6.1.1.B.2.a Unless performing student supervision duty, unit members will work on site an additional fifteen minutes prior to and after the close of the student day, engaged in activities related to the teaching task.

6.1.1.B.2.b Based on each unit member’s full or part-time service, all forms of student supervision duty, including recess, will be assigned as proportionally and as equitably as possible at each site to all unit members. Supervision may be assigned 30 minutes prior to the start of the student day or during the fifteen minutes after the close of the student day. Supervision duty shall not exceed fifteen minutes. Unit members shall not be assigned more than one supervision duty per day. If unit members on an elementary campus site of less than 300 students vote to add an afternoon recess, one additional duty per day may be assigned at that site.

[CALLED MEETING TIME]

The goal of the session(s) will be to include as many teachers as possible in providing feedback and suggestions for the elementary report card for possible changes to be implemented the following school year.

6.1.1.B.1.e.6 In the event the district is unable to offer a regularly scheduled prep period to secondary teachers of moderate/severe special day classes (including ED classes), those teachers will be paid for a sixth class as described in 6.1.1.B.e.2 unless the individual indicates to CUSD Human Resources prior to August 1, his or her preference to receive twelve days of substitute prep time.

7.1 Class Size for Unit Members Employed for the Regular School Year

The District shall have discretion to determine class size for all unit members employed for the Traditional/Year-Round Education School Year, subject to the following limitations:

Move Schedule “Y” down to Article 27

8.1.2.B Extra Pay Wages Calculations

Annual Wages Rate – Annual wages for these positions will be specified as flat dollar amounts.

Daily Wages Rate – Daily wages will be computed by dividing the unit member’s annual wage (placement on the current “Unit Member Salary Schedule for the Regular School Year”) by the number of work days (currently one hundred eighty-three (183) days—or one-hundred eighty (180) equivalent days for classroom teachers on a year-round schedule with three (3) or more tracks).

Hourly Wages Rate – Hourly wages will be computed by determining the unit member’s daily rate, then dividing the daily rate by 7.

Wage Rate for Extra Work for Extra Pay Factors – If more than one “Unit Member Salary Schedule for the Regular School Year” is in effect during the school year that the extra-pay services are being delivered, the extra-pay factor will be multiplied by the unit member’s extra-pay placement on the Annual Wages Table for that year.

The unit member’s extra-pay placement on the salary schedule shall be made commensurate with the member’s academic preparation (class placement) and paid experience (step placement) for each extra work for extra-pay category. Once established, the unit member will retain her/his extra pay placement on the salary schedule. The unit member’s extra-pay placement for each extra work for extra-pay category shall progress on the salary schedule from step to step for each year of paid experience after completion of all responsibilities (excludes step progression for less than full service). COMPLETION OF MEET AND NEGOTIATION

16.1 During the term of this Agreement, except as to negotiations concerning an agreement as expressly provided below in this Article, the CUTA and the District expressly waive and relinquish the right to meet and negotiate and agree that neither the District nor the CUTA shall be obligated to meet and negotiate with respect to any subject or matter whether referred to or covered in this Agreement or not, even though each such subject or matter may not have been within the knowledge or contemplation of either or both the District or the CUTA at the time of negotiations and execution of this Agreement, and even though such subject or matter was proposed and later withdrawn, provided, however, that in the event a court of competent jurisdiction considering this Agreement expressly holds any provision of this Agreement to be contrary to law, the CUTA and the District shall each have the right to meet and negotiate solely for the limited purpose of negotiating a new or alternate provision to replace the provision so declared contrary to law.

The matters on which negotiations shall be permitted during the term of this Agreement are expressly limited to the following:

16.1.1 Wages covering the second and third years of this Contract, being the periods between September 1, 1978 to August 31, 1979 and September 1, 1979 to August 31, 1980.

16.1.2 Class Size, K through 12 only, for the third year of the contract being the period between September 1, 1979 to August 31, 1980.

16.1.3 The parties, if they mutually agree to do so, may attempt further negotiations on any portion of the contract at any time during the contract term.

