School Accountability Report Card

Reported Using Data from the 2011-12 School Year

Published During 2012-13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2011-12)

This section provides information about the school, its programs and its goals.

Fair View High School is the only continuation school within Chico Unified School District (CUSD). It is located in the north section of the district. Fair View students meet the same requirements for graduation as the students of the district's two comprehensive high schools. Fair View is accredited by the Western Association of Schools and Colleges.

Fair View High School was established in 1968 and was housed at the Silver Dollar Fair Grounds. The school was moved to 102 West 11th Street in the Fall of 1975 where the school remained until the Summer of 2005. We are currently located at 290 East Avenue. Fair View's program is designed to serve a population of 250+ students, 15 -18 years of age. Fair View is one of approximately 500 continuation high schools in California.

Mission - Our mission is to nurture the individual talents and abilities of our students, promote academic competency and develop productive citizens.

Vision - Fair View is a united, committed school community driven to CONNECT all students to our positive school culture, ACCELERATE all students' interpersonal and academic skills, and LAUNCH all students into their post-secondary goals.

Credit System - Credit at Fair View is awarded according to the amount and quality of work completed and turned in, NOT the time a student spends in his/her seat. Approximately 12+ academic hours equals one credit. Students are enrolled in regular day classes equivalent to 18 credits each session. There are four 9-10 week sessions in a school year.

Opportunities for Parental Involvement (School Year 2011-12)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Our students have worked closely with many organizations (e.g. Rotary, Soroptimist) in order to enhance Fair View's positive reputation within the community. Chico Rotary also recognizes the achievement of Alternative Education students. Parents are involved in the School Site Council and assist with school activities. Contact the main office for more information.

Student Enrollment by Grade Level (School Year 2011-12)

Grade Level	Number of Students
Grade 9	16
Grade 10	36
Grade 11	65
Grade 12	100

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

III. School Climate

School Safety Plan (School Year 2011-12)

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The Safe Schools Plan for Fair View High School is updated annually. The safe schools plan addresses traumatic incidents, imminent danger, evacuation procedures, civil defense/disorder, bomb threats, earthquakes, chemical spills, crime in progress and fire/explosion. The Safe Schools Plan is available for review in the Fair View office. Students are instructed and drills are conducted with regard to the State required earthquake and fire procedures at least two times during the school year.

Suspensions and Expulsions

Rate*	School			District		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
Suspensions	27.38	31.98	14.28	10.03	8.95	4.57
Expulsions	0	0.45	2.76	0.73	0.59	0.62

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: November 2012

Fair View High School has occupied its current location since the summer of 2005. FVHS operates its instructional program in seventeen clean and aesthetic classrooms. The school contains thirteen permanent classrooms, four portables and a Child Care Center that is housed in a portable. The campus is also a source of enjoyment and pride for many of the local neighbors as they use it as a meeting and recreational facility. We have campus supervision patrols on campus from 7:30 a.m. to 4:00 p.m. daily. Teachers, support staff, and school administrators also supervise the students before and after school and during student breaks and lunch. Visitors are required to check in and register at the main office. Visitors are asked to wear an identification tag while they are visiting the campus. Signs are posted directing visitors to the main office and the campus supervisor assists in their direction. FVHS enjoys a healthy and safe environment. School administration works with the custodial staff to ensure a clean and safe school. District maintenance staff consistently keeps the school in good working order. CUSD participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. The FVHS campus is kept in good working order.

