COMPREHENSIVE HEALTH EDUCATION

The Governing Board believes that health education should foster the knowledge, skills, and behaviors that students need in order to lead healthy, productive lives. The district's health education program shall teach personal responsibility for one's own lifelong health, respect for and promotion of the health of others, the process of growth and development, and informed use of health-related information, products, and services.

Goals for the district's health education program shall be designed to promote student wellness and shall be developed in accordance with Board policy. Such goals shall include, but not be limited to, goals for nutrition, wellness, sexual health and HIV/AIDS prevention education and physical activity.