16.2 No leave may be used in connection with CUTA activities which are not provided for in this Agreement, such as work stoppages or the like.

16.3 As a condition to the First Amendment to this Agreement between Chico Unified School District and Chico Unified Teachers Association, CUTA agrees to close negotiations applicable to the year 1978-79, except as specified in paragraph 16.1.3 of Article 16, provided, however, that if the courts or the legislature hereafter provides for increases in certificated school employees' salaries for the 1978-79 year without restrictions or funding penalties connected with such salary increase, and provides the necessary additional funds for said salary increases, Article 8—Wages, will then be open for the year 1978-79. In computing the amount of additional funds provided for said salary increases, the amounts required to fund the items granted in Paragraph 2 of the First Amendment, specifically additional Health and Welfare Benefits as stated, shall be deducted from such additional funds. This shall not preclude negotiations for the year 1979-80 taking place in fiscal year 1978-79 as provided in Article 15.

22.2.1 A Volunteer Participating Teacher is a teacher who volunteers to participate in the PAR program. Volunteer Participating Teachers must receive approval from the Joint Committee in order to participate. The purpose of participation in the PAR Program for the Volunteer Participating Teacher is for peer assistance only and the Consulting Teacher shall not participate in a performance review of the Volunteer Participating Teacher. The Volunteer Participating Teacher may terminate his or her participation in the PAR Program at any time.

22.2.2 Except as provided by law, all communication between the Consulting Teacher and a Volunteer Participating Teacher shall be confidential, and without the written consent of the Volunteer, shall not be shared with others, including the site principal, the evaluator, or the Joint Committee.

22.3 Referred Participating Teacher (RPT)

22.3.1 A Referred Participating Teacher is a teacher with permanent status who receives assistance to improve his or her instructional skills, classroom management, knowledge of subject, and/or related aspects of his or her teaching performance as a result of an unsatisfactory final evaluation as per the standard Evaluation Article, Article 12.

22.3.2 A Referred Participating Teacher will select his or her Consulting Teacher from the panel of Consulting Teachers provided by the Joint Committee. A different Consulting Teacher may be selected to work with the Participating Teacher at any time during the process when requested by the Participating Teacher or the Consulting Teacher and approved by the Joint Committee.

22.3.3 The Referred Participating Teacher has the right to be represented throughout these procedures by the Association representative of his or her choice.

22.4.1.B A minimum of five years classroom instruction in Chico Unified School District.

22.4.1.C Shall demonstrate exemplary teaching ability, as indicated by, among other things, effective communication skills, subject matter knowledge, and mastery of a range of teaching strategies necessary to meet the needs of pupils in different contexts.

22.4.1.D The Joint Committee may establish more criteria.

22.4.2 In filling a position of Consulting Teacher, each applicant is required to submit three references from individuals with specific knowledge of his or her expertise, as follows:

22.4.2.A A reference from a building principal or immediate supervisor.

22.4.2.B A reference from an Association representative not on the Joint Committee.

22.4.2.C A reference from another classroom teacher.

All applications and references shall be treated with confidentiality.

22.4.3 A list of qualified Consulting teachers will be created following classroom observations and interviews by members of the Joint Committee. By a majority vote of the Joint Committee, Consulting Teachers will be activated as needed from the list.

22.4.4 A Consulting Teacher shall be provided release time as needed and as approved by the Joint Committee. If the Consulting Teacher works outside of his or her day for purposes other than working with individual RPTs, s/he shall be remunerated at his or her per diem hourly rate, if approved by the Joint Committee. The term of the Consulting Teacher may, upon
approval of the Joint Committee, be three (3) years, and a teacher may not serve in the position for more than one (1) consecutive term. A teacher may not be appointed to an administrative position in the District while serving as a Consulting Teacher or for one (1) full year after serving as a Consulting Teacher, unless the Association agrees in writing to the contrary; such agreement shall not be unreasonably withheld.

