the suspension or dismissal notice or prior to the last one-fourth of the school days in the year. (Education Code 44938)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code 44938)

Except for notices that only include charges of unsatisfactory performance, the written suspension or dismissal notice may be served at any time of year. Such notice shall be served upon the employee personally if given outside of the instructional year or, if given during the instructional year, may be served personally or by registered mail to the employee's last known address. Notices with a charge of unsatisfactory performance shall be given only during the instructional year of the school site where the employee is physically employed, and may be served personally or by registered mail to the employee's last known address. (Education Code 44936)

If an employee has been served notice and demands a hearing pursuant to Government Code 11505 and 11506, the Board shall either rescind its action or schedule a hearing on the matter. (Education Code 44941, 44941.1, 44943, 44944)

Pending suspension or dismissal proceedings for an employee who is charged with egregious misconduct, immoral conduct, conviction of a felony or of any crime involving moral turpitude, incompetency due to mental disability, or willful refusal to perform regular assignments without reasonable cause as prescribed by district rules and regulations, the Board may, if it deems it necessary, immediately suspend the employee from his/her duties. If the employee files a motion with the Office of Administrative Hearings for immediate reversal of the suspension
based on a cause other than egregious misconduct, the Board may file a written response before or at the time of the hearing. (Education Code 44939, 44939.1, 44940)

EVALUATION/SUPERVISION

Certificated Management

The Governing Board believes that supervision and evaluation are key to improving the instructional leadership and management skills of administrative and supervisory staff. Evaluations shall be linked to the district's goals and school improvement plans.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 0500 - Accountability)
(cf. 2140 - Evaluation of the Superintendent)
(cf. 4300 - Administrative and Supervisory Personnel)

Evaluations shall be used to recognize the exemplary skills and accomplishments of administrative and supervisory employees. Evaluations may also identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects employees to take the initiative to improve their performance and for their supervisors to assist them in obtaining needed job skills.

(cf. 4331 - Staff Development)

The Board of Education shall establish and define job responsibilities for administrative personnel. The evaluation and assessment of the competency of administrative personnel shall be based on:

1. The administrator's progress toward agreed-upon goals, objectives and tasks
2. General expectations of performance which recognize professional responsibility, accountability and attitude
3. The fulfillment of responsibilities contained in the specific job descriptions adopted by the Board
4. Additional factors as determined by the Superintendent or designee

The evaluation shall recognize the worth and needs of the individual in the total working environment and shall provide direction toward the improvement of his/her effectiveness.

Each administrator shall be evaluated formally at least once every third year following a positive evaluation. Administrators new to a position may be evaluated each year for the first two years in the position. Evaluation is a continuous process and may occur between scheduled periods at the request of the administrator or the administrator's immediate supervisor or any higher supervisor.

Formal management evaluations shall be recorded in writing on a form prescribed by the Superintendent or designee. The evaluation shall include recommendations for improvement, if needed. Assistance shall be provided by the district to this end.

The evaluation report must be signed by the evaluator and the evaluatee and may be reviewed by the evaluator's immediate supervisor at the request of either party. The signature of the evaluated administrator shall not show agreement with the evaluation unless so indicated above his/her signature.

Policy Adopted: February 27, 2008
A copy of the report shall be given to the administrator within five (5) working days following the evaluation and no later than 30 days before the last scheduled school day. The employee may make a written response to the evaluation at any time up to ten (10) days after receiving a copy of the evaluation. The response shall be attached to the evaluation and permanently placed in the employee's personnel file.

For 12-month employees, the written evaluation report shall be given to the administrator no later than June 30 and a discussion of the evaluation shall be held no later than July 30 of the year in which the evaluation takes place. (Education Code 44663)

The Superintendent or designee shall develop regulations and procedures for the evaluation of all administrative and supervisory personnel. These written regulations and procedures shall be available to administrative and supervisory personnel. (Education Code 35171)

Classified Management Employees

Classified management personnel will be evaluated according to the procedures developed by the Superintendent or designee and approved by the Board. The evaluation shall include recommendations for improvement if needed. Assistance shall be provided by the district to this end.

The evaluation form must be signed by both the person being evaluated and the supervisor making the evaluation. The signature of the evaluated management employee shall not show agreement with the evaluation unless so indicated above the signature of the employee. The employee may make written response to the evaluation at any time up to ten (10) days after receiving a copy of the evaluation. The response shall be attached to the evaluation and placed in the employee's personnel file.

Confidential Personnel

The Superintendent or designee shall develop appropriate procedures for the evaluation of confidential personnel. Evaluations shall be administered in the same manner and time schedule as classified employees who have similar but nonconfidential positions with the district.

The evaluation shall be dated and signed by the employee and evaluator. The employee may respond in writing to the evaluation within a reasonable time after receiving a copy of the evaluation. The response shall be attached to the evaluation and placed in the employee's personnel file.

