INTEGRATED WASTE MANAGEMENT

The Governing Board believes that the conservation of natural resources and the protection of the environment are connected to the district's educational mission and are essential to the health and well-being of the community. The Superintendent or designee shall develop and/or implement a cost-effective, integrated waste management program that incorporates the principles of green school operations.

(cf. 0100 - Philosophy)
(cf. 3510 - Green School Operations)
(cf. 3511 - Energy and Water Management)
(cf. 3514 - Environmental Safety)
(cf. 3514.2 - Integrated Pest Management)

The district's program shall include strategies designed to help the district reduce solid and hazardous waste generation, improve efficiency in using natural resources, and minimize the impact of such use on the environment. The program shall address all areas of the district's operations, including, but not limited to, procurement, resource utilization, and facilities management practices.

(cf. 3300 – Expenditures and Purchases)
(cf. 3517 – Facilities Inspection)

The Superintendent or designee may collaborate with city, county and state agencies and other public or private agencies in developing and implementing the district's integrated waste management program.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)
(cf. 7131 – Relations with Local Agencies)

The Superintendent or designee shall make every effort to identify funding opportunities for the district's integrated waste management program including applying for available grants or other cost-reducing incentives.
