Maintenance and Operations
2455 Carmichael Drive
Chico, CA 95928
(530) 891-3095

Date: July 1, 2008
To: All Staff Members (Certificated, Classified & Management)
From: Leroy Christophersen, Safety & Loss Control Coordinator
Subject: Annual Asbestos Notice

Chico Unified School District schools/facilities have been inspected for asbestos containing materials and "Asbestos Management Plans" have been developed for each facility in the District. A copy of the "Asbestos Management Plan" for each school in the District is available on our website @ www.chicousd.org, or the District Corporation Yard, 2455 Carmichael Drive. As required by law, surveillance of all facilities in the District will be completed every six months.

All schools in the District receive six-month surveillance inspections as well as required triennial inspections. Schools scheduled for reconstruction will receive asbestos abatement services when those schools are reconstructed in future years. Additionally, small amounts of asbestos containing material will be periodically encased and/or removed on an as-needed basis to complement the use and maintenance of those facilities.

Please do not hesitate to contact me if you have any questions. I can be reached at lchristo@chicousd.org or 891-3195

ACCESS TO PENAL AND CIVIL LAWS OF THE STATE

The Attorney General has made available information concerning crimes committed against persons or property on school grounds. This information includes, but is not limited to, reporting requirements, explanations of crimes and procedures for reporting crimes, explanation of the procedure by which any person or the school may initiate the prosecution of offenders for these crimes, an explanation of parental liability for injury or property damages resulting from the intentional acts of a minor, and an explanation of any right to benefits as a consequence of injury or damage resulting from these crimes.

ASBESTOS MANAGEMENT

Chico Unified School District schools/facilities have been inspected for asbestos-containing materials and "Asbestos Management Plans" have been developed for each facility in the district. A copy of the "Asbestos Management Plan" for each school in the district is available in the principal's office; or copies of all management plans are available in the district office, 1163 East Seventh Street, or the district corporation yard, 2455 Carmichael Drive. As required by law, surveillance of all facilities in the district will be completed every six months.

Some asbestos-containing material was removed from some secondary and elementary schools during the reconstruction of those schools. Other schools scheduled for reconstruction will receive asbestos abatement services when those schools are reconstructed in future years. Additionally, small amounts of asbestos-containing material will be periodically encased and/or removed on an as-needed basis to complement the use and maintenance of those facilities.

CURRICULAR INFORMATION

ADVISORY PROGRAMS

Chico is extremely fortunate to be able to offer a variety of advisory programs to students in grades K-12. These programs are provided by CUSD counselors, psychologists, nurses and by qualified personnel from community service agencies. In the event that you do not wish your child to participate in such programs, please contact the school counselor by phone or in writing. Any parent is encouraged to contact schools for more information.

PARENT INVOLVEMENT

Each school includes in its school based coordinated plan a parent involvement component that provides parents with opportunities to be involved in information and training sessions to: support their child's academic efforts at school and home; help parents develop parenting skills; build consistent and effective home-school communications; and integrate parent involvement programs into the school plan.

FAMILY LIFE CLASS

The district offers family life, human growth and development and HIV/AIDS instruction at the upper elementary, junior high and senior high levels. All instructional materials for this instruction will be available for inspection by the public. If you do not want your student to participate in these family life classes, you may notify the school by using the Acknowledgement of Rights form provided by the district.

VOCATIONAL EDUCATION PROGRAM

The district receives federal vocational education funding to help meet the needs of the disadvantaged and handicapped

It is mandatory that each student have a current emergency data card on file at the school. It is extremely important that the card is complete, current and accurate, particularly the address and phone number. Please complete, sign and return this card to school officials at the opening of school. This emergency data card will let school officials know which physician, relative or family friend to contact in case of emergency and also serves as authorization to allow the student to receive medical services.

Consistent with California Education Code provisions, when deemed appropriate by school personnel, secondary students will be released from school to receive confidential medical services without parental consent.

If district personnel request consultative services for a student, N.T. Enloe Memorial Hospital and Chico Community Hospital will provide these services free of charge to the district, twenty-four hours a day, seven days a week. If other than consultative services (i.e., transportation or other medical services) are needed by a student, hospital representatives will deliver the needed services and parents/guardians will be charged accordingly.

