STUDENT BOARD MEMBERS

The Board of Education of the Chico Unified School District recognizes the importance of student participation in the process of school governance and that students make valuable contributions to the design and development of instructional, co-curricular and educational support programs within the district. The Board also recognizes that students having a sense of identity with a particular district program will often assume responsibility for and an obligation to make the program successful. It is, therefore, the intent of the Board to appoint a student Board member who shall be expected to attend all scheduled public school Board meetings in order to provide input to the Board on agenda items under consideration.

Student councils at Chico High School, Pleasant Valley High School and Fair View High School shall select a candidate for the student Board member position in accordance with procedures established at each school. The three student advisors shall meet to establish a schedule to have each of the three candidates serve an equal amount of time during the year as the student Board member representative. The assigned student representative shall sit with the Board. The two students not assigned to sit with the Board shall attend each meeting or have an alternate present.

The student Board member(s) will be expected to represent all students within the schools and will make every effort to share all sides of a particular issue of interest to students. The selected student Board member may give a recommendation on agenda items with the exception of those items involving personnel or items which have been subject to closed session deliberation. The Superintendent shall develop, implement and monitor procedures to implement this policy.

Conflict of Interest Code

The district's conflict of interest code shall be comprised of the terms of 2CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with a district attachment specifying designated positions and the specific types of disclosure statements required for each position.

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code in even-numbered years. If a change in the code is necessitated by changed circumstances, the district shall submit an amended code to the code reviewing body. (Government Code 87306.5)

When reviewing and preparing conflict of interest codes, the district shall provide officers, employees, consultants and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

If a Board member or designated employee determines that he/she has a financial interest in a decision, as described in Government Code 87103, this determination shall be disclosed. The member shall be disqualified from voting unless his/her participation is legally required. (2 CCR 18700)

Financial Interest

Board members and designated employees shall not be financially interested in any contract made by the Board or in any contract they make in their capacity as Board members or designated employees. (Government Code 1090)

A Board member shall not be considered to be financially interested in a contract if his/her interest includes, but is not limited to, any of the following: (Government Code 1091.5)

1. That of an officer who is being reimbursed for his/her actual and necessary expenses incurred in the performance of an official duty

2. That of a recipient of public services generally provided by the public body or board of which he/she is a member, on the same terms and conditions as if he or she were not a member of the board

3. That of a landlord or tenant of the contracting party if such contracting party is the federal government or any federal department or agency, this state or an adjoining state, any department or agency of this state or an adjoining state, any county or city of this state or an adjoining state, any public corporation or special, judicial or other public district of this state or an adjoining state unless the subject matter of such contract is the property in which such officer or employee has such interest as landlord or tenant in which even his/her interest shall be deemed a remote interest within the meaning of, and subject to, the provisions of Government Code 1091

4. That of a spouse of an officer or employee of the district if his/her spouse's employment or office-holding has existed for at least one year prior to his/her election or appointment

5. That of a non-salaried member of a nonprofit corporation, provided that such interest is disclosed to the Board at the time of the first consideration of the contract, and provided further that such interest is noted in its official records

6. That of a non-compensated officer of a nonprofit, tax-exempt corporation which, as one of its primary purposes, supports the functions of the nonprofit board or to which the school Board has a legal obligation to give particular consideration, and provided further that such interest is noted in its official records

7. That of a person receiving salary, per diem, or reimbursement for expenses from a governmental entity, unless the contract directly involves the department of the government entity that employs the officer or employee, provided that such interest is disclosed to the Board at the time of consideration of the contract, and provided further that such interest is noted in its official records
8. That of an attorney of the contracting party or that of an owner, officer, employee or agent of a firm which renders, or has rendered, service to the contracting party in the capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract and if these individuals have an ownership interest of less than 10 percent in the law practice or firm, stock brokerage firm, insurance firm or real estate firm.

In addition, a Board member or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his/her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor. (Government Code 1091.5)

A Board member or employee shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. Remote interests are specified in Government Code 1091(b); they include, but are not limited to, the interest of a parent in the earnings of his/her minor child. (Government Code 1091)

A Board member may enter into a contract if the rule of necessity or legally required participation applies as defined in Government Code 87101.

Even if there is no prohibited or remote interest, a Board member shall abstain from voting on personnel matters that uniquely affect a relative of the Board member. A Board member may vote, however, on collective bargaining agreements and personnel matters that affect a class of employees to which the relative belongs. “Relative” means an adult who is related to the person by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. 1. Publicly identify the financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that
disclosure of the exact street address of a residence is not required. (Government Code 87105))

Agenda items related to security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

**Conference with Real Property Negotiator**

The Board may meet in closed session with the Board's real property negotiator prior to the purchase, sale, exchange or lease of real property by or for the district in order to grant its negotiator the authority regarding the price and terms of the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s) and the property under negotiation and to specify the person(s) with whom the negotiator may negotiate. (Government Code 54956.8)

For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

**Pending Litigation**

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding pending litigation when a discussion of the matter in open session would prejudice the Board's position in the case. For this purpose, “litigation” includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered “pending” when any of the following circumstances exist:

1. Litigation to which the Board is a party has been initiated formally. (Government Code 54956.9(a))

2. A point has been reached where, in the Board's opinion based on the advice of legal counsel and on the existing facts and circumstances, there is a significant exposure to litigation against the district, or the Board is meeting solely to
determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))

3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c)

“Existing facts and circumstances” authorizing a closed session pursuant to Government Code 54956.9(b) as described in item #2 above are limited to the following: (Government Code 54956.9)

1. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiffs and which do not need to be disclosed.

