CO-CURRICULAR CODE OF CONDUCT / ASSUMPTION OF RISK / DRUG, ALCOHOL, & STERIOD BAN / INSURANCE / PHYSICAL

Co-curricular programs contribute to the educational, emotional and social development of students. Since students do not receive grades and credits for participation in co-curricular programs, students elect to participate in these activities for personal development and gratification. Co-curricular activities include elected student body offices, student clubs and organizations, athletics, yell leading and song leading.

Students who elect to participate in or compete for the opportunity to participate in co-curricular activities have inherent responsibilities to conduct themselves in a manner that reflects the values of the school, school district, community, state and nation that they represent. In addition to the behavioral standards and disciplinary consequences applicable to all students in the District, each student desiring to participate in a co-curricular activity must comply with the District's co-curricular Code of Conduct.

CO-CURRICULAR CODE OF CONDUCT		
<p>Students will comply with all federal, state and local laws, school district policies and procedures and school regulations. They will conduct themselves in a manner that reflects the common courtesies of decency, morality, cleanliness, honesty and respect for the rights and property of others.
