CHICO UNIFIED SCHOOL DISTRICT

DIRECTOR, ALTERNATIVE EDUCATION PROGRAMS

DEFINITION
Under professional direction, to coordinate the planning, organization, and management of the District's alternative education programs (including but not limited to continuation high school, community day school, GED, District Alternative Programs and Charter Schools) and projects; to plan, organize, coordinate, and supervise the program and project budget forecasting and development, and in implementing expenditure control systems; to organize, coordinate and supervise research and development activities, including student attendance, program compliance and project quality assurance, and alternative behavioral and academic remediation programs; to actively participate, coordinate and provide leadership in the District safe school master planning activities, including student disciplinary processes; and to do other related functions as directed.

DISTINGUISHING CHARACTERISTICS
This position classification requires subject matter expertise commonly taught in public schools, alternative pupil remediation programs, and special project curriculum and instruction development, and laws and regulations that relate to charter schools and implementation strategies. Directly related administrative experience is necessary to assure success in the District alternative education leadership role. The job requires the ability to analyze alternative education program and student disciplinary issues and concerns, and offer alternative problem solutions. Decisions are made by the incumbent that have a critical impact on the goals, organization and administration of the alternative programs and student behavior remediation services of the organization. The position classification has supervisory and management responsibility for planning, assigning, reviewing, and evaluating the quality and quantity of work of professional, technical and clerical employees. Frequently meets with teachers, school administrators, ancillary staff, and community members and public agencies to influence, motivate and monitor the result objectives of the alternative education operation. This is a position classification that performs light work, but does require walking and standing for extended periods. The job also requires the accurate distinguishing of sound, near and far vision, depth perception, handling and working with educational materials and objects, and providing and receiving oral information and direction.

Reasonable accommodation may be made to enable a person with a disability to perform the essential functions of the job.

ESSENTIAL DUTIES

- Plans, organizes, coordinates, and supervises the conduct of need assessment and service inquiries in establishing and implementing alternative education projects, programs, and student discipline processes.
- Provides expertise in identifying, formulating, and implementing the District adult education goals and objectives in compliance with County, State and Federal legal mandates and guidelines.
- Supervises the allocation of program and project human and monetary resources to maximize student behavior management and achievement.
DIRECTOR, ALTERNATIVE EDUCATION PROGRAMS - Page 2
