[ ] Discussion/Action

Background Information

The Rosedale 6th graders would like to visit Mt. Lassen National Park for a hike and a camping trip. We would depart Rosedale at 7:00 am, set up camp and hike a trail. We will have a study session, prepare dinner and camp overnight. The next day we eat breakfast, take down camp and hike again. We will be back on campus at about 5:30 pm.

Educational Implications

6th Grade study: Earth Science

The most exciting parts of the trip are the volcanoes, but there are many other aspects of Earth science clearly evident in the park such as rocks, minerals, other land forms and erosion. Grade 6 Earth Science Standards Set 1, 2, 3, 4, 5, and 6 all apply to this field trip. Ref: Science Framework for California Public Schools K through 12, 2004 California Department of Education.

Fiscal Implications

We are asking for volunteer drivers and donations for food costs.

Background Information

All schools that receive Title I funding and local educational agencies (LEAs) that do not make Adequate Yearly Progress (AYP) are identified for Program Improvement (PI). PI schools and LEAs must implement required program components and interventions. The District must notify students attending PI schools in years 3-5 of Supplemental Services opportunities. Supplemental Educational Services are tutoring or other supplemental enrichment activities beyond the regular school day. Services are to be high quality, research-based and designed to improve the students' academic achievement. Students are eligible for services if they are in Title I schools in PI status and 1) not meeting State Standards in reading and math; and 2) from low income families. All supplemental services must be rendered by a State Board of Education (SBE) approved provider.

Education Implications

The state-approved Supplemental Service Providers will render services to qualified students based on their academic needs.

Fiscal Implications

Districts that receive Title I funding and have schools in PI status are required to set aside a portion of their Title I allocation. This set-aside must be used to pay the SBE approved Supplemental Services Providers for their contracted services.

Board Date September 2, 2015

Background Information

In July, the CUSD Board of Trustees identified Interest Based Bargaining (IBB) as an area of interest. There is interest on the part of the Board to begin the process of introducing IBB into the bargaining process with our employee groups.

Jan Dole, a well-known trainer in the area of IBB, will lead tonight's Board presentation. She has 28 years of experience and has trained and facilitated for more than 100 school districts from Yreka to San Diego, California. Her latest success was the successful resolution of bargaining with Lassen Community College resulting in a three-year agreement.

Educational Implications
Positive relationships with our employee groups mean better outcomes at the site level for our students. Solving problems and issues together means a better overall learning environment for students.

Fiscal Implications
Training for IBB will cost between $2,500-$3,500 depending on the trainer for a 2-3 day session.
AGENDA ITEM: Adoption of Resolution No. 1301-15 Adoption of Kindergarten through Community College Public Education Facilities Bond Act of 2016

Prepared by: Julia Kistle, Director, Facilities & Construction

Consent  
Information Only  
Discussion/Action

Board Date  September 2, 2015

Background Information
The State is out of school facility funds and cannot provide the State match for almost $2 billion in projects filed under current law. Chico Unified School District has $303 million in facility needs which may be partially funded by State bonds. The Kindergarten through Community College Public Education Facilities Bond Act of 2016 provides for renovation and upgrade of existing classrooms, construction of new classrooms to accommodate growth, and for career technical education facilities to provide job training to meet the trained workforce needs of California’s employers.

These jobs will be created throughout California and will include almost all building trades. 13,000 middle class jobs are created for each $1 billion in school facility infrastructure investment.

The California unemployment rate is greater than the national unemployment rate; and the new Local Control Funding Formula and Local Control Accountability Plan are intended to improve educational achievement for all students but do not provide dedicated facilities funding.

Educational Implications
Quality 21st Century school facilities designed for student needs of today and tomorrow enhance academic achievement and further the State’s academic goals.

Fiscal Implications
Kindergarten through Community College Public Education Facilities Bond Act of 2016 will not raise State taxes; and the Kindergarten through Community College Public Education Facilities Bond Act of 2016 State matching funds will reduce the need for additional local property taxes for school facilities.