MEDICAL BENEFITS FOR RETIRED PERSONNEL

To be eligible for retiree medical benefits, the retiree must:

A. Have served in the District as an employee for a minimum of five (5) years and the minimum amount of time as prescribed by the appropriate collective bargaining agreement in place.

B. Be at least 55 years of age at the time of resignation

C. Be actively serving as an employee or be on approved leave during the year prior to retirement

D. Be currently enrolled in the CUSD medical plan in order to apply for extended medical coverage prior to the end of employment

E. Qualify and be in the process of receiving retirement benefits under the State Teachers Retirement System (STRS) and/or the Public Employees Retirement System (PERS) for the year that she/he retires

F. Be under 65 years of age in order to receive District-paid medical benefits

If all of the above conditions are satisfied, the District shall pay the total cost of the medical insurance premium for the District group plan appropriate for the retiree and eligible dependent(s), as selected by the retiree, noted in the collective bargaining agreements.

Exceptions to District payment shall be in cases of those retirees and eligible dependent(s) who have comparable medical insurance coverage or who qualify for Medicare. The intent of this benefit is to provide coverage until Medicare or some similar plan provides for it.

A staff member who has served in the District for a minimum of five (5) years and is actively serving as an employee or has been on approved leave and who goes on STRS or PERS disability retirement prior to 55 years of age shall be offered the opportunity to remain on the District’s medical insurance by paying the premium to the District. Upon reaching 55 years of age, the retiree may be eligible to receive District-paid medical benefits as outlined in this policy.

Any employee who has served in the District as an employee for a minimum of five years and who retires between the ages of 50 and 55 may continue to receive medical, dental and/or vision insurance in effect at the time of retirement by paying the premiums to the District until he or she reaches the age of 55, at which time the Chico Unified School District would pay the premiums for said health insurance as per this policy.

Any employee who has served in the District as an employee for a minimum of five years and who retires between the ages of 55 and 65 may continue to receive dental and/or vision insurance in effect by paying the premiums to the District.

District-paid medical benefits for part-time employees who elect to continue medical insurance coverage upon retirement shall be paid on a basis equal to the proportional amount paid for the medical insurance during the last year of employment in the District. However, if the employee had served a minimum of five (5) years as a full-time employee prior to becoming a part-time employee, all of the insurance premium shall be paid by the District;

Policy Adopted: February 27, 2008
Retirees age 65 who have an eligible dependent(s) under the age of 65 shall be entitled to continued medical insurance benefits. The premium for the insurance shall be fully paid by the retiree.

When a retiree reaches the age of 65, the retiree shall be responsible for his/her own medical coverage, except that retirees who retire effective June 30, 1988, during the 1988-89 school year, and subsequent years, who do not have Medicare coverage, may participate in the following program:

When a retiree reaches 65 years of age, the District shall contribute a maximum of $200 per month on a dollar-for-dollar match for Medicare A and B or successor Medicare plans. The District’s maximum contribution shall be $2,400 per year.

The Board of Education reserves the right to cancel or revise this policy during any given school year, with the understanding that all employees previously covered will continue to receive the coverage. This could include any change of regulations by the insurance carrier.

INDEPENDENT STUDY

The Governing Board authorizes independent study as an optional alternative instructional strategy for eligible students whose needs may be best met through study outside of the regular classroom setting. Independent study shall offer a means of individualizing the educational plan and enabling students to reach curriculum objectives and fulfill graduation requirements, to serve students who desire a more challenging educational experience, whose health or other personal circumstances make classroom attendance difficult, who are unable to access course(s) due to scheduling problems, and/or who need to make up credits or fill gaps in their learning. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study.

(cf. 5147 - Dropout Prevention)
(cf. 6011 - Academic Standards)
(cf. 6143 - Courses of Study)
(cf. 6146.1 - High School Graduation Requirements)
(cf. 6146.11 - Alternative Credits Toward Graduation)
(cf. 6172 - Gifted and Talented Student Program)
(cf. 6200 - Adult Education)

The Superintendent or designee may provide a variety of independent study opportunities, including, but not limited to, through a program or class within a comprehensive school, an alternative school or program of choice, a charter school, a home-based format, or an online course.

(cf. 0420.4 - Charter School Authorization)
(cf. 6181 - Alternative Schools/Programs of Choice)

A student's participation in independent study shall be voluntary. Students participating in independent study shall have the right, at any time, to enter or return to the regular classroom mode of instruction. (Education Code 51747; 5 CCR 11700)

Parents/guardians of students who are interested in independent study shall contact the Superintendent or designee. The Superintendent or designee shall approve independent study for an individual student only upon determining that the student is prepared to meet the district's requirements for independent study and is likely to succeed in independent study as well as or better than he/she would in the regular classroom.

The minimum period of time for any independent study option shall be five consecutive school days.

