

# Rosedale Elementary - Two Way Immersion School

## School Accountability Report Card

### Reported Using Data from the 2011-12 School Year

#### Published During 2012-13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2011-12)

This section provides information about the school, its programs and its goals.

Rosedale is located on the west side of Chico. Rosedale is the Two Way Immersion Magnet School that houses approximately 570 students on a traditional calendar.

#### Our Mission:

The Rosedale community is committed to providing a culture of lifelong learning for all students through dual immersion by developing bilingualism and academic excellence in a multicultural environment.

Rosedale is Chico Unified School District's Two Way Immersion Magnet K-6 school. Our student population is culturally diverse. The Two Way Immersion model provides students with the opportunity to become bilingual and bi-literate. This means that children will be able to speak, read and write fluently in both Spanish and English. We try to maintain a 50/50 or 33/33/33 ratio between English, Spanish, and incoming Bilingual speakers throughout our classrooms.

The demographic makeup is approximately as follows: 60% Latino/Hispanic, 32% Caucasian, 2% African-American, 3% American Indian, and 3% with other nationalities making up the remainder.

Our curriculum is standards based using our district's core curriculum as well as incorporating second language learning strategies in both Spanish and English instruction. Students initial instruction in literacy is in Spanish, beginning at kindergarten. Instruction for English language learners includes daily English Language Development, and for English speakers, beginning English literacy skills. In other curriculum areas such as Math, Science, and Social Studies, teachers instruct in pure language, which means there is no translation in the classroom during instruction. One curricular area that is taught in Spanish from kindergarten to sixth grade is Mathematics. Students receive instruction and practice during Math time in Spanish.

There are currently 26 teachers on staff and a full time principal. Included in the total are 24 certificated bilingual teachers teaching in the Two-Way Immersion program within our school. Also included in the total are two certificated CLAD support teachers. There is one full time and one part time Title I teachers, and a full time RSP teacher. In addition, we support student learning by the support of instructional aides and various other support staff and volunteers. We have partnered with Reading Partners for additional one on one support for struggling students via the support of our community. Our community partnerships extend to our local university where college students provide multiple hours of support to students via the guidance of the classroom teacher and the afterschool certificated coordinator. In addition to our onsite staff, additional certificated staff includes a music instructor, four fine arts instructors, and a PE/Health Specialist.

Additional support for student services includes a PIP aide, school psychologist, licensed counselor, and a Speech and Language Therapist who provides one-on-one or small group services to students. Additionally, two part time Bilingual/Bicultural Liaisons, and two Bilingual Targeted Case Managers who work with parents and families with our home-to-school connection and our Parents as Teachers (PAT) program with Rosedale families who have children from 0-5 years of age, and an additional Bilingual Targeted Case Manager who supports the before and after school program and our parent education component. A school nurse and nurse's aide provide school health services. Either the nurse or the aide is here for daily coverage. Also, a federal Head Start Program is located on the Rosedale Campus.

Rosedale has an extensive school wide Title I program. Students are grouped based on individual reading abilities and instructed by classroom teachers, support staff and trained instructional aides. Part of the program gives supplemental assistance to students in the classrooms through trained instructional aides. Intervention programs include: , Guided Reading, Read Naturally and Soar to Success. For English Language Development, Rosedale uses Language Star strategies for daily leveled ELD instruction.

Rosedale has a library that is operated by a library media specialist. Classes are scheduled on a weekly basis to visit and check out books.

### Opportunities for Parental Involvement (School Year 2011-12)

This section provides information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement.

Parents have many opportunities for involvement in school programs. There are parent volunteers who assist teachers in classrooms, as well as those who assist in outside projects such as field trip supervision, arts programs, gardening, lunch time activities, and organizing school events. Parent input is sought through a variety of venues such as School Site Council, English Language Learner Advisory Committee, and the Parent Teacher Association (PTA), through Target Case Managers, Bilingual Liaisons, and by an open door access to administration.

Staff on committees oversee parent invitations to school activities such as Family Nights and monthly Award Assemblies. Title I Program informational meetings are held annually. Parent conferences are also an excellent method for communication. To communicate on a regular basis with Rosedale families, bi-weekly school newsletters are sent home in English and Spanish. Contact the main office for more information.

