Background Information
Chico Country Day School (CCDS) is a K-8 charter school authorized by the Chico Unified School District. The CCDS campus is located in the area identified as the "Barber Yard" Neighborhood in the City of Southwest Neighborhood Plan map.

Despite this location, CCDS has struggled to meet Element 7 of its charter petition which by California Ed Code requires a charter school to describe the Means to Achieve Racial and Ethnic Balance of the authorizing school district.

In the past CCDS has hired a liaison in an attempt to get registration from a more diverse population, but it has not resulted in a more representative student population.

The CCDS board has now approved changes to both Element 7 and Element 8 (Admission Requirements) in hopes of creating a more diverse student population.

These changes are considered material changes and require the approval of the Chico Unified Board of Education

Element 7: Means to Achieve Racial and Ethnic Balance of the District

Governing Law: CA Education Code 47605(b)(5)(G)
The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted. CCDS recognizes the importance of achieving a racial and ethnic balance among its students. CCDS will implement a student recruitment strategy that includes, at a minimum, following elements or strategies to ensure a racial and ethnic balance among students that is reflective of the territorial jurisdiction of the district.

The School will, at a minimum, do the following as it strives to achieve a racial & ethnic balance of students that reflects the general population of Chico Unified School District:

- Announce the School’s interest in seeking applications in publications the District provides for such purposes.
- Expend at least 15 hours of staff time annually in community and regional outreach efforts to recruit applicants of diverse backgrounds. This may include attending community meetings, hosting school open houses & tours, or visiting with local community organizations to enhance relationships.
- Expend at least $1000 annually on print and electronic media, flyers and direct mail to recruit applicants of a diverse background.

Chico Country Day School will establish an application period of at least 60 days each year beginning in November through January. Information about the application period, the admissions process and the lottery will be made available to the public in student recruitment materials, advertisements and forums, and on the School’s website.

The School will maintain auditable records of the above activities and expenditures. CCDS will also maintain an accurate accounting of the ethnic and racial balance of students enrolled.

Element 8: Admission Requirements

Governing Law: CA Education Code 47605(b)(5)(H)

Admission requirements, if applicable.

CCDS will actively recruit a diverse student population from the district and surrounding areas. Admission will be requested by completing and submitting an application form. A waiting list will be maintained as needed. CCDS is non-sectarian in its programs, admissions policies, employment practices, and all other operations. CCDS does not and will not charge tuition, and does not discriminate on the basis of race, ethnicity, national origin, religion, gender, sexual orientation, perceived sexual orientation, home language, or disability.

Applications for Enrollment:
A parent or guardian must complete and return a simple, non-discriminatory application by a published deadline before the ending of the open enrollment period.

Admissions Priorities:
CCDS shall admit all students who wish to attend the school. If the number of students who wish to attend CCDS exceeds the school’s capacity, priority for admissions shall be assigned in the following order:
1. Returning students in good standing.
2. Children of employees of Chico Country Day School.
3. Siblings of currently enrolled students.
4. All other students permitted by law.

**Admissions Lottery:**
If CCDS receives more applications than spaces available, a public, computerized lottery will be held to assist in determining admissions. Notification of the lottery date will be made to the public and all members of the public will be able to witness the lottery computerized process. Within the context of this admissions process, CCDS shall endeavor to enroll students who are representative of the racial, ethnic and socioeconomic diversity of the region using legally-permissible weighting mechanisms. These weighting mechanisms in relation to its computerized lottery will foster diversity and fits within acceptable admissions protocols. Weightings for geography are described below. These weightings are adjusted to account for the numbers of students from a particular neighborhood that have been admitted from returning, promoting and transferring students, sibling preferences and employee preferences.

**Geographic Weighting:**
In order to meet the requirement that preference for admission be offered to in-district students, CCDS will ensure that slots for admission will be allocated to in-district students first.

Additionally, 40% of the slots for admission will be allocated to students residing within the boundaries of the “Barber Yard” Neighborhood, as identified by the City of Chico Southwest Neighborhood Plan Map Area.

