

ADDENDUM # 1
To RFP # 2019-107
WIRELESS EQUIPMENT

November 21, 2018

Changes or Clarifications-

Please see the following change/clarification to our RFP # 2019-107 for Wireless Equipment.

Q: Is CUSD willing to leverage the BEAR process instead of SPI?

A: No, The District will be using the SPI process for our share of costs.

Q: Is the district looking for support on the R710s?

A: No, the District is not seeking support for the R710s.

Q: Is the district looking for 1YR or 3YR watchdog support on the T310c?

A: The District is seeking 1 Year of support. The part number 806-T31C-1000 is correct.

Q: What are the correct quantities for the equipment for Sierra View Elementary? I see that it calls for 4 of the 901-T310-US20 but then has quantity 5 for 806-T31C-1000.

A: The correct quantity for part number 901-T310-US20 is five (5).

Q: Are we installing the cabling for the wireless or just hanging the AP's where there is existing cabling?

A: There is no cabling to be done. The District has decided to install the WAP's on our own. We are NOT seeking installation.

Q: Will there be any cable installation to be done or just installing the switches, fans, power and plugging everything in?

A: There is no cabling to be done. The District has decided to install the WAP's on our own. We are NOT seeking installation.