22.4.5 Functions performed pursuant to this Article by bargaining unit employees shall not constitute either management or supervisory functions. The Consulting Teacher shall continue all rights of bargaining unit members. In addition to the regular salary, a Consulting Teacher shall receive a base stipend of $1,500, which may include training with Voluntary Participating Teacher activities and staff development. In addition, a Consulting Teacher will receive $1,500 per Referred Participating Teacher, up to a maximum of two teachers. The Joint Committee has authority to adjust the annual stipend in an amount not to exceed $4,500.

22.4.11 The Consulting Teacher shall continue to provide assistance to the Referred Participating Teacher until he or she concludes that the objectives of the Goal Setting Agreement have been completed. At that point, the Consulting Teacher shall prepare a Final Report and submit that Final Report to the Joint Committee. This Final Report shall, in general, be prepared no later than twelve (12) months following the date of the Referred Participating Teacher’s referral to this Peer Assistance and Peer Review Program. With agreement from the Joint Committee, this twelve-month period may be extended in six-month increments. A copy of the Consulting Teacher’s report shall be submitted to and discussed with the Referred Participating Teacher to receive his or her comment before it is submitted to the Joint Committee. The Referred Participating Teacher shall have the right to submit a written response to the Final Report. The Referred Participating Teacher shall also have the right to request a meeting with the Joint Committee and to be represented at this meeting by the Association representative of his or her choice. The Referred Participating Teacher’s signing of the Final Report does not necessarily mean agreement, but only that he or she has received a copy of the Final Report.

22.4.12 The Referred Participating Teacher’s Final Report on program participation shall be made available for placement in his or her personnel file, and may be used in the evaluation of the Referred Participating Teacher.

22.4.13 The District agrees to indemnify and provide a defense for the Consulting Teacher against any claims, causes of action, damages, grievances, administrative proceedings, or any other litigation arising from the Consulting Teacher’s participation in Peer Assistance and Review. The Consulting Teacher may choose to retain his or her right to select his or her own attorney to represent him or her in such actions, at his or her own expense.

22.4.14 The terms of the PAR Program may be open to renegotiation at the request of either party.

25.1 Track Assignment of Teachers for Year-Round Schools

Initial track assignment of teachers for year-round schools will be made according to the following procedures:

25.1.1 Teachers may meet according to grade level and try to mutually agree to their track assignment within a timeframe specified by the principal. If mutual agreement is reached among the teachers regarding their respective track assignments, the principal shall assign tracks as agreed; however, final track assignments shall be made by the principal whenever mutual agreement cannot be
reached within the designated time frames.

25.1.2 In those cases where mutual agreement cannot be reached because more than one teacher requests the same track, the principal shall determine final placement subject to but not limited to the following non-prioritized criteria:

25.1.2.A Certification of employee;

25.1.2.B Training and experience at the grade level within the District;

25.1.2.C Years of experience;

25.1.2.D Track placement of any spouse of an employee so that employee and spouse may be on the same track;

25.1.2.E School site seniority;

25.1.2.F Best interests of educational needs.

25.1.3 Any employee who disagrees with the initial track assignment made by the principal may appeal it in writing to the Superintendent/designee specifying the reason(s) for the appeal. The Superintendent/designee shall review the appeal and make a decision within ten (10) work days. The decision of the Superintendent/designee shall be final.

25.1.4 After assignments have been completed, two unit members teaching at the same level may propose an exchange of track assignments, subject to final approval by the principal. The principal's denial of a proposed exchange shall be given in writing, stating the reasons for the denial.

25.1.5 Unit members may propose that they switch tracks at the end of any school year. Such proposal is subject to final approval by the principal. After an initial assignment to a track, a unit member will not be assigned involuntarily to another track without prior compliance with the criteria in 25.1.2.

25.1.6 Teachers within the same year-round school who wish to be reassigned from one track to another track shall be given first consideration for any track opening which may occur at that school.

25.2 Year Round Education Teachers/Children Track/School Preference

25.2.1 Children of teachers who are assigned to a year-round school shall be given their choice for track assignment at the same year-round site, if requested, or to a like track at another year-round school site if preferred, including transfers from a traditional school.