Subsequent admission slots shall be distributed based on attendance regions as identified by boundary maps from Chico Unified School District. Using CUSD attendance area maps, CCDS provides the following weighting measures within the lottery after the above preferences:

1. 40% Chapman Elementary School Attendance Area
2. 40% Citrus Elementary School Attendance Area
3. All other attendance areas within CUSD
4. If any slots are remaining, out of district students will be admitted, not to exceed 10%.

**Acceptance, Notification, and Waiting List**
Once the initial openings have been filled using the lottery procedures as described, CCDS will notify chosen applicants and inform them of their option to enroll in the School. Applicants who have not been chosen will have their names maintained within the applicant waiting list. As additional openings become available after the initial lottery, names will be pulled from the waiting list. Notifications will give applicants at least one full business day (24 hours) to inform the school of the applicant’s intentions. In the absence of an affirmative and timely response within 24 hours by phone, letter or email, CCDS will eliminate the applicant from consideration and move down the waiting list. The waiting list expires annually at the end of the formal academic year.

Dear Jeanne,

I feel fortunate to say that each year at Escape has been more rewarding than the last and this will be my 9th year at Escape so that’s saying something!

As reported in the Spring on our blog, our 17,000+ users in over 350 organizations have done amazing work with the Escape Online 5 system. They have paid over 144,000 employees over $4.6B and $4.1B to vendors....WOW! And those numbers will keep growing since we also brought on several new customers during this past year including Moreno Valley USD, Fremont USD, Del Norte COE and Kairos Public Schools.

While that’s very impressive, none of it would be possible without any of you. I’m thankful and continually impressed at what amazing customers we have. You have been very supportive in providing continual feedback on our key development efforts this past year, mainly the Employee Online Portal and our Affordable Care Act functionality. Thank you for being honest and constructive, and thank you for sharing your appreciation with our employees for their hard work. They love hearing that all their hard work has paid off and is making your work easier!

Thank you to the 175 of you that attended our 2 day ‘Beyond Escape’ User Conference in October. The feedback we received from attendees exceeded our wildest expectations. This year’s conference on October 6 & 7 will be even bigger and better, with room for 250 each day in Sacramento’s premier conference hotel, the Hyatt Regency. If you haven’t already registered please visit our conference website at http://www.escape.technology/be2016intro/.

The FY16/17 annual invoice is attached. This year’s increase of 1.5% is comprised of the California CPI and COLA as estimated in the Governor’s May budget revision presented by School Services of California. Our Professional Services rate will also have a slight increase this year to $250/hour.

As we look forward, we will continue to use both COLA and the California CPI as the basis of our annual increase but have established a minimum annual increase of 2% for FY17/18 and beyond. As you can see from the attached School Services dashboard, 2% is below the expected California CPI for the next several years. We appreciate your support as the revenues from these invoices are used to fund all we do here at Escape Technology.

We are very grateful to have so many wonderful customers and we look forward to continuing to exceed your expectations.

Thank you,

Ramona Marshall

1. Go to the SSC LCFF Simulator at www.ssscal.com. Your LCFF amounts for multiyear planning purposes will be provided based on your district-specific data.
2. For the forecast years, the total dollar amount needed to fund the statutory COLA is applied to the SSC LCFF Simulator.
3. Either this percentage or the final State Budget gap percentage can be used for calculating movement toward class sizes of 24:1 at grades transitional kindergarten-3.
4. 2016-17 rate is preliminary until February 2017
5. District reserve requirements as stated in the State Board of Education (SBE) adopted criteria and standards based solely on district size is not as relevant when financial volatility and exposure is disparate under the LCFF. We recommend that every district first observe the current SBE-required reserve for the traditional economic uncertainties. We also recommend the establishment of a separate reserve based on the annual LCFF revenue increase projected for the district in Year 2 and Year 3 of the multiyear projection. We recommend that the district develop a plan to, over time, set aside one year’s growth in LCFF funding as a reserve due to the potential volatility inherent in state revenues. Within that set aside, we also recommend assigning the supplemental and concentration grant dollars.

