10.1.2. **Information: Update on BCOE ROP Changes**

At 7:14 p.m. Director John Bohannon, Teachers Priscilla Burns and Anila Homesley, and Program Manager Kristin Lower presented an update on recent ROP changes at Chico Unified due to the state of California completely overhauling its school funding system to the Local Control Funding Formula. Funds formerly restricted to supporting county ROP programs became unrestricted general funds. This school year, BCOE offered districts either support for some of the required elements of career technical programs or a share of the $500,000 funding. CUSD chose to take its share of the funding and is excited about the CTE changes that will allow the district to align its career technical education courses.

At 7:21 p.m. Superintendent Staley announced that with the change in the ROP program, clarification was asked for regarding Board member Gary Loustale who is employed by BCOE as an instructor in the ROP program and assigned to Chico High School. Attorney John Yeh presented a PowerPoint on CUSD legal obligations and discussed proactive measures to ensure that all Board deliberation and decision making regarding ROP funding and operation comply with applicable laws regarding board governance. Attorney John Yeh also announced that no action is being asked of the Board tonight.

Background Information

This will be the third year for McManus to go to Shady Creek. Staff and students have worked very hard to fundraise for camp. This camp experience has been a wonderful addition to our campus life. Our 5th graders are very excited and our culture supports continued excitement for our younger when their turn comes.

Educational Implications

Our students will spend four school days at Shady Creek. They will experience classes with nature and science themes throughout the day and evening. Students will also bunk with students from another school. This will be experience for their social interactions and team building with a group of students.

Fiscal Implications

We are very grateful for the district support in funding the Shady Creek trip. The district will fund approximately half and the students and families will fundraise and pay for the remainder. We had our first fundraiser, a Root Beer Float Social in September. More fundraisers are planned throughout the year to offset the costs and some families may utilize a payment plan to assist them. We are proud that every student has funding to attend this great 5th grade experience.

Prepared by: Jaclyn Kruger – Director, Fiscal Services

X Consent  Board Date  October 19, 2016

☐ Information Only

☐ Discussion/Action

Background Information

CUSD has requested an Associated Student Body (ASB) Workshop to review updated procedures, assist new staff members in transitioning roles, and to answer questions related to student body activities, fundraising, accounting, purchasing, student stores, vending machines, clubs, and overall roles and responsibilities. This training session is intended for CUSD ASB activity directors, fiscal services directors, bookkeepers, administrative support, and those responsible for ASB activities and fiscal management.

Fiscal Crisis & Management Assistance Team (FCMAT)/Kern County Superintendent of Schools Office provides local educational agencies with fiscal advice of financial and management responsibilities as well as staff development training. CUSD has worked in conjunction with FCMAT in prior years for similar training sessions.

Educational Implications

The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

FCMAT’s fees for staff member and consultant to perform a 3.5 hour ASB workshop totals $2,000 which will cover the cost for up to (35) CUSD employees to attend locally.
The Fiscal Crisis and Management Assistance Team (FCMAT), hereinafter referred to as the team, and the Chico Unified School District, hereinafter referred to as the district, mutually agree as follows:

1. **Basis of Agreement**

   Based on the provisions of Assembly Bill 1200 (1991), the mission of the Fiscal Crisis and Management Assistance Team is to help California's local educational agencies fulfill their financial and management responsibilities by providing fiscal advice, management assistance, training, and other related school business services. FCMAT coordinates statewide professional development efforts for school business officials. The district has requested that the team conduct associated study body staff development training.

2. **Scope of the Work**

   Conduct a 3.5 hour associated student body workshop for the Chico Unified School District on February 8, 2017 from 8:30 a.m. to 12 p.m. Registration begins at 8 a.m. and is limited to only participants of the Chico Unified School District.

3. **Project Personnel**

   The workshop will be supervised by Michelle Giacomini, Chief Management Analyst, Fiscal Crisis and Management Assistance Team, Kern County Superintendent of Schools Office. The workshop team will include:

   **Michelle Giacomini**  
   **FCMAT Chief Management Analyst**

   Other equally qualified staff or consultants will be substituted in the event the above individual is unable to participate in the workshop.
4. **PROJECT COSTS**

The cost for studies requested pursuant to E.C. 42127.8 (d) (1) shall be:

A. $800.00 per day for each staff member and the cost of independent FCMAT consultants will be billed at their actual daily rate for all work performed.

