

School Accountability Report Card Reported for School Year 2009-10 Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs and its goals.

Emma Wilson Elementary School is located on the west side of Chico, serving children from Chico's northwest quadrant as well as the surrounding neighborhood. Emma Wilson enrolls students in kindergarten through sixth grade.

Our teachers are skilled at organizing instructional practices to maximize student learning. The language arts textbook adoption, Houghton-Mifflin, incorporates phonics, grammar, writing and spelling into reading instruction. Our math adoption is McGraw Hill, Everyday Mathematics, and our science adoption is Macmillan/McGraw Hill and Prentice Hall Science Curriculum. The Harcourt Reflections series is the foundation for our social studies program. Teachers plan and develop instructional strategies that reflect student achievement based on district and state standards.

The highly qualified faculty at Emma Wilson strives to provide a systematic program of standards based instruction designed to meet the needs of "every" student through a program of "teaching, learning, assessment and support".

Opportunities for Parental Involvement (School Year 2009-10)

This section provides information about opportunities for parents to become involved with school activities.

Our School Site Council, made up of parents and staff members, provides leadership through the development of our school plan, categorical budget and other school activities. The School Site Council surveys our families every other year to determine what parents think of the school's effectiveness. The PTA is a strong, active organization, which sponsors our family reading incentive program, the Jog-A-Thon fundraiser and many educational activities for students and families.

We have a variety of daytime and evening activities for our families. These activities include our anniversary picnic, potlucks, open house, ice cream social, a number of student performances and curricula presentations.

Our teachers and administrators have an "open door policy" which invites parents to our school for thoughtful and essential dialogue. Discussions can range from student concerns and joys, to policy and procedure questions and input. Contact the main office for more information.

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

Our Safe Schools Plan includes emergency procedures in case of fire, earthquake, or other disaster. The Safe Schools Plan is updated annually in accordance with Senate Bill 187. The key elements of the Safe School Plan are: traumatic incidents, imminent danger procedure ("code red)," evacuation/relocation procedure, civil defense/disorder, bomb threat/bomb emergency, earthquake, chemical spill, crime in progress and fire/explosion. The staff and students have received special training on procedures to follow in the event of an emergency. A copy of these procedures is available in the office for viewing. In an effort to ensure student safety while traveling to and from school, a crossing guard is located at the stop sign on the corner of West Sacramento and Eighth Avenue. A traffic light is in place at Nord Avenue and Eighth Avenue. A stop sign is in place at the corner of West Eighth Avenue and Forty Niner Court. Parents have signed a "Traffic Calming Plan" promoting student safety, courtesy and efficiency of traffic flow. We are focusing on the premise that, "We value a physically and emotionally safe and secure school environment," which is a high priority at Emma Wilson.

School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Emma Wilson School takes great efforts to ensure that our campus is clean, safe, and functional. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Emma Wilson School was constructed in 1992-93. Our facility houses 32 classes in 30 classrooms. The school has 3 large playground areas designated for kindergarten, primary and intermediate. The school has posted requirements that all visitors check in at the office and receive a visitors badge or sticker. The school provides before and after school supervision for students being dropped off or picked up. District maintenance staff and site custodial staff ensure that the school is in good repair and working order. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The principal works closely with the custodial staff to ensure that all school facilities are kept clean and free of safety hazards. The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist the school district with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010-11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Updated and readily available resources are important if students are to perform at their best in class. The State of California adopts textbooks that meet quality standards established by the State Board of Education. The Chico Unified School District selects textbooks and other instructional materials from these state adoptions. Subjects are reviewed on a seven-year cycle. All of the textbooks currently in use meet these standards. They were selected to match the needs of Chico students by a Task Force comprised of teachers and administrators and approved by the Board of Education. The CUSD convenes curricular task forces to review textbooks in core subject areas on the Kindergarten through 8th grade state adopted list concurrent with the adoption cycle. Currently adopted are:

2006 History
 K-6 Harcourt - Reflections
 7-8 Glencoe – Discovering Our Past

2007 Science
 K-5 Macmillan – California Science
 6-8 Prentice Hall – Focus on California Science

2009 Math
 K-6 McGraw Hill/Wright Group - Everyday Mathematics
 7-8 McDougal Littell – Concepts and Skills

2002 Reading/English
 K-6 Houghton Mifflin – A Legacy of Literature

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

Federal Intervention Program (School Year 2010-11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Many teachers participate in workshops or conferences designed to improve teaching skills. On-going staff development opportunities have been provided to the whole teaching staff in developing a Professional Learning Community. Bi-weekly staff meetings are scheduled and provide additional opportunities for training and collaboration.

Curriculum improvement is an ongoing process at Emma Wilson School. Teachers, parents, and School Site Council members meet regularly in committees to examine instruction, curriculum, and assessment issues, as well as school-community relations and school procedures. Our school plan is currently under revision to reflect our focus on student learning.
