Chico Unified School District Expectations

In support of the Board adopted goals, Chico Unified staff will:

Remember that the most fundamental and important relationship in the teaching/learning process is that between the teacher and the student.
Demonstrate that <i>all</i> students are <i>our</i> students <ul style="list-style-type: none">• Be responsible, individually and collectively, for each child's success• Ensure that we meet the needs of all students
Provide positive learning environments, in and out of the classroom
Demonstrate that students and families are our first priority: <ul style="list-style-type: none">• Focus on teacher-parent and school-family communications• Inform parents about their child's progress on a regular basis• Return calls or emails from parents in a timely manner
Fully Implement Professional Learning Communities <ul style="list-style-type: none">• Focus instruction and collaboration on the following four questions:<ul style="list-style-type: none">– What do we want students to know?– How do we know if students know it?– How do we respond when students do not know it?– How do we extend learning and provide enrichment when students do know it?• Collaborate with peers to improve teaching and learning<ul style="list-style-type: none">– During weekly collaboration time– During department meetings, grade-level meetings, and other established site-level times• Teach to the adopted standards, utilizing state- and board-adopted instructional materials• Administer district- and site-level common assessments• Adjust instruction to improve learning, based on evidence gathered from classroom and common assessments
Monitor and adjust our district budget to ensure solvency, local control of our schools, and optimum benefit from the Local Control Funding Formula (LCFF)

Mission Statement

The mission of the Chico Unified School District, a partnership of students, staff, families and community, is to ensure all students achieve high levels of academic and personal success, contribute to their community and confidently participate in a changing global society by engaging in quality educational programs that address diverse student needs and promote learning throughout life.