Re: Agreement for Legal Services – 2016-2017
Chico Unified School District
Burke, Williams & Sorensen, LLP

Dear Superintendent Staley:

We are pleased to represent Chico Unified School District ("Client") with respect to the matters described in this Agreement. The following sets forth the terms pursuant to which Burke, Williams & Sorensen, LLP ("Burke") and Client agree that Burke will provide legal services to Client. The hallmark of any productive professional relationship is effective communication. We invite you to contact us at any time during or after our representation with regard to any questions you may have associated with our representation or the matters described herein.

1. CONDITIONS. The effective date of this Agreement will be July 1, 2016 through June 30, 2017. This Agreement shall remain in effect until terminated by either party in accordance with the terms contained herein or by mutual agreement of the parties.

2. SCOPE OF SERVICES. Client hires Burke to provide legal services as directed by the Superintendent, administrators, or the Board of Trustees with respect to its general business, legal, educational and governance matters, including representation, advice, and counseling or charter school matters. No representation outside of the services set forth herein shall be provided by Burke to Client. No representation of any directors, officers, employees, or any other persons or entities affiliated with Client shall be provided unless such representation is expressly included in this Agreement. Client will provide those legal services reasonably required to represent Client. Burke will take reasonable steps to keep Client informed of progress and to respond to all inquiries of Client. Services in any matter not described herein will require a separate written request from Client.

3. CLIENT OBLIGATIONS. Client agrees to cooperate and be truthful with Burke, to keep Burke informed of any information or developments which may come to their attention, to abide by the terms of this Agreement, to pay Burke’s bills on time, and to keep Burke advised
of their current address, telephone number, and all other contact information. Client will assist Burke in providing necessary information and documents, and will appear when necessary at legal proceedings.

4. **CONFLICTS OF INTEREST.** Before accepting representation of Client, Burke has undertaken reasonable and customary efforts to determine whether there are any potential conflicts of interest or adversity of positions between Client and any other person or entity that would bar Burke from representing Client in general or in any of the specific matters listed herein. Burke has reviewed this issue in accordance with the Rules of Professional Conduct adopted in California. Burke believes that those rules, rather than the rules of any other jurisdiction, are applicable to Client's representation. Client's execution and return of the enclosed copy of this Agreement represents an express agreement to the applicability of the Rules of Professional Conduct adopted in California to any and all representation arising under this Agreement.

5. **DISCLOSURE.** Pursuant to the requirements of California Business & Professions Code Section 6148, Burke hereby discloses that it maintains professional errors and omissions insurance.

6. **LEGAL FEES AND BILLING PRACTICES.** Client agrees to pay by the hour at Burke's prevailing rates for all time spent on Client's matter(s) by Burke's legal personnel. Current hourly rates for Burke's legal personnel are set forth in Attachment A to this Agreement.

Burke's rates are subject to change on 30 days' written notice to Client. If Client declines to pay the increased rates, Burke will have the right to withdraw as attorney for Client.

Time will be billed in a minimum increment of one-tenth (.1) hour. The time charged will include the time Burke spends on telephone calls relating to Client's matter(s), including calls with Client, witnesses, opposing counsel, or court personnel. The legal personnel assigned to Client's matter(s) may confer among themselves about the matter(s), as required and appropriate. When they do confer, each person will charge for the time expended, as long as the work done is reasonably necessary and not duplicative. Likewise, if more than one of Burke's legal personnel attends a meeting, court hearing, or other necessary proceeding, each will charge for the time spent for doing so. Burke will charge for waiting time in court and elsewhere and for travel time, both local and out of town, except as otherwise agreed to by Client and Burke.
7. COSTS AND OTHER CHARGES.

(a) Costs and Expenses. Burke will incur various costs and expenses in performing legal services under this Agreement. In addition to Burke's hourly fees, Client agrees to pay for all costs, disbursements, and expenses associated with our legal representation of Client. These costs and expenses commonly include: service of process charges, filing fees, court and deposition reporters' fees, jury fees, notary fees, deposition costs, long distance telephone charges, messenger and other delivery fees, postage, photocopying and other reproduction costs, travel costs including parking, mileage, transportation, meals and hotel costs, investigation expenses, consultants' fees, expert witness, professional, mediator, arbitrator and/or special master fees, and other similar items. Except for the items listed below, all costs and expenses will be charged at Burke's cost.

