EMPLOYEE USE OF TECHNOLOGY

The Governing Board recognizes that technological resources can enhance employee performance by offering effective tools to assist in providing a quality instructional program, facilitating communications with parents/guardians, students, and the community, supporting district and school operations, and improving access to and exchange of information. The Board expects all employees to learn to use the available technological resources that will assist them in the performance of their job responsibilities. As needed, employees shall receive professional development in the appropriate use of these resources.

(cf. 0440 - District Technology Plan)
(cf. 1113 - District and School Web Sites)
(cf. 4032 - Reasonable Accommodation)
(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
(cf. 6163.4 - Student Use of Technology)

Employees shall be responsible for the appropriate use of technology and shall use the district's technological resources primarily for purposes related to their employment.

(cf. 4119.25/4219.25/4319.25 - Political Activities of Employees)

Employees shall be notified that computer files and electronic communications, including email and voice mail, are not private. Technological resources shall not be used to transmit confidential information about students, employees, or district operations without authority.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

Online/Internet Services

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that prevents access to visual depictions that are obscene or child pornography and that the operation of such measures is enforced. The Superintendent or designee may disable the technology protection measure during use by an adult to enable access for bona fide research or other lawful purpose. (20 USC 6777; 47 USC 254)

To ensure proper use, the Superintendent or designee may monitor employee usage of technological resources, including the accessing of email and stored files. Monitoring may occur at any time without advance notice or consent.

The Superintendent or designee shall establish administrative regulations and an Acceptable Use Agreement which outline employee obligations and responsibilities related to the use of district technology. He/she also may establish guidelines and limits on the use of technological resources. Inappropriate use may result in a cancellation of the employee's user privileges, disciplinary action, and/or legal action in accordance with law, Board policy, and administrative regulation.
