

ADDENDUM # 2

To RFP # 2017-102

CABLING INFRASTRUCTURE

1. Per the site walk and RFP, contractors will be responsible for the cost of getting data connections to the maintenance building. The agreed upon installation at the site walk was for a new mast to be provided and installed on the roof somewhere above room 108 and a new mast to be provided and installed on the roof above maintenance. Roof penetrations will be by the contractor. The Contractor will need to hire a licensed Roofing Contractor to patch the roof penetration after the mast is installed. The warranty on the roof patch will be for 1 year. A new guy wire will be provided and installed by the contractor. The two new CAT 6A cables will be strapped at least every foot to this guy wire with UV rated tie wraps above 13' to avoid being hit by trucks. A box will be installed under the roof and conduit to the location in maintenance. No painting of this conduit or masts is necessary. Painting of new conduits throughout the rest campus will remain as specified.
2. Per the site walk, new Wiremold 5400 raceway will be provided and installed by the contractor in room 305A. This will route from the ladder rack to the final wall location behind the Liebert cabinets.
3. Per the site walk and RFP, a new slim line cabinet will be installed in MPR room 900. This will be installed in the store room as indicated on the site walk. Up to 24 existing cables will need to be back pulled from the existing IDF in room 501, re-terminated and re-tested. The part number for this IDF cabinet is Hoffman DBL362412G and must be installed on a fire-retardant backboard.

Hoffman LBox, Type1

Standard Product

Catalog Number	AxBxC in.	AxBxC mm	H (in.)	H (mm)	Rack Units
DBL242412G	24.00 x 24.00 x 12.34	610 x 610 x 313	22.00	559	6
DBL362412G	36.00 x 24.00 x 12.34	915 x 610 x 313	34.00	864	6
DBL482412G	48.00 x 24.00 x 12.34	1220 x 610 x 313	46.00	1168	2 sets of 6

4. New Data Location

Room 205 with Cantex Box and two Cat 6A as discussed during the job walk.

Vendor to sign as acknowledgment of receipt and return with bid/RFP.
