PRIVATE VEHICLE REQUIREMENTS

The Chico Unified School District acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not exist without private support.

A. PERSONAL USE DRIVER INSTRUCTIONS:

To ensure that private transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

1. All drivers must be approved by the school or site administrator.
2. The driver must:
 - a. Be at least age 21 to drive for business purposes and age 25 if transporting students:
 - b. Possess a valid California driver’s license:
 - c. Have been continuously licensed for a minimum of 3 years.
3. The Driver must be free of any medical condition that may affect his/her ability to operate a vehicle. This includes use of prescription drugs which may impair a person’s driving ability.
4. No alcohol or drugs (including prescription drugs which may impair a person’s driving ability) will be consumed prior to, or while operating the vehicle. The driver must be free of any driving impairments, including lack of sleep or distraction.
5. The vehicle must be in excellent condition and repair.
6. The number of passengers shall not exceed the capacity for which the vehicle was designed, and the number of seatbelts in the vehicle.
7. No one may transport more than nine passengers plus the driver in any vehicle.
8. All occupants must wear seatbelts whenever the vehicle is in motion.
9. All students who are less than 8 years of age or under 4’9” tall must be properly secured in a car seat or booster seat, that meets applicable federal motor vehicle safety standards, in the rear seat.
10. The driver shall not use any device while driving, including a cell phone, Bluetooth, pager, tablet or other such device, including to text, make calls, or utilize the Internet. (Exception may be made in emergency circumstances.)

The driver accepts the added responsibility that comes from carrying extra individuals; therefore, he or she shall be conscientious in obeying all driving rules and regulations in accordance with federal, state and local laws. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his/her host owner/driver.
13. The driver must have an acceptable driving record as determined by the Chico Unified School District policy. The Chico Unified School District reserves the right to require a current H6 Motor Vehicle Report (10 year MVR) and/or accident reports for determination of driver’s eligibility.
14. Driver must have an automobile liability insurance policy and assume all responsibility for all physical damage to the vehicle. When driving a personal vehicle while on Chico Unified School District business and involved in an accident, by law your liability insurance policy is used first. (Ins. Code §11580.9(d).)
