

MEASURE E SCHOOL SITE SURVEY

EMMA WILSON ELEMENTARY

Staff Recommendations
Flooring through out school/office: carpet and tiles
Security fencing around entire school
More security cameras
Motion sensor lights all around campus
Blinds/curtains in front office--vulnerable during a code red
Repair, replace, paint and update bathrooms (sinks, urinals-auto flush, fixing stalls, partitions between urinals, electric hand dryers, better lighting, non slippery flooring)
Replace or repair drinking fountains and additional drinking fountains
Level sidewalks: tripping hazard
Shade structure
Painting (Interior: all classrooms, office and MPR; Exterior: Siding on portable classrooms)
New/updated technology
Repair the field so it's not so uneven and bumpy: unsafe pothole problem
Fix leaky roofs and drain pipes
Alarm key box moved to front of building where it is lit and visible
Ability to lock common areas adjoining rooms
Covering over sidewalks leading into the MPR (lunch entry point) for rainy weather
Replace or treat diseased trees (aphids?)
Check walls for mold
Abatement of vermin-termites, roaches, mice and rats
Weather stripping on doors in portables to reduce flooding and pests
Talkies for teachers
Regulate temperatures in classrooms: too hot or too cold
Repair broken rollers on storage drawers in classrooms
Paint goal posts
Classroom curtains cleaned
Window-dual pane (ones that will open and close)
New counter tops
Running track (like Rosedale)
Picnic tables for kindergarten playground

New window screens
Doors in back of rooms 12-15 to get outside in an emergency (or get in from the playground)
Fix closed circuit TV system
Remote TVs: update with flat screens
Custodial Recommendations:
Interior paint
Flooring: carpets
Air vents to custodial closets
Move hot water off of the floor to create more space
Student Leadership and Student Recommendations
Fix bad works in slides from permanent damage
Repair the field so it's not so uneven and bumpy: unsafe pothole problem
Replace existing and add extra drinking fountains
Update bathrooms (walls between urinals, sensor flush toilets, paint, replace toilet paper dispensers and stall walls, paper towels, better lighting)
Repair or replace wood where grass meets blacktop
Add landscaping so there is less dirt
Repaint cafeteria
Repaint goal posts
New taller food bar
New food trays for cafeteria/bigger trays
Deadbolt locks on doors
Parent and PTA Recommendations
Safety fencing around the entire school
Repair the field so it's not so uneven and bumpy: unsafe pothole problem
Shade cover for the courtyard area
Curtains: clean or replace all due to being dirty and/or finding spiders hiding in them-add curtains in front office-Code Red Safety Issue
Replace carpet in all classrooms and tiles elsewhere
Cover walkways leading into the multi-purpose room so children don't get wet waiting for lunch on rainy days
Update bathrooms (auto flush toilets, hand dryers, walls installed between urinals)
Replace existing and add extra drinking fountains
Improve facilities heating and air conditioning
Update cafeteria
Fix closed circuit TV system
