10.1 EDUCATIONAL SERVICES

10.1.1. Information: Teachers in China – Summer 2015
At 6:45 p.m. Assistant Superintendent Jim Hanlon provided background information on CUSD’s sister school relationship with schools in China. He then introduced Teachers Anita Homesley (CHS), Caitlin Dolby (MJHS), Chase Redkey (CJHS), and Esther Wright (CHS) who shared their experiences from their trip to Beijing, China over the summer to teach teachers and students.

10.1.2. Information: California Assessment of Student Performance and Progress (CAASPP) Results Update
At 6:59 p.m. Director Michael Morris provided an overview of CUSD CA Assessment of Student Performance and Progress (CAASPP) results by school, grade level, and student subgroup and addressed questions from the Board.

10.1.3. Information: Vendor Recommendation - Duplicating Equipment
At 7:33 p.m. Director John Vincent stated a Request for Proposal was issued on August 7, 2015, for vendors to provide pricing for district-wide duplicating equipment. Two bids were received and both vendors interviewed. CUSD is recommending a contract with Ray Morgan Company. A final copy of the contract with Ray Morgan Company will be presented to the Board for approval after numbers are finalized. Assistant Superintendent Kevin Bulterma helped to address questions from the Board.

10.2. BUSINESS SERVICES

10.2.1. Discussion/Action: Safety and Security Project: Sierra View Intermediate Courtyard
At 7:43 p.m. Directors Julie Kistle and John Carver and Supervisor Eric German presented information on the recommendation that the Board approve the removal of seven trees in the intermediate courtyard at Sierra View Elementary for safety and security measures and addressed questions from the Board. After discussion, Board Member Kaiser moved to approve the recommendation for the removal of the seven trees in the intermediate courtyard, but with the amendment that the bid accepted is the lowest, best bid and is from a certified arborist. Board Vice President Robinson asked for clarification about why the recommendation was for seven trees only when there were other trees on campus that could be diseased and should all be handled at one time. Director Julie Kistle explained these were the trees that parents, staff and students had shared safety concerns about. Assistant Superintendent Bulterma also noted that CUSD realizes removal of trees is a highly sensitive issue and preferred to bring forward specific reasoning every time they had to consider removal of a tree. Board President Griffin reminded everyone that the removal of seven trees is what was presented on the agenda and the Board should not consider additional items. Board Vice President Robinson seconded Board Member Kaiser’s motion. Board Member Loustale explained he was not approving the motion because he felt the public deserved to see a more professional explanation as to why the trees must be removed (i.e., pictures of the trees, etc.) rather than the hand drawn proposal and agreement that was included in the agenda.

Background Information
The Chico High Choir and Band students have the opportunity to travel to Eureka, CSU Humboldt, and participate in the Northern California Band and Choir Directors Honor Band and Honor Choir. The band students will know in December if they have been selected and the choir students are on the recommendation of their high school teachers.

These students will rehearse and perform music a level or two above what they do in their high schools and have the opportunity to work with guest directors, usually college directors. The choir director this year is Dr. Jeffrey Benson and the band director is Dr. Christopher Chapman. Our students also get to meet like minded students who are serious about studying music and increasing their knowledge base.

Fiscal Implications
The students pay to participate in this event. The only fiscal implication will be a substitute for the participating teacher, Mrs. Delgado, to attend with her students. It is required that the director be on site during all rehearsals and performances. I will need a substitute for two days.

Discussion/Action

Background Information

FHA-HERO is the Career and Technical Student Organization associated with our industry sectors in HECT. Nationally it is an affiliate of FCCLA. State Leadership Meeting is an annual event and hosts leadership workshops and the state finals for competitions. This year State Convention is April 15 (travel day) to April 19, 2016 in Riverside, CA.

Educational Implications

It is an excellent opportunity to learn communication skills, participate in leadership workshops, compete at a state level events and learn skills relevant to Career and College readiness. It is a standards-based activity for CTE and certainly addresses many standards in common core.

Students are required to make up work prior to attending and reporting information to other local chapters and members when returning.

Fiscal Implications

Perkins funds may be used to pay for adults. The FHA-HERO students fund raise for their registration, hotel and part of transportation. Perkins funds can pay for part of registration.

**AGENDA ITEM:** Consultant Agreement with NAF (National Academy Foundation)

**Prepared by:** Kristin Lower, Project Director for the Career Pathways Round Two Grant

**Consent**

Board Date: November 18, 2015

**Background Information**
CUSD is the fiscal agent for round two of the Career Pathways Grant. NAF is one of the grant's significant consultancies which provides guidance, curriculum resources, planning guides, and the opportunity for pathways to become NAF certified. Our grant accountability outcomes are largely based upon NAF's guidelines for successful implementation. Our grant dollars pay for each pathway to become a "Year of Planning," which gives them full access to the resources mentioned above in addition to access to a consultant.

**Educational Implications**
The goal is to create robust CTE pathways which include authentic cross-curricular integration, a progression of industry-standard skills and knowledge, and work-based learning experiences for students.

**Fiscal Implications**
The California Career Pathways Trust funds will pay for this consultancy's services in full.

AGENDA ITEM: Request for Allowance of Attendance Because of Emergency Conditions

Prepared by: Connie Cavanaugh

☐ Consent  Board Date November 18, 2015

☐ Information Only

☐ Discussion/Action

Background Information
Due to severe weather on December 11 and 12, 2014, the district experienced extreme decreases in student attendance. The CA Department of Education (CDE) allows districts to apply for a waiver to substitute regular attendance patterns for days when there is a material decrease in attendance due to such extreme situations. The request must have prior approval by the District School Board as well as the County Superintendent prior to submission to CDE.

Educational Implications
n/a

Fiscal Implications
The district will recover 20.02 ADA due to absences reported on December 11 and 12, 2014, due to extreme weather. Based on review with our independent auditors, these recovered days were already included in our LCFF funding calculation for the 2014-15 school year. This recommendation was based on the fact that the Board and CDE still needed to approve the waiver request.

AGENDA ITEM: Possible New Bond for School Facilities – Board Workshop

Prepared by: Kevin Bultema – Assistant Superintendent, Business Services

☐ Consent  Board Date  Nov 18, 2015

☐ Information Only

☒ Discussion/Action

Background Information

The Chico Unified School District (CUSD) facility master plan has identified $303,243,000 of construction and modernization needs. CUSD is researching the option to place a ballot measure before voters to sell bonds to further fund the district’s facility master plan and athletic facilities master plans. Information will be provided from Public Financial Management (PFM), a financial advising firm, regarding the district’s current bond program and options for a possible new bond program. The district will be presented with the results of a poll conducted by EMC with election and public engagement and information planning provided by CliffordMoss. Administration is asking the board for direction on whether to continue moving forward towards a new bond measure and the timing of the election. Detailed reports regarding the poll results, possible sizing of a bond measure, the impact to voters of new bond, and the need for new facilities funding will be presented at the meeting.

Educational Implications

The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.” Funding for improvements to our school facilities allows us to meet our plan and provide the environment for student success.

Fiscal Implications

A facilities bond is repaid by taxpayers through property taxes. There is no fiscal impact to the district’s operating budget and allows for continued education programs to be offered.
