Modernization/Improvements: Existing P.E./Athletic Facilities

• Air-Conditioning in Varley (West) Gym
• Replacement of lockers in Girls and Boys Locker rooms
• Re-install Ball Wall on blacktop behind gyms
• Re-install Outdoor Basketball Hoops removed during construction of C.F.A.
• Upgrade Restroom Facility near Stadium.
New Construction and/or Upgrade to Multi-use Facility

- Upgraded Facility would provide a safe and viable learning environment for Physical Education classes.
- Upgraded stadium facility would be prepared for Field Hockey, Football, Soccer, and Track and Field, and be lined for the potential addition of Lacrosse.