- In-office photocopying (per page): $ .20
- In-office color photocopying (per document): $1.00
- Facsimile charges (per document): $1.00

(b) Experts, Consultants, and Investigators. To aid in the preparation or presentation of Client's case, it may become necessary to hire expert witnesses, consultants, investigators, and outsourced support services. Client agrees to pay such fees and charges. Burke will select any expert witnesses, consultants, investigators, or support services to be hired only with the express consent of the Client, and Client will be informed of persons chosen and their charges.

Additionally, Client understands that if the matter proceeds to court action or arbitration, Client may be required to pay fees and/or costs to other parties in the action. Any such payment will be entirely the responsibility of Client.

8. BILLING STATEMENTS. Burke will send Client periodic statements for fees and costs incurred. Each statement will be payable within 30 days of its mailing date. Client may request a statement at intervals of less than 30 days. If Client so requests, Burke will provide one within 10 days. The statements shall include the amount, rate, basis of calculation, or other method of determination of the fees and costs, which costs will be clearly identified by item and amount.

9. DISCHARGE AND WITHDRAWAL. Client may discharge Burke at any time. Burke may withdraw with Client's consent or for good cause. Good cause includes Client's breach of this Agreement, refusal to cooperate or to follow Burke's advice on a material matter, or any fact or circumstance that would render Burke's continuing representation of Client unlawful or unethical. When Burke's services conclude, all unpaid charges will immediately become due and payable by Client. Additionally, Burke will, upon Client's request, deliver all Client files and property in Burke's possession, whether or not Client has paid for all services.
10. DOCUMENT RETENTION POLICY. Upon written request, Client is entitled to any files in Burke’s possession relating to the legal services performed by Burke for Client, excluding Burke’s internal accounting records and other documents not reasonably necessary to Client’s representation, subject to Burke’s right to make copies of any files withdrawn by Client. Once a matter is concluded, Burke will close the file, and Client will receive notice thereof. Client’s physical files may be sent to storage offsite, and thereafter there may be an administrative cost for retrieving these materials from storage. Thus, it is recommended that Client request the return of a file at the conclusion of a matter. Under Burke’s document retention policy, Burke normally destroys files five (5) years after a matter is closed, unless other arrangements are made with Client, or as otherwise required by law.

All Client-supplied materials and all attorney-end product (referred to generally as "client material") are the property of Client. Attorney-end product includes, for example, finalized contracts, pleadings, and trust documents. Attorney work product is the property of Burke. Attorney work product includes, for example, drafts, notes, internal memoranda and electronic files, and attorney representation and administration materials, including attorney-client correspondence and conflicts materials.

After the close of a matter, Burke will notify Client of any client materials that remain in Burke’s possession. Client will be invited to retrieve these materials within 45 days of notice, or Client may direct Burke to forward the materials to Client, at Client’s expense.

After the 45-day period, Burke will, consistent with all applicable rules of professional conduct, use its discretion as to the retention or destruction of all attorney work product and any client materials that remain in Burke’s possession.

11. DISCLAIMER OF GUARANTEE AND ESTIMATES. Nothing in this Agreement, and nothing in Burke’s statements to Client, will be construed as a promise or guarantee regarding the outcome of the matter. Burke makes no such promises or guarantees. Burke’s comments about the outcome of the matter are expressions of opinion only. Any estimate of fees given by Burke shall not be a guarantee. Actual fees may vary from estimates given.

12. ENTIRE AGREEMENT. This Agreement contains the entire agreement of the parties. No other agreements, statements, or promises made on or before the effective date of this Agreement, will be binding on the parties.