The Superintendent or designee shall ensure that a written independent study agreement, as prescribed by law, exists for each participating student. (Education Code 51747)

The written agreement shall specify the length of time in which each independent study assignment must be completed. Because excessive leniency in the duration of independent study assignments may result in a student falling behind his/her peers and increase the risk of dropping out of school, independent study assignments shall be no more than:

- For all program types in grades K-3 ___________ One week
- For all program types in grades 4-8 ___________ Two weeks
- For all program types in grades 9-12 ___________ Four weeks

However, when necessary based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement.

Policy Adopted: (04/99) (06/00) 05-03-07; 05-04-11
When a participating student misses three assignments within the agreement period, an evaluation shall be conducted to determine whether it is in the student's best interest to remain in independent study. However, a student's written agreement may specify a lower or higher number of missed assignments that will trigger an evaluation when the Superintendent or designee determines it appropriate based on the nature of the assignments, the total number of assignments, and/or other unique circumstances.

Supervising teachers should establish an appropriate schedule for student-teacher conferences in order to help identify students falling behind in their work or in danger of failing or dropping out of school. Except in unusual circumstances, or in particular programs such as College Connection, it is expected that the supervising teacher will meet, either in person or by electronic means, with each participating student at least once a week to discuss the student's progress.

Missing appointments with the supervising teacher without valid reasons also may trigger an evaluation to determine whether the student should remain in independent study.

Written Agreements
The Superintendent or designee shall ensure that a written master agreement and, as appropriate, a learning agreement for students participating in course-based independent study exist for each participating student as prescribed by law. (Education Code 51747, 51749.5)

An evaluation shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student misses three assignments, unless the student's written agreement specifies a lower or higher number of missed assignments based on the nature of the assignments, the total number of assignments, and/or other unique circumstances.

Student-Teacher Conferences
Supervising teachers should establish an appropriate schedule for student-teacher conferences in order to help identify students falling behind in their work or in danger of failing or dropping out of school. Teachers are expected to monitor student progress and work closely with each student to determine the amount and type of contact needed for the student to be successful in the program.

Missing appointments with the supervising teacher without valid reasons may trigger an evaluation to determine whether the student should remain in independent study.

Home-Based Independent Study
The Superintendent or designee shall encourage parents/guardians desiring to teach their children at home to have their children participate in independent study. Such participation allows continued contact and cooperation between the school system and the home-based student and ensures that the student will be offered a standards-based education substantially equivalent in quality and quantity to the district's classroom instruction.

Identification and Assessment
The Superintendent or designee shall maintain procedures which provide for the accurate identification of English learners and an assessment of their proficiency and needs in the areas of listening, speaking, reading, and writing in English.

Once identified as an English learner, a student shall be annually assessed for language proficiency until he/she is reclassified based on criteria specified in the administrative regulation.

Policy Adopted: 05/03/07; 07/17/13
English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with allowable testing variations in accordance with 5 CCR 853.5 and 853.7. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 853.5, 853.7)

(cf. 6162.51 - State Academic Achievement Tests)

Placement of English Learners

Students who are English language learners shall be educated through "sheltered structured English immersion" (also known as "structured sheltered English immersion") as defined in law and administrative regulation, during a temporary transition period not normally intended to exceed one year. "Nearly all" of the classroom instruction in the district's structured English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305, 306)

For purposes of determining the amount of instruction conducted in English in the structured English immersion classroom, "nearly all" shall be defined as follows:

No less than 80% of instruction shall be delivered in English. Primary language support may be utilized to support student understanding and promote student success in the curriculum.

"Nearly all," for the purpose of determining the amount of instruction to be conducted in English, means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

When an English language learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education, any District assessments, and/or other criteria, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is overwhelmingly in English. (Education Code 305; 5 CCR 11301)

An English learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

- Intermediate level on CELDT in listening and speaking
- Intermediate level on CELDT in reading and writing

(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)
(cf. 6171 - Title I Programs)

At any time during the school year, the parent/guardian of an English learner may have his/her child moved into an English language mainstream program. (5 CCR 11301)

Parental Exception Waivers

When allowed by law, the parent/guardian of an English learner may submit a request that his/her child be exempted from placement in a structured English immersion program and instead be placed in a class where he/she is taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. (Education Code 310-311)

Each waiver request shall be considered on its individual merits with deference given to parental preference for student placement.

Policy Adopted: 05/03/07; 07/17/13
A waiver request shall be granted in accordance with law unless the principal and educational staff have determined that an alternative program would not be better suited to the student's overall educational development. (5 CCR 11309)

If the Superintendent or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the Superintendent's decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent shall send the Board's decision to the parent/guardian within seven working days.

Program Evaluation
The Superintendent or designee shall regularly evaluate the effectiveness of the district's educational program for English learners, including the progress of English learners towards proficiency in English, the number and percentage of English learners reclassified as fluent English proficient, the number and percentage of English learners who are or are at risk of being classified as long-term English learners in accordance with Education Code 313.1, the achievement of English learners on standards-based tests in core curricular areas, progress toward any other goals for English learners identified in the district's LCAP, and a comparison of current data with data from at least the previous year. Reports from any district or schoolwide English learner advisory committee shall be made available to the public.
