

# MEASURE E SCHOOL SITE SURVEY

## MARIGOLD ELEMENTARY

Staff Recommendations
<b>Maintenance/deferred maintenance with an emphasis on immediate Health and Safety Issues</b>
Paint the entire school
Replace tables and benches in cafeteria/MPR
Redesign Health Office to include a bathroom
Blinds in all classrooms (Code Red)
Check for mold and wood rot in all portables
Outside hooks for backpacks to eliminate trip & fall hazard
Add an outside door to room 23 (SED)
Put a slip free surface on all ramps
Remove all old wiring and pipes
Remove condemned white trailer and replace with a permanent building
Increase the height of all fences and completely enclose the school with fencing to ensure one entry point during school hours
<b>Technology</b>
Upgrade all teacher, student, and administrative computers including those in the computer lab
Install ceiling mounts for projectors in all classrooms, computer lab, library and cafeteria
Install Smart Boards in all classrooms
Hire computer tech to maintain and teach
Each class needs a set of iPads
Document readers for all classrooms
Replace broken headphones in computer lab
Laptops for all teachers and students
<b>Modernization</b>
Remove asbestos in all permanent buildings
Replace carpet in the office
Replace all portables with permanent building
Replace all student desks and chairs
Re-landscape the courtyard area
Widen the sidewalks in the courtyard area
Repair or install drainage outside of room 25 and room 16

Repave asphalt
Upgrade HVAC system in all permanent buildings
<b>Energy Efficiency</b>
Replace lighting with more efficient bulbs and fixtures throughout the school
Install solar panels over both parking lots and the courtyard or on the roofs of all buildings
Install more insulation in permanent buildings
Upgrade HVAC systems in all buildings
<b>New Construction or other projects</b>
Repair or replace ramps
Enclose all ramps
Replace portables with permanent building
Support classroom and office supplies in one location
Second building for SED class
Lower the sinks and raise the counter tops in all kindergarten rooms
