Volunteer Assistance

The Governing Board recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. The Board encourages parents/guardians and other members of the community to share their time, knowledge, and abilities with students.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

As appropriate, the Superintendent or designee shall provide volunteers with information about school goals, programs, and practices and an orientation or other training related to their specific responsibilities.

Volunteer work shall be limited to those projects that do not replace the normal duties of classified staff. The Board nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school and comply with employee negotiated agreements.
