

The Chico Unified School District is seeking community members interested in participating in a Citizens' Bond Oversight Committee (CBOC). This committee is formed to oversee the District's Facilities Bond Program, including Measure E and the new Measure K. The CBOC is comprised of seven members who serve a two-year term and meet no more than four times annually. There are currently three open positions. For consideration, the District is seeking applicants active in a parent-teacher association, senior citizens' organization, and a community member.

Applications and bylaws can be found at: www.chicousd.org > Departments > Business Services > CUSD School Bonds > CBOC. Applications are due by February 1, 2017.

Participation on the CBOC provides an excellent opportunity to engage with the local education system, help improve our schools, as well as assist those in the community. For more information, please contact Kevin Bultema, Assistant Superintendent of Business Services at (530) 891-3000, ext. 111.