B. All out-of-pocket expenses, including travel, meals and lodging.

C. The district will be billed based on actual costs for the consultant. **Estimated cost is $2,000.**

D. Estimated cost does not include the FCMAT ASB Accounting Manual, Fraud Prevention Guide and Desk Reference. Printed manuals are available upon request at $20.00 each or may be downloaded free of charge at [www.fcmat.org](http://www.fcmat.org). Please request the appropriate number of manuals at least three weeks prior to the date of the workshop.

Payments for FCMAT services are payable to Kern County Superintendent of Schools - Administrative Agent.

5. **RESPONSIBILITIES OF THE DISTRICT**

The district will provide appropriate space and accommodations for the workshop, a laptop and an overhead projector, and make copies of the presentation for all participants prior to the workshop.

Pursuant to EC 45125.1(c), representatives of FCMAT will have limited contact with pupils. The district shall take appropriate steps to comply with EC 45125.1(c).

6. **PROJECT SCHEDULE**

The workshop is scheduled for February 8, 2017, from 8:30 a.m. to 12 p.m.

7. **INDEPENDENT CONTRACTOR:**

FCMAT is an independent contractor and is not an employee or engaged in any manner with the district. The manner in which FCMAT's services are rendered shall be within its sole control and discretion. FCMAT representatives are not authorized to speak for, represent, or obligate the district in any manner without prior express written authorization from an officer of the district.
8. **INSURANCE:**

During the term of this agreement, FCMAT shall maintain liability insurance in an amount of not less than $1 million unless otherwise agreed upon in writing by the district, automobile liability insurance in the amount required under California state law, and workers compensation as required under California state law. AGENDA ITEM: Environmental Consultant Services - Request for Qualifications

Prepared by: Julia Kistle, Director of Facilities & Construction

X Consent Board Date October 19, 2016

Information Only

Discussion/Action

Background Information
On September 15, 2016 the Facilities & Construction Department issued a Request for Qualifications (RFQ) in order to develop a pool of qualified environmental consultant firms to assist with California Environmental Quality Act (CEQA) compliance services for Phase III Facilities Master Plan Projects.

Two impressive Statements of Qualifications (SOQ’s) from environmental firms were received on October 6, 2016. Staff reviewed each SOQ and found both firms to be highly qualified and eligible for our pool of environmental consultants.

Educational Implications
The District’s Strategic Plan states: “A safe, nurturing and inspiring environment is essential for individuals to thrive.”

Fiscal Implications

The projects identified will be funded with Measure K, if the bond passes on November 8th. All available State reimbursement will be pursued.

The proposed projects qualify as projects defined in the voter approved Measure K ballot language.

Recommendation
It is recommended that the Board of Education:
1. Accept the environmental consultant firms selected by Staff: Michael Baker International and Rincon Consultants, Incorporated.

2. Preauthorize Staff to contract with Michael Baker International to perform CEQA services for the Chico High School and Pleasant Valley High School Athletics projects as defined in Phase III of the Facilities Master Plan, if Measure K passes on November 8, 2016.

3. Preauthorize Staff to contract with Rincon Consultants, Inc. to perform CEQA services for Marigold Elementary School, Loma Vista School, and Neal Dow Elementary School, as defined in the Phase II of the Facilities Master Plan, if Measure K passes on November 8, 2016.

AGENDA ITEM: Student Recognition: Students Achieving Highest Possible Scale Score on State Tests

Prepared by: Michael Morris, Director

□ Consent  Board Date October 19, 2016
☑ Information Only
□ Discussion/Action

Background Information
This agenda item provides an opportunity to recognize extraordinary student achievement on statewide tests in the areas of English Language Arts/Literacy, Mathematics, and Science.

The state requires students in certain grade levels to participate in the California Assessment of Student Performance and Progress (CAASPP) tests each spring. CUSD students in grades 3-8 and 11 took the online Smarter Balanced tests in English Language Arts/Literacy and Mathematics during spring 2016. CUSD students in grades 5, 8 and 10 took the California Science Tests. Students being recognized have attained the Highest Possible Scale Score (a perfect score) on any of the three state tests listed above during the spring 2016 test administration.

