FINANCIAL REPORTS AND ACCOUNTABILITY

The Governing Board is committed to ensuring public accountability and the fiscal health of the district. The Board shall adopt sound fiscal policies, oversee the district's financial condition, and continually evaluate whether the district's budget and financial operations support the district's goals for student achievement.

(cf. 3100 - Budget)
(cf. 3110 - Transfer of Funds)
(cf. 3300 - Expenditures and Purchases)
(cf. 3430 - Investing)
(cf. 4143/4243 - Negotiations/Consultation)
(cf. 9000 - Role of the Board)

The Superintendent or designee shall ensure that all financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education (CDE). He/she shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

(cf. 3400 - Management of District Assets/Accounts)

The Board shall regularly communicate the district's financial position to the public and shall use financial reports to determine what actions and budget amendments, if any, are needed to ensure the district's financial stability.

(cf. 1340 – Access to District Records)

If district conditions predict fiscal distress or indicate that the district might not be able to meet its fiscal obligations, the Board and Superintendent or designee shall act quickly to identify and resolve these conditions. The Board shall work cooperatively with the County Superintendent of Schools to improve the district's fiscal health and may contract with an external individual or organization to advise the district on fiscal matters.

Unaudited Actual Receipts and Expenditures

On or before September 15, the Board shall approve and file with the County Superintendent a statement of the district's unaudited actual receipts and expenditures for the preceding fiscal year. The Superintendent or designee shall prepare this statement using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). (Education Code 42100)

Gann Appropriations Limit Resolution

On or before September 15, the Board shall adopt a resolution identifying, pursuant to Government Code 7900-7914, the district's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code 42132; Government Code 7910)

(cf. 9322 - Agenda/Meeting Materials)

Interim Reports/Certification of Ability to Meet Fiscal Obligations

The Superintendent or designee shall submit two interim fiscal reports to the Board, the first report covering the district's financial and budgetary status for the period ending October 31 and the second report covering the period ending January 31. The reports and supporting data shall be made available by the district for public review. (Education Code 42130)

3. "Negative certification" indicating that the district will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

Prior to December 15 whenever possible, but in no case later than January 31, the Board shall review, at an open meeting, the annual district audit for the prior year, any audit exceptions identified in that audit, the recommendations or findings of any management letter issued by the auditor, and any description of correction or plans to correct any exceptions or any issue raised in a management letter.