2. Facts and circumstances including, but not limited to, an accident, disaster, incident or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiffs, and which must be publicly disclosed before the closed session or specified on the agenda.

3. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.

4. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.

5. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection.

The above record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.

Before holding a closed session pursuant to this section, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)
Agenda items related to “pending litigation” shall be described as a conference with legal counsel regarding “existing litigation” or “anticipated litigation.” (Government Code 54954.5)

“Existing litigation” items shall identify the name of the case specified by either the claimant's name, names of parties and case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

“Anticipated litigation” items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information pursuant to items #2-5 above. (Government Code 54954.5, Government Code 54956.9(b)(3)(B-E))

**JPA/Self-Insurance Liability Claims**

The Board may meet in closed session to discuss a claim against a joint powers authority or self-insurance authority of which it is a member, for the payment of tort liability losses, public liability losses or workers' compensation liability. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

**Review of Assessment Instruments**

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

(Government Code 54957.7)

Approval of an agreement concluding real estate negotiations shall be reported after the agreement is final. If the Board renders the agreement final, it shall report that approval, the votes or abstentions thereon, and the substance of the agreement in open session at the public meeting during which the closed session is held. If final approval rests with the other party, the Superintendent or designee shall disclose the fact of that approval and the
substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the district of its approval. (Government Code 54957.1)

3. Acceptance of a signed offer from the other party or parties which finalizes the settlement of pending litigation. This report shall state the substance of the agreement.

If approval is given to legal counsel to settle pending litigation and if final approval rests with the other party or with the court, the district shall report the fact of approval, the substance of the agreement and the vote and abstentions thereon to persons who inquire once the settlement is final. AGENDA/MEETING MATERIALS

Board of Education meeting agendas shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board’s consideration of the item. The agenda shall also provide members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

The agenda shall specify that an individual who requires disability-related accommodations or modifications including auxiliary aids and services in order to participate in the Board meeting should contact the Superintendent or designee in writing.

Agenda Preparation

The Superintendent, as Secretary to the Board, in consultation with the Board president, shall prepare the agenda for each regular and special meeting. Any Board member may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting.

Any member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request must be in writing and be submitted to the Superintendent or designee with supporting documents and information, if any, at least 10 days before the scheduled meeting date. Items submitted less than 10 days before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

The Board president and Superintendent shall decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item, informational item or consent item.

Any Board action that involves borrowing $100,000 or more shall be discussed, considered and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)
All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

**Consent Items**

In order to promote efficient meetings, the Board may act upon more than one item by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature or items for which no Board discussion is anticipated and for which the Superintendent recommends approval.

In accordance with law, the public has a right to comment on any consent item. At the request of any member of the Board, any item on the consent agenda shall be removed and given individual consideration for action as a regular agenda item.

**Agenda Dissemination**

A copy of the agenda shall be forwarded to each Board member at least three days before each regular meeting, together with the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, citizens and others; and other available documents pertinent to the meeting.

When special meetings are called, the Superintendent and president shall make every effort to distribute the agenda and supporting materials to Board members as soon as possible.

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to request additional information on agenda items.

Upon request, the Superintendent or designee shall make the agenda and/or agenda packet available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

The Superintendent or designee shall mail a copy of the agenda, or a copy of all the documents constituting the agenda packet, to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee as determined by the Superintendent or designee.

MEETING CONDUCT

Meeting Procedures

All Board of Education meetings shall begin on time and shall be guided by an agenda prepared and delivered in advance to all Board members and to other persons upon request.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 10:30 p.m. unless extended to a specific time determined by a majority of the Board.

Quorum

A majority of the number of filled positions on the Board constitutes a quorum. (Education Code 5095, 35165)

Unless otherwise provided by law, affirmative votes by a majority of all the membership of the Board are required to approve any action under consideration, regardless of the number of members present. (Education Code 35164)

Abstentions

The Board believes that when no conflict of interest (BB 9270- Conflict of Interest) requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall be considered to concur with the action taken by the majority of those who vote, whether affirmatively or negatively.

