Step 3: Click on “Who Can.. Send me Snaps”. Click on “My Friends” and “Save” when finish.
Step 4: An Example of The Final Result

What it should show
Step 5: Just in case that your Snapchat account is compromised, notify the Snapchat Team immediately by clicking on the link “support@Snapchat.com”.

ACCOUNT SECURITY
After opening an account in the Snapchat mobile application (username/password) you accept all responsibility for any activity that occurs while logged into your account. Subsequently, you alone are responsible for making sure that your account information including your username and password is kept secure and safe. In the case that your Snapchat account is compromised, please notify the Snapchat team immediately at support@Snapchat.com.

INTELLECTUAL PROPERTY
Unless otherwise stated, all materials on the Snapchat mobile application, including, but not limited to, text, graphics, images, illustrations, designs, icons, photographs, video clips, and written and other materials that appear as part of the application, as well as their selection and arrangement are protected by copyright, trademark, trade dress, patent, and/or other intellectual property laws, and any unauthorized use of this content violates such laws and these terms. Except as expressly provided herein, the Snapchat team does not grant any express or implied rights to use this content. By agreeing to these terms you agree that you will not copy, reproduce, republish, frame, download, transmit, modify, display, reverse sell, or participate in any sale of, rent, lease, loan, assign, distribute,