25.2.2 Children of teachers who are assigned to a traditional school and who are enrolled at a year-round school shall be granted transfer to the same traditional school as the teacher, if requested, or to another traditional school on a space-available
basis, if preferred.

25.3 Tentative Teaching Assignments (All Unit Members)

Each unit member shall be informed of his/her tentative assignment for the coming school year no later than five (5) days prior to the end of his/her work year.

CHICO EDUCATORS HEALTH AND WELFARE BENEFIT TRUST

PARTICIPATION AGREEMENT

A. RECITALS

Certain public school districts and public school employee unions have established the CHICO EDUCATORS HEALTH AND WELFARE BENEFIT TRUST to provide health and welfare benefits for members of public school bargaining units and for management and confidential employees of districts, school board members and retirees.

The Chico Unified School District and the Chico Unified Teachers Association have entered into a collective bargaining agreement which provides for contributions to the Trust for the provision of health and welfare benefits for employees of the District represented by the Union.

B. PARTIES

This PARTICIPATION AGREEMENT (hereinafter “Agreement”) is entered into by and among the Chico Educators Health and Welfare Benefit Trust (hereinafter “the Trust”), a tax exempt trust under Internal Revenue Code Section 501(c)(9), the Chico Unified School District (hereinafter “the District”) and the Chico Unified Teachers Association (hereinafter “the Union”).

C. TERMS OF AGREEMENT

In consideration of the mutual promises and covenants to be observed, kept and performed by the parties hereto, it is agreed as follows:

1. Employee

The term “employee,” as used herein, refers to all persons in employment classifications designated on the Election Form as eligible to participate in the Trust.

2. Election Form

The benefit plan(s) (hereinafter “the Plan(s)) selected by the District and the Union are those set forth in the Benefits Plan Election Form (hereinafter “the Election Form), attached hereto as Exhibit “A” and incorporated herein as though fully set forth;
a. **Eligibility rules**

The District and the Union agree to the uniform eligibility rules of the Trust, attached hereto as Exhibit "B" and incorporated herein as though fully set forth.

b. **Employee contributions**

A full contribution must be paid for each employee for each of the plans elected in Section 3 of the Election Form. If the collective bargaining agreement between the District and the Union provides for employees to pay a portion of the contribution, such bargaining agreement shall, by execution of this Agreement, be deemed to require each employee to authorize the District to withhold the required employee portion of the contribution monthly during the term of this Agreement from each such employee’s compensation and to require the District to remit that amount together with the District’s portion in one aggregate payment to the Trust.

c. **Contribution rates**

The contribution rates and the terms of the Plans specified in the Election Form and the Trust eligibility rules may be changed by the Trust effective not later than July 1 of each school year. The Union and the District will be notified in writing of applicable rates and benefits and eligibility rules changes at least thirty (30) days prior to their effective date. If the revised contribution rate is not paid, the Trust may terminate this Agreement in accordance with Section 7.b., infra.

3. **District Contributions and Reports**

a. **Report of covered employees**

The District shall prepare and submit to the Trust monthly by such date as the Trust prescribes a current list on a form to be supplied by the Trust, of all employees who are covered under each Plan, annotated to add newly enrolling employees and to delete employees who are no longer eligible.

b. **Payment of District contributions**

All contributions for employees covered pursuant to each respective Plan shall be paid by the District on a monthly basis in the amount per employee specified in the Election Form for each employee included on the monthly list referred to in Section 3.a., supra. Such Contributions shall be made promptly in advance to the Trust at the beginning of each calendar month.