Public Comment

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or provide other information as a condition of attending the meeting. Immediately following the Action Calendar Public Comment will be opened.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:
1. The Board shall give members of the public an opportunity to address the Board either before or during the Board's consideration of each item of business to be discussed at regular or special meetings. (Education Code 35145.5, Government Code 54954.3)

In case of numerous requests to address the same item, the Board may select representatives to speak on each side of the item. Each person who addresses the Board must be first recognized by the presiding officer and then give his/her name. Comments must be directed to the Board as a whole and not to individual members or district employees. Individual speakers will be allowed three minutes to address the Board.

2. At a time so designated on the agenda, members of the public may bring before the Board, at a regular meeting, matters that are not listed on the agenda. The Board may refer such a matter to the Superintendent or designee or take it under advisement, but shall not take action at that time except as allowed by law. The matter may be placed on the agenda of a subsequent meeting for action or discussion by the Board. (Education Code 35145.5, Government Code 54954.2)

3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. Speakers will identify themselves and will direct their comments to the Chair. Each speaker will be given three minutes to present on a topic on a first-come, first-serve basis. In order to allow adequate time for multiple issues that could come before the Board, each general topic for public comment will be allowed nine minutes or three speakers. If there are no new topics to be addressed after the initial nine minutes, the Public Comment will continue for up to one hour allowing those wishing to address a previously raised issue an opportunity to speak. Priority will be given to student speakers during the Public Comment.

Once two speakers have shared similar viewpoints on a topic, the Chair will ask for a presentation by a differing viewpoint. If no other viewpoint is represented then a third speaker may present. Speakers will not be allowed to yield their time to other speakers.
4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard it, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

5. The Board president may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts or omissions. (Government Code 54954.3) In addition, the Board may not prohibit public criticism of district employees.

Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code 54957.

6. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the chair to terminate the privilege of addressing the Board. The Board may remove disruptive individuals and order the room cleared if necessary; in this case, members of the media not participating in the disturbance shall be allowed to remain, and individual(s) not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

**Recording by the Public**

The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph or tape record open meetings without causing a distraction.

If the Board finds that noise, illumination or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

ACTIONS BY THE BOARD

The Board of Education shall act by a majority vote of all of the membership constituting the Board, unless otherwise required by law. (Education Code 35164)

An “action” by the Board means: (Government Code 54952.6)

1. A collective decision by a majority of the Board members

2. A collective commitment or promise by a majority of the members to make a positive or negative decision

3. A vote by a majority of the members when sitting as the Board upon a motion, proposal, resolution, order or ordinance

The Board may take action in a regular meeting on a subject not listed on the published agenda only when it publicly identifies the item to be acted upon in conjunction with one of the following circumstances: (Government Code 54954.2)

1. The Board, by majority vote of its members, determines that the action responds to an emergency situation.

2. The Board determines, either by a two-thirds majority vote of the members present at the meeting or, if less than two-thirds of the members are present, by a unanimous vote of all members present, that the need to take immediate action came to the district's attention after the posting of the agenda.

3. The matter was properly posted for a previous meeting occurring not more than five days earlier and was continued to the meeting at which action is being taken.

The Board shall not take action by secret ballot, whether preliminary or final. (Government Code 54953)

Actions taken by the Board in open session shall be recorded in the Board minutes. (Education Code 35145)

Challenging Board Actions

Any demand by the district attorney’s office or any interested person to correct a Board action shall be presented to the Board in writing within 90 days of the date when the action was taken. Such demand shall allege a violation of any of the following: (Government Code 54960.1)

1. Government Code 54953, regarding open meeting and teleconferencing
2. Government Code 54954.5, regarding closed session item descriptions
3. Government Code 54954.6, regarding new or increased tax assessments
4. Government Code 54956, regarding special meetings
5. Government Code 54956.5, regarding emergency meetings

If the alleged violation concerns action taken in an open session but in violation of Government Code 54954.2 (agenda posting), the written demand must be made within 30 days of the date when the alleged action took place. (Government Code 54960.1)

Any demand to “cure and correct” an alleged violation shall clearly describe the challenged action and the nature of the alleged violation. (Government Code 54960.1)

Within 30 days of receiving the demand, the Board shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct. If the Board decides to not cure or correct the challenged action, the demanding party shall be informed in writing of that decision. (Government Code 54960.1)

If the Board takes no action within the 30-day review period, its inaction shall be considered a decision not to cure or correct the action. (Government Code 54960.1)

The evaluation may address any areas of Board responsibility, including but not limited to Board performance in relation to vision setting, curriculum, personnel, finance, policy, collective bargaining and community relations. The evaluation also may address objectives related to Board meeting operations, relationships among Board members, relationship with the Superintendent, understanding of Board and Superintendent roles and responsibilities, communication skills, or other boardsmanship skills.

The Board shall be evaluated as a whole. Individual Board members also are encouraged to use the evaluation process as an opportunity to privately assess their own personal performance.

Any discussion of the Board's self-evaluation shall be conducted in open session. At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or others to provide input into the evaluation process.

Following the evaluation, the Board shall develop strategies for strengthening Board performance and shall establish priorities and objectives for the following year's evaluation.