### Student Enrollment by Grade Level (School Year 2011-12)

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

### III. School Climate

#### School Safety Plan (School Year 2011-12)

This section provides information about the school’s comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The school safety plan is reviewed and updated on a yearly basis in September-October. Emergency action decisions are made through school, district, police and fire personnel. Key elements of the Safe School Plan cover fire, earthquakes, chemical spills, explosion, weapons, bomb threats, and evacuation and relocation procedures. Potential traumatic incidents are reported to the Crisis Response Team. Notification of extreme emergencies are announced by the Principal via an appropriate warning device or written notice. Teachers have action, evacuation, and relocation procedures posted in each classroom. Supervisors, custodians, office personnel and teachers have access to phone or two-way radio communication at all times. The school is free of graffiti and vandalism and security checks are regular. Emergency Action Plans are in place and staff and students perform monthly emergency/evacuation drills. The school safety plan is updated annually in accordance with Senate Bill 187.

#### Suspensions and Expulsions

Rate*	School			District		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12
Suspensions	4.96	2.44	3.00	10.03	8.95	4.57
Expulsions	0	0.18	0	0.73	0.59	0.62

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

### IV. School Facilities

#### School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

**Year and month in which data were collected:** November 2012

The campus has 26 classrooms available. All classrooms, with the exception of one that is used for a staff room are being used for regular, special education, and additional support services for students. These rooms include space for the Reading Recovery Teacher, Title I Resource, intervention programs, a computer lab, and enrichment programs. Classrooms and seating arrangements are designed for adequate flow and provide easy and safe exit routes in the case of an emergency. Classroom bulletin boards are covered with fire-retardant paper. The bulletin boards encourage interaction, reference, and demonstration of student work. Rosedale has a closed-circuit television system that is used for announcements about student activities and accomplishments, and for safety issues. A school wide intercom system is also used for announcements as necessary.

The school library is fully computerized and annually stocked with new book titles. Athletic facilities include a multipurpose room, four outside basketball courts, two softball fields, two soccer fields and play apparatus. The field was recently leveled and reseeded to provide a safe playing field for students. The parking areas were reconstructed during 2000-01 and a new playground structure installed. A new play apparatus was purchased by our PTA and installed by district personnel. The school grounds are graffiti free and used by a wide variety of school groups. Signs are posted for public use after 4:30 p.m., however, groups and organizations must complete a Use of Facilities Form and comply to district guidelines if space is requested on our campus.

Supervision is provided in the multipurpose room at the beginning of the breakfast program, 7:30 a.m. until 8:30 a.m. for students eating breakfast and all other students who arrive early. Certificated staff supervises morning recess until 8:30 a.m. Approximately 40 students participate in morning programs through the 21st Century/ASES Program and are supervised starting at 7:00 a.m. by classified staff. Students are not allowed in unsupervised areas.

Rosedale also participates in the grant funded ASES/21st Century After School Program in collaboration with CARD from 2:30 p.m. to 6:00 p.m. Monday - Friday. Students participate in both academic and enrichment activities.

### School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

## V. Teachers

### Teacher Credentials

Teachers	School			District
	2009-10	2010-11	2011-12	2011-12
<b>With Full Credential</b>	21	26	23	574
<b>Without Full Credential</b>	0	0	0	1
<b>Teaching Outside Subject Area of Competence</b>	0	0	0	---

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2010-11	2011-12	2012-13
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011-12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100	0
All Schools in District	98.55	1.45
High-Poverty Schools in District	98.17	1.83
Low-Poverty Schools in District	100	0

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2011-12)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		---
Library Media Teacher (Librarian)	0.3	---
Library Media Services Staff (Paraprofessional)		---
Psychologist	0.2	---
Social Worker		---
Nurse	0.2	---
Speech/Language/Hearing Specialist	1	---
Resource Specialist		---
Other		---

\* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** October 2012

Updated and readily available resources are important if students are to perform at their best in class. The State of California adopts textbooks that meet quality standards established by the State Board of Education. The Chico Unified School District selects textbooks and other instructional materials from these state adoptions. All of the textbooks currently in use meet these standards. They were selected to match the needs of Chico students by a Task Force comprised of teachers and administrators and approved by the Board of Education. The CUSD convenes curricular task forces to review textbooks in core subject areas on the Kindergarten through 8th grade state adopted list concurrent with the adoption cycle.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Harcourt/ Treasures and Tesoros - 2012	Yes	0
Mathematics	McGraw Hill/Wright Group / Everyday Math - 2009	Yes	0
Science	K-5: McMillan/McGraw Hill / California Science - 2007 6-8: Prentice Hall / Focus on California Science - 2007	Yes	0
History-Social Science	Harcourt / Reflections - 2006	Yes	0
Foreign Language	Meets State Guidelines		0
Health	Meets State Guidelines		0
Visual and Performing Arts	Meets State Guidelines		0

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	\$8,848.35	\$4,124.17	\$4,724.18	\$61,784.24
District	---	---	\$4,731.04	\$65,065.00
Percent Difference: School Site and District	---	---	99.85%	94.96%
State	---	---	\$5,455.00	\$68,488.00
Percent Difference: School Site and State	---	---	86.60%	90.21%

\* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

\*\* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

### Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Rosedale receives the following funding:

- **Economic Impact Aid/Limited English Proficient (EIA/LEP)** funds to support programs and activities to assist English learners achieve proficiency in the English language as rapidly as practicable and to support programs and activities to improve the academic achievement of English learners.
- **Economic Impact Aid/State Compensatory Education (EIA/SCE)** funds to support programs and activities designed to assist educationally disadvantaged students achieve state standard proficiency.
- **Safe Schools** funds to provide training, resources, and technical assistance to establish a school/community environment which is physically and emotionally safe, well-disciplined, and conducive to learning.
- **Title II** federal funds to provide ongoing staff development for teachers and principals.
- **Title I** funds to meet the educational needs of low-achieving students enrolled in the highest poverty schools and to provide parent education.
- **21st Century Grant** federal funds and **ASES** (After School Education and Safety Program) state funds to provide improved academic achievement; enrichment services that reinforce and complement the academic program; family literacy and related educational development services; and services to help the students meet state and local standards in core content areas. Programs are planned through a collaborative process that includes parents, youth, and representatives of participating schools or local educational agencies, governmental agencies, community organizations, and the private sector.

### Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$38,121	\$40,932
Mid-Range Teacher Salary	\$53,164	\$65,424
Highest Teacher Salary	\$83,676	\$84,596
Average Principal Salary (Elementary)	\$89,920	\$106,806
Average Principal Salary (Middle)	\$97,238	\$111,776
Average Principal Salary (High)	\$102,804	\$120,858
Superintendent Salary	\$164,900	\$204,089
Percent of Budget for Teacher Salaries	41%	39%
Percent of Budget for Administrative Salaries	4%	5%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

## IX. Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

### Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### California Physical Fitness Test Results (School Year 2011-12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.9	30.6	27.4

\* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched “similar schools.” A similar schools rank of 1 means that the school’s academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school’s academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	2	2	5
Similar Schools	2	1	1

#### Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	2009-10	2010-11	2011-12
All Students at the School	9	54	5
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	-4	55	0
Native Hawaiian/Pacific Islander			
White	51	35	32
Two or More Races			
Socioeconomically Disadvantaged	-42	50	18
English Learners	-16	59	2
Students with Disabilities			

\* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

#### Academic Performance Index Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, district, and state level.

Group	2012 Growth API

## Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

### Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Indicator	School	District

First Year of Program Improvement	2003-2004	2004-2005
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	---	11
Percent of Schools Currently in Program Improvement	---	37.9

## XI. Instructional Planning and Scheduling

### Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance, and data reporting, etc.)?

---

In-service training for certificated and classified staff is based on needs assessed at the start of the school year. Areas of emphasis focus on Data Analysis, Language Arts and Math. In addition, staff is encouraged to attend workshops and training in line with the designated focus for personal growth. Training sessions are also held for classroom aides to increase skills for working with students. All training is aligned with the goal of improved instruction through curriculum development.