c. **Delinquent contributions**

The District’s contribution shall be considered delinquent if any part thereof is not received within thirty (30) days after the due date, unless the District has deposited with the Trust an amount equal to one-month’s estimated monthly contribution, or unless the Trust excuses such delinquency for good cause. Any prepayment shall be held for the District by the Trust and the District shall pay to the Trust the sum of ten percent (10%) of the amount of the
delinquent contribution or contributions due and payable in a month. This amount shall become due and payable to the Trust by the District as liquidated damages and not as a penalty, at the place where the contribution is payable upon the day immediately following the date on which the contribution or contributions become delinquent, which payment shall be in addition to the delinquent contribution or contributions. Interest shall be charged on delinquent contributions at the rate of one percent (1.0%) simple interest per month, or such other reasonable rate as the Board may from time to time establish under applicable law. All contributions paid to the Trust shall first be applied to any delinquent payments, liquidated damages and/or interest charged in the order and amount as determined by the Trust. In the event the Trust determines it is necessary to consult legal counsel with respect to the District’s delinquent payments, there shall be added to the obligations of the District reasonable attorney’s fees, court costs and all other reasonable expenses incurred by the Trust in connection with collection of such delinquency, provided the Trust prevails in such collection effort.

4. Collective Bargaining Agreement

This Participation Agreement shall not be effective until the District and the Union provide the Trust a copy of their current collective bargaining agreement and the provisions of such agreement are approved by the Trust. The District and the Union shall promptly provide the Trust with copies of any changes in their collective bargaining agreement relative to participation in the Trust. The provisions of this Agreement and the Declaration and Agreement of Trust Establishing the Chico Employees Health and Welfare Benefit Trust Fund shall govern and shall be read consistently with the collective bargaining agreement between the District and the Union.

5. Financial Statement

Annually the Trust shall submit a financial statement to the District and the Union.

6. Distribution of Materials

The District agrees to cooperate and assist in the distribution to employees of enrollment forms, benefit descriptions, benefit certificates, provider directories, claim forms, and other forms or documents usually supplied in connection with the enrollment process.

The Trust will be responsible for administering COBRA continuation benefits for employees and eligible dependents. The District shall notify the Trust of the termination, reduction in hours or death of any employee or of any other COBRA qualifying event as required by law.
7. **Termination**

   a. **District or Union termination**

   The District and the Union may terminate their participation in the Trust as of June 30th of any year by a jointly-executed notice of termination delivered to the Trust on or before the preceding May 1st. If the District and the Union terminate participation without such notice, the District shall be required to pay an exit fee equal to the average monthly contribution paid in the prior 12-month period.

   b. **Trust termination**

   The Trust may terminate this Agreement at any time if the District fails or refuses to make all payments required hereunder for the Plans shown on the Election Form within thirty (30) days following the date of delinquency specified in Section 3.e., supra.

   c. **Trust responsibility for claims**

   Following termination of this Agreement, it is understood and agreed that the Trust shall be responsible for payment of eligible claims of covered employees and/or officers incurred on or before the termination date only in accordance with the terms and specifications of this Agreement and the Declaration and Agreement of Trust Establishing the Chico Educators Health and Welfare Benefit Trust and of each applicable Plan. The parties acknowledge that after termination of participation, neither the employees and/or employees representatives nor the District shall retain any right or interest in the Fund or any of its assets and shall not be entitled to any share of the reserves maintained by the Fund upon their withdrawal from participation.

8. **Binding Effect of Trust Agreement**

   The parties hereto agree to be bound by the terms and provisions of the Declaration and Agreement of Trust Establishing the Chico Educators Health and Welfare Benefit Trust.

9. **Waiver of Claims**

   The District and the Union hereby waive any claim against the Directors, agents or employees of the Trust for any loss, cost or expense, including attorneys’ fees, alleged to arise from or relate to the Directors’, agents’ or employees’ good faith discharge of responsibilities hereunder or under the Trust Agreement.

10. **Limit of Liability**

    In the event that, at any time, the Trust does not have sufficient assets to permit continued payments hereunder, this Agreement shall impose no liability on the Board of Trustees of the Trust, individually or collectively, or the Participants, or Unions, or any other person or entity of any kind to provide the benefits established hereunder.