CHILD ABUSE

When a teacher, administrator or other employee in the district observes or reasonably suspects that a student has been physically, mentally or sexually abused, that person is **REQUIRED** by California law to immediately file a verbal report with the police, sheriff, probation, welfare department or the Child Protective Services office. A follow-up written report must also be filed within 36 hours. The name of the person required to file the report shall be confidential.

The Attorney General has made available information concerning crimes committed against persons or property on school grounds. This information includes, but is not limited to, reporting requirements, explanations of crimes and procedures for reporting crimes, explanation of the procedure by which any person or the school may initiate the prosecution of offenders for these crimes, an explanation of parental liability for injury or property damages resulting from the intentional acts of a minor, and an explanation of any right to benefits as a consequence of injury or damage resulting from these crimes.

VOCATIONAL EDUCATION PROGRAM

The District receives federal vocational education funding to help meet the needs of the disadvantaged and handicapped secondary students who are interested in enrolling in vocational education programs. Among these programs are consumer homemaking, business, agriculture, graphic arts, automotive, wood, electricity and work experience.

If you would like more information on the eligibility requirements for the vocational programs offered in the Chico Unified School District you may contact your student's school counselor.

GIFTED AND TALENTED EDUCATION (GATE) PROGRAM

In an effort to meet the individual needs of all students enrolled in the Chico Unified School District, the District maintains an alternative educational program which provides special learning opportunities for qualifying students who evidence exceptional intellectual, creative or leadership capacity. This program is entitled the Gifted and Talented Education (GATE) Program. The classes are offered in a variety of formats: pullout, cluster groups within regular classes, special classes within the regular school program and special classes offered outside the regular school day.

CHICO UNIFIED SCHOOL DISTRICT

(916) 891-3140

January 3, 1990

MEMORANDUM TO: Barbara Conklin, Director of Educational Services
Bill Mulholland, Director of Educational Services
Ken Petrucelli, Director of Educational Services
Robert W. Purvis, Superintendent

FROM:  Stan Hensley, Assistant Superintendent
Administrative Services

SUBJECT: Annual Asbestos Notice

Attached is a copy of the "Required Annual Asbestos Notice to Parents, Staff and Employee Organizations." This notice meets the District's obligation to comply with the Federal law requiring annual asbestos notification. As per our discussion in the January 2, 1990 cabinet meeting:

1. Educational Services will include this notice in the "Parents Rights and Responsibilities" handbook.
2. The Superintendent will include this notice in a "Que Pasa" publication during the first part of the calendar year.

cc: ✓ Paul Graves, Main./Oper./Trans. Supervisor

CHICO UNIFIED SCHOOL DISTRICT
1163 East Seventh Street
Chico, California 95928-5999
(916) 891-3000

**REQUIRED ANNUAL ASBESTOS NOTICE TO
PARENTS, STAFF AND EMPLOYEE ORGANIZATIONS**

As required by Federal law, parents, staff members and the exclusive representatives of employees will receive an annual "Asbestos Notice" as follows:

Method of Notification

- Parents Annual notification via "Parents Rights and Responsibilities" handbook during July or August.
- Staff Annual notification via Superintendent's newsletter, "Que Pasa."
- Exclusive Representatives for Employees..... Annual notification via Superintendent's newsletter, "Que Pasa."

Contents of Notification

Chico Unified School District schools/facilities have been inspected for asbestos containing materials and "Asbestos Management Plans" have been developed for each facility in the District. A copy of the "Asbestos Management Plan" for each school in the District is available in the principal's office; or copies of all management plans are available in the District Office, 1163 East Seventh Street, or the District Corporation Yard, 2455 Carmichael Drive. As required by law, surveillance of all facilities in the District will be completed every six months.

Some asbestos containing material was removed from Chico Junior High School, Chico Senior High School and Chapman, Citrus, Hooker Oak and Rosedale Elementary Schools during the reconstruction of those schools. Other schools scheduled for reconstruction will receive asbestos abatement services when those schools are reconstructed in future years. Additionally, small amounts of asbestos containing material will be periodically encased and/or removed on an as-needed basis to complement the use and maintenance of those facilities.

(1990/91 Fiscal Year)