13. SEVERABILITY IN EVENT OF PARTIAL INVALIDITY. If any provision of this Agreement is held in whole or in part to be unenforceable for any reason, the remainder of that provision and of the entire Agreement will be severable and remain in effect.
14. MODIFICATION BY SUBSEQUENT AGREEMENT. This Agreement may be modified by subsequent agreement of the parties only by an instrument in writing signed by both of them, or an oral agreement only to the extent that the parties carry it out.

15. EFFECTIVE DATE. This Agreement will govern all legal services performed by Burke on behalf of Client commencing with the date Burke first performed legal services. The date at the beginning of this Agreement is for reference only. Even if this Agreement does not take effect, Client will be obligated to pay Burke the reasonable value of any services Burke may have performed for Client.

THE PARTIES HAVE READ AND UNDERSTAND THE FOREGOING TERMS, AND AGREE TO THEM AS OF THE DATE BURKE FIRST PROVIDED LEGAL SERVICES. IF MORE THAN ONE CLIENT SIGNS BELOW, EACH AGREES TO BE LIABLE, JOINTLY AND SEVERALLY, FOR ALL OBLIGATIONS UNDER THIS AGREEMENT. CLIENT SHALL RECEIVE A FULLY-EXECUTED DUPLICATE OF THIS AGREEMENT.

**Board Date:** June 15, 2016

**Background Information**
Chico Unified Schools has been awarded the California State Preschool Program Expansion funds. Preschool classrooms will be located at Chapman Elementary, Citrus Elementary, and McManus Elementary. Each site classroom will need to be licensed by the Community Care Licensing Division before the August 2016.

State of California Community Care Licensing requirements include:
- Board Resolution
- Administrative Organization
- Personnel Report
- Job Descriptions
- Health and Safety Training certifications of staff
- Orientation Training of the Director
- Facility Sketches- indoor and outdoor spaces with square footage noted
- Fire Safety Inspection Report
- Emergency Disaster Plan
- Discipline Policies
- Verification of Director Qualifications

**Educational Implications**
Site licensing ensures that Chico Unified Schools meet the necessary requirements for state preschool locations. Once licensing is approved, sites can begin to get rooms ready for students.

**Fiscal Implications**
Initial licensing in Summer 2016 will cost $484 per site for a total of $1,452. Each year, starting in 2017, we will renew each site’s license at $212 per site for a total of $726. All licensing fees will be paid by the funds awarded through the grant.

AGENDA ITEM: Public Hearing for Draft 2016-17 Local Control Accountability Plan

Prepared by: Educational Services Staff

☐ Consent  Board Date  June 15, 2016

☐ Information Only / Public Hearing

☐ Discussion/Action

Background Information

Commencing in 2013-14, funding for K-12 public education in California is now allocated through the Local Control Funding Formula (LCFF). The LCFF requires school districts to develop a Local Control Accountability Plan (LCAP) which delineates the manner in which the district proposes to meet annual goals for all students in addition to specific activities to address state and local priorities.

The District LCAP Advisory Committee held several meetings this school year – site and district-wide. The LCAP Advisory Committee is comprised of parents, teachers, classified staff, administrators, interested community members and students. The LCAP Advisory Committee worked collaboratively to address the District’s LCAP Goals and the Eight State priorities: Student Achievement, Implementation of California Content Standards, Course Access, Basic Services, Parent Involvement, Student Engagement, School Climate and Other Student Outcomes.

The LCAP process requires that the plan, in addition to the 2016-17 Budget, be presented in two public meetings. The meeting held this evening is the first of those public hearings, during which the Board and the public are encouraged to present recommendations about the LCAP and the Budget. The LCAP and the 2016-17 Budget will be on the Board Agenda for adoption on June 22.

Educational Implications

The LCAP is a three year plan that addresses numerous elements of the District’s educational programs. It also informs the District’s Mission and the Goals adopted by the Board of Education each year.

Fiscal Implications

The LCAP is required by California Education Code 52060 in order for the District to expend funds allocated through the Local Control Funding Formula (LCFF).

Prepared by: Kevin Bultema – Assistant Superintendent, Business Services

☒ Public Hearing/Discussion/Action

Background Information

With the implementation of the Local Control Accountability Plan (LCAP), the Chico Unified School District (CUSD) is required to hold a public hearing of the annual budget at a meeting prior to the adoption of the annual budget and in conjunction with the public hearing for the LCAP. This budget appropriates dollars for the activities identified in the LCAP.