11. **Right of Beneficiary(ies) to Appeal Claim Denial**
Beneficiaries, or their duly authorized representatives, may appeal claim denials, whether in full or in part, as follows:

a. **Original rejection or denial**

Within thirty (30) days after a claim has been rejected or denied, in whole or in part, by the Claims Administrator and notice thereof has been sent to the beneficiary, the beneficiary may, in writing to the Claims Administrator, request that the Claims Administrator reconsider the action. The Claims Administrator will then reconsider the action, and will advise the beneficiary, in writing, of the results of the reconsideration.

b. **Rejection or denial on reconsideration**

Within sixty (60) days after action on the request for reconsideration has been mailed to the beneficiary, the beneficiary may file with the Claims Administrator a written request for an Appeal. Such appeal will be referred to the Utilization Review company used by the Trust. The utilization review provider will consider the appeal and act thereon, within sixty (60) days of receipt thereof or, if special circumstances are present, within one hundred and twenty (120) days, and will notify the beneficiary in writing of the results of the appeal.

c. **No further appeals are available to the beneficiary**

APPENDIX E

Instructional Time and Staff Development Program

Effective July 1, 1999, the Association and the District implement the provisions of the Instructional Time and Staff Development Reform Program ("Development Program") (Education Code Sections 44579.1, et seq.). The terms, conditions and provisions of the Development Program are all applicable here and incorporated by reference. Through the Development Program, the District shall provide for three staff development days per teaching year as set forth below:

A. As set forth below and through the Development Program, there shall be three staff development days per teaching year which shall be part of the members’ total work days. Effective July 1, 1999, the work year for members shall be reduced by three teacher work days, those three teacher work days replaced by the three staff development days. However, for the teaching year 1999-2000 only, up to two of the three days will take place outside of the teaching year calendar through flexible plans. It is understood that many of these hours may have already been completed.

B. A day of staff development is 7 hours of actual staff development time.

C. It is expressly understood that all of the three staff development days will terminate should the Legislature repeal funding, in whole or in part, for the Development Program. In the event of such termination, the Association’s Members’ salary schedule shall immediately be uniformly reduced by 2%. In the event of such termination, this Article shall be of no further force and effect.

D. All members shall participate in staff development as defined below.

E. Participation is mandatory. Attendance recording, in accordance with the Development Program, will be required. Members shall sign, under penalty of perjury, the attached attendance form. Contemporaneous documentation must be provided to the site administrator, including: agenda(s) with topic(s), length of time for the sessions attended and registration forms. Failure to comply with such recording will result in loss of pay. No sick leave or other leave may be taken. Failure to attend for a partial day will result in loss of pay equivalent to one day. However, if a member is absent, that member may make up the day or time missed or will lose one day of pay at the member’s per diem rate for each day missed. All of the make-up days must be completed prior to June 30 of each year; make-up days will be scheduled outside of the work calendar (evenings and weekends).

Revised

F. Staff development content shall be provided from a list or offering of programs as
made available by the appropriate site committee (which must include teachers) or self
determined, followed by approval by the principal. Each school site committee (notice
of meeting date and time shall be posted on CUTA bulletin boards and/or emailed to
all CUTA members at that site) shall meet annually in the spring to develop activities
and programs which will satisfy the requirement of staff development time as set forth
in Education Code section 44579.1(c)(1): "teaching strategies, classroom
management, and other training designed to improve pupil performance and academic
content in the core curriculum areas." The Principal, the PAR Joint Panel, or the
District may develop and sponsor additional activities and programs for staff
development time in accordance with the Education Code throughout the school year.

G. For Multi-track year round schools, "track-in" days shall be paid at the unit member's
daily rate as per article 6.1.7 of the Collective Bargaining Agreement. Those work
days now categorized as track-in days are being replaced with staff development days.

For the Association                      Date                      For the District                      Date

MEMORANDUM OF UNDERSTANDING
TRANSFER FROM YRE TO TRADITIONAL SCHEDULE

Multi-track year-round education will have its schedule modified at the close of the 1999-2000 school year. All YRE schools will convert to single track with a resulting reduction of certificated staff. To make the reduction of staff a smooth one the parties agree to the following guidelines:

1. Article 11 - Transfer Policies will be adhered to.
2. Through September 2002, vacancies in the YRE schools shall first be offered to qualified unit members that were involuntarily transferred from a YRE to a traditional schedule during the spring of 2000;
3. Teachers that transfer (involuntary or voluntary) from a YRE schedule during spring of 2000 may elect to receive pay checks:

(1) Twelve months per year. However, to do so for the first year would require their annual salary to be divided equally into 14 payments to cover July and August of 2000. The first payment would be made in July of 2000 with the fourteenth payment made in August of 2001. This option gives the teacher a continuous monthly pay check during the first year on the traditional schedule;

(2) Ten months per year. In this case no check would be received during the months of July and August 2000;

(3) Twelve months per year with no pay check during July or August. The first check is issued in September 2000 and the twelfth pay check is issued in August 2001;

Payroll must be notified of the pay options chosen by individual teachers by June 8, 2000;

The parties specifically acknowledge and agree that agreement shall not constitute nor be construed to be a modification of the CUSD/Chico Unified Teachers Association Collective Bargaining Agreement or establish a past practice.

SECONDARY TESTING SCHEDULE FOR STAR

The Chico Unified Teacher’s Association (“Association”) and the Chico Unified School District (“District”) hereby agree as follows:

The following testing schedule will be implemented annually (with actual times dependent upon each individual school’s schedule) only during the spring semester/trimester. The number of days this schedule will be in effect will vary from four (4) to six (6) days, depending upon the testing time needed. Each regular class will meet every other day during the testing window (i.e., periods 1, 2, 3 or 4, 5, 6). Teachers will have a morning prep period that will occur every day during the testing window period. All students will attend from Period B through Period 3 or 6. The school end time for all schools will be the same as on a regular day.

Sample STAR Schedule

Period A --- Preparation period for all teachers (normal length preparation period for each secondary school involved).

Period B --- Extended Testing Period through lunch (approximately 3 hours in duration):

All teachers will test or proctor the STAR tests; or teach seniors (who do not take the test) during this 3-hour period.

Teachers working with seniors will be provided with curriculum or planned activities to utilize.

Lunch --- (Example: 11:56 a.m. to 12:45 p.m., or the normal length of the lunch periods.)

Period 1 or 4 --- Shortened class period
(Example: 12:45 p.m. to 1:25 p.m.)

Period 2 or 5 --- Shortened class period
(Example: 1:30 p.m. to 2:10 p.m.)

Period 3 or 6 --- Shortened class period
(Example: 2:15 p.m. to 2:55 p.m.)

Association members with less than a full-time equivalent (i.e., part-time: 2/5, 3/5, etc.) shall teach their proportional time on the STAR testing days. If part-time teachers elect to work the rest of the schedule on these testing days, they shall receive the proportion of their daily wage that they would receive if they were a full-time equivalent teacher. The intent here is to allow for
coverage by the regular classroom teacher in his/her regularly assigned class periods. Payment will be in the form of a supplemental check. Part-time teachers must notify their principal annually, in April or substitute teachers will be secured to teach these classes.

The Association and District agree that this Memorandum of Understanding covers the 2004-05 school year and subsequent years.

Memorandum of Understanding (Addendum) Between the Chico Unified Teachers Association and the Chico Unified School District

JUNIOR HIGH STAR SCHEDULE

The Chico Unified Teachers Association (Association) and the Chico Unified School District (District) hereby agree as follows:

On one day of the STAR testing, CUSD Junior High Schools are required by the State of California to give a test to seventh-graders only, not to eighth graders. Some CUSD Junior High Schools have a waiver that allows for a period of Sustained Silent Reading (SSR). At Bidwell, for instance, SSR is 20 minutes long following the second period of the day. The waiver does not allow for this time to be used for testing or any other event. Since one of the state-required tests could take as long as seventy (70) minutes, for the day of that test only teachers will be given the following choices:

1) Do as the contract and waiver state, giving the test during the period prior to SSR (second period at Bidwell) and then having SSR—sending students who have not yet finished the test to the library, where they will be supervised by other personnel.

2) Give the test in the period prior to SSR, allowing students who finish early to do SSR as normal and students who do not finish the test in time to continue to work on the test during the SSR period. If students are still not done at the end of that time, they will be sent to the library to finish.
