BUTTE COLLEGE PROMISE SCHOLARSHIP PROGRAM

1. What is it? - Starting in Fall 2018 this program will pay for tuition and fees for new, first-time, full-time Butte College students for up to two semesters

2. Who is eligible? – All first-time students, including students who earned college units while still in high school who:
   • are California Residents or AB540 eligible
   • complete a FAFSA or CA Dream Act application
   • enroll in and complete 12 or more units per term

3. Is this program really for all first-time students, regardless? Yes!—regardless of financial eligibility—see program criteria in #2 above

4. How much is this scholarship worth? – These funds are “last dollar,” meaning that fees are covered after expenses normally covered by PELL or CA Promise Grant (formerly BOGFW)

5. What exactly is covered? The program covers full-time enrollment fees ($46 per unit) & full-time “service fees” like transportation, technology and health fees ($132 per semester)

6. Are books covered? Not at this time

College Connection and the Butte College Promise

1. College Connection students are enrolled at Butte College as “K-12 students.” The benefits of this enrollment status are:
   a. K-12 students do not have to pay the $46 per unit fee or other fees (except in the case of a materials fee or lab fee required by a specific course)
   b. Upon graduation from high school, College Connection students will be “first time students” or “first time freshman”, therefore eligible to receive the Butte College Promise (as long as: filed FAFSA and enrolled in 12 units or more in Fall and Spring terms)

2. Participating in College Connection saves students and families $1228, on average, in tuition and fees!