Educational Implications

The 2016-17 Original Budget is the financial planning document for the Chico Unified School District. It supports the educational program by allocating resources to meet the districts goals.

Fiscal Implications

The 2015-16 Estimate Actual (EA) budget estimates a positive change in fund balance of $7,689,588 in unrestricted programs and a positive change of $304,420 in restricted programs. The positive change in unrestricted fund balance is largely due to not spending the 2015-16 One-time funds in the current year.

CUSD’s General Fund ending balance as of June 30, 2016 is projected to be $20,870,617. The unrestricted ending fund balance is estimated to be $16,364,421 and the restricted ending fund balance estimated is $4,506,196.

The 2016-17 Original Budget estimates a negative change in unrestricted fund balance of $2,581,872 and a negative change in fund balance for restricted programs of $3,605,521. The change in the unrestricted fund balance is largely due to the spending the carryover of the 2015-16 One-time Funds In 2016-17.

CUSD’s General Fund ending balance as of June 30, 2017 is projected to be $14,683,224. The unrestricted ending fund balance is estimated to be $13,782,549 and the restricted ending fund balance is estimated to be $900,675.

*A detailed report of the 2016-17 Original Budget will be presented at the board meeting.
AGENDA ITEM: Public Hearing of 2016-17 Original Budget – Reserves Disclosure

Prepared by: Kevin Bultema – Assistant Superintendent, Business Services

☐ Consent  ☑ Board Date June 15, 2016

☐ Information Only  ☑ Public Hearing/Discussion/Action

Background Information
Senate Bill (SB) 858, Chapter 32/2014, establishes a hard cap on district reserve levels if certain conditions are met.

1. Proposition 98 maintenance factor must be fully repaid
2. Proposition 98 must be funded based on Test 1
3. Proposition 98 provides sufficient funds to support enrollment growth and the statutory Cost Of Living Adjustment
4. A deposit must be made into the Proposition 98 reserve when capital gains revenues exceed 8 of General fund revenues

All four conditions will not be met in 2016-17 and thus the trigger for CUSD to implement a cap on reserves is not in effect. However, the legislation also requires additional disclosure of the districts reserves at the public hearing of the Original Budget as noted in Education Code (EC) 42127(a)(2)(B). CUSD is providing a disclosure of reserve amounts in a template provided by Butte County Office of Education complying with the new reserve disclosure requirement.

Educational Implications
N/A

Fiscal Implications
Maintaining appropriate levels of reserves is prudent in the management of public funds for education. There is no fiscal impact related to SB 858 in the 2016-17 fiscal year.
Substantiation of Need for Assigned and Unassigned Ending Fund Balances in Excess of Minimum Recommended Reserves

Education Code Section 42127(a)(2)(B) requires a statement of the reasons that substantiate the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties.

AGENDA ITEM: Public Hearing of 2016-17 Education Protection Account

Prepared by: Kevin Bultema – Assistant Superintendent, Business Services

☐ Consent

☐ Information Only

☒ Discussion/Action

Board Date June 15, 2016

Background Information

Proposition 30 added Article XIII, Section 36 to the California constitution effective November 7, 2012. School districts are required to determine how the money received from the Education Protection Account (EPA) are spent in the schools within its jurisdiction on an annual basis. The governing board must make the spending determination in an open session of a public meeting. Funds shall not be used for the salaries and benefits of administrators or any other administrative costs. Chico Unified must also post annually on its website an accounting of how much money was received from EPA and how it was spent.

Educational Implications

None.

Fiscal Implications

EPA funds are not new money. They are simply a reclassification of unrestricted revenues to a separate unrestricted resource code for tracking purposes only. For Chico Unified, the estimated 2016-17 EPA amount is $15,028,485. These dollars will be distributed to Chico Unified on a quarterly basis.

