Healthcare Service Needed at School	Care of Diabetes at School and School Sponsored Events		
	1. The purpose of an Individualized School Healthcare Plan (ISHP) is to provide safe management of health care needs and services for pupils at school and during school-related activities.		
	2. The School Nurse , in collaboration with the student and the student's parent/guardian, healthcare providers, and school team, is responsible for: a. Development, implementation, and revisions of the ISHP b. The training and supervision of all designated personnel who will provide healthcare according to the ISHP and standard procedures.		
	3. The ISHP may be included in and attached to a 504 Plan and/or IEP.		
	4. ISHP revisions must be directed to the school nurse prior to implementation. All physician changes must have a written physician authorization and written parent consent. Revisions, not requiring authorized healthcare provider authorization, may be made with written parent consent.		
	5. ISHP review must occur annually and whenever necessary to ensure provision of safe care.