Recommendation
It is recommended that the Board of Education adopt and support Resolution No. 1301-15 Kindergarten through Community College Public Education Facilities Bond Act of 2016.
Resolution No. 1301-15

Kindergarten through Community College Public Education
Facilities Bond Act of 2016

WHEREAS, the California Constitution finds public education is a State responsibility in Article IX Section 5; and

WHEREAS, Article 1 Section 28 states that public schools shall be safe, secure and peaceful; and

WHEREAS, the State has met its constitutional responsibilities since 1982 by providing consistent State bond resources through programs contained in Division 1, Part 10, Article 12 and Article 12.5 of the Education Code; and

WHEREAS, the State is out of school facility funds and cannot provide the State match for almost $2 billion in projects filed under current law; and

WHEREAS, the Chico Unified School District has $303 million in facility need which may be partially funded by State bonds; and

WHEREAS, the Kindergarten through Community College Public Education Facilities Bond Act of 2016 provides for renovation and upgrade of existing classrooms, construction of new classrooms to accommodate growth, and for career technical education facilities to provide job training to meet the trained workforce needs of California’s employers; and

WHEREAS, the California unemployment rate is greater than the national unemployment rate; and

WHEREAS, 13,000 middle class jobs are created for each $1 billion in school facility infrastructure investment; and

WHEREAS, these jobs will be created throughout California and will include almost all building trades; and

WHEREAS, the new Local Control Funding Formula and Local Control Accountability Plan are intended to improve educational achievement for all students but do not provide dedicated facilities funding; and

WHEREAS, quality 21st Century school facilities designed for student needs of today and tomorrow enhance academic achievement and further the State’s academic goals; and

WHEREAS, the Kindergarten through Community College Public Education Facilities Bond Act of 2016 will not raise State taxes; and
WHEREAS, the Kindergarten through Community College Public Education Facilities Bond Act of 2016 State matching funds will reduce the need for additional local property taxes for school facilities.

NOW, THEREFORE BE IT RESOLVED, that the Chico Unified School District supports the Kindergarten through Community College Public Education Facilities Bond Act of 2016.

AGENDA ITEM: Interfund Borrowing Between Funds

Prepared by: Jaclyn Kruger, Director, Fiscal Services

Board Date September 2, 2015

Background Information
Chico Unified School District (CUSD) was awarded a $3 million zero percent loan from the California Energy Commission (CEC) for solar projects. This funding requires CUSD to pay all invoices related to these solar projects and then apply for reimbursement from the CEC. Due to the timing of paying invoices and waiting for reimbursement from the CEC, there will be insufficient funds in Fund 42 (City Redevelopment Agency Pass-Thru Fund) for a temporary period. Administration is requesting the board approve a resolution authorizing interfund borrowing to cover the short-term cash deficit in Fund 42.

Educational Implications
None.

Fiscal Implications
The proposed interfund borrowing amount will not exceed $3 million. The money will be borrowed from Fund 01 (General Fund).

Fund 42 (City Redevelopment Agency Pass-Thru Fund) will pay Fund 01 (General Fund) interest for the days when cash was temporarily borrowed.

Recommendation
Administration recommends the board approve the resolution authorizing short term cash borrowing from Fund 01- General Fund to Fund 42 – City Redevelopment Agency Pass-thru Fund to cover the CEC loan reimbursement period.
RESOLUTION 1302-15

RESOLUTION ON TEMPORARY BORROWING BETWEEN FUNDS

WHEREAS, The Board of Trustees of the Chico Unified School District has determined that there may be insufficient cash to meet current obligations; and

WHEREAS, Education Code Section 42603 permits the Governing Board of any school district to direct that monies held in any fund or account may be temporarily transferred to another fund or account of the district for payment of obligations. The transfer shall be accounted for as temporary borrowing between funds and shall not be available for appropriation or be considered income to the borrowing fund.

NOW, THEREFORE, BE IT RESOLVED, that in accordance with Education Code Section 42603, monies may be transferred between funds of the district and repaid in accordance with Education Code Section 42603.

Discussion/Action

Board Date September 2, 2015

Background Information
In order to govern effectively, Districts are required to have accurate and up-to-date Board Policies. By law, Districts are mandated to adopt many policies to ensure legal compliance. Working in conjunction with the California School Boards Association (CSBA) Policy Services, CUSD continues to update and revise Board Policies to ensure CUSD is legally compliant.

Education Implications
Up-to-date policies provide clarity to the expectations for students, parents, and staff.

Fiscal Implications
CUSD is required to have up-to-date and legally compliant policies. Failure to have such policies in place jeopardizes funding opportunities, especially in regards to Categorical dollars.