Recommendation:

AGENDA ITEM: Athletic Sustainability Plan

Prepared by: Jim Hanlon – Assistant Superintendent of Human Resources

☐ Consent  Board Date June 15, 2016

☐ Information Only

☒ Discussion/Action

Background Information During the severe budget cuts of the Great Recession, CUSD developed an “Athletic Accountability Plan” to essentially save athletics in the district from elimination. The district partnered with school sites, Booster groups and the community to keep the sports programs viable at both high schools. In recent years the budget picture has improved markedly and the name of the plan was modified to “Athletic Sustainability Plan” to better describe what is now happening. As in prior years we are reporting to the board the state of athletics in the district and reviewing the new plan.

Educational Implications Many of our students remain engaged in school due to their participation in athletics. Some of our students go on to play at the junior college level and a select few play at the university level. Approximately half of our high school students participate in at least one sport at both of our comprehensive high schools.

Fiscal Implications Total annual funding for districtwide athletics is $580,000. This includes the cost of all Coaches stipends plus $12,500 per high school for athletic equipment replacement.
2016 CUSD Athletic Sustainability Plan

The District will “Pay for the Game” including all coaches’ salaries, Athletic Director program administration, equipment repair, facilities and game officials. These elements will be funded by both a district contribution from the general fund and gate receipts from athletic events. This includes:

- Pay all Athletic Coaches’ salaries based on the new stipend schedule negotiated between CUSD and CUTA beginning in the 2016-2017 school year.
  - There will be one schedule for all new coaches hired after July 1st, 2016.
  - Returning coaches will have a one-time option in May 2016 to move from the old factor system to the new stipend system.
  - Returning coaches may choose to stay on the factor system until they give up their current coaching assignment.
    - Movement to a higher level coaching position within a sport may be maintained on the factor system.
- Continue to issue coaches a contract each year, based on the new salaries if applicable (some veteran coaches may choose to remain on factored system).
  - Have checks to the school sites by the end of each sports season.
- Athletic Directors (AD’s) will use gate receipts to pay for the “cost of the league and play-off games”, therefore making additional monies available for other expenses.
- Athletic Directors will have up to ten (10) additional non-contract work days to fulfill AD duties (beyond the required 183 work days) at the discretion of the school Administration and the CUSD.
- Provide $12,500 per comprehensive high school site for equipment repair/replacement per year to be spent equitably between male and female sports.

Team Coaches will:

- Adhere to their budget allocation established in conjunction with the site AD.
  - Failure to end the year with a positive budget will result in one year probation for the coach.
    - During the one year probation, the coach/team will fundraise and/or make necessary reductions in order to reimburse debt from prior year and provide a positive ending balance during probationary year.
    - If after 2 years, the coaches’ accounts (both ASB and Booster team accounts) are not in the positive, the coach will not be rehired.
- Work to keep team costs low in order to minimize the fundraising expectations for the student-athletes.
- Acknowledge that any non-league contests will be financed entirely by team fundraising. All expenses for non-league contests must be covered by the teams’ fundraising, with final responsibility falling on the head coach.
- If coaching a “gate sport” (a sport in which admission is charged) the team will keep the profits (net gain after expenses) of their first home contest to help pay for their other non-league contests.
- Maintain their coaching certification at all times during their season of sport to include Title V codes, CIF, NSCIF and CUSD rules and regulations.
  - Coaches will not start coaching until cleared by CUSD Personnel Office and AD.
- Coaches will abide by the CIF Pursuing Victory with Honor guidelines and CIF Coaches Code of Conduct.
- Fulfill all contract requirements.
The Athletic Director will:
- Continue to use gate receipts from all contests (except the first home contest for each “gate sport” which goes to the team) to help pay for the cost of the league and play-off contests. Continue to use gate receipts, which are actually District funds, to pay for the “cost of the game”.
- Work with all athletic coaches to ensure all accounts end with a positive balance each year.
  - Meeting with coaches to ensure they understand all costs of contests both home and away.
- Work with the site Comptroller to ensure all coaches are updated on their team accounts on a regular basis.
- Prepare an annual report for the Board of Education documenting allocations, income, expenditures and other budgetary matters.
- Meet with parents to address any concerns regarding the athletic program.