School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

Indicator	2010-11	2011-12	2012-13
Misassignments of Teachers of English Learners	1	0	0
Total Teacher Misassignments	1	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011-12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	92.16	7.84
All Schools in District	98.55	1.45
High-Poverty Schools in District	98.17	1.83
Low-Poverty Schools in District	100	0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2011-12)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2	109
Counselor (Social/Behavioral or Career Development)	.5	---

Psychologist	0.5	---
Social Worker	1	---
Nurse	0.2	---
Speech/Language/Hearing Specialist		---
Resource Specialist	1	---
Other		---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 2012

District procedures for adopting textbooks include teacher, student and administrative recommendations and Board of Education approval.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	"Elements of Literature", Holt, Rinehart and Winston 2003 "Grammar Book", It, Rinehart and Winston 2004 "Edge", Hamtom Brown 2006	Yes	0
Mathematics	"Algebra Connections", CPM Educational Programs 2008 "Algebra Readiness", McDougal Littell 2008	Yes	0
Science	"Concepts and Challenges in Physical Science", Pearson Publishing Company 2009 "Concepts and Challenges in Life Science", Pearson Publishing Company 2009 "Concepts and Challenges in Earth Science", Pearson Publishing Company 2009	Yes	0

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	\$9,035.06	\$4,369.32	\$4,665.73	\$61,018.81
District	---	---	\$4,731.04	\$65,065.00
Percent Difference: School Site and District	---	---	98.61%	93.78%
State	---	---	\$5,455.00	\$68,488.00
Percent Difference: School Site and State	---	---	85.53%	89.09%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

** **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Fair View High School receives the following funding:

- **Economic Impact Aid/Limited English Proficient (EIA/LEP)** state funds to support programs and activities to assist English learners achieve proficiency in the English language as rapidly as practicable and to support programs and activities to improve the academic achievement of English learners.
- **Economic Impact Aid/State Compensatory Education (EIA/SCE)** state funds to support programs and activities designed to assist educationally disadvantaged students achieve state standard proficiency.
- **Safe Schools** funds to provide training, resources, and technical assistance to establish a school/community environment which is physically and emotionally safe, well-disciplined, and conducive to learning.
- **Title II** federal funds to provide ongoing staff development for teachers and principals.
- **Title I** funds to meet the educational needs of low-achieving students enrolled in the highest poverty schools and to provide parent education.
- **21st Century Grant** federal funds to provide improved academic achievement; enrichment services that reinforce and complement the academic program; family literacy and related educational development services; and services to help the students meet state and local standards in core content areas. Programs are planned through a collaborative process that includes parents, youth, and representatives of participating schools or local educational agencies, governmental agencies, community organizations, and the private sector.

Fair View High School provides remediation/intervention classes during the regular school and extended day program for those students that have not passed the CAHSEE. Fair View also provides these classes after school through the use of supplemental funding designed for this purpose. All students in danger of not graduating are encouraged to take these classes.

Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$38,121	\$40,932
Mid-Range Teacher Salary	\$53,164	\$65,424
Highest Teacher Salary	\$83,676	\$84,596
Average Principal Salary (Elementary)	\$89,920	\$106,806
Average Principal Salary (Middle)	\$97,238	\$111,776
Average Principal Salary (High)	\$102,804	\$120,858
Superintendent Salary	\$164,900	\$204,089
Percent of Budget for Teacher Salaries	41%	39%
Percent of Budget for Administrative Salaries	4%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB.

For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

California Physical Fitness Test Results (School Year 2011-12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, district, and state level.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2011-12)

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	Yes
Met Graduation Rate (if applicable)	Yes	No

Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information webpage at <http://www.universityofcalifornia.edu/admissions/>. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at <http://www.calstate.edu/admission/admission.shtml>. (Outside source)

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

The Fair View High School faculty participates in weekly professional development activities and teacher-driven on-site collaboration designed to improve instructional skills, curricular knowledge and classroom management skills. Previous topics have included computer assisted reading programs, issues in adolescent development, literacy, assessment, and computer skills for teachers. Developing the Professional Learning Community concept within our school culture continues to be the primary focus of professional development activities. Classified staff also participates in in-service on topics relating to their varied roles and responsibilities. Fair View's curricular development is an ongoing process with staff. Evaluation, improvement and implementation of curricular needs occur on a regular basis throughout the school year.