Educational Implications
Recognizing success can let students, parents, teachers, coaches and principals know that their accomplishments are noticed and valued. Recognizing students’ demonstration of academic excellence on state assessments may provide additional motivation and encouragement for students to reach even higher. It also provides evidence to other students and to educators that the highest levels of performance are attainable on state tests.

The district endeavors to support the continual improvement of instruction which in turn influences student achievement. State and federal achievement data are reviewed by district staff for planning and monitoring educational programs and strategies and to allocate resources to best support the improvement of CUSD students’ academic achievement.

Fiscal Implications
Mandated Testing is reimbursed by the state. Professional development is supported by funding such as Title II and Educator Effectiveness and does not impact the general fund.
AGENDA ITEM: Adverse Childhood Experiences Awareness Resolution

Prepared by: David McKay, Director

□ Consent  Board Date October 19, 2016
□ Information Only
☑ Discussion/Action

Background Information
In 2014, the Center for Youth Wellness released its report, "A Hidden Crisis: Findings on Adverse Childhood Experiences in California", which listed Butte County as the number one county in the state for adults reporting at least one Adverse Childhood Experience (ACE) as well as for adults reporting the clinically significant number of four ACEs (https://app.box.com/s/nf7lw36bjir5kdfx4ct9). As that study gained local attention, leaders from various service-oriented agencies began to collaborate on ways to more effectively harness our collective efforts to help our community heal from the devastating effects of ACEs. This work led to the creation of the Butte County ACEs Network: a volunteer group of over 30 agency representatives working to increase awareness of ACEs as a public health crisis in our community and to identify and eliminate systemic barriers to citizens receiving timely, trauma-informed care.

Educational Implications
CUSD identified the need to develop trauma-informed schools when it drafted the initial LCAP back in 2013 (LCAP Goal 5). Additionally, programs like Alt. Ed., Day treatment, and Elementary Counseling initiatives have long been targeting students who display symptoms of ACEs and providing them with supports with increasing efficiency. In order to create trauma-informed classrooms, we must provide all teachers and staff with training in trauma-informed practices. Butte County ACEs Network respectfully asks the CUSD Board of Education to consider adopting Resolution 1357-16 and invites the Board and district staff to attend the Sunday, November 13 screening of Resilience, from 6:00-8:00 p.m. in the Chico High School Williams Theater, as our local kick-off event (Movie Trailer at: kpjrfilms.co)

Fiscal Implications
All volunteer work.
RESOLUTION RECOGNIZING NOVEMBER 2016 AS ADVERSE CHILDHOOD EXPERIENCES (ACES) AWARENESS MONTH

WHEREAS, Adverse childhood experiences (ACEs) are traumatic experiences that occur during childhood, including physical, emotional or sexual abuse, physical and emotional neglect, household dysfunction, including substance abuse, untreated mental illness or incarceration of a household member, domestic violence, or separation or divorce involving household members, that can have a profound effect on a child's developing brain and body; and

WHEREAS, The Adverse Childhood Experiences Study found that Butte County has the highest number of total ACEs and that more Butte County residents have four or more ACEs than any other California county, and

WHEREAS, These early adverse experiences shape the physical architecture of a child's developing brain and establish either a sturdy or a fragile foundation for all the learning, health, and behavior that follow; and

WHEREAS, Strong, frequent, or prolonged stress in childhood caused by adverse childhood experiences can become "toxic stress", impacting the development of a child's fundamental brain architecture and stress response systems; and

WHEREAS, Early childhood offers a unique window of opportunity to prevent and heal the impacts of Adverse Childhood Experiences and toxic stress on a child's brain and body; and

WHEREAS, A child's brain continues to develop through adolescence and into young adulthood; and

WHEREAS, The emerging science and research on toxic stress and adverse childhood experiences evidence a growing public health crisis for the state with implications for the state's educational, juvenile justice, criminal justice, and public health systems; and

WHEREAS, Adverse Childhood Experiences can significantly impact a child's success in education; and

WHEREAS, The Trauma and Learning Policy Initiative (TLPI) found that neurobiological, epigenetics, and psychological studies have shown that traumatic experiences in childhood and adolescence can diminish concentration, memory, and the organizational and language abilities students need to succeed in school, thereby negatively impacting a student's academic performance, classroom behavior, and the ability to form relationships; and

WHEREAS, A child with four or more Adverse Childhood Experiences is 46 times more likely to have learning or emotional problems; and

WHEREAS, A critical factor in buffering children from the effects of toxic stress and Adverse Childhood Experiences is the existence of supportive, stable relationships between children and their families, caregivers, and other important adults in their lives such as teachers; and
WHEREAS, Positively influencing the architecture of a child's developing brain is more effective and less costly than attempting to correct poor learning, health, and behaviors later in life;

Now, therefore, be it resolved, that the Chico Unified School District Board of Education does hereby recognize November 2016 as ACEs Awareness Month in Chico Schools. In accordance with our Local Control Accountability Plan, we also call upon our schools to continue providing training and technical assistance to help school district faculty and staff achieve safe, supportive, trauma-informed schools.