Site Administration will:
- Evaluate athletic staff on the basis of this proposal to ensure effective compliance.
- Ensure school staff is trained in the financial procedures needed to run the athletic program.

Sports Boosters will:
- Focus on their primary mission of supporting athletic programs.
- Continue to support Athletic program in consultation with the Athletic Director.
  - Their resources may come in a different form at each high school.
- Continue to maintain a financial system where all financial activity is transparent to stakeholders and provide annual accounting of funds to CUSD Board of Education.
- Assist with transportation of funds and volunteer resources allow.

Parents of Student-Athletes will:
- Assist their student-athlete to accurately complete (including all signatures) the information on the Athletic Physical Packet prior to showing up for the physical.
- Encourage student-athletes to be involved in fundraising for their sport.
- Continue to provide financial assistance in the form of donations to the extent possible as determined by each individual family.
- Attend the yearly required Athlete Committed Program or, on alternate years, participate in one of the other options available.
- Be a positive member of the school community and, if there are concerns, express them through the proper process in a meeting with school personnel. Parents are asked to first address concerns directly with the head coach. If situation is not resolved, concerns should be addressed with Athletic Director who will consult with the school principal if concerns remain.

Student-Athletes will:
- Accurately complete (including all signatures) the information on the Athletic Physical Packet prior to showing up for the physical.
- Be involved in fundraising for their sport as teams are responsible for the cost of their non-league contests.
- Help the coach determine the appropriate non-league schedule based on the amount of fundraising to which they can commit.
- Attend the yearly required Athlete Committed and Goal Setting Program.
AGENDA ITEM: Approval of Tentative Agreement with CUTA (2016-17)

Prepared by: Jim Hanlon – Assistant Superintendent of Human Resources

☐ Consent Board Date June 15, 2016

☐ Information Only

☒ Discussion/Action

Background Information Negotiations between the CUSD and CUTA bargaining teams started on November 12, 2015. The negotiations teams reached a tentative agreement (TA) on May 12, 2016 and the CUTA membership voted to ratify the agreement on May 25th. The TA covers Articles 6-10, 16, 20-22, 25 and 27 as well as 8 separate appendices.

Educational Implications The completion of negotiations and the ratification and board approval of the TA, markedly improves staff morale helping staff to focus on students and student achievement.

Fiscal Implications The utilization of one-time dollars for the 2016-17 school year to cover increased costs of Health and Welfare Benefits will cost the district $969,216. The ongoing costs of a 1% increase to the Health and Welfare Benefits package totals $631,596 annually.
AGENDA ITEM: Proposed Change in 17-18 Calendar

Prepared by: Jim Hanlon – Assistant Superintendent of Human Resources

☐ Consent  Board Date June 15, 2016

☐ Information Only

☒ Discussion/Action

Background Information When the school board last adopted the three-year calendar for Chico Unified School District it adopted a calendar that placed Spring Break for 2017-18 on the week of March 12-16. Since that adoption, both Chico State and Butte College have adopted calendars that place Spring Break on the week of March 19-23. In an effort to synchronize calendars for all institutions we are proposing to the board to modify the 2017-18 CUSD calendar so we also have Spring Break during the week of March 19-23.

Educational Implications This will have no direct educational implications on instruction but will allow our families that have students at two or more of these institutions to coordinate family time/vacations.

Fiscal Implications None.

Board Date June 15, 2016

Background Information
Review process for setting CUSD Board adopted district wide goals for 2016/2017 School Year.

Educational Implications
As the Board Adopted Goals set the direction for the entire District, there is a direct impact on the Chico Unified School District Educational program. As the District has done extensive work in developing a Local Control Accountability Plan (LCAP) that represents input from education stakeholders, it is recommended that the Board Goals align closely with the Goals set forth in the 2016/17 adopted LCAP.

Fiscal Implications
The fiscal impact will vary depending upon the goals adopted. However, for the goals outlined in the LCAP, a budget has been developed and presented with the LCAP.