The projects identified will be funded with Measure K, if bond passes on November 8th. All available State reimbursement will be pursued. The proposed projects qualify as projects defined in the voter approved Measure K ballot language.

Recommendation
It is recommended that the Board of Education approve the programming and design documents presented (with necessary adjustments, upon review) by the architects and preauthorize Staff to enter into contractual agreements with each Architect to produce design documents for submittal to the Division of the State Architect, develop budgets and provide construction administration services, if Measure K passes on November 8, 2016.
AGENDA ITEM: 2015-16 Unaudited Actual Financial Statements

Prepared by: Jaclyn Kruger & Marie Hartman – Directors, Fiscal Services

☐ Consent  Board Date October 19, 2016

☐ Information Only

☒ Discussion/Action

Background Information
The Unaudited Actuals financial statements are the year-end reports representing the financial activity of the Chico Unified School District (CUSD) for the 2015-16 fiscal year ending June 30, 2016. Please note, the financial statements represent the financial position of the CUSD before the annual independent audit has been completed.

Educational Implications
The proper accounting, reporting, and use of the district’s financial resources supports high quality and broad based educational programs for the students of the Chico Unified School District.

Fiscal Implications
CUSD’s ending general fund balance for both unrestricted and restricted programs is $23,176,986 as of June 30, 2016. The unrestricted ending balance is $18,648,644 and the restricted ending fund balance is $4,528,342. For fiscal year 2015-16, CUSD is reporting a positive change in fund balance of $9,973,809 for unrestricted programs and a positive change in fund balance of $326,569 for restricted programs. After a reserve for economic uncertainties of 3% and other designations of the fund balance, there was a remaining amount of $4,243,442 in the unassigned category of the unrestricted fund balance. A detailed presentation will be provided at the board meeting.
AGENDA ITEM:  GANN Appropriations Limit

Prepared by:  Jaclyn Kruger, Director, Fiscal Services

☐ Consent  Board Date  October 19, 2016

☐ Information Only

☒ Discussion/Action

Background Information
Established in 1979, the Gann Limit is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation. The Gann Limit has become a largely pro forma calculation that no longer constrains governmental expenditures, as the limit has grown significantly faster than appropriations subject to the limit.

Educational Implications
None.

Fiscal Implications
None.

Recommendation
Approve the 2015-16 and 2016-17 GANN Appropriations Limit calculation and resolution.
RESOLUTION 1356-16

RESOLUTION OF THE BOARD OF EDUCATION
FOR
CHICO UNIFIED SCHOOL DISTRICT
ADOPTING THE “GANN” LIMIT

WHEREAS, in November 1979, the California electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIII-B to the California Constitution; and

WHEREAS, the provision of that Article establish maximum appropriation limitations, commonly called “Gann Limits,” for public agencies, including school districts; and

WHEREAS, the District must establish a revised Gann Limit for the 2015-16 fiscal year and a projected Gann Limit for the 2016-17 fiscal year in accordance with the provisions of Article XII-B and applicable statutory law;

NOW, THEREFORE, BE IT RESOLVED, that this Board does provide public notice and the attached calculations and documentation of the Gann limits for the 2015-16 and 2016-17 fiscal years are made in accord with applicable constitutional and statutory law; and

BE IT FURTHER RESOLVED, that this Board does hereby declare that the appropriations in the Budget for the 2015-16 and 2016-17 fiscal years to not exceed the limitations imposed by Proposition 4; and

BE IT FURTHER RESOLVED, that the Superintendent provides copies of this resolution along with the appropriate attachments to interested citizens of this district.

PASSED AND ADOPTED by the Chico Unified School District Board of Education at a regular meeting, thereof, held on this 19th day of October, 2016.
